June Williams Jones

On June 10, 2019
June Williams Jones celebrated her
100th birthday. In her honor, an
open house was held June 9, 2019
at her home in Dillon, Montana
with many of her family and life-
long friends celebrating with her.

Also, in her honor,
a large family reunion was held
in Dillon the weekend of June
28, 2019. 112 of Junes posterity
were present to honor and express
their love and respect for her.
As she looked out over her large

posterity, with tears in her eyes,
she expressed her love for all her
family. She went on to say:

"83 years ago, I met a man named
Joseph Lester Jones and we fell in
love. Now look at this beautiful

She is the daughter of Arthur Thompson Williams and Nora Harrison Williams. She grew up in Malad where she met and married the late Joseph Lester Jones. They made Malad their home until 1950, when they bought a ranch in Dillon, Montana. She worked hard making a yard of rocks and weeds into the wonderful yard we all enjoy today. June still resides in Dillon today. Her and Lester are the parents of four children, Vonda, Gerald, Clara, and Dennis. She is blessed with 20 grandchildren, 79 great grandchildren and 18 great great grandchildren.

She is an incredibly loving person, of everyone and everything.

She mothered many children who were not even her own, giving them clothes to wear and food to eat. There were always countless others in her home who needed a place to live at different times in their lives. Her table was always open to anyone who happened to come to her home at mealtime.

She brought back life to countless little animals that needed a warm place from the harsh winter. She had great love and tenderness for everything living.

She taught us how to work by working with us. We learned to work by her example, by her side. She also appreciated and respected dad. She was always up dressed, hair combed and breakfast ready for Dad at 6 A.M. When asked why, she would do all that so early she replied, "I want to! He works hard for me all day."

She is an incredible cook, making everything she cooked taste wonderful. Her homemade bread was no exception. On one special occasion, the chief Justice of the Supreme Court, Earl Warren, visited Dillon and she was honored to feed him a good Montana steak and her homemade bread. He told her, "Your homemade bread will be discussed in the White House." She also worked as a cook for the elementary school for 9 years and a cooked at

Barrett Hospital for 20 years.

She has always loved making quilts. She has made hand-pieced, hand quilted beautiful quilts for all her children and grandchildren.

Quilting was a special time to visit with friends as they stitched, and then enjoyed a bowl of homemade soup together.

Some of her most treasured moments were made with her sisters on their "sisters' trips". Every year she and her sisters traveled to different parts of the country for a week of being together and enjoying their love for each other. She has so much love for her sisters.

She never had a lot of money, or beautiful possessions, but she made a wonderful, happy, clean, peaceful home that was always full of love and she was always there.

She taught us, her children, to be honest and gave unconditional love. Her exceptional role as a wife and as the matriarch over our family leaves an unparalleled legacy of love and hard work.

But what makes us love and respect our mother the very most is her example of love, patience, sacrifice and dedication to our dad as she cared and took care of him in her home for 8 years as he suffered from Alzheimer's disease. Why did you do it mom..... "Because I wanted to, and I wanted him to be comfortable as much as possible and he always took care of me."

Her hearing and eyesight are very poor now as she celebrates 100 years, and her frail little body is wearing out, but she gets up every morning and fights to make it another good day. HAPPY 100th BIRTHDAY

Montana Department of Justice Announces Grants to Fund Wishes of Seriously Ill Children

Sale of special motorcycle license plate makes funds available

The Montana Department of Justice announced the availability of \$24,000 in Chrome for Kids Wish Fund grants. These funds are made available through a special Chrome for Kids motorcycle license plate used to fund efforts by Montana-based nonprofit corporations which grant wishes to chronically or critically ill Montana children.

"Thanks to the continued generosity of Montana's motorcycle owners, the wishes of several more critically ill Montana children and their families will now come true," said Attorney General Tim Fox.

Grant applications will be accepted by the Motor Vehicle Division at the Montana Department of Justice through October 30, 2019. Grants will be awarded by November 30, 2019. Grant criteria are:

(1) Only Montana-based nonprofit public or private corporations which have received IRS 501 (c)(3) tax-exempt designation and whose purpose includes assistance to chronically or critically ill Montana children may apply for a Chrome for Kids Wish Fund grant.

(2) Funds must be used to provide a chronically or critically ill Montana child a special wish. No more than 10% of awarded grant funds can be used for program administration by the applicant.

(3) Children's wishes shall be determined by the parents or legal guardians of minor children in consultation with the child and an attending healthcare provider and may be of the following type: (a) a visit to a special place such as a children's theme park or a city or metropolitan area to experience unique or different food, arts, education, entertainment, and culture; (b) a trip to participate in or observe a special activity such as a rodeo, baseball game, surfing, or other physical/sports activity; (c) financial assistance to provide improvement in the quality of life for the chronically or critically ill child as determined by the attending physician and parents/legal guardian; or (d) a special activity such as a birthday party or celebration of the child's life as determined by parents/legal guardian.

Grant applicants must submit the following materials with each grant application: The legal title of the nonprofit organization and the address of its principal office; a list of the organization's board members and their occupations; a copy of the organization's IRS tax-exempt designation; the name of the proposed grant, the amount of funding requested, the general purpose of the proposed grant, a specific description of how any awarded grant funds would be used; and any evidence of public support for the proposed grant. Successful grant applicants will be required to provide the Montana Department of Justice Motor Vehicle Division with a report, once grant funds are exhausted, that details specifically how the grant funds were used.

Applications can be submitted to the Montana Department of Justice Motor Vehicle Division Administrator at PO Box 201430, Helena, Montana 59620-1430; or emailed to mvdttitleinfo@mt.gov. For more information, call (406) 444-3933.

USGS to collect core sample SW of Lima

The United States Geological Survey (USGS) will be working to extract a core sample in the Little Sheep Creek drainage southwest of Lima on the Beaverhead-Deerlodge National Forest, September 9-20.

The purpose of the drilling will be to remove a 600 foot long continuous core of Phosphoria shale from a six inch diameter hole. The goal for the USGS is to conduct research on the sample to analyze the rock's geochemistry. Similar core samples have been gathered from Wyoming, Texas and Colorado.

Once completed, the hole will be filled with a bentonite slurry to 20 feet below the surface and then filled to the surface with cement and a metal cap will be welded on top.

This project will have minimal impact to the area and USGS will be taking all precautions to prevent spills, fires and provide for safety of the workers and public, as well as the security of equipment. Roads will not be constructed and the project area will be approximately 200' x 200' in size.

For more information, contact Geologist Erik Torgerson at the Dillon Ranger District at (406) 683-3900.

HANK

By "Swede" Troedsson

Around 3:00 P.M., on August 9th, 1975, I received a telephone call at home from the Wisdom Ranger District. The District informed me that a man had fallen and was badly injured above Ajax Lake. Ajax lake is located west of Jackson, right against the Continental Divide. The District requested that I initiate a rescue. What followed was a rescue involving three aircraft and a flight to Missoula.

I hastily gathering some basic rescue equipment and raced out to the Dillon Airport. After boarding a Cessna 182, we departed Dillon around 3:30 and flew to the Wisdom Airport, arriving around 4:00. An hour later a Bell 47 helicopter arrived from Hamilton. The helicopter had a covered rescue stokes litter attached to the right cargo rack.

After loading the equipment onto the helicopter, we flew to Ajax Lake, arriving around 5:30. We landed on a flat bench about 100 yards south of the injured man, Hank Williams, Jr..

Hank, and a friend, Dick Willey, and Dick Willey's son, Walt, had been spotting mountain goats above Ajax Lake, when Hank slipped on a snow field. Hank landed on rocks below, sustaining severe facial and head injuries, but was conscious.

Dick went for help, leaving Walt with Hank. Dick ran into a Forest Service patrol below Ajax Lake, who radioed the Wisdom Ranger District. Then the District got things going. District Ranger Ed Brown was in the area, and on his way to the accident site, recruited some campers to assist in the evacuation.

We placed Hank on the scoop stretcher, positioning him on his side so he would not choke on mucous and blood. We carried him to the helicopter and loaded him into the stokes litter.

We flew to the Wisdom airport, arriving around 6:45 P.M.. After loading Hank into the Cessna, we departed Wisdom shortly thereafter. Because of the severity of the injuries, I elected to have Hank flown to higher care facilities in Missoula.

We arrived at the Missoula Smokejumper Base around 7:45 P.M.. I had radioed ahead and the Base had a Huey helicopter warmed up waiting for our arrival. We transferred Hank into the Huey and flew him to the Community Hospital.

After delivering Hank to the hospital, I returned to the Smokejumper Base in the Huey. I then boarded the Cessna, and returned to Dillon, arriving around 9:00 P.M..

I sent Hank a copy of the case folder. I never heard back from him. I saw Hank on TV from time to time, after he healed up. He always wore sun glasses, I guess to hide facial scarring.

Southwestern Montana Mammography Program Hike for the Cure

Get your PINK on and join us for the annual
BALDY HIKE FOR THE CURE

When: Saturday, September 7, 2019

Where: Meet at BHH Medical Office Building Parking Lot

**What Time: 8:00-8:30 a.m.---we will plan to carpool—
leaving the parking lot at 8:30 a.m.**

Bring plenty of water, a lunch or a snack to enjoy on top. Dress in layers as it is usually cool first thing, warms up as you head up and is windy on top.

If you haven't done this hike it is a good one—steady grade uphill until you hit tree line then a switchback trail through the rocks. Not hard but not easy either. It is about 5.7 miles roundtrip. Please feel free to share with friends that may be interested.

**Call Lesli Cottom: 660-2020 for
more information**

Hike to Baldy Mountain to set some pink balloons free in honor of mothers, daughters, sisters and friends who have been touched by breast cancer. This is a fun way to spend the day, see some beautiful country, as well as celebrate the lives of the many women touched by breast cancer.
