Barry John Briggs

An obituary will be available soon. Under the current COVID conditions services will be outside (probably where Barry would have preferred) at JC Park on Thursday, April 30th at 2 PM. Please be aware that families that are suffering a loss are susceptible to illness. To protect Barry's family and those around you, we are asking you to WEAR A MASK and FOLLOW STRICT SOCIAL DISTANCING OF 6' between others that are not in your household. It is very important to family that you write down a memory or thought to share and there will be a box to collect those memories. There will be no seating and if there is not enough room to stand safely we ask you to stay in your vehicle. Mary Anne, Laura, Tim and the rest of Barry's family would like to express their sincere gratitude for your expression of love, understanding and support.

Jason Ferris signs contract with the Carolina Panthers

University of Montana Western linebacker Jason Ferris has signed a contract as an undrafted free agent with the National Football League's Carolina Panthers.

Ferris, a 6-3 linebacker from Dillon, is the two-time defending Frontier Conference Defensive Player of the Year and two-time First-Team NAIA, AFCA and AP All-American.

"I'm really excited and I can't believe it," Ferris said. "It's been a crazy couple of months with everything up in the air, but, I'm glad to know where I will be going."

He signed a three-year contract Saturday night after the conclusion of the 2020 NFL Draft.

"We are all really proud of Jason and all he's accomplished and to get this incredible opportunity to play in the NFL is amazing for him," head coach Ryan Nourse said. "Jason has worked for everything he has gotten and I know he will continue to give his absolute best and keep earning more opportunities and making all the dawgs out there proud."

In 2019 Ferris was named First-Team All-Conference and the Frontier Conference Defensive Player of the Year for the second consecutive year. He led the Frontier with 119 tackles, 10 tackles for loss, seven passes defended, 3.5 sacks, three forced fumbles, a fumble recovery returned for a touchdown and a blocked kick. He finished third in the nation in tackles per game, averaging 11.9 and was eighth in the nation in forced fumbles.

In addition to the All-American and Conference Player of the Year honors, Ferris' long list of accolades includes being a top-five finalist for the 2019 Cliff Harris award in which he received the most votes of all NAIA players. He is a four-time academic all-conference selection, three-time CoSIDA academic all-district selection and a two-time Daktronics Scholar-Athlete. He is a member of the National

Greetings from your Dillon Community Health Center.

We would like to provide a quick update on our clinic operations. Our clinic continues to support patients, either via tele-health visits or in-clinic visits. Beginning April 26, we will begin transitioning to seeing more of our usual patients in the clinic. Please call the clinic to schedule an appointment and our team will schedule you for either an in-person or tele-health visit depending on your needs.

It's important for you to know that the SWMTCHC will continue to follow our governor's recommendations and be as cautious and as prudent as possible in order to keep our patients safe.

If you are coming into the clinic for a visit, please wear a cloth face covering or the clinic will provide a mask if needed. You will notice that our staff wear face coverings, and we continue to practice social distancing. To provide a clean and safe place for you to seek healthcare we perform frequent sanitization of the clinic, screen our staff daily for symptoms, and minimize waiting room times.

While our state "re-opens" we believe it is critical that we keep up all efforts to prevent the virus from spreading or making an unwelcome resurgence.

We urge our community members to:

- Wear a mask when you are around others in public;
- Wash your hands frequently and thoroughly;
- Stay home if you are sick;
- Stay home if you are elderly or have complex medical conditions;
- Don't gather in large crowds. No more than 10 people should be in the same area at the same time.

The Southwest Montana Community Health Center is committed to helping you during this time with all your needs being it routine, urgent or COVID-19 related. Call us at (406) 683-4440 and we will arrange for you to meet with a provider, either in person or through a telehealth visit.

Library Reopening

Thank you to the Dillon community for your continued support during the covid-19 closure of the Dillon Public Library. As we are getting ready to reopen, there are many things that need to be considered. The Library is going to have three phases to our reopening.

Phase 1:

1. You MUST call 683-4544 to make an appointment to use the computers. Only 2 people at a time will be allowed and there will be a 30 min time limit. An extra 30 min may be given, depending on circumstances.
2. You MUST wear a mask and use hand sanitizer upon entry of the building.
3. Books can only be checked out using curbside service. You can select books at our library web page www.dillonpubliclibrary.org. On the homepage, scroll down to library catalog (right hand side of the screen) and click on it. Enterprise should appear. From there you can choose your books and we will call you when they are ready to be picked up.
4. Newspapers and Magazines cannot be checked out or read at this time. If you are interested in Magazines, we have 50 magazines on-line that you are able to use your library card to check out. If you need help with this, please call the library.
5. Don't forget about our Seed Library. Log on to www.dillonpubliclibrary.org and select the "Seed Library" tab. Follow the instructions for ordering. Seeds will be distributed as a curbside service.
6. Phase 1 will begin on Monday April 27th, 2020. Thank you for your patience and we will inform you when phase 2 will begin.

SOUTHWESTERN MONTANA FAMILY YMCA UPDATE

The YMCA is committed to your health and well-being. We are so very grateful for our Y members that continue to #STAYWITHUS.

As a nonprofit organization, the Southwestern Montana Family YMCA is here to serve the Dillon community. It is difficult to imagine our doors not opening soon! We were disappointed to learn that gyms, pools and spas are not able to open yet, according to the Governor's press conference.

We must remain closed until Phase 2 of the reopening. Unfortunately, a time frame was not given as to when our state will enter into Phase 2; therefore, we do not have a definitive answer as to when we will be allowed to reopen our doors. As a mission-based organization, we will continue to focus our energy and resources on improving the health and well-being of our community.

All of us understand the role the Y plays in the mental and social health of our community. We can't wait to create more opportunities for ALL members to stay engaged physically, mentally, and socially -- all of course while staying 6 ft. apart.

We are relying on YOU, our members, to ensure our Y opens just as strong as when we closed! Please stay with us! Our limited staff team has been working diligently, and we will continue to work to get your Y ready for when you enter our doors again. Our staff is here for you Monday-Friday, 10:00am-2:00pm, ready to answer any membership questions you may have. Please call us at 683-9622.

Attorney General Fox Warns of Cyber Crimes During Pandemic

Today, Attorney General Tim Fox cautioned Montanans that cyber actors are ready to take advantage of the COVID-19 pandemic by exploiting increased usage of virtual environments.

As more Montanans telework and attend school on-line, Fox says it's important to be aware of telework software vulnerabilities, education technology platforms, trending schemes and scams cyber actors intend to exploit. "Cyber scammers focus on all areas of consumer vulnerability in an attempt to capitalize on the fear and rapidly changing developments being provided from state and federal leaders," Attorney General Tim Fox said. "It's important that during these uncertain times, Montanans remain vigilant by using a common sense approach with online telework, education, and government interactions," Fox added.

As an example, Fox cited a Columbia Falls City Council meeting

conducted via Zoom on April 6 that was repeatedly disrupted by hackers. Fox offered the following tips to protect Montanans from cyber actors:

- Strong passwords and encryption are the best ways to secure your home network. Change your default administrator password before a hacker discovers the manufacturer's default, and use WPA2 or WPA3 encryption.
- Take extra precaution to avoid spoofed or phony websites by only visiting websites with clearly distinguishable URL addresses. Scammers seek to exploit individuals by directing web traffic to similar, but falsely identified website names where they can provide misinformation or attempt to gain consumers' personal information or finances in exchange for pandemic updates.
- Be on the lookout for emails asking for the verification of personal data, including Medicare or Medicaid information, in exchange for receiving Economic Impact Payment checks or other benefits from the government. Government agencies are NOT sending out emails asking for residents' personal information in order to receive funds or other pandemic relief opportunities.
- Be wary of all emails claiming to be from the Centers for Disease Control and Prevention (CDC), World Health Organization (WHO), and other healthcare organizations, offering to share information about the virus. Don't open attachments or click on links within these emails, as scammers are using phony COVID-19 tracking websites to infect electronic devices with malware, putting people at risk for identity theft and financial exploitation.

Last fall, Attorney General Tim Fox announced the hiring of the Montana Department of Justice's first cybercrime agent. The 2019 Legislature authorized the additional position for the department's Division of Criminal Investigation. The new agent works with local law enforcement, the FBI, and Fox's Office of Consumer Protection to protect Montana citizens from cybercrime.

If you are the victim of an internet scam or cyber crime, or want to report suspicious activity, call local law enforcement, the Montana Office of Consumer Protection at (800) 481-6896 or (406) 444-4500 or use OCP's convenient online reporting form. You may also visit the FBI's Internet Crime Complaint Center.

For more cyber crime prevention information, see this tip sheet from the Montana Department of Justice, or this PSA from the FBI.
