Bulldog Football Names 2020 Team Captains

The University of Montana Western Football team announced their captains for the 2020 season. Noah Danielson, Tanner Harrell, Jon Jund and Kyle Schulte were selected by the coaching staff.

"Choosing captains for the team was different this year then in the past," head coach Ryan Nourse said. "Normally the team votes for them the last week of spring practice, taking into account all we have done in our off-season work and spring practice. With the off-season being cut down significantly and spring ball being canceled, we as a staff decided we would make the choices this year. We took into account many factors for this important role; including but not limited to overall leadership, performance, service, respect of staff and peers and a selfless team-first attitude."

Noah Danielson will be a redshirt junior left tackle. He is from Vaughn, Mont. and started every game for the Bulldogs last season. This will be his third year as team captain. He is majoring in health and human performance.

Tanner Harrell will be a redshirt-sophomore defensive tackle. He is from Shepherd, Mont. and is majoring in physical education. Last season he played nine games recording 35 total tackles, 10.5 tackles for loss and six sacks.

Jon Jund will be a redshirt junior quarterback. He is from Spring Creek, Nev. and is majoring in Kinesiology. Last season he threw for over 2700 yards and 31 touchdowns while running for 365 yards and eight more scores. He was named Second-Team All-Frontier Conference.

Kyle Schulte will be a redshirt senior linebacker. He is majoring in secondary education: physical education and health. Last season he recorded 46 total tackles, four tackles for loss, three sacks a fumble recovery and a blocked punt. He was named Second-Team All-Frontier Conference. He served as team captain last season.

"The staff discussions were awesome, we have so many outstanding leaders on our team there were a ton of nominations," Nourse added. "I think the four that emerged on top and were chosen as our 2020 captains are all excellent leaders and representatives of Bulldog Football. They produce on the field, in the classroom and are selfless leaders dedicated to the success of the team first and foremost."

Fall practice is scheduled to start in early in August with the first game set for Aug. 29 against Carroll College in Helena, Mont.

COFFEE

By "Swede" Troedsson

A few years ago I went out to the Safeway parking and noticed a woman's purse in one of the shopping carts.

Shortly after turning the purse in to the Safeway office, a woman entered the store, appearing in distress. I asked her if she was looking for her purse. She nodded yes. I told her it was in the office, and that she owed me a cup of coffee. She thanked me and went into the office to retrieve her purse.

She must have recognized who I was, or found out who I was. A week later I received an envelope in the mail containing a packet of instant coffee! (Was she telling me she didn't want to have coffee with me?) Oh, well, it's the thought that counts.

My Grandson's Loan

Bryce Angell

My grandson sat down next to me. Said, "How about a loan?"

I told him that my pocketbook was dang near skin and bone.

He prob'ly new I had a little money tucked away.

I save for those emergencies we call a rainy day.

I quizzed my grandson 'bout the loan. "How much you got in mind?"

He said, "I'd like five dollars please. I'm kinda in a bind."

As grandpas do, I told him, "I can float you extra cash.

Let's look in Grandma's Bible. That is where I keep my stash."

I slipped him five new dollar bills, plus five more Ones to boot.

I told him I was cleaning out our Bible filled with loot.

My grandson's smile was almost like he'd won the lottery,

or maybe like my silly mug when eating bakery.

But then I told my grandson. "Back when I was eight years old.

We didn't have much money, but our life was rich as gold.

"Each morning we were up at five and out to milk the cows.

And some of us were sleepyheads, not easy to arouse.

"We fed the horses, gathered eggs, then caught the bus to school.

We always ate a breakfast. Even now it makes me drool.

"We never had allowance, but we had a horse to ride.

And bullets for the .22 my father would provide.

"So, no one gave us money. We all learned to do without."

That's when I said, "Oh by the way, what is this loan about?"

He said, "You're needing brand new socks. Your toes are

sticking through. That's why I needed money for a pair of socks to you."

I gazed down at my grandson. Now his purpose came to light. Said,

"Let's head on down to Merckle's. We'll have ice cream floats tonight."

Southwest Montana Veteran's Home Update #49

By Mike Lawson

Greetings once again to you the Veterans/Communities/Countries of SW MT., who are the chief organizers and supporters of the "SW Mt Veteran's Home.

Lots of activity continues to go on at our Veteran's Home Site, located on Blacktail Loop Road, just south of the Three Bears Store in Butte. I talked to the Carpenter General Foreman John Kotka on Thursday and got a good briefing. Liaison Mark Gollinger and I did a walk-through of the Site on Friday. This as usual, was an eye opener, in one way or the other. These next two to three weeks, are really going to see visible advancement, in terms of exterior wall coverings and outside framing of Cottage #5.

Construction Updates:

Community Center Building: Interior: Collins Painting, which has the the Sheetrock hanging/taping/painting/ceiling, is starting the "Seismograph Ceiling" framework and is also ready to put the 5th coat of sheetrock-mud (with a machine) on. Possibility of some painting starting this week. The Community Bathroom, has all the specialized sheet rock/tape/mud, concerning the wall/ceiling, processes completed. There was one Plumber working in the Boiler Room, working on the intricate piping for this system. This is a picture in itself. Once the ceiling is in the HVAC Sheetmetal guys and the Plumbers can start doing the finish work in making this building complete. Exterior: The siding crew continues to make progress and have most of the siding on, up to the top of the walls. Mike said that another siding crew is supposed to be on site this week, with a lift machine for them to side the peak sections above the walls, on the end of the building. This will really bring a finished look to the Community Center.

Cottage #: Interior: All the sheetrock is hung and this building is in the hands of the sheetrock tape/mud folks. As we saw in the Community Center, this is a huge and long undertaking, that will take at least 3 weeks. The Plumbers are doing some work here as well as the HVAC Sheetmetal guys. Exterior: It's ready for the siding crews, which might happen next week.

Cottage #2: Interior: Lots of sheetrock going on here. The main push is getting the double layer of sheetrock hung on the bottom of the roof trusses, which already have the, heavy duty Visqueen, plastic sheeting vapor barrier in place, for it to go over. The other big push is to get the corridors sheet rocked, this will enable the Plumbers and HVAC Sheetmetal guys to continue in doing their work, after this part of the process is completed. Exterior: The windows and 3M Vapor Barrier Peel and Stick sheeting, will be 100% completed this week. Most of the

Insulation Blue Board , will probably be installed. Things are on the move here.

Cottage #3: Interior: The big push here is the Electricians getting their wiring/conduit/receptacle boxes roughed in. I always marvel at how symmetrical their conduit and wiring is, once installed. Very pleasing to the eye. The HVAC Sheetmetal workers are also putting the components, making up the heating/air-conditioning system, in. Lots of parts and pieces.

Exterior: The 3M Vapor Barrier-Peel and Stick guys, are scheduled to start that installation process, as well as starting the window installation, this week. Always good to see this start.

Cottage #4: Interior: The busyness continues in and outside, this building. The Sheetmetal guys have their roof penetration ductwork through the roof and have moved material into the building. The Framers are working on soffits/blocking/backing. They're also putting in the floors of the Bay Windows/Bump Outs, which will enable the Core Bonding insulation spray process to take place. John figures it will be two weeks before things can be turned over for the Electricians to come in, and also to a greater extent, the Plumbers and Sheetmetal guys. Exterior: The Gable Roof Entry Way has been completely framed and roof sheeting plywood, nailed down over that. The roofer is busy in putting a titanium ice water shield sheeting material down, along the bottom portion of the roof sections as well as in the valleys, where the roof sections join with one another.

Cottage #5: The two "Resident Wing" portions of this building are standing. The 15' and the 13' walls of the "Common Area" are being framed and should be stood up this week. Mike said the Roof Trusses should be coming on the job site on the 20th of this month of May. John said his guys will also be working on framing the interior walls. This is the last Cottage, so excitement is building and that light at the end of the completion tunnel is getting brighter.

The news from the state is pretty quiet, but expect to hear more, before the end of the month. We are all concerned about, the picking of a "Contractor" to operate our SW MT Vet Home.

The SW MT Vet Home Foundation, is a bit on the cautious side about meeting this month, but I expect we will meet next month, in some way or manner.

Things are opening up for Montana, concerning this "Coronavirus Stay In Place Order" from our Governor, which has been very effective in keeping us on the low end of infections, nation wide. We don't want it to flare up here, so please be safe, keep the 6' distance rule when out and about, wear a mask when possible and have respect for those around you.

Attorney General Fox Asks Congress to Investigate China's Role in Pandemic

Montana Attorney General Tim Fox has joined an 18-state effort calling on Congress to investigate the communist Chinese government's role in the COVID-19 pandemic. In a letter sent Friday to the leadership of the House and Senate Foreign Relations Committees, Speaker of the House Nancy Pelosi and Senate Majority Leader Mitch McConnell, and other House and Senate leaders, Fox asked for a Congressional investigation.

Attorneys general, as chief legal officers of their respective states, want to hold China accountable for its actions. Congressional hearings are critical to our nation's understanding of the origins of COVID-19 and efforts by the communist Chinese government to deceive the international community, Attorney General Tim Fox said. Recent reports suggest that the communist Chinese government willfully and knowingly concealed information about the severity of the virus while simultaneously stockpiling personal protective equipment. In what Secretary of State Pompeo has described as a classic communist disinformation effort, the Chinese government, aided by the World Health Organization, appears to have intentionally misled the world over the last six months," Fox added.

The current U.S. death toll from COVID-19 stands at more than 80,000, and the pandemic's economic devastation has caused the unemployment rate to skyrocket from 3.5 percent in February to its current rate of 14.7 percent. The Chinese government's mishandling and deliberate deception has caused death and hardship for millions of Americans.

In addition to Montana, the following states' attorneys general signed onto the letter: Alabama, Alaska, Arkansas, Florida, Georgia, Indiana, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Nebraska, Oklahoma, South Carolina, Tennessee, Texas, and West Virginia.
