WIC is the nation's most successful public health nutrition program

WIC is a crucial public health program in response to the COVID-19 crisis. As many more families find themselves in economic uncertainty it is imperative that all eligible persons have access to WIC. It is also important that there is no stigma for those who need our services. We can all play a part in encouraging eligible persons to join WIC and to make their experience in the store as pleasant as possible.

Beaverhead WIC is closed to the public for face-to-face appointments to flatten the curve of this virus but are now able to complete these appointments over the phone.

Before this pandemic, Montana WIC provided healthy food, nutrition education, breastfeeding assistance, and a community of support from both experts and peers to around 15,000 moms and children each month. During this time, Montana WIC has the capacity to serve thousands more.

As the nation's most successful and cost-effective public health nutrition program, WIC is designed to influence lifetime nutrition and health behaviors for participating families. If you are pregnant, a caregiver, a foster parent, grandparent, or parent with children under 5, you can get the right personalized support for you and your family.

Households that are enrolled in the following programs automatically meet income eligibility for WIC:

- Healthy Montana Kids Plus (HMK-Plus) and Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance to Needy Families (TANF)
- Food Distribution Program on Indian Reservations (FDPIR)
- National School Lunch Program (free and reduced-price meals)

More information about WIC, including specific income guidelines, is available online at wic.mt.gov. Call Beaverhead WIC at 406-683-4771 for questions and appointments. Beaverhead WIC provides services to Beaverhead and Madison counties.

This institution is an equal opportunity provider.

"Cruisin' In Seclusion"

Alright Dillon and surrounding area, are you ready for "Cruisin' In Seclusion"???? Friday night at 7:00 we thought cruisin' Dillon would be a great way to get out of the house and liven up the streets. The drive is twofold in nature:

1. to drive and wave/honk at our neighbors, friends and family while still maintaining social distancing by Not getting out of our cars and
2. to collect food and items for our Dillon Food Bank and Love INC.

We will be driving from the Chamber of Commerce down

POSTPONED FRIENDS OF NRA BANQUET

Postponed until we can safely hold this event.

Montana street to the stop light, turning right on Helena to the three way stop, turning around in the High School gym parking lot, back out on Helena to the stop light, down Montana Street to the Chamber parking lot. Let's get out and have some fun Dillon and do something for the community.

We think the food drive/Love INC collection adds a neat little twist to the "Cruise". There will be a tub for donations in the BCHS parking lot for the Dillon Food Bank and another for Love INC:

- The food bank is in need of: eggs, produce, pet food, and will accept any boxed/canned staples.
- Love INC is in need of: dish soap, laundry soap, kids toothbrushes/paste, diapers, pull-ups (all sizes), baby wipes, toilet paper, paper towels, and tissues.

I realize times are tight and people might not have much if anything to give, but let's see what we can do! Please join us even if you can't bring a donation. We have talked to Gary Haverfield at the high school and Chance Bernall, owner of the Chamber building, for permission to use these properties as our turnarounds. Be careful and pay attention to traffic and traffic laws. Remember to use Social Distancing and be safe. Tell your friends and spread the word. Should be a fun way to stay safe and yet see some folks we haven't seen in some time and do something Great for Dillon.

DILLON ROTARY

The Dillon Rotarians will not conduct a meeting Wednesday, April 22, 2020. For more information about Rotary, email Dick Achter at dachter@barretthospital.org or Tina Giem at tgiem@barretthospital.org.

Beaverhead County Incident Command Team Update
 4/14/2020-4/20/2020

Beaverhead County established an Incident Command Team on March 20th, 2020 to address the COVID-19 pandemic. At this time, we thought it would be important to begin giving weekly community updates on what we're working on.

Since our establishment we've accomplished the following tasks:

- Continued monitoring of PPE inventory for all of the EMS units in Beaverhead County
- Mixed a large batch of hand sanitizer using an approved recipe to be delivered to first responders throughout the county.
- Continued community outreach via the Public Health Facebook Page and a newly created page dedicated to COVID-19 on www.beaverheadcounty.org
- Identified and began working with community partners, and will continue to do so, to address needs of the community at large.
- Identified issues in our social safety net; food insecurity, social isolation, mental health decline, and financial hardship for members of our communities and have begun plan development in partnership with community organizations to help where we can.
- Discussing preparation for reopening that will be in-line with guidance from the Governor's Office.
- We're currently holding meetings of the Incident Command Team twice per week.

If you or your organization is interested in ways you can help, please reach out to us at scaltrider@beaverheadcounty.org or by calling 406-865-0853.

Beaverhead County has administered 130 total tests, with 0 tests currently pending. At the time of this writing, 8:30 am 4/21/2020, there has been 1 positive test in Beaverhead County, 5 positive tests administered here to Madison County Residents.

We want to thank the people of Beaverhead County that are adhering to the social distancing mandates, it's your hard work that is keeping us safe. Please CONTINUE to observe these measures until they're lifted, this is not the time for complacency. Remember to stay home as often as possible, wash your hands, and take care of your families during the trying time.

Medicare • Life

Producer

Letter to the Editor

April 20, 2020

Even with the news flood of COVID 19 there is a Primary Election coming soon and Kathleen Williams is asking that all Montanans will get out and vote for her.

Kathleen Williams is back after a hard campaign in 2018 and this time she will win!

Health Care in the U.S. is one of Kathleen's biggest concerns. She will:

1. Fight for women to retain the rights to make all of their own health choices without government or Religious interference.
2. She would like to see a law which would allow all people 55 and older to "buy" into the Medicare system, which would lower the costs for all who use Medicare.
3. Advancing the production and viability of Generic drugs to make them more affordable for all.
4. Stop rewarding the healthcare system for the "amount" of unnecessary care, which are often provided with outside incentives, and instead reward for the "quality of care".
5. Increase patient options such as aging in place, with affordable home care as well as paying "family care givers" who often quit their jobs to fill the caregiver job. Include this patient option: dying at home with family, which most doctors choose for themselves.
6. Advance preventive care to improve all lives.

Vote for Kathleen Williams for the U.S. House of Representatives.

Linda Hollifield
Dillon, Montana

Free Soup from The Den

The Den is giving away free soup to the community on Fridays from 1:00 to 2:30 First come first serve. Last week we served over 40 cups of chili and corn bread. We look forward to sharing with the community again this next Friday the 24th. Swing by for a quick pick up of homemade soup. Free, so take a drive and swing into the Den.

Thank you, Bev

When you see Bev Rehm, be sure to thank her for her 27 years of dedicated, weekly service at the Beaverhead Food Pantry. Bev has been the caring volunteer at the counter, helping clients with their food needs for all of these years. She was there when the Food Pantry was first opened and Incorporated in July of 1993. It first began to serve people in the old Beaverhead Bar Supply Building. Bev was there from the beginning. She exemplifies the caring heart of the true Christian for other people.

Social Security Beneficiaries with Dependents and Who Do Not File Tax Returns

Urged to Act Soon to Receive \$500 Per Child Payment

Montana Attorney General Tim Fox urges Social Security beneficiaries who have dependents and who do not file tax returns to act quickly to receive an Economic Impact Payment of \$500 per child.

Social Security beneficiaries and Supplemental Security Income (SSI) recipients who don't file tax returns will start receiving their automatic Economic Impact Payments directly from the Treasury Department soon. People receiving benefits who did not file 2018 or 2019 taxes, and have qualifying children under age 17, however, should not wait for their automatic \$1,200 individual payment. They should immediately go to the IRS's webpage and visit the Non-File: Enter Payment Info Here section to provide their information.

Social Security retirement, survivors, and disability insurance beneficiaries with dependent children and who did not file 2018 or 2019 taxes need to act by noon on Wednesday, April 22, in order to receive additional payments for their eligible children quickly. "By taking this proactive step to enter information on the IRS website about them and their qualifying children, they will also receive the \$500 per dependent child payment in addition to their \$1,200 individual payment," Attorney General Tim Fox said. "If beneficiaries in this group do not provide their information to the IRS soon, their payment at this time will be \$1,200. People would then be required to file a tax year 2020 tax return to obtain the additional \$500 per eligible child."

More information is available on the websites of the IRS and the Social Security Administration.

Montanans with questions may also call the Montana Department of Justice's Office of Consumer Protection at (800) 481-6896 or (406) 444-4500, or email contactocp@mt.gov.

Missing Indigenous Persons Task Force Meets Today

What: Missing Indigenous Persons Task Force Meeting

When: Wednesday, April 22 / 10:00 pm - 11:15 am

Where: Call 1-866-516-3949; participant code: 6637225

Contact: Anastasia Burton, 438-3892, ABurton@mt.gov

Montana's Missing Indigenous Persons Task Force will meet Wednesday via conference call. Agenda items include an update on the LINC database project and a data analysis of Montana's missing persons. The meeting agenda is available here.

The legislature created the task force last year with Senate Bill 312, or the Looping in Native Communities (LINC) Act. Senator Jason Small of Busby, a member of the Northern Cheyenne Tribe, sponsored the bill.

Southwest Montana Veteran's Home Update #46 By Mike Lawson

Greeting ,once again to you the Counties/Communities/
Veterans who are and continue to be the chief supporters of our
Southwest Montana Veterans home.

The visual changes taking place on our Veteran's Home Site ,
continues to bring excitement to us and to any of you, who are able
to drive by. If you stop beside the road and check things out, you
won't be disappointed. I had a good visit with Site Construction
Superintendent Mike Ascherman and his Carpenter General
Foreman, John Kotka. Mike Ascherman, being the site-boss, has
the job of keeping everything coordinated and scheduled. This
allows the sud-contractors to be able to do their particular work,
without interference and work in coordination with the other
contractors. Nothing moves without Mike scheduling it. The
inspectors are more than happy, thus far, with the framing on this
job. One of the compliments, John received this week, was from
the out of town construction crew working for ALJO, who are
installing the overhead man-lift tracts in each of the resident's
rooms in Cottage #1 & #2. They work all over the country, and
told John that the framing on these two buildings is the best
they've seen. This not only made John feel good, but it should
make the rest of us feel good, knowing we're getting the best of
the best work done here. All the contractors are doing this kind
of work and proud to have their name on it.

Mark Gollinger and I did a walk-through of the Community
Center and all the individual Cottages. Now for the Construction
Updates:

Community Center; Interior; The sheetrock tapers were
putting the last coat of mud on the walls. They're scheduled to
start putting the suspended ceiling in this week. These ceilings
are engineered to seismograph standards that address possible
earthquake activity. The Sheetmetal duct-work is close to being
done, until the suspended ceilings are finished. Once that's
done, they can come back and do the Heat Vent installations.
The Plumber's were doing some catch-up work, now that the
walls are sheet-rocked. Most of their work will come later, after
the painting and bathroom tile/flooring is completed. It was nice
to go through the recently installed Glass Main Entry Doors.
Exterior; The siding continues to go up and is beautiful. The
weather was a factor, which hindered the progress, of this siding
phase. The louver cover was installed over the air intake duct-
work on the west wall, up high in the wall peak area. Not much
else going on the exterior.

Cottage #1: Interior; The sheetmetal guys, continue to

work on their ductwork. The big event going on here, is the sheet-rockers, hanging sheetrock. The open non-sheet rocked side of the interior walls, now have the sound insulation installed, and are being sheet rocked. The other guys working in this building are the ALJO guys, who are installing the patient lift overhead tracts, in each of the resident rooms. They were using laser technology, to put these in. The tract, with the installed patient lift, will allow the patient to be lifted from his/her bed and taken into the bathroom. Neat safety idea for the resident, especially.

Cottage #2: Interior: The electricians are still going full bore, here. Lots of wiring, conduit, electrical boxes for outlets, fixtures, etc.. Their work looks impressive and professional. Some sheet metal ductwork being done. The ALJO guys are also in this building, installing the overhead tracks for the patient lifts.

Exterior; The 3M Vapor Barrier Material is being applied around the doors and window openings. If possible, the hollow metal exterior frames will be installed this week.

Cottage #3; Not much going on here other than a small amount of electrical and sheetmetal work. The roof is done.

Cottage #4: It continues to be a carpenter framer's work party. The interior walls continue to go up, with the 15 Ft walls in the common area, scheduled to be built and raised up this week. The roof trusses on the north wing have been rolled up into place. Plan "A" is that all the trusses will be rolled up onto this Cottage #4, this week. John says it takes about 3 weeks to complete a roof on these cottages. For whatever reason, seeing a roof go on a buildings, is a defining moment.

Cottage #5: The cement insulating board on the outside of the footings, was completed by Zemjak Excavating and the carpenter framers. GF John Kota is hoping to do more wall layout this week, if he can free up some time to do so.

I got in touch with Shaunda Hildebrand from the state, and asked her for some input concerning our SW MT Vet Home. She was kind enough to share the following quote: "Given the COVID-19 Pandemic, we are very happy with the progress being made on the Southwest Mt Veteran's Home. It is really taking shape and moving along, which is very exciting for everyone who has worked on this project and the veterans who will get to enjoy this facility." Shaunda, is the Fiscal & Nursing Facilities Bureau Chief, Senior & Long Term Care Division of the MT Dept. of Public Health & Human Services. She is who, our State SW Mt. Vet Home Liaison, Mark Gollinger answers too.

Thank You Friends of the Wood Bank

Remember February 25—when social distancing was not a thing? We gathered for a lavish pancake supper to support the Beaverhead Community Wood Bank Ministry. We sat and ate and visited with neighbors and friends. We had a great time together.

Thanks to everyone who came. It "wood" not have been the same without you! We estimate 230 people were served, and we collected \$4,267 in donations, about 1/3 of our annual operating budget.

We especially thank St. Rose parish for opening your Family Center for this event. Thank you to all who helped with our food supplies. Thank you to our Wood Chucks and Chicks and friends who came to cook, serve, and clean up, and shared their time, talents, and cash to make this the best pancake supper ever.

With your help, the Wood Bank will keep on cutting, splitting, and giving gifts of firewood to help warm the homes of our neighbors in need. Since September 1, we have distributed 126 cords of wood among 52 households in Beaverhead County. It is spring, but STILL wintery, and we are still helping people with heating needs.

On behalf of all households you have kept a bit warmer this winter, helped, thank you, Dillon!

Warmly,

The Wood Chucks and Chicks of the
Beaverhead Community Wood Bank Ministry.
