DO YOU NEED A LITTLE HELP? BEAVERHEAD COUNTY PUBLIC HEALTH IS HERE FOR YOU!

Public Health provides programs to help keep our community healthy, we are your "go to" place for information on WIC, immunizations, and family planning services. Services are provided by friendly, qualified staff at low or no cost.

WIC is the Special Supplemental Nutrition Program for Women, Infants and Children. WIC provides good food and a whole lot more! This program provides nutrition and health education, breastfeeding support, healthy food and referrals to other services free of charge to Montana families who qualify. This includes low-income pregnant, breastfeeding, and postpartum women, and to infants and children up to age five who are found to be a nutritional risk. WIC provides benefits to buy certain supplemental foods from WIC authorized retailers each month. WIC can make nutrition education and referrals to health and social services such a Registered Dietician.

Persons applying for WIC benefits must meet the eligibility requirements. Standards for eligibility and participation are the same for everyone, regardless of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Beaverhead Family Planning is a Title X funded program that provides confidential services to adolescents and adults. Services offered include physical exams, contraception, pregnancy testing, STI testing and treatment, emergency contraception, IUDs, and cancer screening. Services are based on a sliding fee scale according to income. Staff can help you sign up for Plan First insurance to help pay for services if you qualify. Family Planning is supported financially by patient fees and donations so donations are encouraged at all visits.

Immunization services are provided as a walk-in clinic every Wednesday. A wide-array of vaccines are available to persons of all ages. Children under the age of 19 years may qualify for reduced fees through the Vaccines for Children (VFC) program. Public health also offers off-site clinics to schools and rural communities. The BCBS Care Van is teaming up with public health to provide flu shots to the county on October 10 and 11th. October 10th they will be at the Courthouse from 11-12pm and Lima School at 2pm. On the 11th, they will be making the Big Hole loop stopping at the Grasshopper Inn in Polaris at 10am, Jackson Hot Springs in Jackson at 11pm, Big Hole Petroleum in Wisdom at 12:45pm, Community Center at Wise River at 2pm and Dewey bar at 2:25pm. They will also make a stop at Divide somewhere around 2:35 and 3pm. Just look for the white BCBS Care Van.

ALTERNATIVES TO PRIVATE MEMORIAL ON HIGHWAYS

Loss of life from a vehicle crash has a devastating impact on families and friends of the victim. A loved one is suddenly no longer with us.

It has become a practice for people who have lost loved ones due to a fatal crash to express their grief by placing a memorial within the highway right of way near the crash site. While both The American Legion and Montana Department of Transportation (MDT) acknowledge the need some people feel to express themselves in this way, the placement of private memorials within a roadway's right-of-way is not allowed under state statutes.

There are a few allowable uses of roadways and rights-of-way. Some uses require prior approval through permits; others are allowed by statute or by agreement with MDT.

Two acceptable alternatives to a private memorial are the Adopting-A-Highway Program and the American Legion Highway Fatality Program.

Under the Adopt-A-Highway Program, MDT allows friends and family to adopt a two mile-long highway segment under the Adopt-a-Highway program with signage that notes the highway has been adopted in memory of a loved one. The sign is installed by the state in compliance with federal and state standards. Those who adopt a highway are required to clean their adopted roadway at least two times a year. MDT will loan you safety vests and bags for your cleanup efforts.

Another acceptable alternative is the American Legion Highway Fatality Program, often referred to as the "White Cross" program. Under this approve highway safety program a marker is placed at the site of a fatal crash, again in compliance with state and federal standards. An agreement between MDT and The American Legion allows these undecorated markers and identifies the rules for their installation and annual maintenance.

No one wants to see a subsequent tragedy result from a previous incident. For safety's sake, statutes require only items which perform a specific highway function are allowed within a highway right-of-way.

The American Legion strongly encourages grieving parties, who wish to place a marker near the site of the fatal crash, to work with your local American Legion Post to have a Fatality Marker placed. Such markers must remain undecorated. In the Dillon area contact your American Legion Post 20 at P. O. Box 146. Your request will be forwarded to the appropriate individual.

Here's the Dillon Middle School news for the week of September 30-October 4, 2019.

The lunch menu for the week is as follows: On Monday we will enjoy breakfast for lunch with pancakes, sausage, potato and fruit. On Tuesday spaghetti with meat sauce will be served with French bread, and on Wednesday, we will have a local beef hamburger on a bun with trimmings. Thursday, we will enjoy chicken noodle soup, bread, WOW butter and honey. And on Friday we will have a baked potato bar with trimmings.

Last week was primary week for President and Vice President. We enjoyed all the fun posters in the hall. Candidates will be giving speeches today in the DMS gym during 8th period. Presidential hopefuls are: Jacob Harvey, Zoe Graham, Abbi Lemelin, and Halle Fitzgerald. Vice Presidential candidates are: Savanna Freitas, Ellie Sherwood, Tucker Sitz, and Faye Holland. Good luck candidates.

Midterms are coming home with your students this Friday, October 4th. If you don't receive your child's grades, please contact the office. Parent teacher conferences are coming up October 14 and 15 from 4 to 7 pm. No appointments are necessary. We would really like to have 100% parent turnout.

In volleyball, Dillon hosted a tournament Saturday, September 21st. 8A came away with the championship, beating Anaconda. 7A also won, beating Butte East. Great job ladies. Then Monday, September 24th, both A teams hosted Butte Central. 7A won while 8A lost. Last Tuesday, the B teams hosted Deer Lodge. Although neither team could pull off a win, both teams have improved and each girl played very hard. This week in volleyball, the teams travel to Butte East on Tuesday, October 1st. The bus leaves at 3:00 PM. Games for 7th and 8th run simultaneously at Butte East Middle School gym. The B teams play at 4:30, followed by A teams at 5:30.

Last Tuesday, 7th and 8th grade football faced Anaconda. Anaconda had a mixed 7th and 8th grade team, so our 7th grade team played the first half and our 8th grade team played the second half. The 7th grade narrowly lost while the 8th grade won handily. This week, in football, the DMS Cougars will host Butte East on Tuesday, October 1st. 7th grade will play at 4:00, followed by 8th at 5:30 pm. Come cheer on the Cougars.

We have results from the cross country meet last week here in Dillon. Top runners for the boys were as follows: For 8th grade boys, Angel Lagness was 5th, followed by Andrew Eagan and Jacob
