Lawrence (Larry) B. Link

Larry passed away surrounded by loved ones at Barrett Hospital in Dillon on Sunday January 5, 2020. He was born in Los Angeles, California on April 1, 1933 and moved back to Montana with his parents when he was two.

Growing up with Yellowstone Park in his backyard, Larry learned to appreciate the natural beauty of Montana and loved hunting, hiking, camping, and fishing. He attended elementary school

in Gardiner and graduated from Park County High School in Livingston in 1951 as senior class president. He served in the U.S. Army as a Military Policeman in post-war Berlin, Germany. He met his wife Darleen in high school, and they were married shortly after his military service. The young couple moved to Helena when he was given a job examining unemployment applications immediately after applying himself. After that he was a bookkeeper for a construction firm before becoming the Director of Financial Aid at Western Montana College. He was always learning and attended Helena Business College, LaSalle Extension University, Idaho State University, and Western Montana College while he was working full time. His hard work was rewarded when he received his CPA license in 1979. After retiring from the college in 1985 he practiced as a CPA in Dillon until he was 80. He was well-known and loved in his community and took pride in growing the earliest daffodils & tomatoes and baking the best raspberry rhubarb pie in Dillon. He is a life member of the American Legion, Veterans of Foreign Wars, and the Dillon Elks.

He is predeceased by his father Edward Lawrence Link, mother Beryl (Bishop) Link, and wife of 61 years Darleen (Eastep) Link.

He is survived by their daughter Dr. Laureen Link, son in law Dr. Jeff Cooper, grandchildren Brian Cooper, Tara Cooper, and Kelly Cooper of Redding, California. He is also survived by their son Garry Link, daughter-in-law Linda Link, grandchildren Nick Bosworth and Wyatt Link of Pacific City, Oregon. He is also predeceased by his brother-in-law Donald Eastep and survived by his sister-in-law Mimi Eastep and their families. Brundage Funeral Home is overseeing cremation and services. His memorial service will be held at the Saint James Episcopal Church on January 18, 2020 at 11:00am followed by a luncheon reception at the Guild Hall. Burial with military honors will be at the Mountain View Cemetery in Livingston on January 19, 2020 at 1:00pm.

Celebrate MLK Day at the Missoula Art Museum

Join University of Montana Western assistant professor of art history, Aja Mujinga Sherrard, for a special day of celebration, learning and artmaking at the Missoula Art Museum on Saturday, Jan. 18.

Black-out-History

Free Family Workshop, 11 a.m.- 12:30 p.m.

Celebrate the legacy of Dr. Martin Luther King Jr. and the movement for civil rights. Taking cues from contemporary artists such as Titus Kaphur and Kehinde Wiley, illuminated manuscripts, and blackout poetry, parents, children and families will apply processes of selective masking and/or illumination to historical images and the speeches of Dr. King to create mixed-media paintings and collage. Please arrive a few minutes early to ensure a spot. Children under seven must be accompanied by an adult. All materials are provided.

**"Let us be dissatisfied until..." A Look at Black Art
and Civil Rights**

Adult Art Class, 1-3 pm, \$18 members, \$20 nonmembers

The American Civil Rights movement was built on power – the power of words, actions and art. Artists from this movement and others have witnessed oppression, and armed with the power of beauty, dignity, and outrage, they investigated the profound and complex echoes of these moments in time. Professor Sherrard will give a lecture about art and protest, featuring the MAM's own collection works by Kara Walker, Lorna Simpson, and Jacob Lawrence, as we celebrate the legacy of Dr. Martin Luther King Jr. and the ongoing struggle for a world without oppression. Call (406)-728-0447 to register for this class. Scholarships are available.

The Missoula Art Museum is located at 335 North Pattee Missoula, Montana. For more information about classes and events at the Missoula Art Museum, you can visit their website or call (406)-728-0447.

First and second place trophies were awarded to each boy and girl in three categories: ages 8-9, 10-11 and 12-13. The contestants who participated at the District Hoop Shoot Contest were crowned Champions at their local Lodge Contest within the Montana South District, comprised of Anaconda #239, Butte #240, Deer Lodge #1737, Dillon #1554 and Helena #193.

The three first place boys and girls in age categories 8-9, 10-11 and 12-13 will advance to the Montana State Contest at Park County High School in Livingston, MT on February 1, 2020. They will compete against the Districts Champions from the other four Montana districts. With continued success, the six Montana State Champions will advance to the Regional Contest in Rapid City, SD, on March 14; the National Finals in Chicago, IL, April 18. The names of all the national winners are engraved on plaques at the Naismith Memorial Basketball Hall of Fame in Springfield, MA.

This program is totally sponsored by the Benevolent and Protective Order of Elks of the U.S.A. It is endorsed by hundreds of school systems around the country. The Elks fund the program primarily through its National Foundation and the support of the local lodges and state associations.

The Elks "Hoop Shoot"®, began as a local program by Corvallis Oregon Elks in 1946, is in its 47th year of national competition. Over three million boys and girls are expected to participate this year. In the past, Montana has crowned several National Champions.

FWP looks to improve customer service with two changes to 2020 licenses

Hunters and anglers can expect a few changes this year when they buy their 2020 licenses starting March 1.

The most visible change Montana Fish, Wildlife & Parks customers will see is a change to license paper. Starting this year, both licenses and carcass tags will be printed on normal-sized paper, and license buyers will be able to print them at home.

For years, FWP licenses and tags have been produced on weather-resistant paper. However, this paper is not only expensive, but requires printing technology so outdated that it's almost impossible to replace. The switch to standard 8.5 by 11-inch paper will provide significant savings and ultimately be easier for customers.

What this means is hunters won't have to wait for special permits or licenses to come in the mail from FWP, but rather will be able to print them at home or at their local license provider.

This change also will reinforce the ability in Montana to have your license electronically on your mobile device and not printed out in your pocket. While carcass tags still need to be printed out, other licenses, such as a fishing license, do not. If checked in the field, this electronic version of your license is perfectly legal.

FWP recommends that people carry small plastic bags with them while hunting, and place validated carcass tags in the bags before attaching them to an animal. Small plastic bags ideal for this application will be available at all license providers, but any small sandwich bag will work.

Additionally, in 2020, hunters applying for licenses or permits will be able to do so online or at an FWP office. Mail-in applications will no longer be accepted.

With modern technology, the number of online applications continues to steadily grow. Eighty-six percent of Montana hunters now choose this method. The small percentage of mail-in applications creates a time-consuming, expensive and inefficient delay in the license-drawing process. Mail-in applications must be entered manually in the licensing system, leaving room for human error and delays.

Customers who still look for written guidance to help them through the application process will be able to find information sheets online or at an FWP office in the coming weeks. These information sheets will not be accepted as applications.

This simple change means that drawing results will now be available two weeks after the application deadline, rather than six weeks, allowing hunters to begin making plans for the upcoming season that much earlier.
