Gerald 'Jerry' Allen McDougall, 57

On January 2, 2020, we lost our beloved father, grandfather, brother, and uncle to complications from Multiple Sclerosis.

Jerry was born on January 18, 1962 in Butte, Montana to Iona (Fink) and Carroll (Mac) McDougall. He was the 8th of 9 children. Jerry attended Longfellow Elementary, South Central Middle School, Central High School, and graduated from Butte High School in 1980. Throughout high school,

Jerry worked for Orofino Ice Company with his dad, Mac. He then went on to work for UPS, and later went on to work for the Port of Montana for many years.

Jerry married Twylla Steinmetz in 1985, and from this union he had 2 daughters he adored more than anything, Sarah and Emily. He doted on his girls every chance he got and was an amazing, incredible father.

Even as Jerry lost his ability to walk and speak, he never pitied himself and had a tenacious will to live his life to his fullest ability. He loved his family fiercely and unconditionally.

Jerry was preceded in death by his mother and father, Iona (Fink) and Carroll (Mac) McDougall.

Jerry is survived by his daughters and sons-in-law, Sarah & Tyler Storey, and Emily & John Rivers. His 6 grandchildren, Vann, Eben and Blythe Storey; Greyson, Oliver and Miera Rivers. He is also survived by his 8 siblings and their spouses, Rich & Kathi McDougall, Mike & Linda McDougall, Charlene & Bob Rivera, Dave & Sharon McDougall, Kathy & Bill Hrella, John & Carol McDougall, Tom McDougall, and Barb Collins. He is also survived by his ex-wife, Twylla (Dale) Carpenter and numerous nieces, nephews, and a large extended family.

A celebration of Jerry's life will be held on Saturday January 11, 2020 at 11 a.m. in Wayrynen-Richards Funeral Home, 1800 Florence Avenue in Butte, Montana. A reception to honor and eulogize Jerry's life will follow. Send memorials in honor of Jerry to the National MS Society. Express condolences at www.wayrynen-richards.com

New Years Resolutions

By: MJ

Thousands of people make promises to themselves and others in the form of a New Year resolution on Wed, Jan 1, 2020.

Often New Years resolutions are made because of discontentment within our lives. Discontentment can drive us to change. Society today may be one of the culprits' that fuel discontentment. With the social media, other media outlets, T.V. programs and etc. there is a boat load of negativism and ugly opinions being spewed. Then you couple that with all the commercial advertisement telling us their product has the magic cure for whatever you need. We tend to look at others and want to be just like them. **Question:** Is that realistic thinking? Can we be just like someone else when we have our own gifts, our own talents, our own heart, our own struggles... **Note:** Everyone looks at the same water bottle differently.

From years past we know so well that changes beyond spoken words are needed within ourselves to have success and a lasting resolution. A progression of going from thinking – to doing – to being will be necessary to fulfill a resolution. This is not anything new. Humans have been doing it for thousands of years. **Example:** We all experienced this progression when we learned to drive, knit, skiing, speak other languages...

1) Wisdom: will be one tool to help you on your journey. *Wisdom is accumulated knowledge that has been gained through repeated experiences, continued education and never giving up on yourself.*

2) Compassion: this is a word for a very positive emotion that has to do with being thoughtful and decent. *Being compassionate is as natural as suffering, judging, blaming, being frustrated, negative and insecure. Be kind*

*to and supportive of yourself. When you have compassion, you will be open minded to seize new opportunities. Life seems to organize itself equal to how or who we are being.***3) Purpose:** Often humans feel empty and go through life trying to fill an empty hole. Identify your purpose. Why do you get up in the morning? Purpose guides life decision and influences your behavior. Do you feel adequate? Inadequacy creates doubt in your life.

Note: The hardest challenge you will have in succeeding is the person you look at every morning in the mirror. You are the master mind that has participated in all bad decisions you have ever made. Would you rather criticize someone else then be honest with yourself about your actions?

Happy New Year.

Dillon Middle School News

Here's the Dillon Middle School News for the week of January 6 through 9th, 2020. We hope everyone had a wonderful winter break.

The lunch menu for the week is as follows: Monday, Potato soup will be served with tuna sandwiches. Tuesday, we will enjoy sloppy joes on a bun served with cabbage salad. Wednesday, a local beef hamburger will be served with trimmings. Thursday, we will enjoy Stromboli served with rotini and white sauce. Friday, a baked potato bar will be served with trimmings, broccoli will be served with cheese sauce.

A great big thank you to our custodial staff for all of their hard work over the winter break. The school looks tremendous, and we are grateful for all of your effort on our behalf.

Seventh and Eighth grade girls' basketball began last Thursday. Parents, if you missed the parent meeting last week, please check with your student about any paperwork given out. Also, individual and team pictures will be taken on Friday, January 17th during practice. Please look for flyers to come home with players.

Also, sixth grade girls' basketball begins today. Players will change out in the DMS locker room and walk with the coach to the Parkview cafeteria. Players will end practice back at the DMS locker room and parents will pick up at 5:00 pm at the DMS door. Tonight, there is an optional parent meeting at 5 pm in the Commons room.

Please come out this Thursday, January 9th to watch our Ninja Warrior contest. This will be held at 6:00 PM in the DMS gym. This fun night of competition is open to the public and we encourage everyone to attend. Students competed in their PE classes to try and get a good enough time to be in the top ten. Ten girls, and ten boys were selected, and these are the students who will compete on Thursday. Some of the activities that they did were: climbing the rock wall, swinging on a rope over a shallow chasm, shooting an arrow at a target, belly crawling under a barrier, and hurdling over several hurdles. It's awesome how many great athletes we have here at DMS, and we are looking forward to a fun night of competition.

Life time members please check in as well, so we can get an accurate count for dinner. Following dinner there will be a business meeting and a short presentation showcasing some of the artifacts in the parks collection.
