The American Legion and Beaverhead Post 20 Celebrate their 100th Anniversaries this year

Each organization was founded the year after the 11 November 1918 WWI Armistice. As members of Beaverhead Post 20, we have a responsibility to the veterans and children of our community and to our community itself. To fulfill this duty, we have an Honor Guard at all veterans' funerals, give assistance to returning veterans being discharged from military service, and along with community members, we transport local/regional veterans to medical appointments in cities throughout Montana. We also manage the Health Equipment Loan Program for the community and the White Cross Highway Fatality Program. We have a patriotic ceremony biannually for the proper disposal of unusable American Flags, a Memorial Day Program honoring our fallen Heroes, and an annual American Legion Community Breakfast on November 11, Veterans Day. We also maintain and improve the American Legion Memorial Park and Campground just west of Wisdom.

It is only due to our supportive community that we can continue to perform these duties and other activities. Thank you for 100 years of your support!

Lois Volkening, Commander, Beaverhead American Legion Post 20

Attorney General Announces Multistate Settlement with Johnson & Johnson, Ethicon, Inc.

Attorney General Tim Fox today announced a multistate settlement along with 41 states and the District of Columbia requiring Johnson & Johnson and its subsidiary Ethicon, Inc. to pay nearly \$116.9 million for their deceptive marketing of transvaginal surgical mesh devices.

A multistate investigation found the companies violated state consumer protection laws by misrepresenting the safety and effectiveness of the devices and failing to sufficiently disclose risks associated with their use. Montana will receive \$1,460,022 under the settlement, which the Office of Consumer Protection will use for education, investigations, and enforcement of Montana's consumer protection laws.

"Today's announcement is the result of several years of negotiations, and we are pleased with not only the monetary award, but also with the transparency aspect of the settlement," Attorney General Tim Fox said. "Johnson & Johnson will be required to train physicians on the risks associated with these surgical mesh devices, which ultimately means patients can make more informed decisions about what's right for them. If the company fails to do so, Montana, along with other states, would have the ability to enforce our consent judgment," Fox added.

Transvaginal surgical mesh is a synthetic material that is surgically implanted through the vagina to support the pelvic organs of women who suffer from stress urinary incontinence or pelvic organ prolapse.

The multistate investigation found the companies misrepresented or failed to adequately disclose the products' possible side effects, including the risk of chronic pain and inflammation, mesh erosion through the vagina, incontinence developing after surgery, painful sexual relations, and vaginal scarring. Evidence shows the companies were aware of the possibility for serious medical complications but did not provide sufficient warnings to consumers or surgeons.

Under the settlement, Johnson & Johnson has agreed to pay \$116.86 million to the 41 participating states and District of Columbia. The settlement also provides injunctive relief, requiring full disclosure of the device's risks and accurate information on promotional material, in addition to the product's "information for use" package inserts.

Thank you
to our area educators
for all they do!

Cross training for 7th and 8th grade girls begins November 4th. Girls, be a part of the fun and stay in shape in between volleyball and basketball seasons. 7th grade girls will meet on Mondays and Thursdays, while 8th grade will participate on Tuesdays and Fridays. Mrs. Williams has lots of great things planned such as kick boxing and yoga. Also trips to the YMCA for water aerobics are planned. So, if you haven't gotten your paperwork in yet, it's not too late to join.

The Beaverhead ACEs Task Force is focused on building strategies to help families adapt to the challenges they face. When families and communities build resilience, children gain the tools they need to overcome obstacles and succeed in life. Healthy families are resilient families and they build strong communities.

CONGRATULATIONS BRENDA WOMACK

Womack's Printing Place Brenda Womack

*Women Owned Business of the Year
2019*

BACKGROUND

The Printing Place was started in 1982 by Joe and Brenda Womack. Soon after opening, they started the Dillonite Daily as a community information paper. Later, they changed their name to Womack Printing Place. In 2000, Joe Womack passed away leaving Brenda the sole owner of the business. Over the last 37 years, Womack's Printing Place successes are largely due to Brenda's relentless time and effort spent building the business.

BUISNESS INSIGHT

Womack's Printing Place is a print shop, copy shop, office supply store and photoshop. They do about everything from printing, collecting lost and found, selling tickets, notifying the community of things that are happening and volunteering.
