Virginia Mae (Piazzola) Schleicher

Virginia Mae (Piazzola) Schleicher passed away May 19, 2020 at the Legacy Assisted Living. She was born in Butte, MT to Pete and Agnes Piazzola on March 23, 1926. The first years of her life were spent growing up at the Wise River ranger station where her father was forest ranger. She often reminisced about those years with great excitement. One of her many childhood stories was about getting into the axel grease – oh, how

creamy and smooth it was, so she rubbed it all over her arms, legs, hands and face. A bit later she discovered that it did NOT wash off.

When Virginia was nine years old, her family moved to Dillon where she attended and graduated from Beaverhead County High School in 1944. She loved being involved in the operettas back then. After high school, she worked for Dr. David Curry as a dental assistant.

She met Charles (Charlie) Schleicher at a dance one evening (how she loved to dance) when he was home on leave from the Navy, and this eventually led to their marriage on November 10, 1946. Two daughters were born; Sharon and Jerri.

Virginia loved flowers and had a real "green thumb" for growing some beauties. She was known for her beautiful roses, peonies and violets to name just a few. For many years, she shared her roses with people she knew that were no longer able to get out and about. She did lovely embroidery work on table runners, pillowcases and doilies that are still being enjoyed by many. She also had a big interest in doing and teaching ceramics. Animals were a special part of her life; especially dogs. Her last two dogs, Ginger and Heidi, (two very spoiled Lhasa Apsos) were constant companions to both her and Charlie. If the dogs couldn't go, they didn't go. Virginia served on the Election Board from age 21 to 80. It was with great pride and dedication that she completed this task without one absence. Her father had emphasized how very privileged Americans are to have the right to vote; therefore, this was a very important duty to her. Her role as homemaker and mother was always a top priority, having meals served right on time and tending to the household chores diligently. Virginia was preceded in death by her husband, Charles, in 2009 as well as her parents, Pete and Agnes Piazzola and sister, Grace Helming of Wisdom. Her son-in-law, Joe Champine,

preceded her in death in January of this year. She leaves behind her two daughters, Jerri Lynn Spotts of Lynden, WA and Sharon Champine of Dillon. Also, two grandchildren, Dawn (Stan) Atchley of Charlo, MT and Charles (Rachel) Miller of Rigby, ID and three great grandchildren; Victoria Rose Tetherow, Lilly Mae Linderman and Devin Drummer. She recently became a great great great grandma with the arrival of Leona Rose Tetherow. She also is survived by her sister, Betty Mathison of Wilsonville, OR, as well as several nieces and nephews. Sharon and Jerri would like to sincerely thank Dr. Sandra McIntyre for her wonderful medical services and compassion for our mother's health care. We would also like to thank Kevin Button, Julie Oldynski and the fabulous, caring staff at The Legacy for giving our mother a special "home" for the past 6-1/2 years. A private, family graveside memorial service will be held at the Mountain View Cemetery. Virginia would be thrilled if those wishing to make donations would make them in her name to the local animal shelter. Mom, we hope you are surrounded by lots of beautiful flowers, because we know "Roses will Bloom Again".

Governor Bullock Announces Montana to Enter Phase Two of Reopening Plan on June 1

Governor Steve Bullock today announced the state will move to Phase Two of the Reopening the Big Sky plan and will lift the 14-day out-of-state travel quarantine beginning June 1 as Montana continues to have the lowest number of positive COVID-19 cases and hospitalizations per capita.

"Montana has been an example for the rest of the nation in our response to this global pandemic. I have no doubt that we can continue to be that example, but only if Montanans, businesses, and visitors alike continue to take seriously the responsibility we all have in protecting others," Governor

Bullock said. "As we continue with the next phase in our reopening, our goal together as Montanans for the foreseeable future is to mitigate the spread of the virus."

"The individual actions of Montanans have collectively made a difference. Staying 6-feet away, washing hands, wearing masks while in public, and staying home when sick, have all contributed to us being able to move forward with the plan to reopen Montana. We are at an important milestone and if each of us continues to do our part to prevent the novel coronavirus from spreading, we'll stay on the path to fully reopen Montana," John Felton, Yellowstone County Health Officer and President/CEO of RiverStone Health, said.

"Since this COVID-19 emergency began Governor Bullock has consistently listened to city and county governments around the state as he has formulated a strategy to respond. And that strategy has worked. Thanks to Governor Bullock's leadership, Montana has escaped the tragedies other states have experienced. We are fortunate to have him at the helm as we reopen Montana. We are thankful for his commitment to ensure we will keep Montana safe during the summer months as we rebuild our economy," Cynthia Andrus, Deputy Mayor, City of Bozeman, said.

"We are grateful for Governor Bullock's diligence as he works to reopen Montana safely and continues to and consider the unique concerns and challenges in tribal communities including a large population of elderly Montanans and families in multi-generational households. The Blackfeet Tribal Business Council appreciate Governor Bullock has respected tribal sovereignty and decisions to put in place more restrictive measures to keep tribal communities safe and has supported our efforts to contain the virus through increased testing," said the Blackfeet Tribal Business Council.

In consultation with public health and emergency response officials, Governor Bullock outlined the following indicators which allow Montana to move into Phase Two beginning on June 1:

- A downward trajectory of positive tests as a percent of total tests within a 14-day period.
- The current ability to contact and trace, along with plans to add additional contact tracers to the existing workforce.
- Ensuring that health care workers have the supplies they need to treat COVID-19 and non-COVID-19 patients.
- Ramping up testing capacity to eventually meet a target of 60,000 tests a month and prioritizing testing for vulnerable Montanans

and tribal communities. A total of 5,600 tests were conducted last week. Increased testing continues with sentinel testing efforts in nursing homes and assisting living facilities, testing events in tribal areas, and drive through testing being conducted at a few sites.

Under Phase Two, effective June 1, avoid gatherings in groups of more than 50 people in circumstances that do not readily allow for appropriate physical distancing. Groups larger than 50 people should be cancelled unless physical distancing can be maintained. It is recommended to continue to social distance in gatherings of any size.

Under Phase Two, effective June 1, restaurants, bars, breweries, distilleries and casinos remains in the same operations status as Phase One, but with an increase to 75% capacity. Gyms, indoor group fitness classes, pool, and hot tubs can operate at 75% capacity and only if they can adhere to strict physical distancing and they exercise frequent sanitation protocols. Concert halls, bowling alleys, and other places of assembly may operate with reduced capacity and if they adhere to strict physical distancing guidelines.

All businesses are required to follow the social distancing and sanitation guidelines established in Phase One, and Montanans are strongly encouraged to continue sanitation practices, including hand washing and wearing masks in public places like grocery stores.

"Social distancing, wearing a cloth mask, washing your hands, and sanitizing are all part of our new normal. If not for you, do it for others, especially for the most vulnerable among us," Governor Bullock said. "Not following these guidelines could put us in a position where we have to go backward, instead of being able to continue to move forward."

Vulnerable Montanans should still continue to stay home when possible during Phase Two. Visitation at nursing home and assisted living facilities remains suspended except for certain compassionate care situations.

Effective June 1, the 14-day travel quarantine for out-of-state travelers and residents arriving from another state or country to Montana for non-work-related purposes will be lifted. The Montana

National Guard will continue to conduct screenings in airports and train depots and refer anyone with COVID-19-related symptoms to local public health officials.

To support Montana's destination communities, the state will assist with establishing the following protocols:

- Surveillance testing of employees.
- Enhanced contact tracing resources deployed to these areas as requested by local authorities.
- Ability to surge personal protective equipment to impacted health care systems.
- Guidelines for operation for business that see high-tourist activity.

Montana's gradual and phased plan to reopen began on April 26 with Phase One which allowed schools, places of worship, main street and retail businesses, and restaurants, breweries, and bars to reopen under social distancing guidelines. Governor Bullock also provided additional guidance to allow gyms, movie theaters, and museums to reopen under the first phase on May 15.

Governor Bullock and his Coronavirus Task Force will continue to monitor cases closely and carefully to analyze Montana's work to contain the virus.

The Directive and its Appendix with reopening guidelines are attached and are posted online at <https://covid19.mt.gov>.

Beaverhead Little League Update

Hello Little League families!

Yesterday was a big day for our organization and we are very excited to share the news with you.

As you may know, the governor announced yesterday that Phase 2 in Montana will officially start on June 1. What this means for Beaverhead Little League is that we are allowed to start games at that time. We do not have game schedules figured out quite yet, but when we do, you will get a notification from our website or on your Team Manager App.

We also received confirmation yesterday that we were awarded a grant through the State of Montana as a nonprofit organization. We applied for this grant with one goal in mind; to give back to all of the families that have supported us. Beaverhead Little League will be refunding all registration fees to kids that are participating for the 2020 season. Fees will also be waived for anyone that wishes to register and have not yet done so. We are able to accept new registrations until the end of May.

We are awaiting the funds from the state, and when they are received, we will start working through all of our registrations. If you paid with a card, you will be refunded via that same card. If you paid via check, we will write you a check. Please keep in mind that when you registered, or when you do register, there is a non-refundable \$3 service charge per family unit that allows us to use the website, online tools and app every year.

If you wish to donate your registrations fees to our league, please let us know. Any registration fees that get donated for the 2020 season will be allocated to our Ray Lynch Project and you will received a tax deductible donation receipt.

This year has definitely been unique and very hard on everyone, but this has been especially hard on our kids. We hope that Little League will be a chance for the kids to get outside, get some exercise, and have some fun. We could all use a little happy right now.

Thank you again for your support. We are looking forward to an awesome 2020 season!

Updated May 19, Graduation Plan 2020

Vigilante Stadium

Rehearsal Day Thursday May 21, 2:30-3:30 PM

- Students will receive their masks and enter the football practice field and be placed in lines maintaining Social Distancing (6 feet apart).
- Students will enter the stadium from the left and right through the gates to the practice field and into the grandstands by rows. (They will have maps of the seating and lineups in their emails before the 21st.
- Once seated students will be taken through the ceremony step by step
- Students will then walk through receiving diplomas and returning to their seats.
- Practice as many times as necessary to get it right and safe.
- There will be a link to view the Baccalaureate by Saturday at 7:00PM at <https://www.southwesternmontananews.com/>
- We will distribute the maps of the football field where their families will sit for the commencement upon completion of rehearsal

Graduation Day Sunday May 24th 1:00 PM

- Graduation will be streamed live on <https://www.southwesternmontananews.com/>
- Graduation will also be streamed live on the NFHS Network sign up for a free account to view at <https://www.nfhsnetwork.com/events/beaverhead-county-high-school-dillon-mt/evt0c048d22e4>
- Students arrive to get lined up (6 feet apart)
- Graduation Photo 1:20 you must be there on time to be in it. WE WILL NOT WAIT
- Families of seniors may bring up to 5 guests per graduate.
- Families (groups) also arrive to go to their seating area with camping chairs on schedule by seating area to maintain social distancing (6 feet apart) when moving to seats. Schedule and seating maps to be posted on BCHS website on Monday May 18th.
- 2:00 PM ceremony begins rain or shine
- If the weather is bad we will do an abbreviated ceremony

Renaissance Senior Care

We provide a comfortable, caring atmosphere designed for the special needs of aging Seniors. In our **ALL-INCLUSIVE** home-like setting, we offer customized home-cooked meals, planned activities, and specialize in personal cares including incontinence, respite & Alzheimer's/Dementia care. We accept Medicaid.

406-683-4002 or 406-683-4200
