Valued Customers of The Bank of Commerce

Due to ongoing concerns and the continuing development of Coronavirus COVID-19 in the United States, The Bank of Commerce has implemented plans to prevent the spread of the disease and to keep our customers and employees safe.

Please know that the safety of our customers and employees are of highest priority. When you arrive at a branch, rest assured that our staff is taking extra measures to disinfect surfaces and washing hands regularly. We've distributed extra hand sanitizer and cleaning supplies to all Bank of Commerce locations. High-touch surfaces are being cleaned throughout the day and we are keeping close tabs on the spread of COVID-19 and will continue to follow the appropriate recommendations from the Centers for Disease Control and Prevention (CDC).

Please note that – as always - you can access your accounts 24/7 at www.bankofcommerce.org or on our mobile app. Our automated Telephone Banking System is available 24/7 by calling 208.525.9193. If you need help enrolling in online or mobile banking, please contact us at 208.523.2020. We're always happy to help.

Additionally, this may be a good time to use debit cards, mobile deposit and Zelle to help limit your exposure to crowds and keep you and your family safe.

We realize that because of the uncertainty of the spread of COVID-19 you or your business may face some financial hardships. Please reach out to your local branch to so that we can determine ways that we can be of assistance.

Please be aware that fraudsters sometimes use a time like this to prey upon fears in the community. We encourage you to contact us if you receive calls or emails that sound suspicious or ask for personal information.

If you have any concerns about accessing your accounts and/or need any other assistance, please contact us at 208.523.2020.

Campus Compact Announces 2020 Newman Civic Fellows

Campus Compact, a Boston-based non-profit organization working to advance the public purposes of higher education, has announced the 290 students who will make up the organization's 2020-2021 cohort of Newman Civic Fellows. The 2020 cohort—the largest group of Newman Civic Fellows to date—includes Tristan Stockton, a student at the University of Montana Western.

The Newman Civic Fellowship is a yearlong program for students from Campus Compact member institutions. The students selected for the fellowship are leaders on their campuses who demonstrate a commitment to finding solutions for challenges facing communities locally, nationally, and internationally.

The fellowship is named for the late Frank Newman, one of Campus Compact's founders, who was a tireless advocate for civic engagement in higher education. In the spirit of Dr. Newman's leadership, Campus Compact member presidents and chancellors may nominate one student from their institution for the fellowship.

Stockton is a Physical Education & Health K-12 major graduating in the Class of 2021. He is an active participant in Peers Advocating Toward Health (PATH), where he focuses on raising awareness of healthy lifestyle choices for UMW students.

"For the past three years, he has been involved in Peers Advocating Toward Health (PATH), helping to inform Montana Western's student body on healthy lifestyle choices. Whether he is presenting on behalf of PATH in classrooms or workshops, participating in tabling events for Domestic Violence Awareness Month, assisting with Condom Bingo sexual health awareness, or helping with trivia nights for Healthy Colleges Montana, Tristan is

always enthusiastic about improving the well-being of his fellow students," Montana Western Chancellor, Beth Weatherby stated.

Through the fellowship, Campus Compact provides the students with a variety of learning and networking opportunities that emphasize personal, professional, and civic growth. Each year, Fellows are invited to a national, in-person conference of Newman Civic Fellows and participate in numerous virtual training and networking opportunities. The fellowship also provides fellows with pathways to apply for exclusive scholarship and post-graduate opportunities.

"We are proud to recognize each of these extraordinary student leaders and thrilled to have the opportunity to engage with them," said Campus Compact President Andrew Seligsohn. "The stories of this year's Newman Civic Fellows make clear that they are committed to finding solutions to pressing problems in their communities and beyond. That is what Campus Compact is about, and it's what our country and our world desperately need."

The Newman Civic Fellowship is supported by the KPMG Foundation and Newman's Own Foundation. Learn more at compact.org/newman-civic-fellowship.

Beaverhead Little League Families,

Due to the drastic changes in virus spread over the past week, Little League International has recommended we delay the start of our season until May 11. This recommendation falls in line with federal guidance to limit gatherings to less than 10 individuals in order to reduce the risk of community spread of COVID-19.

This delay is disappointing as we are all desperately wishing for warmer weather and a return to our favorite spring activity and a sense of normalcy. Your Board does take heart remembering that while spring weather delayed the start of last season until May, our teams still completed fun and successful seasons. We are also excited to announce that Twin Bridges will be returning to our baseball league this year, bringing additional local opportunities for T-ball, Pony, and Minors teams.

Here are the initial actions we will take as we implement the health and safety recommendations of Little League International:

Extend the Beaverhead Little League registration window to March 30, 2020

Focus on recruiting Minor League baseball players (ages 8-10) to enable creation of a stand alone Dillon/Twin Bridges schedule for this program, limiting the demand on families, reducing exposure risk, and creating a safe and fun playing environment for all

Evaluate our planned April 5 Coaching Clinic and First Aid Certification sessions to determine an appropriate location and size for such trainings to enable an efficient and safe start to the season

Once students have returned to school, communicate with Beaverhead and Madison County Public Health Officials to determine a safe timeline for resumption of:

- Practices for all levels of softball and baseball
- T-ball, Pony softball and baseball, and Minor League baseball (tentative) games with a local schedule only
- Minor, Major, and Senior League softball and Major and Senior League baseball interleague games

Work with District 2 to revise planned interleague and championship schedules to ensure our athletes have an opportunity to benefit from a full season of competition

Thank you for working alongside your Board of Directors as we navigate this unprecedented situation. We appreciate your trust and support as we continue to prioritize the health and safety of our participants and community. We will continue to share updates and will be in contact in early April with team assignments.

Please contact President Alyssa Creighton at 660-0512 or creighton.alyssa@gmail.com or Safety Officer Janelle Handlos at 925-1961 or janelle.handlos@gmail.com with questions.

State Motor Vehicle Division Announces Changes in Response to COVID-19

Attorney General Tim Fox and Motor Vehicle Division (MVD) Administrator Sarah Garcia announced changes and issued an important reminder for Montana's drivers and vehicle owners today.

Fox working with governor's office to extend driver license expiration dates

For all driver licenses due to expire in March, April, or May of 2020, Fox and his staff are working with the governor's office on the possibility of an executive order extending the renewal deadline by 90 days. The goal is to limit the need for visits to MVD stations during the COVID-19 outbreak. (Note that an extension of Montana's deadline may not necessarily prevent a person from being cited by a law enforcement agency in another state.)

Reminder: vehicle registrations can be renewed online

It is not necessary to renew vehicle registrations in-person at a county treasurer's office. Vehicle registrations can be renewed by mail and at www.dojmt.gov/driving. A vehicle registration's grace period expires at the end of the month as shown on your license plate tab. If a customer renews online, they may do so up to one month after the date shown on their tab.

Driving tests suspended for the next 30 days

In order to implement social distancing, effective 3/18/2020, all Class D (non-commercial) driving tests will be suspended for 30 days. Because driving tests require people to share a confined space for an extended period, they increase the risk of COVID-19 spread. MVD will reassess the suspension in mid-April and determine if testing can resume on a full or limited basis.

Customers in our driver license station waiting areas will be limited

Waiting areas, especially in many of the more rural MVD stations, can also increase the risk of COVID-19 spread. Effective 3/18/2020, MVD is limiting the number of people in each waiting area in order to help address social distancing concerns. Customers who enter a full waiting area can give their phone number to the staff and ask to be called when it is their turn for service.

Helena driver license office moving temporarily

Because MVD's driver license station in Helena is located at AAA and AAA is closing to the public

temporarily due to COVID-19, MVD is moving its driver license office to the Scott Hart Building at 302 N Roberts St.

"These changes and reminders are aimed at limiting public congregation and interaction while still allowing for the provision of important services," Attorney General Fox said. "COVID-19 is changing how we go about our day-to-day lives, and it requires all of us to make adjustments. The important thing is that we work together as Montanans and help each other as family, friends, and neighbors."

"We will continue to evaluate our driver, vehicle, and business services and determine how we can limit unnecessary public interactions, protect our employees, while still providing the services that Montanans rely on," said MVD Administrator Garcia. "The COVID-19 situation is fluid, changing daily and so our response will adapt as necessary."

Library Closure

Due to recent concerns with the coronavirus, the Dillon Public Library will be closed to the public. All programming is postponed till a later date.

We will reevaluate on Friday March 27, 2020. If you have any questions please feel free to call the library at 406-683-4544, leave a message, and we will return your call.

City Hall Doors are locked

City Offices are open with limited staff during regular business hours. For questions or emergencies call 406-683-4245.

Water payments may be made online at the City of Dillon website: www.dillonmt.org or by leaving a check in the drop box to the left of the main doors to City Hall If paying with cash, call 683-4245

All meetings of the City are cancelled until further notice.

The memorial gathering for Dick Stephen-Hassard has been rescheduled for Saturday, July 11, 2020.

COVID-19 EMERGENCY POLICY

As everyone knows, what is known as the Coronavirus (COVID-19) has lately been confirmed in Montana. At least one of the people infected attended the recently held Board of Regents meeting at the University of Montana – Western campus. Individuals who may have had close contact have self-isolated, and this isolation will continue for 14 days from the exposure. Currently there are NO known COVID-19 infections within the City of Dillon but this is beyond the control of anyone.

The City of Dillon is now working with the Public Health Department, but to help control this infection we need community efforts. While I realize everyone may be gravely concerned, including myself, PLEASE DO NOT PANIC! I realize this has been stated before but please:

- Practice good hand hygiene (wash your hands with soap and water). Cough into your elbow or Kleenex (use only once). Don't touch your face without washing your hands (the nose, mouth, and eyes are the entry points for most viruses).
- If you are sick, please stay at home. It is most likely you will have one of the common viral infections but even those can cause trouble and should not be transmitted
- Ensure that you have supplies to stay in your home for several days but PLEASE do not hoard. Keeping two month supplies in stock does not help anybody.

Due to the COVID-19 virus concerns, out of an abundance of caution I have decided as Mayor to temporarily cancel all meetings of the City including, but not limited to the City Council, Planning, and Zoning. In order to minimize risk to the City Bus drivers, individuals will **only** be picked up and dropped off for essential services, such as pharmacy and medical visits. Please also consider paying Water/Sewer bills online (www.dillonmt.org) or by telephone for credit card payments, or utilize the drop box with checks (no cash please). This emergency policy will be in effect for approximately two weeks until March 27th, 2020, at which time the City of Dillon will reevaluate this response plan. Thank you.

Michael L. Klakken, Mayor

How Subway is Addressing Coronavirus and Your Safety in Our Restaurants

Dear Valued Guests,

We know that Coronavirus is a concern for many people in our region and around the globe, including our loyal guests like you, and I want to personally reach out to let you know what Subway® restaurants is doing to help combat the spread of the virus.

We are closely monitoring and following the guidance of the Centers for Disease Control (CDC) and World Health Organization (WHO), to ensure we and Subway® Franchise Owners are doing our part to keep you, Sandwich Artists™, and our communities safe.

We're also:

- **Increasing frequency of cleaning and sanitizing restaurants,** especially most-touched surfaces like door handles, credit card readers, dining areas, and restrooms, so that it's done every hour.
- **Temporarily removing dine-in sandwich baskets and serving trays,** and amending our beverage refill policy to offer you a new cup with each refill.
- **Reinforcing our existing health and food safety protocols with restaurant teams,** such as frequent and proper handwashing, glove use, and ensuring employees who are ill stay home and seek medical attention.
- **Making it a little easier to have a more touchless experience** through **www.Subway.com/Delivers** with our partners DoorDash, Grubhub, Postmates and Uber Eats.

We are prepared for any service changes to local Subway restaurants should they be required by the CDC, WHO and regional public health department officials. We will continue to proactively monitor, evaluate and respond to the impact of the virus, and update you on how we are making swift changes with your safety and needs in mind.

Sincerely,

John Chidsey
CEO, Subway® Restaurants
