Pima Medical Institute's Dillon Campus to Reopen May 18, 2020

The School, Which Provides the State's Only Accredited Veterinary Technician Program Will Strictly Adhere to All State and County Health Regulations

Pima Medical Institute has announced its Dillon campus will reopen Monday, May 18, 2020. Faculty, staff and students will rigorously follow all state and county health guidelines in relation to COVID-19, and those returning to campus are expected to adhere to the Pima Medical Institute Code of Conduct. Pima Medical offers the only accredited veterinary technician program in the state of Montana, in partnership with the University of Montana Western. The current student population includes a small number of students, who will be staggered in both morning and afternoon classes.

Getting students back to their programs is important, but nothing is more important than the safety of those on campus. Prior to returning, all individuals must confirm that they have not been exposed to COVID-19 in the last 14 days, have no current CDC-listed symptoms and will agree to have their temperature checked and recorded daily.

"This protocol is designed to protect students, staff and faculty while attempting to mitigate the COVID-19 virus," said Jan Winderl, DVM, Campus Director, Pima Medical Institute Dillon Campus. "These steps will allow an environment conducive to learning/teaching for continuity of education for the students and a safe place for the staff and faculty in which to work."

Once on campus, additional safety protocols have been established, including a check-in system where everyone entering will answer screening questions, have their temperature checked and receive the daily, color-coded wristband that indicates the person has completed the check-in process. All individuals will be required to wear face coverings at all times. Pima Medical will provide masks to everyone.

All classrooms are stocked with disinfectant wipes, disinfectant hand soap, paper towels, Lysol spray and other cleaning products. Hand sanitizer is also available. Social distancing will be maintained by desk spacing and floor taping of the area. Touchable items like tables, doorknobs, keypads, sinks and faucets, light switches, etc. will be disinfected multiple times each day. Classrooms will also be professionally cleaned each week.

Pima Medical's lab classrooms will have no more than 10 people inside at one time, including instructors. Counters and touch surfaces will be disinfected after each use of workspace, and Personal Protective Equipment (PPE) will be worn at all times. Labs will be professionally cleaned each week. Hospital disinfectant air sanitizers will be used each weekend.

In office areas, faculty and staff will maintain social distancing of six feet or more. All common touch items will be disinfected multiple times a day, and all student interactions must maintain social distancing protocols. All employees will wear facial coverings at all times, and those who do not feel well are required to stay home.

Common areas, including break rooms, student lounges and the student library are closed until further notice. Restrooms have been designated as single-use.

If a student, faculty or staff member has tested positive for the coronavirus, they must notify the campus immediately. Upon being notified, the campus will follow CDC protocol. The campus administrator will also notify employees and/or students who may have been in contact with this individual on their last day at the campus. Per privacy laws, the name of the individual who tested positive will not be revealed. The campus administrator will then notify the local public health administration office and follow all guidance relative to required exposure notifications and facility management. The Campus Administrator will document all communication.

For more information on the Pima Medical Code of Conduct and its Safety Protocols go to pmi.edu.Specific questions or concerns should be directed to Fred Freedman, President and CEO, Pima Medical Institute at ffreedman@pmi.edu.

Memorial Day Decorations at Mountain View Cemetery

Regarding Mountain View Cemetery, flowers and/or decorations may be placed on graves for Memorial Day beginning Thursday, May 21st, 2020.

All new shepherd hooks that are not in compliance with cemetery regulations must be removed by Monday, June 8th, 2020.

National Trails Day
Saturday, June 6 10:00-12:00pm

The Montana State Parks and Bannack State Park announced today that they will be hosting a guided hike for National Trails Day at Beaverhead Rock State Park on Saturday, June 6th from 10am-12pm.

This year, the staff of Bannack State Park is going to host a hike at Beaverhead Rock. The guided hike will consist of a one hour walk through the state park examining the flora, fauna, and history of the area.

To adhere to social distancing, the hike will be capped at ten people, so please call ahead to reserve your spot.

The moderate hike will be a fun way to get outside and learn more about local parks. There is a strong chance for warm temperatures. Sunscreen , water, sturdy walking/hiking shoes, and appropriate hiking gear are suggested for the day.

To access Beaverhead Park, the turn-off on Highway 41 has no marker. Your phone's maps will take you close to the park, but the turnoff is a dirt road just after the curve marked to slow down if you are coming from Dillon.

To Reserve Your Spot Contact:

Siobhan Warmer
Americorps Member - Bannack State Park
(406) 834-3413 or bannackstatepark@mt.gov

Fresh, Hot Popcorn

By popular demand the Big Sky Cinema will provide Fresh, Hot Popcorn sales each Friday between 4:30 & 6:00 while adhering to safety rules during the theatre's covid 19 shut down. Call the Big Sky Movie hotline at 683-4833 for updates and info.

We are a couple weeks from reopening at 50%. With an abundance of caution we will likely have only two shows a few nights a week until mid July when new film releases are scheduled for play dates. We will have the auditoriums set up for social distancing as well as with concession sales. The safety of our patrons and employees are paramount as we move toward our goal of normal scheduling. We appreciate your patience and excitement.

the YMCA
FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

WELCOME BACK TO THE Y!

We're excited to welcome you back to your YMCA. Although our doors have been closed, your team at the Y has been busy during this COVID-19 pandemic.

We've been busy painting, cleaning, repairing, and working to allow for social distancing. We want to ensure our Y is providing you with the safest and most hygienic facility. Along with facility updates, we have implemented many new policies so our members can participate in helping to keep the Southwestern Montana Family Y clean and safe. These updates will be handed out by the front desk staff upon request.

While we can't predict how long the COVID-19 crisis will last, or whether it will be necessary to close facilities and programs again in the future, we are committed to doing whatever is necessary to ensure your safety.

As we welcome you back to the Y, we want to assure everyone, health and safety remains our top priority. We have taken all necessary steps to ensure the safety of our members, program participants, and staff. This means things will look and feel a little and is some cases a lot different. These changes are necessary to follow CDC and Public Health regulations.

Please be sure to read through these new policies to be more aware of all the changes. We understand that some of these policies will be inconvenient, but we all follow the same health and safety standards we will make the Y as safe a possible.

We're so happy to welcome you back. Together, we're a better us.

Sincerely,

Todd Rouse, CEO

RMEF Celebrates 36 Years of Conservation

Thirty-six years to the day after four elk hunters in northwest Montana combined meager means with staunch perseverance to form the Rocky Mountain Elk Foundation, the conservation movement advances on during challenging times.

"It is almost like we've come full circle," said Kyle Weaver, RMEF president and CEO. "We live in unique times with extreme circumstances yet it is in our DNA as an organization to endure and succeed. And that is what we're doing."

Despite obstacles and slowdowns related to COVID-19, including rescheduling the majority of its fundraising banquets, RMEF continues to further its mission of ensuring the future of elk, other wildlife, their habitat and our hunting heritage.

2020 Successes

- Completed nine land projects in four different states that permanently protected 12,133 acres and opened or improved access to 14,336 acres
- Played intimate role in President Trump calling for full, dedicated funding for the Land and Water Conservation Fund
- Awarded grant funding in Minnesota, Oregon and Washington to conserve and enhance elk habitat, promote hunting and fund research, with millions of dollars for other states yet to be announced
- Recognized RMEF volunteers for their vital support of conservation
- Launched a redesigned, mobile-friendly website
- Worked with Congress, state and federal agencies, state legislatures and sportsmen and women on behalf of elk-related issues
- Hosted a news conference highlighting a reckless ballot initiative to forcibly introduce wolves into Colorado
- Shined a spotlight on incidents in Pennsylvania and other locations in the U.S. and Canada to increase the visibility of poaching nationwide in an effort to better combat it

"We are grateful to our founders and their families for their dedication and endurance in creating the path that RMEF walks today. As we go forward, we honor them and also thank our volunteers, members, sponsors and so many others for their support. It is truly appreciated," added Weaver.

To coordinate with local and federal partners, Beartooth WMA opens May 15 to day-use only; other WMAs open as usual with social distancing protocols in place

Many recreationists look forward to May 15 every year as the opening day of many of Montana's Wildlife Management Areas that are closed between Dec. 1 and May 15 to minimize disturbance to wintering big game. This year is no different, with the exception of the need for people to follow protocols for social distancing due to the COVID-19 pandemic.

One of the more popular spots -- the Beartooth WMA, between Great Falls and Helena -- has curtailed overnight camping and will be open for day-use only, from sunrise until sunset, until further notice. FWP is taking this step as a coordinated effort with the Bureau of Land Management and Lewis and Clark County closures at nearby campgrounds due to COVID-19. The closure to camping will also reduce resource impacts to the WMA while there is a lack of other open camping sites in the area.

Several wildlife management areas in Montana are destinations for many people who collect shed antlers, especially on seasonal WMA opening dates. Visitors to WMAs should continue practicing social distancing and leave-no-trace principles, just as FWP has recommended for recreationists at fishing access sites and state parks.

Sun River

Visitors to the Sun River WMA can expect a few additional protocol changes. To avoid large concentrations of people, FWP staff will not be weighing antlers as they typically do.

Directives from Gov. Steve Bullock also require people who travel to Montana from another state or province to self-quarantine for 14 days after arriving in Montana before engaging in public outdoor recreation or any other activity.

While utilizing these beautiful areas, remember that spring weather can change quickly, so be prepared for cold wet conditions and muddy roads. Many of FWP's WMAs will have grizzly bears present, so be prepared and it is recommended that all users carry bear spray and know how to use it.

For more information about WMAs, visit fwp.mt.gov/fishAndWildlife/wma/.

Barrett Hospital & HealthCare
Financial Assistance
Notification

If you have active insurance coverage & your household earns 200% or less of the published federal poverty level you are eligible to apply for assistance with your Barrett Hospital & HealthCare bills. For details see below and contact Barrett Hospital & HealthCare.

Barrett Hospital & HealthCare (BHH) offers financial assistance to those who apply, qualify, and submit all required documentation timely for the program. The financial assistance program is a payer of last resort and applicants should check with Insurance Market Place the local Office of Public Assistance (OPA) to determine if they qualify for programs or coverage prior to applying.

BHH's financial assistance program is administered in conjunction with the Federal Poverty Guidelines that are used nationwide and that pertain to medical services provided at Barrett Hospital and Healthcare only. These guidelines incorporate rationale for age, number and ages of dependents and provide definitions of family and net income. The United States Department of Health and Human Services sets the Federal Poverty Income Guidelines and applies annual revisions to account for increases in the Consumer Price Index. BHH increases the federal poverty income levels from 100% to 200% for eligibility purposes.

To apply for assistance and/or to obtain free copies of the policy and application interested parties should contact a personal finance advocate by:

Phone: 406-683-3034

Email: fc@barretthospital.org

Write: **Barrett Hospital & HealthCare**
Attn: Personal Finance Advocate
600 MT Hwy 91 South
Dillon, MT 59725

In Person: **Barrett Hospital & HealthCare**
600 MT Hwy 91 South
Dillon MT 59725
Monday – Friday 8a-5p
(Excluding holidays)

Payments

Barrett Hospital & HealthCare offers zero interest payment plans and also contracts with long term billing companies to offer you additional budgeting options (NO credit reporting). Contact a personal finance advocate for details.

Extraordinary Collection Actions (ECA):

Patients that do not contact the personal finance advocate or respond to statements will ultimately be transitioned to an outside agency that may or may not affect credit.

Barrett Hospital & HealthCare will not take any ECA actions without making a reasonable effort to determine at patient's financial assistance eligibility in accordance with limitations outlined in the Credit, Collection and Uncompensated Care Policies and the Financial Assistance Policy (FAP). It will be the responsibility of the Financial Assistance Committee to determine if reasonable efforts were made to access the eligibility of a patient/guarantor for financial assistance.
