HELP FAMILIES MAKE ENDS MEET

The Community Support Center (formerly the Women's Resource Center) is asking our community for assistance. We are in need of helping our families make ends meet during this holiday season. We are asking you to donate gas and grocery cards of \$25 to \$50 so that we can pass them on to those who need extra help making their Christmas all the merrier. We are unable to provide this assistance from our budget at this time and have several families that this small gift would benefit. Gift cards can be dropped off at the Community Support Center 236 E. Reeder St. For questions please contact Valerie, the Community Support Center's Victim Services Program Coordinator at 406-683-6106. We truly appreciate your generous spirit.

THANKS, BRENDA

By "Swede" Troedsson

Thank you, Brenda Womack, for publishing my real life experiences in the Dillonite Daily. I've received many compliments from locals who read, enjoyed, and looked forward to the next one. All thirty one of them are in a three ring binder, on a stand, on display in the Dillon Public Library. They are there for the public to read and enjoy.

Montana Campus Compact Honors Student Athlete Volunteers

Montana Campus Compact (MTCC), a seventeen campus higher education network, will be honoring fourteen student-athletes, including Montana Western redshirt sophomore Tanner Haverfield, for their outstanding community service work.

A member of the University of Montana Western's men's basketball team, Haverfield is honored for his commitment to making Montana Western a better place. As an active supporter in the Dillon Community, he has coached High School Basketball camps, volunteered at the Community Thanksgiving Dinner, and joined the Dillon JayCee's Park Project, Elks Club Dinner, YMCA soccer/summer programs and more.

Assistant men's basketball coach Patrick Jensen said. "He is the definition of servant stewardship and how he puts others before himself."

He plans on graduating from the University of Montana Western in the spring of 2022 with a degree in Ecology

What is HIPAA Continued

By: MJ

HIPAA is the acronym for the Health Insurance Portability and Accountability Act that was passed by Congress in 1996. Three (3) components represent nearly every supporting aspect of your business: your policies, record keeping, technology, and building safety. HIPAA requires that all your employees protect patient data. Following is more Myths and Facts about HIPAA distributed to city committee.

Myth #5: Patients Can Sue Healthcare Providers for Violating HIPAA. **FACT:** *Even in case of violation of the HIPAA Privacy Rule patents cannot Sue Healthcare Providers. If a healthcare provider fails to comply with HIPAA privacy regulations you must file a written complaint. If there are reasonable grounds to investigate the complaint, the Secretary of Health and Human Services may do so at its own discretion.*

Myth #6: A Doctor Cannot Send Medical Records to Another Doctor. **FACT:** *A doctor can send medical records to another doctor without your explicit consent. As long as the goal of sharing the protected information is in the patient's best interest, no consent is needed.*

Myth #7: Hospitals Are Required to Give You Your Records. **FACT:** *You have the right to request medical records, but this doesn't guarantee you getting all, if any, of your records. Some records may be deemed to be harmful to you; example; mental health records. As long as you follow all the required steps, you're more than likely to get copies of your medical records. If you don't get them the healthcare providers are obligated to notify you in writing.*

Myth #8: HIPAA Prohibits Calling out Patients Names. **FACT:** *The privacy Rule explicitly permits certain incidental disclosures that occurs as a by-product of an otherwise permitted disclosure. Example; the disclosure of a patient's identity to other patients in a waiting room. Displaying names, especially when it's limited to first names and/or initials, does not breach the Privacy Rule.*

Chronic wasting disease sampling results continue to come in

Samples from 25 deer harvested around the state tested positive for chronic wasting disease last week. The majority of the new positive samples were from animals harvested within CWD Management Zones, where the disease is known to exist.

Two of the positive samples were from areas where the disease had not been previously detected. These include a mule deer doe harvested in hunting district 650 south of the Fort Peck Reservation, and a white-tailed buck harvested in HD 702 in Rosebud County. These two areas are adjacent to CWD Management Zones.

This brings the number of positive samples collected this year to 91, including one elk and one moose.

Dillon BLM reviewing mining plan of operations in Madison County

The Bureau of Land Management's Dillon Field Office is reviewing a plan of operations to placer mine approximately 3 acres in Madison County.

The plan of operations was filed with the BLM for mining about 4 miles south of Virginia City. It was filed by Rob Opie and includes BLM lands that are part of the Dillon Field Office.

The operation includes mining a bench placer deposit about 150 feet above Spring Creek, a tributary to Alder Gulch. The deposit will be mined in a series of panels, one panel at a time, and one panel per year. Each panel will be approximately 60 feet wide, 240 feet long, and averaging 9 feet deep and will be reclaimed and re-seeded before starting on the next panel. In total, approximately 3 acres will be mined, however, no more than 15,400 square feet will be exposed or disturbed at any given time.

The plan of operations is available for review at the Dillon Field Office, located at 1005 Selway Drive in Dillon. An Environmental Assessment is expected to be completed in January and will be posted online at the agency's ePlanning website. The public is invited to review the plan of operations and provide comments that are specific to this project.

For more information, contact BLM Geologist Steve Lubinski at slubinski@blm.gov or (406) 683-8011.

Fox Urges Congress to Ratify CSKT Water Compact

Attorney General Tim Fox is urging Congress to ratify the water compact between the state of Montana and the Confederated Salish and Kootenai Tribes of the Flathead Reservation.

"President Trump's administration is backing the CSKT water compact and there is bipartisan support from Montana's congressional delegation, so it's time to get this done. I am grateful to Senators Daines and Tester for their support of the compact passed by the 2015 Montana Legislature. I call upon Congress to ratify it as soon as possible."

The CSKT water compact passed Montana's legislature after more than 20 years of analysis, input, and negotiations among stakeholders throughout the state.

"I did not support the compact as written in 2013 because it did not provide sufficient protections and certainty for water rights holders," Fox added. "My staff and I worked with all parties to bring key changes, and as a result, in 2015 the compact passed with bipartisan support."

@BVDACETASKFORCE

**Here's Dillon Middle School news
for the week of December 9-13, 2019**

The lunch menu for the week is as follows: On Monday, we will enjoy a weiner wrap served with savory rice. On Tuesday, tomato soup will be served with toasted cheese sandwiches, and on Wednesday, we will have a local beef hamburger on a school made bun. Thursday, we will enjoy chicken teriyaki with bread sticks, and on Friday, corn dogs will be served with mac and cheese.

This week is **COMPUTER SCIENCE EDUCATION WEEK**. Computer Science is the study of the principles and use of computers. The **HOUR OF CODE** is part of this week. The **HOUR OF CODE** began as a one hour coding challenge to give students a fun, first introduction to computer science. This has become a global learning event, celebration, and awareness event. Hour of Code offers hundreds of one hour activities. If you want to try out some fun coding activities, go to hour of code.com.

The winter music concert will be Thursday, December 12th at 7:00 pm in the Parkview gymnasium. This concert will include 6th through 8th grade choirs and bands. The concert is free and open to the public. So come and enjoy an evening of holiday music.

Last week, the boys' basketball A teams hosted Butte Central for a white out game. The games were well attended with the fans competing in pop a shot at half time. Student council will use the money towards school improvement projects. The teams....great job guys. The boys' basketball teams also traveled to Butte East for his last game of the season. 8A, 7A, and 7B all pulled off wins. 8B narrowly lost. Great season guys.

Ladies, it's not too early to begin thinking about your basketball season. Practice will start Thursday, January 2nd, which is our first day back to school after our Christmas vacation. If you have not participated in a fall sport, make sure your physical is turned in to the office and your online form is filled out.

What are ACEs? Adverse Childhood Experiences are significant childhood traumas that result in actual changes in a child's brain development. ACEs include abuse and neglect. Resilience helps families respond effectively to these challenges. Join the Beaverhead ACEs Task Force. Healthy families build strong communities.

BARRETT
HOSPITAL & HEALTHCARE

Health Information Technician

Barrett Hospital & HealthCare invites applications to fill a Health Information Technician position to join our team of professionals. As a member of the Health Information Management team, the Technician is responsible for preparation of records for accurate processing within the electronic medical records. The Technician responds and refers telephone inquiries with proper phone etiquette. Additional tasks of the Technician include photocopying of records for release of information upon request by insurance companies, legal counsel, and other requesters according to Barrett Hospital & HealthCare policy. Technicians must have computer skill proficiency and must be familiar with how to use general office equipment. Successful candidates will have excellent organizational and accuracy skills, with the ability to focus and remain on task and prioritize work as requests present. Candidates must also have a passion for team work, customer service excellence, ability to maintain professional relationships and enjoy working with the public. The Health Information Technician's work must be accomplished with integrity, sensitivity and respect for the confidentiality and privacy of patients with regards to HIPPA compliance and breach notification requirements using the various hospital services. Minimum Qualifications: High school diploma, GED or equivalent required. Preference will be made to those candidates who possess an Associates or Bachelors' degree from an accredited college or university. Three years of related experience and/or training, or equivalent combination of education and experience may be considered. Active Registered Health Information Technician (RHIT) certification preferred. This position is Full Time and is eligible for the full benefit package. To apply, please go to www.barrethospital.org and complete an online application. For more information, please email careers@barrethospital.org. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.
