Attorney General Fox Reminds Montanans of Trick-or-Treating Safety Tips

Check Montana's Online Sexual or Violent Offender Registry Before Leaving Home

Attorney General Tim Fox urged parents to review basic safety precautions with their children before they go trick-or-treating and to check Montana's Sexual or Violent Offender Registry (SVOR) online to ensure their children avoid potentially dangerous situations.

In addition to recommending adults always accompany young children trick-or-treating, Attorney General Fox suggests taking children only to familiar neighborhoods on Halloween night. Costumes with light or bright colors are best whenever possible, or trimmed with reflective tape. Remind children to wait to eat treats until an adult can inspect them. Parents should throw away any goodies that appear to be tampered with or are not commercially wrapped. For more safety tips, see the Consumer Product Safety Commission's alert on the Montana Department of Justice's website.

Montana's SVOR tracks an average of 2,800 active sexual offenders and 3,900 active violent offenders at any given time. Online visitors may also register for free e-mail notifications to be automatically notified whenever a sexual or violent offender moves into a zip code of interest to subscribers.

Leanne Marten, Regional Forester for the US Forest Service's Northern Region, has honored the "Bear Creek Days Field Camp" as a recipient of the 2019 Regional Forester Honor Awards in the Fostering Volunteerism and Service category.

The annual awards program recognizes significant contributions to the agency's mission to sustain the health, diversity and productivity of the nation's forests and grasslands to meet the needs of present and future generations.

"I am extremely proud of the work accomplished by our employees, partners and volunteers who work tirelessly to host this annual educational event," said Madison District Ranger Dale Olson. "Over the 12 consecutive years of the Bear Creek Field Camp, thousands of students have been given the opportunity to learn and try new things associated with the natural world around them."

Bear Creek Days is a Field Camp and is an outdoor education program for 3rd - 8th grade students held south of Ennis at the Bear Creek historic ranger station and primary portal into the Lee Metcalf Wilderness.

Students from seven area schools including West Yellowstone, Ennis, Harrison, Cardwell, Alder, Twin Bridges, and Sheridan attend this camp each May before school lets out for summer.

During Bear Creek Days approximately 600 students attend three days of outdoor education. Each session is held outdoors, rain or shine, in the beautiful foothills of the Madison Mountain Range. Sessions are hands on, so that children who may not otherwise have the opportunity can touch and feel the world around them. Sessions such as gold panning allow children to pan for gold and other stones; traditional tools allow them to use a crosscut saw and log rollers; Icky-ology allows kids to dissect fish. Focus areas include outdoor education, ethics, and natural science. The intent is to pass on a legacy of respect, interest, and appreciation for the outdoors and natural world to a generation often occupied with indoor pursuits and technological gadgets.

This program is sustained through the greatness of volunteers, donors, and the U.S. Forest Service. Event partners include: U.S. Forest Service, Yellowstone National Park, Bozeman Raptor Center, Rocky Mountain Elk Foundation, Madison River Foundation, People and Carnivores, Montana Outdoor Science School, Wilderness Conservation Society, Jack Creek Preserve, Southwest Montana Bear Education Working Group, Madison Valley Ranchlands Group Weed Committee and the Madison Conservation District.

UMW's Learning Center - Rise in Student Participation

The University of Montana Western's Learning Center has seen a 26.3 percent increase in students utilizing the center's services compared to last fall, serving almost 1,000 students in Block 1.

Learning Center manager Susan White is excited to see the increase in student involvement.

"It's really great to see so many students using the Learning Center's services, and I think the reason that we are is because more people know about the free benefits we are offering students. Between the Bulldog Bound presentations, the new TRIO Bridge program, and the classroom visits by the tutors, students seem to be more familiar with the Learning Center."

The Learning Center is a free resource available for UMW students offering peer tutoring services in general education classes and upper-division coursework.

The Learning Center provides:

Friendly, helpful tutoring services and a comfortable place to study

Computer workstations and resource materials

Tutors at the center assist students with:

Understanding of subject content matter

Strengthening writing and revision skills

Improving organization and study habits

Effective writing techniques and paper citations

With 18 tutors working in the center, students can seek help no matter their major or area of study. Students can meet with tutors during their regular scheduled hours or book an appointment by phone or online to ensure the resources they need will be available.

Learning Center tutors Josh Jessop and Adrianna Pittman also attribute the success to the peer-led approach that the center uses.

In addition to tutoring, the Learning Center also provides career services for all students.

Career Services assists students with:

Finding employment throughout their collegiate careers & after graduation

Offering guidance to students and alumni in major and career exploration

Providing career interests inventories and job search support

Cover letter development, interview skills, building a portfolio, and job applications

The Learning Center hours run 8:00 a.m.- 5:00 p.m. Monday-Friday with additional hours from 7:00 p.m.-9:00 p.m. Sunday-Thursday. All students are welcome to stop by during tutor hours or can call 406-683-7200 to schedule an appointment. Students can also schedule an appointment online and find more information on the Learning Center's webpage.

Southwest Montana Veteran's Home. Update #21
By Mike Lawson

Greetings once again to you, the Veterans/Counties/Communities who are the six counties in SW Montana, who are represented as the organizers and chief supporters of the "SW MT" Veteran's Home.

As I write this update I'm sitting in our "Cook Tent" at Hunting Camp on the West Fork of the Madison River. We set up camp yesterday (Friday) which was a nice balmy day.

I called Site Construction Superintendent Mike Ascherman to get the construction update on our Vet home site. It's exciting to see the continued progress and as always I appreciate Mike's breakdown on the work.

The Community Center Building is a center of activity. The carpenters have built a jig on the ground, to build the roof gable for the west end of the Community Building. Constructing this roof section on the ground is much safer than doing it in the air. Once built, it will be lifted into place by a Construction Crane followed by the rest of the roof trusses and roof gable ends. This building will be the first one completed and will set the standard for the rest being built. Exciting!!

Cottage #1 is booming with construction activity. Exterior walls are up and interior walls are well on the way to being completed.

Cottage #2 is ready to frame as soon as Cottage #1's interior framing is completed and that construction crew can move over.

Cottage #3 is quiet for now waiting for the framing on Cottage #2 to be completed.

Cottage #4 had the slab floor poured and is now quiet.

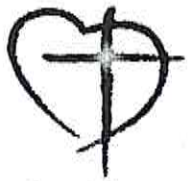

Cottage #5 should have the "Interior Foundation Walls" completed about the time this article comes out for your reading. This will see the completion of "Phillips Concrete's" work on our Veteran Home Construction Site. Many thanks to them from the "Veteran Community", for a job well done.

The SW Mt Veteran's Home Liaison position should be filled within a week or so. This will be a big plus for the Veterans. We'll let you know whom that is when we find out.

The "Viewing Hooch" has been insulated and the wall sheeting put in place. The coffee table is back in place and ready for you to make and have a cup or two.

From our Hunting Camp On the West Fork Of the Madison, I'll close for now and hope you stay warm. Until next time.

Thompson Park Closing for the Season

Beginning Nov. 1, the Beaverhead-Deerlodge National Forest and the City-County of Butte-Silver Bow will be closing the gates at Thompson Park Eagles Nest for the season. The park gates will re-open May 1, 2019 for the summer season.

Visitors to this area may park at the highway entrances along MT Highway 1 and continue to walk in for recreation purposes. Additional access is available at the end of Roosevelt Drive at the Herman Gulch Trailhead; which is plowed during the winter. During this time maintenance services will not be provided at any of the developed sites within the park boundary. Visitors should plan to Pack In and Pack Out everything they may bring with them. Park visitors are also reminded that the discharge of firearms or other implements inside the park boundaries is prohibited.

For more information about Thompson Park or to obtain a map of the trails, contact the Butte Ranger District at (406) 494-2147, or Butte-Silver Bow Parks and Recreation Department at (406) 497-6571.

TRIP TO CENTRAL EUROPE

Children's Christmas Store

Dillon's Parent Council would like to remind our community of the renewal of our traditional Children's Christmas Store. We are now accepting donations for this event. The Children's Christmas Store is set up in the Parkview Elementary Cafeteria where children in our community can purchase any item for a dollar. This event is solely based on donations and would not be possible without the help of our wonderful community. If you would like to donate items to the Christmas Store or to make a monetary donation, please contact Courtney Brown (406) 925-1787 or Elaine Spicer at (406) 925-3961.
