June Williams Jones

June Williams Jones passed away peacefully in Dillon, Montana, on May 23, 2020. On the 10th of June she would have celebrated her 101 birthday.

She was born on June 10, 1919, in Malad City, Idaho to Arthur Thompson Williams and Nora Harrison Williams. She was the fifth child of a family of ten children. Her home was filled with love and respect for each other. She grew up and was educated in Malad.

On November 18, 1936, she married Joseph Lester Jones in the Logan, Utah L.D.S Temple, residing in the Malad area for the next 14 years. In 1942 they purchased the Hadfield ranch southwest of Malad, but in 1950 they sold their ranch and moved to Dillon, Montana, buying the Flying N Ranch, 10 miles north of Dillon with her sister Lillith and Lester T. Jones. She remembers how nervous she was to leave Malad for the frozen north in Montana. Such mixed emotions to leave her home and all her family. But a wise man nicknamed "Mr. Fixit" in Malad asked her: "Are you leaving lots of friends here?" she said, "Yes, lots of friends." Then he said, "Don't worry then, you will make lots of friends in Montana." He was right..... so many special friends were made here in Dillon. The spring of that year snow covered their crops in June. But she admits it was the best move they ever made. They lived on the ranch north of town for about 2 years. In 1952 they bought the Art Bay ranch east of Dillon where they lived the rest of their lives. She was so proud of her beautiful yard there and enjoyed working in it.

June worked in the hot lunch program at the schools for 10 years, where her wonderful: homemade rolls and bread were appreciated by thousands of children and teachers. She then began cooking at the Barrett Hospital for the next 20 years where she also worked with physical therapy and housekeeping.

She grew up a child of the great Depression, careful and conservative to the last breath. She left a legacy of hard work to achieve goals that would yield satisfaction of accomplishment to provide for self and family.

A proud moment in her life was cooking a "Montana" steak and her "homemade bread" for the then Chief Justice of the Supreme Court of the United States, Chief Justice Earl Warren. Upon his return to Washington D.C, he sent her a "thank you" letter stating, "your homemade bread has been talked about to all in the White House". He told them that they would never know how priceless their life here was.

Some of her most treasured moments were made with her sisters on their "sisters' trip". Every year she and her sisters would travel to different parts of the country for a week of being together and enjoying their love for each other.

Her exceptional role was a wife and mother, grandmother and great-grandmother and great-great grandmother and friend to countless others who needed a place to live at different times of their lives. Moms table was always open to anyone who happened to come to her home at mealtime.

She was a beautiful seamstress. She pieced and hand quilted a quilt for each grandchild and a baby quilt for each new baby.

General Contractor

925-2172

Dillon, MT Since 1991

Her life was busy, full of hard work and happiness. She was considered the "glue" that held many generations together.

She was true and faithful to her church and held many callings, and especially loved teaching the children.

She loved to hear about the lives of her family and friends. As her eyesight and hearing deteriorated, her mind remained extremely sharp and she was alert to the very end. "What a treasured gift memory is---a wonderful window to a time past."

Her husband and eternal companion of almost 60 years, Lester, preceded her in death in February 1996.

She is survived by two sisters: Barbara Bingham (Dennis) and Darlene Nielson (Harold) of Malad, Idaho.

She was preceded in death by her mother, Nora Harrison Williams, her father Arthur Thompson Williams, 6 Sisters: Lillith lone Jones Tuck (Nolan), Angelina Christensen (Orvil), Lucille Olsen (Bill), Mary Emma Williams (Farrell), Nora Price (Varlo), Hanna Lou Williams (DeJay), and her only brother LaVen (Hazel), and a great-grandson, roman Dean Bird.

She is also survived by her 4 children: Vonda June Geertsen (John), of Pleasant Grove, Utah, Gerald (Pat), of Dillon, Montana, Clara Markowski (Harry), of Bountiful, Utah, Dennis (Kathy), of Dillon, Montana. She is also survived by 20 Grandchildren, 84 great-grandchildren and 20 great-great grandchildren.

Her family is so appreciative of the loving care she received at the Legacy Assisted Living Center. Thank you to all of you there who cared for her.

Memorial contributions can be made to a charity of your choice.

A viewing will be held Friday, May 29, 2020 from 6:00 to 8:00 at the Brundage Funeral Home. Please remember to wear a mask for both the viewing and graveside service and practice social distancing. Family will have a separate area for both viewing and graveside. When entering the funeral home for the viewing, please come through the front door and exit through the side door unless you have special considerations. Guests are limited and you may need to wait outside the funeral home for a short time to accommodate social distancing prior to entering. Interment will be held Saturday, May 30, 2020 at Mountain View Cemetery, Dillon Montana.

UNITED WAY ANNOUNCES SCHOLARSHIP WINNERS

United Way of Beaverhead County is pleased to announce the recipients of the 2020 Community Service Scholarships. Each year, United Way of Beaverhead County offers two \$1,000 scholarships to one graduating senior from both Beaverhead County High School and Lima High School. This year's recipient from Beaverhead County High School is Ashlyn Sandall, and Lima High School's recipient is Macie Martinell.

Ashlyn will be attending Brigham Young University – Idaho this fall and has completed extensive community service hours during her time at BCHS. Her volunteerism includes playing piano for gatherings, teaching piano, teaching tennis, volunteering as a Lunch Buddy, babysitting kids whose parents were participating in the Jaycee Park build, serving food at the community Thanksgiving dinner, and so much more.

Ashlyn has been a stellar student athlete during her time at BCHS and in the words of one of her teachers "Along with her many community service hours, Ashlyn is also an outstanding student. She maintains a perfect 4.0 GPA....and will be recognized as class Valedictorian at her graduation in May."

Macie will be attending Montana State University this fall and has been a shining example to her community, and especially to those younger members of the town of Lima and the Stock-n-Stitch 4-H Club. Macie's volunteerism includes many roles and projects for the Beaverhead Stock-n-Stitch 4-H Club, various projects for Lima Involvement for Togetherness (L.I.F.T.) organization, Bob Marshall Wilderness Trail Cleanup, Community Church Youth Group, and many more.

In the words of an individual who knows Macie well: "Having many projects going on in the past several years, Macie has been at the top of her class, willing to volunteer and help. Her dedication to being an instrumental contributor in her community has been outstanding." The Board of Directors of United Way of Beaverhead County is pleased to award the 2020 Community Service Scholarships to these two hardworking, community service-minded young ladies. Best wishes for your bright futures!

Southwest Montana Veteran's Home Update #51

By Mike Lawson

Greetings once again to you, the Veterans/Communities/Counties of SW MT., who are the chief organizers and supporters of the "SW MT Veteran's Home".

This past week and this week we are now in, continues to see changes at this construction site which when finished, will be the Southwest Montana Veteran's Home. The big focus this week has been "Memorial Day", which happened on Monday, across this great land we call "America". It's a commemoration of all Veterans, past and present. This SW Mt. Veteran's Home is an example of our country and state "giving back" to our veterans who will be living there.

It was a different experience this week, as we were on a guided press tour, led by Shaunda Hildebrand, (the Bureau Chief Fiscal & Nursing Facility Services for Montana's Senior & Long Term Care Division). Construction Update:

Community Center: The corridors were being painted when we walked through. The offices were also painted and the inside painting of the whole building is expected to be finished this week. Some wrong parts for the metal suspended ceiling framing system were delivered and sent back. This process was put off for a week and hopefully will go full bore this week. John Kotka said he might have some guys installing doors this week and hopefully start doing trim work next week. Johnson Controls were working on installing low voltage wire to the air duct control system.

Exterior: The siders are making good progress and the siding is attractive, which makes the building look good.

Cottage #1: Interior: Collin's Painting's sheetrock tape and mud guys are now moving from the Community Center Building to this building. They'll tape/mud all the sheetrock here and it is a massive job, to say the least. Tri-County Mechanical has both the Plumbing and Sheetmetal work on this project. The plumbers were working on the Boiler gas and water lines. The Sheetmetal guys were working on the ongoing duct work system.

Exterior: The siders put on some flashing and will have a crew working there this week.

Cottage #2: The Sheetrock Hangers "party", is going full bore in this building. The ceiling is done. The inside of the exterior walls are being hung as well as one side of the interior walls. Remember once this is rocked on one side, the insulators can put the sound insulation in, which once done, allows this open side to be sheet rocked. ARJO worked in putting in the man-lift angles. Some Sheetmetal duct-work continues.

Exterior: The foam insulation blue board was finished, as well as the roof-eave soffit framing. This building is now ready for siding.

Cottage #3: Interior: The insulators have put the heavy plastic vapor barrier sheeting on the ceiling. They will wait for the sheetrock hangers to get the double layer of sheet rock over it, before blowing insulation behind this. The inside of the exterior walls are being insulated with the vapor barrier plastic sheeting applied over that. The Sheet Metal guys continue to work on their heating and cooling ductwork. Plumbers also, continue to work on the piping/boiler systems they're involved with. Exterior: A lot of the 3M Peel and Stick Vapor Barrier sheeting, has been applied. Again, as with the preceding buildings, the windows and door frames get installed as the 3M material application gets to those openings.

Cottage #4. Interior: What a difference in the looks of this building over the past month. The Carpenter Framers are continuing to do the firewall blocking, backing for shower/bathroom grab bars/etc., and the shear backing for the sheetrock to be screwed 100% around. The Soffit wall frame-sections were being built on the floor and will be raised up to the correct ceiling height and framed in place. The Sheet Metal guys as well as the Electricians are caught up on the phase their working on, until some of the other sub-contractor work is done. The Roofer is working on the roof and will probably be done with it this week.

Cottage #5: The trusses got put on hold for a week, but Mike Ascherman was assured they would be here on Wednesday. Carpenter GF John Kotka said he hopes to start rolling them up into place, on the resident wings, on Wednesday after they arrive and on Thursday. There's an important steel beam/post section, that spans a large open area in the central/ commons area of this cottage, that was put together and erected in place.

Zemlijak Excavating is and continues to be busy putting in the Storm Drain System, which forks off from each building to the main drain line and then to a catch basin pond being build for that collection purpose. They'll also, in all probability, be digging for footing/cement pads for the Electric Vault (Power House), Boiler and Air Handler, small buildings.

Mike Smith from the Montana Standard wrote a great article on our Southwest Montana Veterans Home in the Sunday, May 24th, Edition. I would encourage you to read it, if you haven't already done so. It is also on line. Woman Marine Veteran Lyndsay Alt won the SW MT VET LOGO Contest, so a big congratulations to her. The Foundation is planning on a meeting in June, depending on the Pandemic Covid-19 guidelines. Until next time, please be safe and be respectful of one another.

Tri-County Resource Advisory Committee to Conduct Business Virtually

The Tri-County Resource Advisory Committee, scheduled to meet 1-5 p.m. June 1 and 4, will perform its duties virtually, rather than meeting in-person.

The committee will attend to the agenda items for each session published in the Federal Register May 15 and May 21, respectively. At the conclusion of the meetings, the committee will recommend projects for funding under Title II of the Secure Rural Schools and Community Self-Determination Act of 2000.

"Beaverhead-Deerlodge employees want to focus our time and efforts on work that benefits our stakeholders," said Deputy Forest Supervisor Jeff Tomac.

Recommended projects, which occur on or directly benefit National Forest System lands, help the Forest Service meet stewardship objectives, restore and improve forest ecosystems and water quality, or improve existing infrastructure. Past projects have included: maintenance of National Forest System roads, trails, and infrastructure; replacement of county bridges; control of noxious and exotic weeds; and reestablishment of native species.

Resource Advisory Committees are federally sanctioned groups of people who represent a cross-section of county communities, industries, schools, environmentalists, and local government. Upon selection, committee members serve four-year terms.

The Secure Rural Schools and Community Self-Determination Act, which was reauthorized by Congress through 2022, was enacted to provide transitional assistance to rural counties. Counties receive federal funds based on the percentage of land in federal ownership, timber receipt payments, and per capita income.

These meetings are open to public. Information on how to join the virtual meetings is available on the Resource Advisory Committee website at <https://go.usa.gov/xw3nb>. For additional information, contact Resource Advisory Committee Coordinator Jeanne Dawson by phone at (406) 683-3987 or via email at jeanne.dawson@usda.gov.

Calling Lady Golfers!

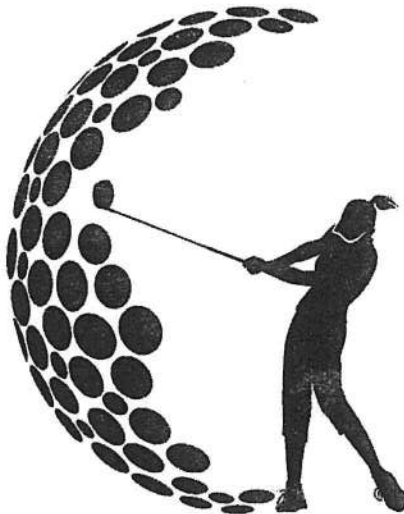

We are starting evening league play and morning league play has begun. We are in the process of updating our member lists and if you haven't received an email from us, you probably aren't on our list.

Morning league starts at 10 a.m. on Tuesdays and you need to sign up by Monday afternoon with Dawn Brown at drib63@hotmail.com, 406-925-3278 or on the sign-up sheet posted at the golf course

Evening league will be run on a weekly basis (women set up their own tee times as a team) with 4-man teams and a year end payout (if you don't have a team, please don't let that stop you from play, we can set you up!) Our first evening of "orientation/play" will be Tuesday, June 2nd.

If you are interested in playing evening league this year, please contact Becky Kington at bexk@3rivers.net or 406-792-6550.
