Janice Elaine (Houk) Hamby

Janice Elaine (Houk) Hamby, 70, passed away August 30th, 2019 at Barrett Memorial Hospital from a long battle with cancer.

Janice was born in Clinton, Missouri on December 19th, 1948, to Orville and Mabel Houk. She attended Deepwater High School until she met Charles J. Hamby. They were married in Brownington, Missouri on December 18th, 1965.

Janice worked for Rivals on the assembly line, putting can openers together in Clinton until their first son, Charles Edward Hamby was born in 1967.

In July 1973, they came to Dillon on vacation to visit family. They loved the area so much they moved here. Charles went to work for Pfizer's, while Janice stayed at home to raise their children. Their second son, Mark, was born in 1977 and daughter, Margie LeAnna, in 1979.

Janice loved to take care of her family and friends. No one ever left their home hungry or cold. Janice enjoyed fishing and hunting, and never passed up on a good yard sale or flea market. After her family was raised, she went back to work. She was employed at Liberty's Dollar Store, Alco, and Lastly Kings department store where she made many friends in toyland.

Janice is preceded in death by her parents Orville and Mabel Houk, brothers Denver, Kenneth, Edward and James Houk of Deepwater, MO, sister Margie Lightle of Deepwater, MO, and son Mark Hamby.

She is survived by husband Charles J. Hamby (Dillon), son Charles E. and Veronica Hamby (Belgrade), daughter Margie and Shaun Lenegar (Dillon), extended family John and Vonnie Knapp (Dillon), grandchildren Cole and Rosa Hamby; Ashley, Taylor, Shane, and Katherine Lenegar; Tina Phillips, Lisa Browning, J.R. Phillips, Kameron Phillips, Hillary Whitney, Besi Wilson, B.J. Sanders, and numerous great grandchildren.

A visitation will be held at Brundage Funeral Home on September 3rd, 2019 from 5PM – 8PM, a funeral service will be held at Brundage Funeral Home on September 4th, 2019 at 10:30AM followed by a small committal at Mountain View Cemetery. Reception will be at Beaverhead River Cowboy Church on the 4th following the conclusion of the service.

If you'd like to make a memorial donation, please make the donations to the Hamby Memorial Fund at High Peaks Federal Credit Union.

June Williams Jones Celebrates 100 Years

On June 10, 2019 June Williams Jones celebrated her 100th birthday. In her honor, an open house was held June 9, 2019 at her home in Dillon, Montana with many of her family and life-long friends celebrating with her.

Also, in her honor, a large family reunion was held in Dillon the weekend of June 28, 2019. 112 of Junes posterity were present to honor and express their love and respect for her. As she looked out over her large posterity, with tears in her eyes, she expressed her love for all her family. She went on to say:

"83 years ago, I met a man named Joseph Lester Jones and we fell in love. Now look at this beautiful family I have

ALL BECAUSE TWO PEOPLE FELL IN LOVE

June Williams Jones was born June 10, 1919, in Malad, Idaho. She is the daughter of Arthur Thompson Williams and Nora Harrison Williams. She grew up in Malad where she met and married the late Joseph Lester Jones. They made Malad their home until 1950, when they bought a ranch in Dillon, Montana. She worked hard making a yard of rocks and weeds into the wonderful yard we all enjoy today. June still resides in Dillon today. Her and Lester are the parents of four children, Vonda, Gerald, Clara, and Dennis. She is blessed with 20 grandchildren, 79 great grandchildren and 18 great great grandchildren.

She is an incredibly loving person, of everyone and everything.

She mothered many children who were not even her own, giving them clothes to wear and food to eat. There were always countless others in her home who needed a place to live at different times in their lives. Her table was always open to anyone who happened to come to her home at mealtime.

Kirsten Love
Medicare · Life
Producer

She brought back life to countless little animals that needed a warm place from the harsh winter. She had great love and tenderness for everything living.

She taught us how to work by working with us. We learned to work by her example, by her side. She also appreciated and respected dad. She was always up dressed, hair combed and breakfast ready for Dad at 6 A.M. When asked why, she would do all that so early she replied, "I want to! He works hard for me all day."

She is an incredible cook, making everything she cooked taste wonderful. Her homemade bread was no exception. On one special occasion, the chief Justice of the Supreme Court, Earl Warren, visited Dillon and she was honored to feed him a good Montana steak and her homemade bread. He told her, "Your homemade bread will be discussed in the White House." She also worked as a cook for the elementary school for 9 years and a cooked at Barrett Hospital for 20 years.

She has always loved making quilts. She has made hand-pieced, hand quilted beautiful quilts for all her children and grandchildren.

Quilting was a special time to visit with friends as they stitched,and then enjoyed a bowl of homemade soup together.

Some of her most treasured moments were made with her sisters on their "sisters' trips". Every year she and her sisters traveled to different parts of the country for a week of being together and enjoying their love for each other. She has so much love for her sisters.

She never had a lot of money, or beautiful possessions, but she made a wonderful, happy, clean,peaceful home that was always full of love and she was always there.

She taught us, her children, to be honest and gave unconditional love. Her exceptional role as a wife and as the matriarch over our family leaves an unparalleled legacy of love and hard work.

But what makes us love and respect our mother the very most is her example of love, patience, sacrifice and dedication to our dad as she cared and took care of him in her home for 8 years as he suffered from Alzheimer's disease. Why did you do it mom..... "Because I wanted to, and I wanted him to be comfortable as much as possible and he always took care of me."

Her hearing and eyesight are very poor now as she celebrates 100 years, and her frail little body is wearing out, but she gets up every morning and fights to make it another good day. HAPPY 100th BIRTHDAY

Low flows trigger full fishing closure on upper Big Hole River

A 46-mile section of the upper Big Hole River will close to all fishing due to low flows.

A full angling closure will go into effect at 12 a.m. on Aug. 31 from Saginaw Bridge on Skinner Meadow Road to the north fork of the Big Hole River. The closure will remain in effect until daily flow is greater than 40 cubic feet per second (CFS) for seven days, or no later than October 31.

A section of the lower Big Hole is currently under a hoot owl restriction, which prohibits fishing each day between 2 p.m. and midnight, due to a seasonal rise in temperatures.

These closures are in accordance with the Big Hole Watershed Committee Drought Plan, which calls for angling restrictions when water temperatures exceed 73 degrees for three or more consecutive days, or when flows drop below 20 CFS. The Big Hole River recently met the latter threshold, with flows of 18 CFS near Wisdom.

Restrictions of this nature are enacted to protect fish species like Arctic grayling, rainbow trout and brown trout, which all become more susceptible to disease and mortality when conditions like low flows and high temperatures combine with additional stressors.

Red Rocks Vegetation Project Approved

Beaverhead-Deerlodge National Forest Supervisor Cheri Ford has signed the Decision Notice for the Red Rocks Vegetation Project located north of Butte and west of Interstate 15 near the communities of Bernice and Basin.

"We welcome this long awaited decision," said Leonard Wortman, member of the Beaverhead-Deerlodge Working Group (BDWG) and Jefferson County Commissioner. "The Working Group has been extensively involved and supportive of the Red Rocks project."

The BDWG is a citizen-based committee of people who represent key interests, geographic balance, and knowledge of the Beaverhead-Deerlodge National Forest.

This project will implement treatments across 6,673 acres. The purpose of these treatments are to reduce timber stand density and increase age class, size class, and species diversity in the project area as well as reduce encroaching conifers in low to mid-elevation grassland-shrubland communities and aspen stands. In conjunction with addressing these needs, this project will also recover the economic value of forest products to support and sustain local economies, industries, and livelihoods. Treatments will include timber harvesting, slashing, and prescribed burning.

Additional improvements will include upgrading 11 culverts and four stream ford crossings to accommodate aquatic organism passages and increase connectivity.

The project Decision Notice is available for public review online at the web page https://www.fs.usda.gov/project/?project=51022, or copies may be requested by contacting the Butte Ranger District Office at (406) 494-2147.
