Robert Eric Anderson

Robert Eric Anderson of Polaris, Montana passed away February 23, 2020 at Bozeman Deaconess Hospital. He was born April 10, 1939 in San Francisco, California, to R.E. and Rosalie Anderson. They preceded him in death.

Robert, better known as Bob, had a colorful childhood, traveling with his parents in the west and having many educational adventures. He graduated from UCSF and taught and coached for more than forty years. In-between teaching, he had various occupations

including Owner, manager of the Grasshopper Inn in the late 80's. The family also spent 10 years in Guam while Bob was teaching English and Coaching in Elementary, Middle and High School. He coached tennis, basketball, soccer, cross country and track and field. Bob loved coaching and his many kids really loved and appreciated him. Many of them still communicated with him until the time of his death.

He loved and was very proud of his seven children, who all survive him; Lori Mitchell (Joe), Robert Anderson (Sondra), Race Anderson, Erica Schubert (Arthur), Elizabeth Chapin (Jake), Ryan Anderson, Emily Kirkley (Patrick). Bob also doted on his nine grandchildren especially his best friend and oldest grandchild, Michael Robert Garcia. He was also uncle to many nieces and nephews who he really loved and kept in contact with. They were the children of his beloved sisters, Dorothy, Emma Jane and Betty, who preceded him in death.

He is survived by his wife of thirty-nine years, Marina Anderson, who shared many adventures, highs and lows throughout their life together. Bob was a hard working compassionate and generous family man who was loved by many and will be missed by all who knew him.

There is a commemoration of the life of Robert Eric Anderson on Saturday, March 14, at 2:00 PM at Brundage Funeral Home. Graveside services will follow at Mountain View Cemetery. There is a guestbook available online at www.brundagefuneralhome.com.

Destined to Cook

Bryce Angell

I made an observation, standing back behind the grill. I stirred the pancake batter. Thought, "This job sure ain't no thrill." When the cowboys get together for a week out on the trail. I'm designated as the cook. At times, I'd like to bail. Now let me take you back, let's say, some fifty years or so. I wrangled for my father. I was young and fit to go. We were out of bed 'fore daylight feeding horses hay and grain. And cinching up the saddles, praying hard that it don't rain. The smell of eggs and bacon put my nose up in the air. My father was the cook, back then, none better I could swear. But time has forced her change on me. I never thought I'd cook. Now I'm flipping eggs and bacon. Sometimes feel like I've been took. Cuz I watch the younger cowboys work all day and not complain. I only lift one saddle, but my back sure feels the pain. Young cowboys make it easy when they step up on their horse. I need to stack a rock or two, get help from any source. But one thing is for certain. All those cowboys sure can eat! I'll fill em full of spuds and maybe apple pie to treat. I've seen old western movies. Every camp cook looks like me. They're short and bald and grumpy. Dang near fits me to a tee. Do I even need to wonder what my job is after cook? I heard one older feller say, "That's one I'd overlook." A cowboy's life is simple, but it seems to fly by fast. ou're timed by Mother Nature. No use wishing for the past. So, I hope they're not complaining cuz my cooking's mighty slow. And please don't think I'm useless. I was you not long ago.

Safety Protocols Are in Place for the Novel Coronavirus, Which Causes the Disease Known as COVID-19

Barrett Hospital & HealthCare announced yesterday safety protocols are in place for the novel coronavirus, which causes the disease known as COVID-19. Montana state and local public health officials are monitoring the COVID-19 situation very closely. Currently, there are no COVID-19 cases in Montana. U.S. health experts agree that the measures taken have been effective in containing the virus but are predicting that there will be further community spread of the novel coronavirus, COVID-19 in the United States (U.S.) at some point. In anticipation, the following safety protocols are in place at Barrett Hospital & HealthCare to help keep patients and healthcare workers safe and to help minimize the risk of the COVID-19 virus in the community. - If you have recently returned from an international country or U.S. state with ongoing COVID-19 infections, monitor your health and call and tell your healthcare provider if you develop a fever and symptoms of respiratory illness, such as cough or difficulty breathing. Tell your healthcare provider about your recent travel or close contact with a person known to have COVID-19. Your healthcare provider will work with Montana's public health department and CDC to determine if you need to be tested for COVID-19. - If you have these symptoms, have been in close contact with someone with symptoms, or have traveled recently and feel you need to be evaluated, call the Emergency Department at Barrett Hospital & HealthCare first, so we can prepare and take further precautions. Be sure to protect others by covering your nose and mouth and proceed directly to the Emergency Department. To safeguard our staff and other patients, please do not attempt to be seen in Clinics.

To help prevent the spread of COVID-19 and other respiratory illnesses, you can take simple steps to protect yourself and your family.

- Stay home if you're sick,
- Avoid contact with sick people when possible,
- Cover your cough and sneezes with the crook of your elbow or a tissue,
- Wash your hands frequently, and void touching your eyes, nose and mouth,
- Clean and disinfect frequently touched objects and surfaces using a bleach solution or bleach wipe.

To learn more about COVID-19, please refer to the CDC's website <https://www.cdc.gov/coronavirus/2019-ncov/index.html>
