Barrett Hospital & HealthCare Calls on the Community for Protective Gear as Supply Chain Struggles to Fill Supply Requests

The U.S. government is rushing personal protective equipment (PPE) to states for medical workers who are on the front lines of the COVID-19 fight. For the short-term, Barrett Hospital & HealthCare needs the community's help to gain faster access to PPE such as: face masks, N95 respirator masks, disposable gloves, and hand sanitizer to protect our healthcare workers in case the COVID-19 outbreak overwhelms the available supplies at the Hospital.

If you have a stockpile of unopened face masks, N95 respirator masks, disposable gloves, hand sanitizer and are willing to contribute them to the Hospital, please call 406-683-3029 for instructions on when and where to drop them off.

The Southwestern Montana Family YMCA

The Southwestern Montana Family YMCA is still open and providing some of our essential services for Y members who rely on us for their health and social well-being. We have implemented measures to decrease the possibility of COVID-19 transmission because the health of our members is paramount.

Starting on March 23, 2020, the Y will be shortening our hours, we will be open each morning at the regular time but closing from 1:00pm to 4:30pm. The Y will then reopen at 4:30pm until 8:00pm. Saturday's hours will run from 7:00am to 3:00pm and Sunday's hours will remain normal. Please keep in mind, the pool always closes 30 minutes ahead of closing times.

We will continue to work with our local health officials and take into consideration CDC and Y-USA recommendations when making any future decisions. The Y will be prepared to resume normal business operations when local health officials and CDC lift restrictions.

The Bank of Commerce

The Bank of Commerce is here to serve you – and to protect the health and safety of our customers and employees. Following the recent recommendations of government officials regarding the spread of COVID-19, The Bank of Commerce will offer drive-up and/or appointment-only services at all branches beginning as early as Thursday, March 19th at some locations. Customers who have needs that cannot be met through the drive-up are encouraged to call their local branch to set up an appointment. For a complete list of locations, phone numbers and hours of drive-up services, please visit www.bankofcommerce.org.

Please note that we will remain staffed and ready to serve you during normal business hours in the safest way possible.

The safety of customers, employees and our communities are top priority. The Bank plans to reopen for full banking services when officials announce that it is safe to do so. We are hopeful when we see how communities are making tough decisions and making big sacrifices to create a better outcome in the long run. Thank you for all you are doing to help "flatten the curve" of COVID-19. We wish you all good health and safety.

Use of the following services are strongly recommended to keep the public safe and away from crowds:

- Mobile Banking
- Debit Cards
- Online Banking
- ACH Origination

The Bank of Commerce has been rated a 5-Star Bank by BauerFinancial. A 5-Star Rating indicates that the bank excels in areas of capital adequacy, profitability, asset quality and more.

Strong. Safe. Reliable. Responsible.

Dear citizens of Beaverhead County,

I write this to calm some of the fears that are welling up within our community. As the Beaverhead County Coroner, I have come up with a plan in the event that I should become incapacitated and we are not able to secure a mortician during this pandemic situation. I did put in place after Ron's death, directions for the continued operation of the funeral home in the event of my death. In light of the pandemic, I have provided instruction to my deputy coroner's to be able to take care of the disposition of your loved ones be it burial or cremation, only in the event that this should become necessary. I am practicing social distancing as well as boosting my immune system, as I work with many elderly people and I do not want to expose them to any type of situation that will cause them harm. As a licensed mortician I am trained to disinfect and keep our community from further spread of disease and contagions that occur after death, so I ask you for your assistance in the social distancing respect of this whole thing. If you have a concern and/or strong preference for either burial or cremation just drop a note in the mail or in my mailbox under the awning. I do believe that if we practice the recommendations of the CDC, if we are feeling ill or have been exposed to someone that is ill, we can mitigate the damages that this illness can cause. Please also understand that we have been advised to have small graveside services at this time. This is very difficult for those that are grieving the loss of a loved one. If you know someone that is suffering a loss keep them in your prayers, as the owner of Brundage Funeral Home I think we all should be doing that a little more anyways, you can also contact them with a card or letter. We will be planning to commemorate their lives when the threat of spreading disease is diminished, I believe that this will lessen the affects and keep the loss of life to a minimum for our elderly and/or those with compromised immunity.

No brucellosis exposure found in Bangtail Mountains elk

Montana Fish, Wildlife & Parks recently completed a two-year collaborative sampling effort with the Montana Department of Livestock in the Bangtail Mountain Range as part of Montana's Targeted Elk Brucellosis Surveillance Project.

One hundred samples taken from elk in the Bangtails in 2019 and 2020 have tested negative for brucellosis exposure.

The surveillance project includes capturing, sampling and collaring elk populations near the DOL's Designated Surveillance Area (DSA), an area where livestock brucellosis testing and traceability requirements exist due to the presence of brucellosis in elk. The goal of the project, which began in 2011, is to determine the presence of brucellosis in elk and understand the movement patterns of elk populations. This research provides important data to inform the risk of disease transmission between elk and cattle on the landscape.

Elk were also sampled this year in the Ruby Mountains. FWP and DOL announced in February that two among 100 elk sampled there were found to be seropositive for brucellosis, indicating they've been exposed to the disease. The Ruby Mountains are currently outside but near the boundary of the DSA.

Brucellosis is a bacterial disease that can infect humans, but most commonly infects cattle, bison and elk, and can result in abortion or the birth of weak calves. The disease is primarily transmitted through contact with infected birth tissues and fluids.

For more information about brucellosis and the Targeted Elk Brucellosis Surveillance Project, visit fwp.mt.gov/fishAndWildlife/diseasesAndResearch/healthPrograms/brucellosis/.

Town & Country

Due to the current situation, we are suspending all weekly and monthly ads until further notice. Our current focus is keeping our guests and employees safe, maintaining cleaning processes and keeping our stores stocked. Starting 3/19/2020 our store hours will change to 7 am – 7 pm 7 days a week until further notice. We thank you for your support and understanding. Effective immediately all stores have reduced hours from 7 am – 7 pm, 7 days a week. This change will help with staffing, cleaning and stocking of our stores. Effective this weekend we are encouraging elderly, seniors and high risk customers to shop our stores on Saturday and Sunday from 7 am – 8 am. We will ask our customers to adjust their schedules on weekends to accommodate these high risk groups and allow them shop each weekend morning in our stores. And finally, a big "Thank You" to everyone for their understanding and support during these challenging times.

SPECIAL MEETING OF THE CITY COUNCIL

March 23, 2020 • 4:00 P.M.

AGENDA

PLEDGE OF ALLEGIANCE

A. MAYOR'S REPORT

1. An Emergency Resolution of the City Council of the City of Dillon, Montana, Enacting Measures to Reduce the Spread of the 2019 Novel Coronavirus (COVID-19) Virus

B. PUBLIC COMMENT ON ITEMS OF SIGNIFICANT PUBLIC INTEREST NOT ON THE AGENDA AND WITHIN THE JURISDICTION OF THE CITY

C. ADJOURNMENT

PLEASE NOTE: The City of Dillon understands that citizens have the right under the Montana Constitution to observe and participate in local governmental affairs by personally attending all public meetings of the Dillon City Council and other City boards and committees.

However, please respect that unprecedented public health concerns remain with the COVID-19 virus pandemic. It is likely that more than 10 people will potentially be attending this Special Council Meeting (8 City Council members, the Mayor, and selected staff). The City of Dillon respects the public's right to attend this meeting, but highly recommends that members of the public take public health risks into account when considering whether to personally attend. Like all City of Dillon meetings, a recording of these proceedings will be made and preserved for later public review if desired.

Thank you.

To the University Community:

At the University of Montana Western, we are working with state and local government, the MUS, and health officials to do our part to slow the spread of the virus that causes COVID-19, to avoid overwhelming healthcare providers, and to protect everyone's health.

We are continuing with our preparations to begin remote course delivery on Monday, March 23.

We have received additional guidance from the Commissioner of Higher Education in a memo that was distributed last night (https://mus.edu/coronavirus/message_3-18-2020.html) and wanted to share the following key points with you:

All MUS campuses should, per the Commissioner's memo, effective immediately:

1. Ask all students currently away on spring break travel that they do not return to campus and urge students currently on campus to consider an alternative living arrangement.

- Campuses can work with students in exceptional circumstances or;
- Those needing to retrieve essential medication from their residence halls.

- For all other students, campuses will ensure that course work can continue remotely and that students can retrieve other items from their dormitory rooms when conditions allow.

• Email communications were sent to Montana Western students with specific instructions yesterday on the check-out process from our residence halls if they are currently residing there, or if they have not returned from extended spring yet, to pursue alternate living arrangements. Students with no housing alternatives are able to stay living on campus, if necessary. Students currently in the residence halls are asked to check out no later than 5:00 p.m. on Sunday, March 22, 2020. For questions and assistance, please call 406-683-7565.

2. Focus on the most essential services only.

- Campuses will continue to serve the students that remain on campus.
- For those students remaining on campus, however, services will be limited to those deemed strictly essential to promote a safer environment for both the remaining students and employees.
- There will be little or no programming or events for students,

dining services will be consolidated and limited to Grab and Go models, and on-campus resources/services may reduce hours or close.

• Campuses may ask students to change residences in order to further consolidate services. Students staying on campus will be expected to remain on campus and not bring guests from off-campus.

MUS Statement on Refunds

Due to the dynamic and complex nature of this rare and extraordinary situation, the Montana University System will postpone consideration of potential refunds until after the COVID-19 emergency has been addressed. At this time, there is no certainty whether it will take weeks or months to manage this emergency.

Commencement

The University of Montana Western, based on guidance from the Montana University System, will be announcing plans for our Spring Commencement Ceremony at a later date. We appreciate your patience and understanding during this time.

We are grateful for the commitment, skill, and caring of our entire team of faculty and staff as they work day and night to address this crisis and for everyone's patience, understanding, flexibility, and support.

COVID19 recommendations for grocery stores, lodging establishments, eateries and sanitarians

Beaverhead County Public Health Department Recommendations:

In consultation with the Beaverhead City-County Board of Health, and following the guidelines put forward from the Montana Environmental Health association (MEHA), as of 3/18/20, the Beaverhead County Public Health Officer recommends no gatherings larger than 10 people. This will be effective until there is a positive case within our county or until 4/1/2020. This will be re-assessed at that time.

We provide the following recommendations to local businesses:

Grocery stores/Convenience stores/Gas stations/Supply stores

- **CLEANING:** MEHA recommends routine cleaning of all frequently touched surfaces in the workplace and business, such as grocery cart handles, door handles, keyboards, workstations, countertops, doorknobs, etc.;
- **CLEANING COMPOUNDS:** The federal Environmental Protection Agency has a March 16, 2020 list of 274 cleaning products effective at inactivating COVID19;
- **FOOD WORKERS:** Food workers exhibiting illness symptoms of vomiting, diarrhea, fever, fever with sore throat, jaundice and infected skin cuts must not handle food;
- **ALL WORKERS:** All workers exhibiting illness symptoms of fever, cough, shortness of breath should be separated from other workers and the public, and are strongly advised to stay home until not sick;
- **FOOD:** There is no evidence that food produced in the United States can transmit COVID19;
- **HANDWASHING:** Wash hands after contaminating them from cough, sneezes, using the toilet, etc.;
- **PEOPLE:** Avoid close contact with patrons and workers (six feet or greater);
- **TOUCHING:** Avoid touching your face whenever possible, especially with contaminated hands;

ORDERS: Maintain social distancing of 6 feet between patrons.

Restaurants and taverns

- **INDOOR DINING:** may be allowed as long as patrons are well spaced and no more than 10 people are within the building.
