SHOOTING IN DILLON

On 03/15/2020 at approximately 8:20 PM a Dillon Police Officer and Beaverhead County Deputy responded to the report of a suspicious person at a local business. The caller informed dispatch they recognized the male as a wanted homicide suspect from the Lewistown area. The male, later identified as 47 year old Douglas J. Foster, had left the business and the caller provided vehicle description and direction of travel. Officers located the suspect vehicle, knew it to be the suspect's and a traffic stop was attempted. Gun shots were reported coming from the suspect vehicle and officers responded with lethal force. Officers were not physically injured, but Foster was pronounced deceased at the scene. Montana Department of Criminal Investigations (DCI) will be investigating, and officers are on paid administrative leave as per policy. More information will be released at the appropriate time.

DPD Coronavirus Press Release

We are currently entering into uncharted territory with the coronavirus pandemic. Be assured that all local officials are in constant contact with one another and making decisions based on the most current information for the overall safety of our community. Local professionalism and communications in such a quickly evolving situation has been impressive.

I would ask that everyone take personal responsibility as your decisions effect others, especially those with compromised health or advanced age. Please follow the recommendations from the center for disease control (CDC), world health organization (WHO) and those from local agencies. Be patient with closures and delays within our community. Please do not over burden health care facilities, follow the CDC guidelines when dealing with pre-existing medical issues. Please only send or share information (related to the coronavirus) that's from the CDC, WHO, or our local agencies to lessen any misinformation.

Local strategies are in the process of being implemented. To assist in these efforts, please remember that we all play a role and our actions can help to reduce the duration of this and lessen the effects to Dillon. Stay at home. WASH YOUR HANDS regularly for at least 20 seconds, and don't touch your face. Don't congregate, keep a distance of at least six feet, and don't shake hands. Most importantly, keep others in mind and don't place your self in a position where you could compromise someone else's health.

Dillon is an amazing community that has always supported one another. Keep in touch with those you know on the phone and via social media. Reach out to your neighbors. If there is a need for household items, develop a system to help others out. Share if you can and place items on the doorsteps of those who have requested items.

We will get through this together and hopefully we will look

back and think we over reacted. I applaud everyone in our community who is on the front lines and sacrificing during this tough time. Let's look at this as a time to stay at home and try to relax a bit, we all could use it. Catch up on some classic looney tunes, they always make things better.

Take care, be safe, and remember that we are all in this together.

Chief Don Guiberson

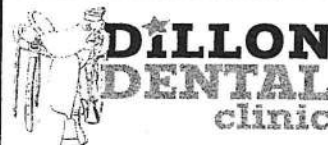

Dillon School District #10

Dear parents and community members of Dillon. Dillon School District #10 has a plan in place to provide meals for all children ages 18 and younger during this time of school closure. Starting Tuesday, March 17th food may be picked up from the Parkview Elementary rear staff parking lot from 11:30 am to 1:00 pm. Food service will be provided during weekdays only. As we only have one pick up time, breakfast for the following day will also be offered. Those picking up food will not be allowed in the school and will not be allowed to congregate or stay on school grounds. A school menu will be updated on the district website and Facebook page. Additionally, the Dillon Food Pantry will be open from 10:00 am-3:30 pm each Wednesday. Parents with questions should contact Kevin Brown at 406-925-3227 or the Dillon Food Pantry itself on Wednesdays at 406-660-4500.

Food Pantry Alert!

Due to the Coronavirus (COVID-19) and until further notice, the Food Pantry hours of operation will be Wednesday from 10 am - 3:30p.m.

- No clients will be admitted inside the Food Pantry building.
- Food items will be distributed outside front door of Food Pantry. Food boxes will be pre-packaged and distributed accordingly.
- No extra food items will be given.

Beaverhead Senior Citizens Center

The Beaverhead Senior Citizens Center will be closed for the next two weeks, with a pending re-opening date of March 30, 2020, depending on the situation with the current coronavirus. The Congregate meals and all events scheduled at the center are hereby cancelled until such time that the center reopens. It is with great hopes and prayers that this situation will resolve itself and everyone will be spared any illness or affects from this virus.

Southwestern Montana Family

Due to the COVID-19 (Coronavirus) the Southwestern Montana Family YMCA with assistance from the Beaverhead County Public Health Office has implemented the following restrictions for use of the YMCA effective immediately. These restrictions are for a period of 2 weeks, but will be reassessed as new information becomes available about the progression of the disease in Beaverhead County.

1. No children will be allowed to gather at the YMCA, this includes the after school program, swim lessons, swim team, childwatch, private swim lessons, and recreational swimming.
2. No group exercise classes, this includes land and water aerobics, and bike classes.
3. No AWAY visitors will be allowed to use the facility. This includes anyone that has traveled from out of Beaverhead County to Dillon.
4. Any person demonstrating flu like symptoms will be asked to leave the premisses.

These restrictions will be reassessed and changed as the YMCA and Public Health deem necessary.

ATTENTION TO ALL CURRENT AND NEW ELECTION JUDGES

Due to the recent concerns surrounding Covid-19 (also known as the Corona virus), the Beaverhead County Election Office, under advice from the Beaverhead County Health Department, will be postponing this week's election judge training. The Election Administrator will be working on alternative dates for training along with an online version. If you are planning on being an election judge for the 2020 elections, you must complete a training in order to receive your certification. For the election judges who would be interested in the online training and to receive further updates, please send an email to sreynolds@beaverheadcounty.org. We will continue to keep you informed as more information becomes available. Thank you for your patience and understanding.

If you have any questions, please feel free to contact Stacey directly at 683-3722 or 925-2551.

Walt's Leprechaun

Bryce Angell

Walt slid down off the bar stool. Could he make it to his horse? Old Joe would take him from Jim's Bar and keep him on his course. But now Joe seemed a little off. Was it terror in his eyes? Or was he just a might confused? He was in for a surprise.

It was dark around the corner, hardly visible to view. Something moved and stepped on out. Walt's eyes got wide and grew.

A tiny man dressed all in green. A vision one would seize. His fitted coat came to his waist. His pants just to his knees.

His shoes were pointed at the toes, his socks stretched to the top. His face was worn and gnarled beneath a frizzy, red-haired mop.

Above it sat a derby hat. His teeth clenched on a pipe. He smelled of Guinness liquor. Every breath was whiskey ripe.

The little guy then spoke right up. "O'Shamus is my name. I come from Ireland far away. I hold a bit of fame."

"Some call me by O'Shamus. Most call me Leprechaun. And I can read your thoughts right now. You'd prob'ly like me gone."

O'Shamus walked toward old Joe. That horse blew out a snort. He pulled straight back, and off he flew like old hairs off a wart.

O'Shamus said, "I'm sorry Walt. Looks like your horse is gone. Let's go back in and have a drink. He won't be back till dawn."

Now the leprechaun was full of fun. He showed what he did best. He found some guys to sing along, got drinks for all the rest.

His fav'rite song was "Danny Boy." He sang with all his heart. Then ended up with "Galway Bay" and said, "It's time we part."

Walt liked the little leprechaun and wished that he would stay. But the leprechaun had disappeared, left Walt the bill to pay.

The bar-keep said "You've got no dough? I'll take your horse and saddle." Walt cried, "That leprechaun has left me nothin' left to straddle."

Walt was standin' in the dark and he was wonderin' what to do. He saw old Joe come trottin' in about as good as new.

He settled with the bar-keep, and he kept his good horse Joe, but lost his saddle and his boots. He'd never felt so low.

Now if you spy a leprechaun who offers you a drink, just turn around and walk away. That leprechaun's a fink.

CANCELLED: Out of the concern for the health and wealthfare of the community March 19th Beaverhead Chamber of Commerce & Agriculture Lunch & Learn has been cancelled and will be rescheduled at a later date. Thank you for your continued support of our monthly series.

BEAVERHEAD COUNTY PLANNING BOARD

Out of abundance of caution, due to the Coronavirus situation, it will be best to cancel the Planning Board Meeting this week. There will be re-scheduling of the meeting possibly to the next month's regular meeting on the 9th of April. (Also the Commissioners this morning declared non-essential meetings to be postponed for 2 weeks!)

City Meetings Cancelled

Regarding the COVID-19 outbreak, this time, City Offices remain open during regular business hours.

After discussion with various individuals, Mayor Klakken has declared that all meetings in City Hall are cancelled until March 27. At that time concerns will be reevaluated.

DSA/OYM Postponed

In an abundance of caution with the continuing threat of the coronavirus and because of the preventative actions taken by our host and venue (UMW) we will be postponing this years DSA/OYM Banquet. We apologize for this unfortunate circumstance surrounding the dinner but the health and safety of the Dillon community is our highest priority. The dinner scheduled for Friday, March 20th is canceled and we will schedule a new date as soon as practical.

Barrett Hospital & HealthCare Expands Visitor Restrictions and Safety Protocols in Response to COVID-19

As novel-coronavirus cases continue to pop up across the country, Barrett Hospital & HealthCare is changing its Hospital visitation policy and upgrading its safety protocols for the disease known as COVID-19 to protect its patients and staff.

Expanded Visitor Restrictions Are in Place. Barrett Hospital & HealthCare patients will now be allowed only one visitor per patient.

Safety Protocols-What You Need to Do If You Are Ill With Symptoms of Respiratory Illness.

If you are experiencing mild symptoms of fever, cough and shortness of breath call 683-3051 first, to speak with a nurse for COVID-19 risk assessment to determine whether you need to consider medical evaluation. To safeguard other patients and our staff, please do not go to the Clinics. If are you are experiencing severe symptoms of fever, cough and shortness of breath, and feel this is an emergency, call 683-3051 to alert staff of your pending arrival, and proceed directly to the Emergency Department. Patients headed to the Emergency Department should use the dedicated Emergency Department entrance and parking lot and follow instructional signage.

To the residents and visitors of Beaverhead County,

As you well know we are in the midst of the CoVID-19 pandemic. The elected officials of Beaverhead County are doing everything possible to ensure the Health and Safety of everyone in the County. Please rest assured that our actions will be in the best interest of the County.

We are continuing our normal staffing of the Beaverhead County Sheriffs Office as personnel will allow.

We have also been in contact with the First Responders of our County and their services will continue as long as they have responders.

Do not hesitate to contact us via the normal methods. We would however request that if you are experiencing any of the following symptoms, please tell the dispatcher to ensure that the responders have the opportunity to take precautions to protect them and their loved ones.

1. Fever
2. Cough
3. Shortness of breath

In addition to these symptoms, please inform the Dispatcher if you have had any contact with a person that has been tested positive for the CoVID-19 virus. It does not matter whether the person has on been tested positive via a presumptive or a confirmed test.

As we move through the next two weeks there will be trials and tribulations in regards to this Pandemic. I have no doubt that our community will shine in the face of this issue. The unsung heroes will be you, the public. It is your vigilance in keeping tabs on your neighbors' and friend that will eventually lead us through this pandemic.

In closing, let me remind you that the best prevention is as basic as washing your hands on a regular basis with soap and water (For at least 20 seconds) and social distancing of at least 6 feet.

Beaverhead County Public Health update for the week of 3/15/2020

As of this writing, several cases of Covid-19 have been detected in Montana. At least one of these infections may have occurred during a meeting in Dillon, MT. Individuals with close contacts have self-isolated and will do so for 14 days from the exposure. There are no current cases in Beaverhead County, though this situation is fluid and changing rapidly. In an over-abundance of caution for the safety of our community, we have closed all the schools of Beaverhead County starting 3/16/2020 until 3/27/2020.

Our Public Health department is working closely with community partners to ensure that we are prepared. We are lucky to have an excellent hospital, law enforcement, and community leaders for support during this challenging time.

This is understandably a frightening time, and it is normal to have anxiety about the situation. We do not recommend that people panic, but we do encourage people to be prepared. **Ways in which you can be prepared include:**

- *Making sure you have back up plans for child care/pet care in case you become sick.
- *Ensure you are practicing good hand hygiene—wash your hands with soap and water (save alcohol wash for times when water is not available). Cough into your elbow or into a Kleenex and discard immediately. Avoid touching your face.
- *Above all, if you are sick, please stay home. You may have a common viral illness which may be similar to Covid-19. Please stay home until you have felt completely normal for 72 hours.
- *Ensure you have supplies to stay in your home for several days if needed, just as you would prepare for a blizzard.
- *Ensure your workplace has some cross-training of employees, in case some are out sick for extended periods of time.

If you feel that your symptoms are severe, or that you need medical care, please **CALL** your local health care provider. We can discuss your symptoms with you and determine if you need testing for Covid-19, and how that testing will occur.

Our State Lab now has over 800 tests and is testing every day. Turn-around time for results is approximately 24 hours for results. Testing capacity will likely become more available soon and we may be able to open up a more central testing location for our community.

Some people may worry that they are transmitting the disease while they are asymptomatic. Remember, when we are asymptomatic, we are not typically sneezing and coughing, so transmission is less likely.

Things you can do to help:

- *Stay informed! Be careful to use reliable sources for your news!
- *Practice “social distancing”. This means staying away from large groups or gatherings of people. If you are in charge of events, consider delaying the event for several weeks or consider an online forum. No social event is worth endangering you or others’ health. When in a public place try to stay 6 feet away from other people. 6 feet is the approximate distance that droplets from a sneeze or cough can travel through the air. If we are careful about practicing social distancing, we can slow the spread of the virus. This virus can only survive if it keeps jumping from person to person.
- *Sanitize frequently touched hard surfaces within your workplace. Pay attention to things that are touched regularly and clean these often.
- *Consider working from home if you have the option.
- *Help-out a neighbor! Perhaps if you know someone who is isolated, ask if they need help with supplies. Maybe you know someone in the medical field that needs support while they work long hours. Many of us could watch the child of a neighbor that must work if the schools are closed.
- *Consider seeking medical care only in a true emergency. Many things can be seen in the outpatient setting. We need to try to keep space available within our hospital.

Lastly, we need to protect our elders in our community. We have an aged population in our county, which makes them particularly vulnerable. Please avoid visiting the elderly if you have any symptoms. Our local nursing homes and assisted living centers are closed to visitors. Hospital visitation is restricted. If you are elderly, please try to have limited social contact. This is a lot to ask of someone but may help slow the number of severe cases seen at one time in our hospital.

As Montanans, we are naturally resilient. We will make it through this difficult time.
