Giving Tree Thank You

The Giving Tree gang would like to thank everyone that made the Tree such a huge success over christmas. We delivered gifts to approximately 200 children from 90+ families. The support we get from the community is mind boggling! Thank you to the individuals, organizations and youth groups that take and fill tags.

Thank you Acelity for sending team members to help with the tagging and sorting of gifts. Thank you to my elves that put in a full Saturday sorting, sacking and delivering gifts. The community of Dillon and Beaverhead County truly is a wonderful place to live!

Ol' Knothead

By: Bryce Angell

I'd tied Ol' Knothead to a post. His mane was full of burs.
The old bay was despicable. Should've turned his hide to furs.
If you're wonderin' how he got the name. I'll give you one big clue.
He was hard to catch, weren't worth the ride, a lead pill overdue.
And when it came to shoein' time, you'd have yourself a fight.
He'd snort and kick and sometimes strike. Was even known to bite.
That day I looked in Knothead's eyes. They darned near made me flee.
'Twas time to slap his shoes on. Wish this wasn't up to me.
You never really knew when Knothead was about to blow.
I grabbed a front foot suddenly he stomped down on my toe.
To my despair my cap fell off, then Knothead blew a snort. He
stomped down on my brand-new lid, which left me one hat short.
The summer sun was baring down right on my white bald head.
'Twas sure to get a sunburn. How I wished Ol' Knothead dead!
Well, Knothead finally settled down. But, left me plumb in awe.
'Cuz I swear I saw him laughing. How that stuck hard in my craw.
Soon Knothead lifted up a foot. I thought that mighty strange.
I tacked a horseshoe on his hoof before his mind would change.
The next three shoes went on so fast it seemed to be a dream.
Was Knothead messin' 'round with me as part of his grand scheme?
Each time Ol' Knothead acted up, I guess I'm only statin'. I wondered,
"Should we change his name and call that dang horse Satan?"
I guess you'd say Ol' Knothead was an irritatin' force.
And why do cowboys always have a knothead for a horse?
I swore one day I'd say the words, "You stinkin' crow bait fool."
As I watched him come a squeezin' out a tube of Elmer's Glue.

FWP seeking applicants to Region 3 Citizens Advisory Committee

Region 3 of Montana Fish, Wildlife & Parks is seeking applicants to fill vacancies in its Citizens Advisory Committee.

The committee meets several times per year and operates in an advisory capacity to help FWP be responsive and effective resource managers within the constraints of the law. Citizen advisors help identify emerging trends and resolve conflicts, and they act as FWP ambassadors to various interest groups and geographic communities.

FWP employees benefit from having a deeper understanding of public priorities and expectations with help from citizen advisors, who can function as a trusted sounding board for ideas and initiatives. People who volunteer in this capacity benefit from understanding FWP programs, priorities, administrative processes and limitations in a broader context.

FWP is seeking applicants representing a variety of interests from communities across southwest Montana within Region 3. For more information or to apply, contact FWP at 406-577-7891 or send an email to Morgan.Jacobsen@mt.gov. The application deadline is 5 p.m. on Jan. 31.

Southwest Montana Veteran Home Update

By Mike Lawson

Greetings once again, to you the Veterans/Counties/ Communities who are represented as the organizers and chief supporters of the SWMT Veterans Home.

The weather is cooler but has held off without any significant amounts of snow or temperatures falling below zero, during working hours. This has allowed our construction crews to move forward.

It's time to cover each building's progress update:

Community Center; *The fire painting is completed. *The main building Roof and Portico Roof are completely shingled and sealed. * The "HVA" (Heating/Ventilation/Air) workers (Sheet Metal/Tinners) were busy inside getting the Heating/ Fans/Furnaces/etc. set up in the proper locations. (This will continue for awhile). * A Billings Contractor put in tracks for the Accordion Door which will be a portable room separator. Once everything is completed this door can fold up into the wall. Having this tract installed, enabled the Carpenters to frame around it. * The Carpenters also framed in the Fire-Place. * The "Peal and Stick" 3M exterior wall covering may be applied this week. Good things are really happening here.

Cottage #1; *The Roof Underlayment paper is being put down on the completed framed/sheeted roof, with the shingles to follow. All the roof penetrations (Vents/etc for plumbing/ heating), by the Plumbers and HVA workers, are close to being completed. * Frame Blocking/Hardware was being worked on inside. *Gable Roof" over main entrance, was worked on and should be completed this week. *The Dry-In phase is status-quo, at the present time, which allows the sub-contractors to move in to do their work.

Cottage#2; *This building has the Carpenter Framers all over it. The interior walls continue to be framed. *The Roof Trusses are being "Rolled"into place on top of the walls. Both wings where the resident rooms are located have the trusses "Rolled" into place, with the Central portion of the building left to be done. At the time this is published, the assumption is they'll also have those trusses "Rolled" into place. *The north-end of the one wing was also sheeted with plywood. * Some laminated beams are still to be installed.

Cottage #3; This building has all the walls base plates/layout

in place. The wall components (wIndow/wall headers, wall studs/ etc) are being built/cut. *Once the roof is complete on Cottage #2 most of the framers will move to this building and get it framed. *Possibly some of the layout will take place on Cottage #4 this week but next week for sure if the weather allows it.

Cottage #4 & #5 : Waiting their turn, and with tongue in cheek, Mike said they're probably cured by now.

Our SW MT Vet Home Liaison, Mark Gollinger, recently traveled to Walla Walla, Wa., which has a similar set-up as our Vet Home. They have individual buildings connected by connecting buildings. He came away from there with some ideas, etc. that might be useful for our Vet Home. The SW Vet Home Foundation met with good representation from our six involved counties. The foundation is in the planning stages for a Logo Contest for our SW MT VET HOME. We'll say more about that when it's closer to becoming a reality. If any of you are interested and have any ideas for our Logo, let us know.

Remember to check our web-site out, SWMVH.Mt.GOV . Some good pictures are on this site and even some "Drone" pictures may be on this site in the very near future.

Until next time, take care and stay warm.
