Vinola Ellen Saunders-Squires

Vinola "Vi" passed away peacefully at home surrounded by her family on May 30, 2020. She was born on August 12, 1940 to Bill and Mary Saunders in St. Ignatius Montana. She was the first girl born to a family that eventually included nine other siblings. She was a devoted sister that helped raise many of her younger siblings on their family farm. This helped forge the hard worker and nurturing person that she became. She committed her life to helping and serving others, always thinking of herself last. She was the sole breadwinner and provided for her three children independently. Being a single mother was never easy, and she always did whatever was necessary to provide and care for her kids. Mom was always up for anything fun and her adventurous spirit was contagious.

Vi was an active member of the Church of Jesus Christ of Latter-Day Saints. Nothing was more important to her than her faith or her family.

She is survived by her daughter Sheila Cottom(Brad), son Bill Squires(Michelle), son in law Rick Taylor.

She was a proud grandma to Scott Taylor, Kristen, Kevin, and Karli Cottom, Shelby and Wyatt Squires, Aric, Jason, and Kirsten Taylor. She was affectionately known as "Gigi" to her great-grandchildren Paige and Carter Dahlman, Amanda Taylor, and Ethan Taylor.

Vi was a loving sister to Mel Saunders(Carol), Jane Saunders, Celia Fritz, Lorna West, Shirley Rasmussen(Dan), Carl Saunders(Debbie), and Billy Saunders(Debbie).

In addition to her parents, Vi was preceded in death by her brothers Cecil, Harvey, & Davey & her beloved daughter Theresa.

Mom wanted people to know that "she tried to live a good life". In our opinion, she did. We are so very proud of our loving mother's life and example. She will be greatly missed.

In accordance with her wishes, Vi will be laid to rest alongside her other family members at the Pleasant View Cemetery in St. Ignatius Montana on June 5, 2020. There will be a graveside service at 1:00 pm with a luncheon to follow. All that knew and loved her are very welcome to attend.

favorite camp spot in the willows.

Chuck's life was just as adventurous in his childhood as it was in his adult life. He always stated how grateful he was that his family went camping from Memorial Day to Labor Day every year at Miner's Lake outside of Jackson. It is there he learned to ride motorcycles and found a great passion for being in the great outdoors.

Chuck chased his favorite redhead, Danyella Rose Vukman for years, until he wore her down and they married on March 2, 1997 in Dillon. In June of 1998, they had their first child, Tyrel James Wood, who was his pride and joy. He had dreamed of having a son and in fact, had his name picked out long before he even met Danyella. He spent the next 21 years guiding Tyrel and teaching him how to hunt, fish and cuss while working on automobiles. He was so proud of who Tyrel became and envied him for the career he built for himself at such an early age in the Mining & Drilling Industry. One of his most cherished moments was taking Tyrel to Levi Stadium to see a San Francisco 49ers game.

Two years later, in November of 2000, came "daddy's little girl" Riley Denise Wood. He called her "my Smiley Riley" from early on. That blonde hair, blue eyed girl had him wrapped around her finger from the moment he laid eyes on her. He was so proud the day he moved her in to the dorms at the University of Montana. She would become the newest Griz in the family. At the last Griz game he attended, Chuck was able to shout her name so loud from the tailgate party, she could hear him in the concession stand she was working.

Speaking of Griz, Chuck attended the University of Montana from 2008-2009 and received a degree in Building Maintenance. Prior to this, his career was mostly in the food and beverage industry where his biggest accomplishment was working as a Chef at Teton Pines Country Club in Jackson Hole, Wyoming. It was here he cooked for people such as former Secretary-General of the United Nations Kofi Annan

and former Vice President Dick Cheney as the Secret Service watched closely. Other career achievements include his favorite job at Western Meat Block, and he was made welcome by folks at the Dillon Dairy Queen who allowed him to have a better purpose and still work with his disabilities.

After the children were grown, Chuck's favorite thing to do was to crack open a cold Miller Highlife and "work on the truck" with his best friend, Brian Barker.

Chuck is survived by his mother Colleen, his charming and beautiful wife Danyella (yes, who do you think wrote this), his children Tyrel and Riley, his older brother Larry (Bev) and brother-in-law and fellow 49ers fan, Dan Svalstad (Bekka). Other survivors include his four- legged family, Stanley, Rex, Abbott and Joey.

He was preceded in death by his father, Robert Wood.

There will be no services at this time, but we will respect his wishes and make one hell of a tribute to him. This will include a three- part shindig which will be announced at a later date.

In lieu of flowers, please fill up the truck with a tank of gas and head to your favorite outdoor spot in honor of Chuck.

Cheatin' on the Food

Bryce Angell

For three days we'd been on the trail, now the corrals a welcome
sight. I swear I lost a pound or two. My wranglers weren't as tight.
At times I've gone without some food, but never on the trail.
So, I'll tell you folks about the ride. This trip was bound to fail.
A so-called friend asked, "Can you pack into the Yellowstone?"
My father said, "We've packed for years. I'd say that's
how we're known."
The friend said, "There are ten of us." He sounded kinda shrewd.
He asked, "If you will pack us in, we'll furnish all the food."
My father said, "We usually furnish food and all the gear.
For you we'll make exceptions, but I want to make this clear.
"There'll be food, enough for everyone, a cook at every meal.
If you can make that promise, then you've got yourself a deal."
They made a handshake on the deal. For Dad, that's good enough.
The other fellow wasn't true. His handshake was a bluff.
We taught them how to pack the food and weight it down just right.
But when we loaded up the mules those packs were sure 'nuff light.
At dinner we ate tuna fish. Someone forgot the bread. So then
we had some mac and cheese, don't think we all got fed.
For breakfast we had cheerios and they were soggy too.
They even mixed up powered milk. I've tasted better glue.
The cook said we'd have scrambled eggs. That sounded great to me.
But he'd only brought a dozen, said, "We'll have to wait and see."
I don't remember having lunch, at night more tuna fish. So, I robbed
some spam and crackers. I would call it, "Starving dish."
We weren't allowed to keep the trout. But I didn't give a #&*@!
I caught a half a dozen, then I mixed 'em with the spam.
For three whole days my stomach cried, ''Ain't had enough to eat!"
But I learned a darned good lesson. It sure doesn't pay to cheat.
So, I made a promise to myself and never to exclude. When
I'm out there on the trail I'll have a saddlebag of food.

National Trails Day
Saturday, June 6 10:00-12:00pm

The Montana State Parks and Bannack State Park announced today that they will be hosting a guided hike for National Trails Day at Beaverhead Rock State Park on Saturday, June 6th from 10am-12pm.

This year, the staff of Bannack State Park is going to host a hike at Beaverhead Rock. The guided hike will consist of a one hour walk through the state park examining the flora, fauna, and history of the area.

To adhere to social distancing, the hike will be capped at ten people, so please call ahead to reserve your spot.

The moderate hike will be a fun way to get outside and learn more about local parks. There is a strong chance for warm temperatures. Sunscreen , water, sturdy walking/hiking shoes, and appropriate hiking gear are suggested for the day.

To access Beaverhead Park, the turn-off on Highway 41 has no marker. Your phone's maps will take you close to the park, but the turnoff is a dirt road just after the curve marked to slow down if you are coming from Dillon.

BUTTE RESCUE MISSION RECIEVES $20,000 GRANT FROM THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS TO ASSIST WITH INCREASED DEMAND FOR SERVICES

The Butte Rescue Mission received a $20,000 grant from the Church of Jesus Christ of Latter-day Saints amidst its COVID-19 driven increase in demand for critical services The Butte Rescue Mission provides to the region.

"This gift couldn't have come at a better time," said Brayton and Syd Erickson, co-directors of the Butte Rescue Mission. "We will do all we can to stretch every dollar to meet as many needs as possible. And we are deeply grateful to the Butte Montana Stake of The Church of Jesus Christ of Latter-day Saints for its generosity. This is a beautiful example of community partnership in this unique and challenging time."

The Church of Jesus Christ of Latter-day Saints views the Butte Rescue Mission and its many contributors as critical partners in a cooperative effort to minister to the spiritual and temporal needs of the community. The Butte Montana Stake of the Church, similar to a Catholic Diocese, includes congregations in Butte, Dillon, Whitehall, Sheridan/Twin Bridges, Lima, Jackson, Deer Lodge, Anaconda and Philipsburg, including a branch that ministers to incarcerated individuals at the Montana State Prison.

"It is a great blessing for our members to be partners with our community, members of other faiths and all who seek to serve their fellow men and women," said Scott Steinfeldt, who is the current President of the Butte Montana Stake of the Church of Jesus Christ of Latter-day Saints. "We wish to continue to partner with the Butte Rescue Mission in ways that expand its ability to provide critical services to our region. This grant is a small way for us to do that in a time when so many members of our community face unexpected challenges."

PLEASE NOTE: The City of Dillon understands that citizens have the right under the Montana Constitution to observe and participate in local governmental affairs by personally attending all public meetings of the Dillon City Council and other City boards and committees.

After six-seven weeks of very little Council business being completed, the City of Dillon must start, with the Governor's phase 1, to reopen the business of the City. However, please respect that unprecedented public health concerns remain with the COVID-19 virus pandemic. This meeting will be open as normal (pre-virus) to the public with the understanding that more than 10 people will potentially be attending this Council Meeting. If anyone would like to physically attend the meeting, please respect others and wear a face covering at the meeting. For anyone that is cautious about physically attending, a Zoom link will be available so you can stay home while attending the meeting. To use Zoom just join meeting with id: 770-316-6528 allowing permission for mic and camera (or if using computer https://zoom.us/j/7703166528). Any problems or questions, call City Hall at 683-4245. Like all City of Dillon meetings, a recording of these proceedings will be made and preserved for later public review if desired.

Thank you.

Calling Lady Golfers!

We are starting evening league play and morning league play has begun. We are in the process of updating our member lists and if you haven't received an email from us, you probably aren't on our list.

Morning league starts at 10 a.m. on Tuesdays and you need to sign up by Monday afternoon with Dawn Brown at drib63@hotmail.com, 406-925-3278 or on the sign-up sheet posted at the golf course

Evening league will be run on a weekly basis (women set up their own tee times as a team) with 4-man teams and a year end payout (if you don't have a team, please don't let that stop you from play, we can set you up!) Our first evening of "orientation/play" will be Tuesday, June 2nd.

If you are interested in playing evening league this year, please contact Becky Kington at bexk@3rivers.net or 406-792-6550.
