Earl Gladwyn Barnes (93)

Earl Gladwyn Barnes (93) passed away at Barrett Memorial Hospital February 19, 2020 surrounded by his family. Earl was born October 3, 1926 in Huntington Beach, California, to Lowry Thomas and Lizzie Barnes. During his early life, the family moved between Yorba Linda, California and Crossville, Tennessee working the oil fields of California and helping family clear the land, working at the sawmill, and doing all the farming chores in Tennessee. After the family moved back to Yorba Linda,

Earl's two siblings continued in school, but Dad being the oldest, went to work to help provide for the family, thus only had an 8th grade education. While in Yorba Linda, he started working for beekeeper Dick McFadden, then enlisted in the Navy on March 10, 1945. Ironically, Earl served his country on the aircraft carrier USS Barnes before being discharged July 10, 1946. When his ship was in dry dock in Virginia, Earl, on a 10 day leave, hitchhiked to Tennessee, picked up his sweetheart Willodean Potter along with her dad and took a taxi to Georgia, where they were married in front of the Justice of the Peace. Dad said back in those days a mother or father of the bride would go along to make sure the kids got married. Once married they returned to Tennessee, Mom staying with her parents and Dad hitchhiking back to Virginia to his ship. Dad said he had only walked about a block when two older men picked him up and took him all the way back.

He said back then a man in uniform had no trouble getting a ride. Earl's ship made several trips between the states and the Philippines, spending a lot of time in the South Pacific, not really knowing where they were because of Naval security. During this time, Earl sent Mom a train ticket to

California to stay with his parents. Mom and Dad were able to spend one night together in Alameda, California while his ship was in port. After his discharge from the Navy in Boston, Earl again hitchhiked across the country to California to go back to work in the bees.

In the fall of 1954, Earl and another beekeeper came to Montana on a hunting trip to the Helena area. Earl met R.M. Gregg in Dillon about buying his bee business. Two years later in April 1956, Earl and Dean loaded up all their belonging and their 4 kids and headed to Montana. They settled on 5 acres on the edge of Dillon, processing their honey crop out of the old Montana Power building. In the 80's they added more property and a new warehouse. Dad was proud that, along with his two oldest sons, he was able to increase the business from a 1200 colony outfit into running over 5000. Dad was always working, finding it hard to take time off, but Beaverhead Honey Company became one of the most well respected bee operations in the country. He did however, coach Little League and Babe Ruth while the boys were playing. He also helped friends TLee and Dick McCracken, Stu and John Burwell, Dick Warren and Bill Rule in starting and clearing brush on Rainey Mountain Ski Hill (now Maverick). Earl drove the ski bus to the hill and the ski team to numerous meets around the state. Dad also served as a substitute bus driver for BCHS. Earl enjoyed his bowling nights with Mom and playing cards with friends. Dad loved to camp, fish, and hunt with family and good friends, and he taught all of us kids to love the outdoors and all that Montana has to offer.

Earl was preceded in death by his wife of 73 years Willodean, his parents, brother Don Barnes, sister Beverly Mayfield, and son-in-law, Gary Lively.

Earl is survived by his sons, Robert Barnes (DaNeil Reynolds), Ray (Ruthie) Barnes, Tom (Cindy) Barnes, all of Dillon and daughter JoAnn (Robert) Weststeyn of Melrose.

Montanans Reminded About REAL ID as Deadline Approaches

In preparation for the October 1, 2020, federally enforced deadline for identification changes to fly domestically or enter secure federal facilities, the Montana Department of Justice's Motor Vehicle Division (MVD) would like to remind citizens about REAL ID.

REAL ID is an option that can be added to your Montana driver license or identification card for an additional fee. If you add it during your renewal cycle, the cost is an additional \$25.00; outside your renewal cycle it is \$50.00.

So, what is REAL ID? While most people have heard of it, some don't know how a REAL ID is different from their current ID. "The feedback we've gotten shows that people still have questions about REAL ID," said Sarah Garcia, MVD Administrator. "We want to provide information to allow people to decide if they need a REAL ID."

A REAL ID looks like a regular driver license or ID, with a gold star added to the upper right corner to indicate it is REAL ID compliant. The gold star allows security officials to quickly recognize that a person's identity has been verified, which speeds up security screenings.

With the deadline only months away, MVD is working hard to inform the public and answer questions about REAL ID. One common misconception is that everyone is required by law to get a REAL ID. "Obtaining a REAL ID is a choice. You don't need it to vote or drive if you already have a driver license," Garcia said. "If you don't travel by air or visit secure federal facilities like courthouses or military bases, you may not need a REAL ID. Each person should make the decision for themselves based upon their individual needs," Garcia added.

Montanans can also use other forms of identification, such as military ID cards or passports.

If you're planning on getting a REAL ID, MVD has some tips on how to make the process go smoothly:

- Make an appointment in advance. Appointment times in some parts of the state are booked out six to eight weeks.
- Driver licenses may be renewed within six months of their expiration date, and appointments can be made up to six months in advance.
- Before your appointment, gather all the required documents, making sure they are certified, if required. Getting certified documents from other states can take several days or weeks;

Our firewood isn't free...it's priceless!

Our wood is valuable because of the volunteer labor of our wood chucks and wood chicks. In 2019, these dedicated folks contributed over 2,241 volunteer hours. That is equal to fifty-six 40-hour weeks for a single person, but many hands make light work. If you or your organization would like to help, for a few hours or more, give us a call!

Among our 51 wood chucks and chicks in the past year are: Joe Arbor, Gary Berger, Mike Boka, Alex Bradley, Dave Browning, Mana Bryant, Bob and Katie Bump, Korry Clermonts, Dorothy DeHart, Dan Ehrenfried, Thad Ferguson, Jake Ferris, Monty Roy Fogle, Cole Goodman, Rick and Patsy Hartz, Mat Hewes, Dave Hooks, Dayvina J, George Johnston, Lydia Landon, Will Larson, Archer Lemieux, Scott Marsh, Bobby May, Ivan May, Erin McGowan and the UMW Log Dawgs, Gerry Meacham, Rich Meine, Austin Miller, Ed Mooney, Tom Mooney, Steve Morehouse, Harry Neeley, Nick Nelson, Ray Patterson, Roger and Caryn Pelletier, Gary Rillema, Bob Riley, Geoff and Kay Roach, Jack S., Tom Scott, Aidan Smith, Ken Smith, Lynn Stonelake, Blaine VanMeter, Wells Warren, Joe Weding, Tom Welch. We also enjoyed work parties with the USFS Fire Crew and members of the UMW Horseman Club.

Montana Youth Challenge Academy cadets are also volunteers at the Wood Bank. We hear that this is a favorite service project for them. Four cadets at a time come to us help on Wednesday afternoons during spring and fall sessions. A total of 93 cadets participated during 2019, contributing 288 hours.

Special thanks to all our Supporters

Many folks have been essential to the wood bank. In 2019 the Wood Bank received financial support from Great Harvest Bread Company, Beaverhead Brewing Company, United Way, Saint James Episcopal Church, Thrivent Financial, Pioneer Federal Savings & Loan Foundation, JC Kennedy Foundation, Dillon Jaycees, and from many private individuals. The cash donations were used to buy truckloads of logs, purchase a special loader bucket for the Bobcat, cover equipment maintenance and fuel costs, and grow our "truck replacement fund." We received donations of wood from Tom McGuire, Mike Pflieger, Corrine Welborn, Dillon Baptist Church, Mooney Ranch, Jim Cusick, and USDA Forest Service.

Bob and Katie Bump host the wood bank on their property. RE Miller & Sons have provided a large space to store truckloads of logs. Also on our support team are Badger Pass Septic, Rocky Mountain Supply, The Mini, Pivots Plus, Murdoch's, Bud's Auto, Shepard's Garage, Performance Auto, Dillon Collision Center, Darrell Johnson, 3D's, Dillon's IGA Store, Womack's, KDBM, the Dillon Tribune, Darrell Sunderlin, Murdochs, and others—including those who contributed Silent Auction items for Pint Night.

We can't begin to count all the ways so many people have played a role in this community ministry, inspired to help those who struggle to keep warm. It wouldn't happen without you! This ministry depends on volunteers, donors, and friends. Thank you from the bottom of our hearts.

Who we are and What we do

Our mission is to help others keep warm. The Beaverhead Community Wood Bank Ministry ministers to the heating needs of households in our community who struggle with limited means, for whom keeping warm can become a crisis.

It starts with the free gift of the sun's energy, captured by trees and stored in wood. Our volunteers—known as wood chucks and chicks—contribute their time and talents, and with support of many others, turn the wood into fuel for heat and cooking stoves. The firewood is given to community members who need help warming their homes.

The Beaverhead Community Wood Bank Ministry Inc. is an independent 501(c) 3 charity formed in 2016 to continue the ministry of retired priest Father Harry Neeley and Saint James Episcopal Church. You can contact the wood bank by telephone, mail, or email; find us on Facebook.

Why is this ministry?

There is an old saying that firewood warms twice. Firewood warms you physically, as you work to cut, split, load, and deliver it. It also warms physically when it is burned to heat a home or a cook stove to prepare a meal. However, there is a third kind of warmth produced by firewood at the wood bank, and that is *spiritual*. This kind of warmth comes from giving and receiving, from sharing and connecting with, and caring for others. This spirit makes the wood bank a ministry.

Who gets the firewood?

For the current heating season beginning in September 2019, the Wood Bank has provided firewood to 44 households in Beaverhead County. More than half are seniors living alone. More than a third are disabled. Nine households include children. The average monthly income for many of these households is less than \$1,200. For many, their wood stove is the only source of heat, or wood is an important supplement to gas or electric heat that helps them make limited ends meet. A household may typically receive 3 cords of wood in a heating season.

We ask people to complete an application including income details to ensure the wood is distributed appropriately. This information is held in confidence. Eligibility is determined by the Board of Directors.

As of January 31, 2020 a total of 99 cords of wood had been distributed since September 1, 2019. We will keep on delivering wood until April. Depending on the weather, this might add 20-30 more cords, making this heating season's wood deliveries similar to the 2018-19 heating season, 139 cords.

Keeping warm, piece by piece. Above, Wood Chucks Gerry Meacham, Rick Hartz, and Dave Browning load the delivery truck with 1.3 cords of firewood. In the calendar year 2019, the Wood Bank provided 124 cords of firewood—about 95 truckloads—to help warm 45 households. This would make a solid stack 4 ft high x 4 ft wide x 992 feet long! At an electric power rate of \$0.10/KWH, with 50% stove efficiency, this wood had an estimated heat value of \$32,415.

Where does the wood come from?

Most of the wood comes in semi-truckloads of logs, purchased or donated. In addition we also receive donations of smaller amounts of wood. The best wood is dead, dry Douglas fir; second-best is lodgepole pine. We sometimes accept spruce and solid ash. Cottonwood is not suitable.

Wood chucks and chicks work throughout the year to cut the logs into firewood lengths, and split the rounds into firewood. In the fall and winter we start load and deliver wood for those unable to pick up wood at the yard.

At left: A truckload of logs being unloaded for the Wood Bank. The firewood yield varies between 10 and 14 cords per load. Logs are cut into blocks, then moved to the splitting yard.

Bible Truth...Adoption not a reference to how one becomes a child of God

Statement of belief: "All scripture is given by inspiration of God..." (2 Timothy 3:16-17), thus all beliefs in conflict with the scripture, God's holy word, are false.

All men are God's by creation, but to become a child of God one must put his faith in Jesus Christ as the Savior. At that point we are born of the spirit and become children of God, John 1:12-13; John 3:3-8; 1 John. 5:1.

This means a process of adoption would be illogical, unneeded and illegal. There would be no logic in going through a legal process to adopt your own child.

"Adoption" is used five times in the Scripture and refers to the placing of a son, not to becoming a son. [Romans 8:15 and 23; Romans 9:4; Galatians 4:5 and Ephesians 1:5.]

Adoption is a future event for those who become children of God through the new birth. When we are spiritually born by faith in Jesus Christ we receive "the Spirit of adoption" at which time the Holy Spirit enters and bears witness within that we are the children of God, Romans 8:15-16.

The expression "received the Spirit of adoption" does not refer to adoption itself, but to the Spirit which qualifies children of God for adoption. Paul makes it clear in Romans 8:23 that the children of God are waiting for the adoption, that is to say, the redemption [full ransom & deliverance] of our body."

From these scriptures we can see that adoption refers to the redemption of the *bodies* of the children of God, not to their spiritual redemption. 1 Corinthians 15:52-53 speaks of this event, stating that the bodies of the children of God that have died will "...be raised incorruptible and we [children of God still living on earth] shall be changed. For this corruptible [body] must put on incorruption, and this mortal [body] must put on immortality."

1 John 3:2 stated to Christians that they are sons of God now, and that at his coming we will see Him as He is and will be like Him.

If believers are the sons of God now, yet are still waiting for the adoption, adoption cannot be what makes us a member of the family of God.
