Nancy Kathleen Gowan

Nancy Kathleen Gowan was born January 19, 1943, in Oakland, California to Gordon and Sadie (Ford) Smith. Upon graduation, Nancy was a runway model in Oakland and San Jose often stopping traffic on many streets in town.

Growing up Nancy enjoyed visiting from California and exploring the Big Hole Valley with her Special Cousin

Sandra Lapham (Jackson, Montana) and doing all the things mischievous little girls will do. Over the years they maintained their friendship and solving world problems over the phone.

Nancy loved the friends she made as she settled down and had a daughter (Tami Paulsen). Opportunities surfaced and they moved to Dillon, Montana to join her mother, father and grandmother. She especially enjoyed having lunch with her grandmother Bab Ford (from Jackson and Dillon, Montana) in Dillon every week in her apartment above the State Bank.

Upon returning, Nancy worked in a local department store, Eliels, in Dillon, Montana, until opportunity smiled again and she was able to start as a coding clerk on the Beaverhead National Forest, working on the Forest Plan. Her expertise in dealing with people especially contentious ones was recognized early on and Nancy moved up to the Administration Support Specialist for the Beaverhead National Forest. She worked on the Selway District of the Nez Perce National before finally settling down in Bozeman, Montana as the Support Services Supervisor on the Gallatin National Forest. She to retire in 2004 due to medical complications from diabetes. Nancy parlayed her modeling talents as a Style consultant to many of the Dillon Rodeo Queen contestants.

Nancy met, in 1981 and eventually married Roger Gowan in 1984. Some of her fondest memories is standing outside on a cold snowy November evening and hearing the geese fly overhead honking as they heading south for the winter. Initially she was concerned and wondered if something had escaped from Jurassic Park. She grew to look forward to seeing and hearing those flights of geese annually.

Another story Nancy enjoyed telling is about the first meal Roger ever cooked for her. Apparently Roger's dog was harassed by a porcupine. The dog had alerted Roger of the trespasser which Roger promptly dispatched. Nancy was due to visit for dinner the next nite. He skinned it out and prepared a delicious repast with all the trimmings only telling her after the meal was complete that it was roasted porcupine.

That was a good laugh especially for a "city girl" not use to that type of wildlife fare.

A story shared in frontliners workshops was how a caller called the Gallatin switchboard and indicated he wanted to shoot the president. Being her charming self Nancy told him she wanted to hear what he had to say, but ask for a call back number in case they got cut off. Nancy listened and thanked him for his information, contacted Forest law enforcement who promptly secured him.

Nancy was proud of her daughter's accomplishments as NEPA specialist for the Forest Service, but prouder still of the accomplishment of her grandson Gordon Brewer and granddaughter Molly Brewer. Gordon went to Iraq and served his country, came back, got his degree and is now working for a city government in Texas. Molly graduated in Economics from Montana State University and is working for a contractor on aircraft systems.

Nancy fought an almost 40 year battle with diabetes. she lost the final battle on October 21, 2019 in Bozeman, Montana. She met her parents and (Kona), her cat of 22 years, at the Sky Bridge and had dinner that night in her cabin in the woods. She is survived by husband Roger Gowan, her daughter Tami Paulsen (Larry Kent), grandson Gordon Brewer (Megan Brewer), granddaughter Molly Brewer, brother Gordon A. Smith (Michelle Smith), and ex son-in-law Ryan Brewer (Judy Klein).

She is preceded in death by her parents Gordon and Sadie (Ford) Smith.

Viewing will be from 5:00 PM to 7:00 PM on October 28, 2019 at Brundage Funeral Home. Services will be in Dillon, Montana at 1030 AM October 29, 2019 at the Brundage Funeral Home. Burial will be in Mountain View Cemetery in Dillon, Montana. Family asks that in lieu of flowers donations be made to the National Diabetes Foundation, Shriners Hospitals, or National Arbor Day "Plant A Tree" Foundation.

Notice of Habitat Restoration Activities in the Greenhorn Mountains and Centennial Valley

Chainsaw crews will start this week to remove Douglas-fir and juniper from sagebrush and meadow habitats on public and private lands to improve wildlife habitat that includes elk winter range. These activities may or may not affect your hunting plans. All efforts were made to complete these projects earlier in the year and we apologize for any inconvenience these activities may cause.

The Greenhorns Project area is south of Alder, MT on higher elevation south facing slopes above Davey Creek; above Idaho Creek, and up Jack Creek. Work will begin on Friday, October 25th and we anticipate completion within 15-20 days. Work will not be continuous in any one location but will range from 5 to 10 days in each drainage.

The Culver Ponds Project area is in the Centennial Valley between Elk Lake and Culver Ponds approximately 4.5 miles east of Upper Red Rock Lake. Work here started Tuesday, October 22 and should be complete around Monday, October 28.

These projects are part of a larger effort by the Southwest Montana Sagebrush Partnership to maintain and improve wildlife habitats across the Missouri Headwaters of Southwest Montana.

First Winter Farmers' Market Set for November 2

The weather has turned chilly, and our gardens are dormant, but the Dillon Farmers' Market will hold its first Winter Market ever on November 2 from 10 am to 2 pm in the 4-H building at the county fairgrounds.

Vendors planning to be at the market November 2 include Lynette Macioroski (upcycled décor), Brenda Hawk (jewelry), Marshall and Cathy Prindle (candy, fabric and leather items), Darlene Clark (fabric, knit and crochet items), the BCHS Peru Travelers (coffee service), Debi Seymour (food service), Kim Nye (baked goods, jam/jelly, knit and fabric items), Doug O'Connell (wood furniture), Barbara Sievers (baked goods, crochet doilies), JoAnn Paddock and the Kennel Club (fabric and crochet items).

There is space for several more vendors. If you are interested in joining this market, please call Market Secretary Katie Bump by October 30. This is an opportunity to show off and share your handiwork, explore market possibilities, and earn some cash.

The Dillon Farmers' Market is "hand made and home grown," featuring local products from southwest Montana. Our vendors offer produce, plants, baked goods, jams and jellies, honey, eggs, meat, cheese, jewelry, soaps and lotions, art, crafts, metal and woodworking, knitting, crochet, and fabric products from our region, and may include other products (such as fruit not grown in our area) with approval of the board. Commercial products such as Tupperware, Sensi, DoTerra, Avon, etc. are not featured at the Farmers' Market.

Contact Market Secretary Katie Bump at 683-6735 for more information.

**Be the Change 406 Coalition and
Beaverhead County Sheriff's Office are
taking back unwanted prescription drugs!**

October 26 at 2 S. Pacific or

125 East Glendale Dillon, MT

On Saturday, October 26, from 10 a.m. to 2 p.m. the Be the Change 406 Coalition, Beaverhead County Sheriff's Office and the U.S. Drug Enforcement Administration will give the public its 18th opportunity in nine years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused and unwanted prescription drugs. Bring your pills for disposal to Beaverhead County Sheriff's Office at 2 S. Pacific or Blacktail Pharmacy at 125 East Glendale Street Dillon, MT. (Sites cannot accept liquids, needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

Last fall Americans turned in nearly 469 tons (more than 937,000 pounds) of prescription drugs at nearly 6,300 sites operated by the DEA and almost 5,000 of its state and local law enforcement partners. Overall, in its 17 previous Take Back events, DEA and its partners have taken in more than 11.8 million pounds—approximately 5,900 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse. Rates of prescription drug abuse in the United States are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. The Substance Abuse and Mental Health Services Administration's National Survey on Drug Use and Health shows year after year that the majority of misused and abused prescription drugs are obtained from family and friends, including someone else's medication being stolen from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For more information about the disposal of prescription drugs or about the October 26 Take Back Day event, go to www.DEATakeBack.com or bethethechange406.org.

Celebrating the 200th Birthday of the Báb, prophet herald of the Bahá'í Faith.

Dillon Bahá'í Community Celebration

Tuesday, October 29, 7:00pm,
Community Room, UMW Library

Featuring "Dawn of the Light" film (45 min)
Light refreshments will be served

The Dillon Bahá'í Community extends an invitation to the community to join us in celebrating the Birth days of the Báb, the prophet herald, and Bahá'u'lláh, the Founder of the Bahá'í Faith. In the Bahá'í writings, these two Divine Educators are often referred to as the **"Twin Manifestations of God."**

The missions of the Báb and Bahá'u'lláh are inextricably linked: The Báb's mission was to prepare the way for the coming of **"Him whom God shall make manifest,"** who eventually appeared in the person of Bahá'u'lláh. For this reason, both the Báb and Bahá'u'lláh are revered as central figures of the Bahá'í Faith.

Bahá'ís believe in....

- The oneness of the world of humanity
- Religion must be the cause of unity
- Independent investigation of truth
- The abolition of all forms of prejudice
- Universal education
- Spiritual solution to economic problems
- The foundation of all religion is one
- Harmony between science and religion
- Equality between men and women
- Universal peace
- A universal auxiliary language
- An international system of justice

The essential message of the Bahá'í Faith is that of unity. The Bahá'í Faith is the most recent of the world's independent religions. Bahá'ís live around the globe in nearly every country and in many dependent territories.
