DSA/OYM Postponed

In an abundance of caution with the continuing threat of the coronavirus and because of the preventative actions taken by our host and venue (UMW) we will be postponing this years DSA/OYM Banquet. We apologize for this unfortunate circumstance surrounding the dinner but the health and safety of the Dillon community is our highest priority. The dinner scheduled for Friday, March 20th is canceled and we will schedule a new date as soon as practical.

Attorney General Fox Warns of Potential Coronavirus Scams, Price Gouging

Attorney General Tim Fox cautioned Montanans today about coronavirus-related scams that have been emerging in other parts of the country, and urged them to be aware of potential impacts to their financial health as well.

"Scammers are taking advantage of coronavirus fears in other parts of the country, and it's important to be wary of con artists who want to capitalize on the uncertainty that accompanies this time of heightened concern," Attorney General Tim Fox said. "Montanans should be cautious of bogus claims for products to prevent or cure coronavirus, in addition to unexpected messages or offers that are suspicious. My Office of Consumer Protection stands ready to advise folks who have questions about any offers that seem suspect, so consider contacting OCP before responding in questionable situations."

While his Office of Consumer Protection has not yet received complaints about price-gouging related to the coronavirus, Fox reminds Montanans that state law protects them from unfair or deceptive trade practices and price fixing. Violations of 30-14-103 are subject to civil fines of up to \$20,000 for willful violations, and criminal sanctions of up to \$5,000 and one year in prison. Violations of 30-14-205 are subject to criminal penalties of up to five years in prison and a \$25,000 fine. The Montana Department of Justice has authority to enforce civil and criminal violations of these statutes through its Office of Consumer Protection and Prosecution Services Bureau.

The FTC and FDA have jointly issued warning letters to seven sellers of unapproved and misbranded products, claiming they can treat or prevent coronavirus. The companies' products include teas, essential oils, and colloidal silver. They have no evidence to back up their claims, as required by law. According to the FDA, there are currently no approved vaccines, drugs, or investigational products available to treat or prevent the virus.

Lastly, Fox also cautioned Montanans about investment scams, which are important to keep in mind in light of the falling stock market. The U.S. Securities and Exchange

Commission recently issued an investor alert to warn investors about investment frauds involving claims that a company's products or services can help stop the coronavirus. For more information, contact the Office of the Montana State Auditor, Commissioner of Securities and Insurance.

Fox offered the following tips to avoid getting scammed by coronavirus con artists:

- 1) Don't click on email links from sources you don't know.
- 2) Watch for emails claiming to be from Centers for Disease Control and Prevention (CDC) or experts saying they have information about the virus. Go directly to the CDC's website at www.cdc.gov for the most current information.
- 3) Ignore online offers for vaccinations, oils, pills, potions, lotions, or lozenges that claim to prevent, treat, or cure coronavirus (COVID-19).
- 4) Do your homework when it comes to making donations, whether through charities or crowdfunding sites. Be especially suspicious of phone calls asking for donations. Never donate with cash, gift cards, or by wiring money.

For coronavirus-related consumer complaints regarding price gouging, scams, or travel refunds, call the Montana Office of Consumer Protection at (800) 481-6896 or (406) 444-4500 or use OCP's convenient online reporting form.

Dillon BLM to conduct prescribed burns in Beaverhead, Madison counties

The Bureau of Land Management Dillon Field Office is planning several prescribed burns in Beaverhead and Madison counties during the upcoming spring months.

The goal of the burn treatments is to reduce conifer expansion into sagebrush/grassland habitat, restore existing aspen, and increase biodiversity. The burns are planned for the following areas:

- East Grasshopper, about 20 miles west of Dillon. The burn areas of about 445 acres are adjacent to the west and east forks of Dyce Creek.
- Muddy Creek, about 15 miles northwest of Lima. The burn areas are adjacent to the McNinch Creek drainage and are about 925 acres.
- Centennial, about 30 miles east of Lima. The burn areas of about 1,800 acres are adjacent to the Bean and Bear Creek drainages.
- Middle Ruby, about 12 miles south of Alder. The burn areas are adjacent to the drainages in Davey, Idaho, and Greenhorn creeks, consisting of approximately 2,000 acres in size.

The proposed treatments are part of a larger national wildfire reduction strategy guided by President Trump's Executive Order 13855 – Promoting Active Management of America's Forests, Rangelands, and Other Federal Lands to Improve Conditions and Reduce Wildfire Risk, as well as Secretary's Order 3372 – Reducing Wildfire Risks on Department of the Interior Land through Active Management. The two orders direct Department of the Interior and Department of Agriculture agencies to implement policies to improve forest and rangeland management practices by reducing hazardous fuel loads, mitigating fire risk and ensuring the safety and stability of local communities through active management on forests and range lands.

The prescribed burns will be implemented and closely monitored by fire managers from the BLM, the Forest Service and the Montana Department of Natural Resources and Conservation.

For more information on the burns, contact Joe Sampson at the Dillon Field Office at (406) 683-8000.

DEQ Releases Final Environmental Impact Statement for Barretts Minerals Proposed Expansion of Regal Mine

The Montana Department of Environmental Quality has released a Final Environmental Impact Statement for Barretts Minerals, Inc (BMI) regarding an amendment application to expand the Regal Mine. The facility mines talc ore and has been in operation since 1972. Approval of the amendment would allow BMI to expand and deepen the mine pit, increase the size of the waste rock disposal facility and expand the mine's water management system. The mine, and proposed expansion area, are approximately 11 miles southeast of Dillon Mont. in Madison County.

BMI submitted an amendment application in 2018 under the Metal Mine Reclamation Act. DEQ determined that BMI's amendment application was complete and compliant and issued a draft amendment approval on March 18, 2019. The amended application is required to go through an Environmental Impact Statement process and the draft document was made available for public comment during a 30-day period in December of 2019.

The Environmental Impact Statement must include a detailed statement on the environmental impact of the proposed action, alternatives to the proposed action and a no action alternative.

DEQ has identified the waste rock disposal facility and mosaic vegetation alternative as the agency's preferred alternative in the Final Environmental Impact Statement. This alternative incorporates all the features of the proposed action alternative with some reclamation modifications. The alternative design for the waste rock disposal facility would eliminate the planar and smooth slopes common in reclamation work in favor of a landform with swales and drainages that better mimic the natural landscape and existing topography in the area.

The Final Environmental Impact Statement is not a decision document. The Record of Decision, which documents DEQ's decision on the project, the reasons for the decision and any special conditions will be issued no less than 15 days after the publication of the Final Environmental Impact Statement.

The Final Environmental Impact Statement has been posted on DEQ's website at: <http://deq.mt.gov/Public/eis> Digital copies may be requested by contacting: Craig Jones at (406) 444- 0514. For more information contact: Moira Davin at (406) 444-6360 or by email at: Moira.Davin@mt.gov

Dillon Middle School news

Here's the Dillon Middle School news for the week of March 16th through 20th, 2020.

The lunch menu for the week is as follows: On Monday, we will enjoy chicken fajita taco with trimmings and black beans. On Tuesday a sub sandwich will be served with trimmings, and on Wednesday, we will have a local beef hamburger on a school made bun. Thursday, we will enjoy Chicken Alfredo served with a dinner roll. And on Friday, chili and cinnamon rolls will be served with applesauce and fresh veggies.

This Friday, March 20th, is the end of the third quarter. Report cards will go home Friday, March 27th. Parents, call the DMS office if you have any questions

This Tuesday, the Academic Olympians are traveling to Bozeman. The bus leaves at 5:45 am. Good luck to each of our team members.

In our relay for life fundraiser campaign to end cancer, we have several fun opportunities this week: on Tuesday, March 17th, 6th graders will "smash out cancer" by paying \$1.00 to play dodge ball during 8th period. On Wednesday, the 18th, we will "put a cap on cancer" by paying \$1.00 to wear a head covering for the day. Then on Thursday the 19th, 7th graders will participate in "cake walk for a cure" during 8th period in the gym. Students, take this opportunity to help out those battling cancer by participating in these fun events.

Also, Thursday, March 19th, Mr. Williams will be hosting a PE Family Night in the DMS gym from 6 to 7:30 pm. Parents and siblings are welcome to join their DMS student for 9 square, rock wall, ping pong, peg board, corn hole and lightning. There will be free food, so don't miss out on the fun.

Track and field starts Monday, March 23rd after school for 7th and 8th graders. Tuesday, March 24th, at 5:00 pm, in the DMS gym, there will be a mandatory parent meeting for all track participants and their parents. Please do not miss this important meeting.

Did you know childhood experiences, both positive and negative, have a tremendous impact on lifelong health and opportunity? The Beaverhead ACEs Task Force works to prevent childhood trauma in Southwest Montana. Join us as we work to build strong families in our community.
