Council Meeting Feb. 5, 2020

By: MJ

City Bus: The coordination plan for City Bus was reviewed. Ms. Debbie Pierce stated she received three (3) letters expressing appreciative views. The Bicentennial Apartments are very grateful for the bus as they have many seniors and disabled residents.

Roberts Rules of Order: Roberts Rules of Order is the formal meeting procedure that the city follows for all of meetings. It appeared that at some meetings the "Order" is not being followed. Mayor discussed and refreshed members minds.

Mr. Wassall, a council person representing the city on the Parks Committee. Minutes for several Parks meetings were presented to the council for their approval. Mr. Wassall questioned several issues in the minutes. He offered to the council some issues he felt needed to be addressed in the contract between Beaverhead Little League and the City and he also questioned how the committee meeting was conducted. Issues: 1} a recess called for by the Chair Ms. O'Rourke during a Parks Committee meeting with no records kept and no public notice, 2} identification of chemicals that may be used, 3} if project is 1/2 completed and Little League organization does not continue then would expense of finishing project be up to the city, 4} questions about insurance, 5} can a sub-lease be done...

Question: There seemed to be a discrepancy in the minutes and both the Parks Committee members were council persons seated at the council table. Should the council approve the minutes without resolving the differences? It appears to me that what was done would be a "closed meeting" and that goes against the "Citizens Right to Know statute." Rumor is there may have been discussions with people and possibly an attorney before the meeting was called back to order. No written record of what happened in the minutes.

NOTE: The council did listen to Mr. Wassall's concerns. It appeared the council members had a difference of opinion. There is a saying that; "we all view the water bottle differently. Some of us see the fine print, some see only the name, the logo, if there is water in bottle or not"...

Zoning Board: Mr. Jackie Erle was appointed to the zoning board as her term had expired. **Minutes:** All minutes for zoning board, public hearing meetings and joint zoning/planning board were approved.

Police Application: Chief Guiberson presented a jobs requirement form to the council. Ms. O'Rourke suggested more specific items be added to the form identifying specific programs that would be required. The Chief explained that the form was not an actual job application and it only describes in general what is needed.

Streets: Patching on the streets continues to sink because of clay, water and freezing. When the city can not get all the clay out they install a mat to hold the clay a-bay.

The study abroad journey will end in Prague, known for its role in the Velvet Revolution and incredible landmarks, from the St. Vitus Cathedral to the Prague Castle.

Experience One, the block scheduling program offered at Montana Western, allows students to focus on one course at a time. This approach to learning compliments study abroad opportunities with immersive, real world experiences.
