UMW Professor Earns Title of Professor Emeritus

Congratulations to Dr. Steve Mock on being conferred upon by the Montana University System Board of Regents for the title of Professor Emeritus of Environmental Sciences. Dr. Mock served the University of Montana Western with dedication and valued service for 28 years.

Dr. Mock started his career in Montana as a public-school teacher in Lima and Clyde Park before earning his Ph.D. in analytical chemistry at Montana State University in 1989. After teaching for a year at Gonzaga University, Dr. Mock joined the faculty of the University of Montana Western in 1991. He rose rapidly to the rank of Associate Professor and then Professor.

Dr. Mock helped create the Environmental Sciences Department, served as a chairperson, directed the Fund for the Improvement of Post-Secondary Educations (FIPSE) grant that launched the innovative Experience One program and was the Dean of Arts and Sciences. He served on numerous committees, worked to create the arts and sciences degree programs and was instrumental in helping Montana Western becoming the first public university in the history of the United States to adopt Experience One, a system of experiential, immersion learning where students take, and faculty teach, one course at a time. For his efforts, Dr. Mock received the Montana Ambassadors Mike Malone Educator of the Year award in 2012.

Professor Mock was a very successful and popular teacher at Montana Western. He was well known by students as a passionate and caring educator. He creatively used Experience One to integrate lecture and lab in his chemistry courses and developed several field-based experiences for students in classes like environmental geochemistry, environmental education, environmental field studies, rock climbing, winter camping and more. Dr. Mock had many successful chemistry students over the years, some who went on to be public school science teachers, lab chemists, medical professionals and veterinarians.

Over the last few years, Dr. Mock provided opportunities for students to travel to Nepal and work with him at the Khumbu Climbing Center near Mt. Everest, where he currently serves as Director. He also serves as the President of the Denali Rescue Volunteers in Alaska. Dr. Mock's passion for climbing and outdoor education exposed countless Montana Western students to mountain recreation and changed the lives of many who now share his passion.

Beaverhead Little League Needs You

Beaverhead Little League needs your help! We have some exciting projects coming up and we want to share those projects with you. We are calling on anyone in our community that has expertise and is willing to help. We are looking for Fencing, Dirt Work/Excavation, Hauling, Irrigation/Landscaping, Construction, Electricians, and Plumbing.

We invite you to join us for a meeting on Sunday, October 6, at 2:00 pm, at Ray Lynch Fields. We will introduce you to our current projects and long term plans for the betterment of not only Beaverhead Little League, but the Dillon community as a whole!

For questions please contact Alyssa Creighton at 660-0512.

FWP acquires 160-acre addition to Mt. Haggin WMA

Recreationists now have an additional 160 acres to enjoy when visiting the Mt. Haggin Wildlife Management Area south of Anaconda.

The new parcel lies along the north-central boundary of the WMA. Montana Fish, Wildlife & Parks recently partnered with the Rocky Mountain Elk Foundation to purchase the parcel from a landowner wishing to see the property go into public ownership. The purchase received support from local conservation groups, Deer Lodge County commissioners, and several local sportsmen and women.

FWP closed on the sale on Sept. 19. The property is now open to the public.

Mt. Haggin is Montana's largest wildlife management area at 65,000 acres. The WMA spans the Continental Divide, providing quality wildlife habitat in both summer and winter ranges, as well as migration corridors. The WMA also provides excellent fishing opportunities.

Letter to the Editor

SAVE YOUR SOUL

Roger Koopman, a current Public Service Commissioner, informs Montana Standard readers (Guest View, Sept 27) that the "best of the best" of America's scientists say that rapid human caused climate change is "world-class hogwash." Really? Come on Man! Just who are these BEST OF THE BEST scientists? Inquiring minds want to know. As an elected public servant, you have a moral obligation to inform your readers who these honest and courageous climatologists are.

As an admitted climate change activist, I look forward to reading opinions based on reasonable explanations supported by facts…so, come on Roger, give me some names. If it turns out your BEST OF THE BEST is more conservative right-wing nonsense, I will not be shocked.

As of today, things do not look too good for your Montana Conservative Alliance. I suggest you follow the lead proposed by ex U.S. Sen. Jeff Flake: admit you made a major mistake by embracing all those lies coming from the Orange Lump. Rapid climate change is not a hoax.

Montana Public Service commissioners should be pushing NorthWestern Energy to generate 80% of their electricity from renewable by 2035.

Save your soul, Roger Koopman.
Do it for the planet.
Be pro-life for all.
Mike Mosolf

Some local folks who have read and enjoyed "Swede" Troedsson's Smokejumper, and Other stories, in the Dillonite Daily, have encouraged him to continue to share some of his more exciting life experiences. During the period 1970 - 1985, while employed by the USFS in Dillon, MT, "Swede" served as a volunteer on the local ambulance, in Search & Rescue, and on the National Ski Patrol. What follows is his attempt to satisfy the requests:

PRIMATE PILLS

By "Swede" Troedsson

At approximately 11:00 P.M. on September 9th, 1981, I received a telephone call at home from local Sheriff Rick Later. Rick requested my assistance in the rescue of an injured woman who fell off a horse in the East Fork of the Blacktail.

Upon arriving in Rick's office, I was introduced to local resident Robert Lewis. Mr. Lewis explained that he was on a horse pack camping trip with friends, in the East Fork of

Blacktail Cr. The friends, from Olympia, WA, were a man, Robert Hartz, and his wife, Shelly, a Registered Nurse. Around 11:00 A.M. that morning, Shelly ducked under a tree leaning across the trail. A limb snagged her sweater. The horse kept going forward, and she was dragged backwards off her horse, falling and injuring her back. After bedding Shelly down in the trail, just south of Honeymoon Park, Mr. Lewis went for help. The husband stayed with his wife.

Rick asked me about the availability of a helicopter. I informed him that I had seen a Jet Ranger land that evening at the KOA Camp ground, just across the river from me. I called out to the KOA camp ground around 11:30 P.M., and requested that the pilot return my call. The pilot, Tom Mishler, flying for Hosking Exploration Helicopters, returned my call. I explained the situation to Tom. The plan was to fly Shelly south over the ridge to the Metzel Cr. airfield, located on the north side of the Centennial Valley. This would be a short trip. Tom said he would do the flight for free since he was working around Lima Reservoir for an oil survey company. He also informed me that he did not have a litter kit for the helicopter. I told him no problem, we could remove one of the rear doors and load Shelly cross-wise on the rear seat. Her feet would be sticking out of the helicopter, but she would be strapped in and safe.

After getting a location of the accident from Mr. Lewis, I called Forest Engineering Technician Butch Selway, and requested he bring the aerial photo coverage of the accident site to Rick's office so I could examine them for a possible helicopter landing site close to the patient. The examination revealed that there was a large meadow close to Shelly. An ideal helispot!

Rick called in local Search & Rescue personnel Parke Scott, Mike Shaffer, and Chris Kraft to brief them. They were instructed that in the early morning they were to drive to the head of Long Cr., arriving there by 7:00 A.M. From there they would be flown into the accident site to assist in the ground evacuation of Shelly to the helicopter.

Deputy Keith Reeder was instructed to fly in a Cessna 206 and land at the Metzel Cr. airfield. After the helicopter had delivered the Search and Rescue personnel to the accident site, the helicopter would pick him up and return to the accident site so he could assist in the evacuation. He was told to instruct the pilot to check up on us if we did not arrive at the air field in two hours.

We completed our planning around 1:00 A.M., and went home for a few hours of sleep. Around 5:30 A.M., Rick, the pilot, Mr.

Lewis, Deputy Reeder, and I, met at Skeet's Cafe for breakfast. After breakfast, around 6:30 A.M., Deputy Reeder left for the airport. The rest of us drove to the KOA camp ground and flew out around 6:50 A.M.

Around 7:20 A.M. we landed near the accident site, got out of the helicopter, and approached Shelly. The helicopter left to retrieve the rest of the rescue personnel.

We introduced ourselves to Shelly, and explained to her our rescue plans. When I pulled the sleeping bag back to check her vitals, she started to shiver. I turned to Rick and said "Dang, we forgot the Primate Pills". Shelly wanted to know what were Primate Pills. I informed her that if she took two, she would grow fur in two hours. She laughed. For the rest of the trip, she was all smiles.

The Search & Rescue personnel and Keith arrived, and, after loading Shelly onto a scoop stretcher, helped transport and load Shelly into the helicopter. Rick would return to Dillon with the Search & Rescue crew. Mr. & Mrs. Hartz, Kieth, and I were flown to the air strip and boarded the Cesnna 206. We arrived at the Dillon Airport around 8:40 A.M.

An ambulance met us at the airport, and transported Shelly to the local hospital. There she was diagnosed with a slight compression fracture of the lower spine. She was released shortly thereafter, and spent several days at a local ranch until she was well enough to sit in a commercial airplane to fly home from Butte. I sent her a bouquet of flowers with a note that said "To that beautiful nurse with the devastating smile"

Several days later, Shelly called to thank me prior to leaving Dillon. I suggested she stop by our office on her way out and I would give her some mementos of the Forest. I obtained a container of sugar pills from a local pharmacy and had them labeled "Primate Pills". I placed them along with a Smokey Bear coloring book, a Smokey Bear badge, and a Forest map with the accident site marked on it, into a Woodsy Owl litter bag. Shelly stopped in front of our office on her way out, and I handed her the bag without telling her what was in it.

Later, Shelly wrote me two beautiful letters thanking me and keeping me updated on her recovery. In her last letter she stated " Your primate pills work wonders for me - no more chilly nights or days for me! --- However, there is one problem, that being a financial one... my sudden and unquenchable desire for bananas is ruining us... oh, dear."

Attention Community:

We are recruiting the help of businesses, individuals, and community organizations who would host a game booth or event.

The Beaverhead Chamber of Commerce & Agriculture is proud to present the community Halloween Party Thursday October 31, 2019. With the support from the United Way of Beaverhead County this event is a strong example of the spirit and generosity in our community.

There is no charge for a booth space. We will again let attendants pick a fan favorite from all the booths present. The winner will receive $100 in Chamber Bucks!

For information and to register a booth please call: Candi at 406-683-5511 or email info@beaverheadchamber.org or stop by and pickup a registration form at 10 W. Reeder St.

BARRETT
HOSPITAL & HEALTHCARE

Licensed Practical Nurse:

Barrett Hospital & HealthCare invites applications to fill a Licensed Practical Nurse (LPN) position to join our Clinic team. The LPN assists in the management of patient flow and assisting physicians with assigned procedures. The LPN also is responsible for taking, screening and initiating necessary telephone calls to patients, maintaining exam rooms, stocking of supplies, ensuring cleanliness and sterility of necessary equipment, and administration of medications and injections, as ordered by physicians. The LPN is responsible for maintaining complete and accurate electronic medical record documentation. As a member of an interdisciplinary team, successful candidates will have a passion for customer service excellence, compliance, compassion, and genuinely enjoy working with the public. Minimum Qualifications: Current Montana LPN licensure and Basic Life Support (BLS) are required. Three to five years related healthcare experience and/or training preferred; or equivalent combination of education and experience may considered for outstanding candidates. This position is Full Time and is eligible for the full benefit package.

Certified Medical Assistant:

Barrett Hospital & HealthCare invites applications to fill a Certified Medical Assistant position to join our Clinic team. The Certified Medical Assistant performs a variety of administrative and clinical tasks under the direction of the Clinic leadership and medical provider. The Certified Medical Assistant works in tandem with the Clinic team for management of patient flow, assisting physicians with assigned procedures, and taking, screening and initiating necessary telephone calls to patients. The Certified Medical Assistant is responsible for maintaining exam rooms, supplies and instruments necessary for use by physicians and ensuring cleanliness, sterility and equipment availability. The Certified Medical Assistant administers medications and injections, as ordered by physician. The Certified Medical Assistant performs all clerical duties required for maintaining complete and accurate electronic medical records. Successful candidates will have a passion for customer service excellence, team work and enjoy working with the public. Minimum Qualifications: High School Diploma, GED or equivalent required. Graduate from an accredited Medical Assistant program and Certification in Medical Assisting required. Three to five years related healthcare experience and/or training, or equivalent combination of education and experience may be considered. Basic Life Support (BLS) required. This position is Full Time and is eligible for the full benefit package.

Certified Surgical Technologist:

Barrett Hospital & HealthCare invites applications to fill a Certified Surgical Technologist (CST) position to join our Peri-Operative/Surgical Services team. The Certified Surgical Technologist is responsible for the provision of patient care to meet identified patient outcomes, and to achieve the goals of the facility as directed by the Peri-Operative Surgical nursing team. The Certified Surgical Technologist performs duties according to scope of practice designated by Barrett Hospital & HealthCare as identified in the role and responsibilities and according to the Certified Surgical Technologist's professional organization and certification board. The Certified Surgical Technologist prepares the equipment, instruments and supplies during surgery as well as protects the sterile area. Incumbents must have a clear understanding of the surgical procedure being performed, in order to anticipate needs of the performing surgeon. Minimum Qualifications: High School Diploma, GED or equivalent required. Graduate from an accredited surgical technology program recognized by the commission on Accreditation of Allied Health Education Programs (CAAHEP) or Accrediting Bureau of Health Education Schools (ABHES), preferred, however candidates with alternative education and experiences may be considered, such as candidates who have participated in the Accelerated Alternate Delivery (AAD) Pathway with successful CST certification results. Candidates must hold valid certification from the National Board of Surgical Technology and Surgical Assisting (NBSTA). In addition to certification, incumbents should demonstrate proficiency in medical terminology and electronic medical record documentation. This position is Full Time and is eligible for the full benefit package.

Licensed Clinical Social Worker:

Barrett Hospital & HealthCare invites applications to fill a Licensed Clinical Social Worker (LCSW) position to join our Clinic team. The LCSW offers behavioral and mental health diagnoses and treatment to individuals, families, and groups including crisis evaluation and support for Barrett Hospital & HealthCare in a collaborative Integrated Health Model. The LCSW will join an internal multi-disciplinary team comprised of members from the Ambulatory Clinics, Inpatient Units, Emergency Department, Care Coordination team, and other ancillary therapy departments to improve and increase access to behavioral health services in the local community. The LCSW will participate in process improvement initiatives that focus on positive patient experiences, population health outcomes, and support community services promoting behavioral health services. The LCSW may represent Barrett Hospital & HealthCare as a liaison for behavioral and mental health awareness in the community, may organize and facilitate the monthly community groups, and assist in supporting the Barrett Hospital & HealthCare's Health Improvement Program. The LCSW will participate in a call rotation during evening hours. Minimum Qualifications: Master's Degree in social work required with LCSW licensure in the State of Montana. One year of supervised social work experience in a health care setting working directly with individuals, preferred. This position is Full Time and is eligible for the full benefit package.

Certified Nursing Assistant:

Barrett Hospital & HealthCare invites applications to fill a Certified Nursing Assistant (CNA) position to join our nursing team. The Certified Nursing Assistant performs assigned tasks and activities according to patient needs, as assessed by the primary RN. The Certified Nursing Assistant supports the nursing team in providing quality nursing care to patients and assists with fostering a safe, quiet, clean and organized environment for excellence in care delivery.
