Montana Cowboy Hall Of Fame & Western Heritage Inductee: Walter E. "Wally" Congdon

Walter E. "Wally" Congdon was born in Racine, Wisconsin on July 5, 1957 to James and Opal (Range) Congdon. The family moved to Missoula in 1961 where he graduated from Hellgate High School in 1975. In 1980, he graduated from the University of Montana, and from there attended the University of Montana Law School, graduating in 1983.

From 1984-1985, Wally was awarded a full ride Rotary Scholarship to attend Massey University, the largest Agriculture College in the Southern Hemisphere, in Palmerston North, New Zealand. He received a graduate diploma with a degree in Rural Towns and Regional Land Use Planning. While in New Zealand, he traveled around the country speaking to Rotary Clubs and organizations about agriculture and land use planning in the United States.

Wally is a charter and ten-year member of the Ridge Runners 4-H club. He has served with various clubs for the past 40 years including 4-H as a leader and mentor.

Wally's passionate love of ranching & farming started in 1970 when he went to work for Grange Alves and Bernard McLeod in Arlee. In 1974, he signed on with Carl Rostad of White Sulfur Springs. In 1995, Wally, along with his two children, Ona & Sam, and his late wife Ann moved to the newly purchased Garr Canyon Ranch in Dell, Montana. Big Sky Natural Beef was established in 1998. The family is actively ranching today, raising free-range Scottish Highland cattle.

You would never know the guy delivering your beef in jeans and tennis shoes is a well-known Montana lawyer. He assuredly can tell you all about the cattle and where your beef comes from.

Always one to give the most of himself in any endeavor he pursues, Wally served as a board member of the American Highland Cattle Association for 10 years and only stepped down due to term limits. He is a member of the Highland Cattle Foundation and currently Vice President of the Montana Cattleman's Association.

In 2007 Wally combined his love of music, ranching and history in a story The Drover Road. "It is important to understand who we are, where we come from and what our story is" remarks Wally.

Wally, a practicing lawyer and currently the Deputy County Attorney for Civil Matters for Lake County was fresh out of law school when he went to work at his father's law practice in Missoula. His legal career includes, city attorney for Lima, County Attorney for Beaverhead County as well as a Deputy County Attorney for Beaverhead County, Special Deputy County Attorney from Lincoln to Prairie County and numerous places in-between.

Utilizing his legal expertise, Wally authored all the state and federal law for certified natural and certified grass-fed beef that is in existence today. He also created the template that is used for every right to farm ordinance in Montana.

A strong advocate and supporter of Montana Conservation Districts, he served on the Missoula Conservation District for ten years. He was also selected as Supervisor of the Year for Montana Conservations Districts in 1993.

While Wally is comfortable in a court room, he prefers a

classroom. His love of speaking and imparting knowledge has been the impetus behind his continued teaching at the undergraduate and graduate level. His passion for "Ag" law came out when he taught Agricultural Law as well as Land Use Law and Regulation at the University of Montana School of Law. He teaches Natural Resources-Environmental Law at University of Montana Western in Dillon as well. One of his many writings include "Beef without Guilt," all about raising beef rather than pounds.

Throughout his life as a lawyer, teacher and rancher, he has been an agricultural advocate. Faithful to our western culture, he stands for land stewardship to ensure our Montana history and resources are preserved for generations to come. Wally still drives horse and ox teams - a significant asset in his effort to get the public to support the field of agriculture.

Feb 3-6, 2020, Washington D.C. Capitol Hill and the Gaylord Hotel in National Harbor, MD

WHO: Be the Change 406 Coalition & Youth Coalition members
WHY: To learn about emerging drug trends, gain leadership skills, and gain strategies to prevent substance misuse and abuse in our community.

Dillon Middle School 8th graders, Brooklyn Williams and Olivia Kailey, members of the Be the Change 406 Youth Coalition, travelled to Washington D.C. last week with adult coalition members; Kim Martinell, Katherine Buckley-Patton and Andrea Schurg to attend CADCA's 30th Annual Leadership Forum. While there, Brooklyn and Olivia had the opportunity to attend workshops: Empowering Youth with Brain Science, How to Elevate Leadership Skills to Become an Advocate for Change, The Health Risks for E-cigarettes, and other skills such as Money Management. They were able to network with over 500 youth attendees from around the country, and were the only youth representing Montana! The highlight of their trip was "Capitol Hill Day" when they attended Montana Coffee and met Senators Daines and Tester, and Congressman Greg Gianforte. After touring the Capitol Building, the youth were scheduled to meet with each of the congressmen. During the meeting with Representative Gianforte he invited Brooklyn and Olivia to join him on the House Floor! Andrea and Kim watched from the Gallery as Mr. Gianforte took the girls all around the House Floor introducing them to both democratic and republican congressman and congresswomen. They shook hands with the longest serving congressman, youngest elected congresswoman, and the Speaker of the House. He showed them how to vote, and then

allowed the girls to submit his vote on three separate bills, one of which he was a co-sponsor of. This was an experience of a lifetime for our youth. Dillon is lucky to have these two future leaders!

Cemetery Committee Jan 13

By: MJ

Automatic Gate: An automatic gate that would close each day at a certain time would be installed instead of a full video surveillance system. The cemetery has been left open 24 hours a day because the police are unable to open the cemetery at 8:00 a.m. on weekends and holidays. At times when the gate is left open the cameras would capture any vandalism that may occur during those hours. If an automatic gate were installed only one (1) surveillance camera would be needed at the gate to record the license plate numbers.

If someone was locked in the cemetery, or if the gate fails to open in the morning, a contact phone number would be posted and the gate would be opened or closed remotely. The gate would require internet service be available.

There was one estimate for installing a mechanical slide gate presented for (\$8,478.79). There were no comparison estimates presented for a video surveillance camera system. No decisions were made until all information is available.

Mr. Devers reported to the committee that there have been issues at funerals involving people that bring their dogs. The owners are allowing the dogs to run loose and we all know what dogs are good at. Allowing your pet to micturate and defecate on a loved one's grave is disrespectful and uncalled for. The cemetery is not a dog run. **NOTE: You can take your dog if you keep it on a 6-foot lease.**

Equipment (New): The ground thawing equipment and lowering device needs to be updated. The cost of equipment to thaw the ground is \$700.00± and cost of lowering device is \$7,000±. The ground thawing equipment has been budgeted for and may be purchased. Lower device has not been budgeted for at this time.

Reclaim Unused Spaces: Mayor Klakken and City Attorney are speaking with other attorneys around the state as well as the League of Cities and Towns. They are researching procedures to reclaim cemetery spaces that were purchased eighty (80) or more years ago and not used. The Eagles Lodge has vacant spaces. Councilman Hand suggested having the Fraternal Order of Eagles quit claim the unused spaces back to the City of Dillon.

Bible Truth...About Alcohol

Statement of belief: "All scripture is given by inspiration of God..." (2 Timothy 3:16-17), thus all beliefs in conflict with the scripture, God's holy word, are false.

The National Institute on Alcohol reports that an estimated 88,000 people (approximately 62,000 men and 26,000 women) die from alcohol-related causes annually, making alcohol the third leading preventable cause of death in the United States. In 2014, alcohol-impaired driving fatalities accounted for 9,967 deaths (31 percent of overall driving fatalities). The cost for alcohol misuse in the United States in 2010 was \$249 billion. These statistics give strong evidence that drinking alcohol doesn't bring the happiness indicated in the ads designed to encourage its use.

Some claim the Bible encourages the use of alcohol but consider the following advice from God in the following scriptures:

"Wine is a mocker, strong drink is raging: and whoever is deceived by it is not wise," (Proverbs 20:1). The myth of alcohol is that it brings joy...the reality is that it is a fraud, bringing sorrow and making a person rage [in an uproar or tumult].

Biblical research reveals that God gives Noah, Lot, priests and prophets, and the Babylonians as examples consequences of drinking alcohol.

"It is not for kings, O Lemuel, it is not for kings to drink wine; nor for princes strong drink: Lest they drink, and forget the law, and pervert the judgment of any of the afflicted," (Proverbs 31:4-5). It is a well-known fact that drinking alcohol results in forgetting the law and having ones judgment impaired. It's why one person in a party of drinkers abstains so he can be the 'designated driver' and deliver the drunk one's home safely.

I've never been a user of alcohol, but I know from observation and from talking to those that have gotten drunk that the description in (Proverbs 23:29-35) is an accurate description of drinking alcohol. There it speaks of woe, sorrow, contentions, babbling, wounds without cause, redness of eyes, eyes that behold strange women [harlots], speaking perverse [corrupt] things, being as one at sea on a ships mast, being beaten and not feeling it.

Luke 21:34a says to "take heed" lest you be "overcharged with surfeiting [giddiness/headache caused by drunkenness], and drunkenness, and cares of this life...."

All Biblical evidence advises against the use of alcoholic beverages.
