Buzz Kirkpatrick

Promoted to Glory June 18, 2020

His given name was Donald Vernon Kirkpatrick, but his sister Karen could not say Donald, she called him Buzzer instead of brother. So, the nick name Buzz stuck from the time he was born. He was born to Wilbur and Charlotte Kirkpatrick on September 26th, 1945. Raised in Fallon and Terry Montana where he graduated from Terry High School.

Soon after graduation he was drafted in the army and served his country in a tour in Vietnam. He forged relationships in the service that can only come from having one another's back, a bond made for life.

Buzz served as a machine-gunner, and combat veteran.

Anyone who knew Buzz, knows he was an outspoken Republican and loved God and country. He was a member of the VFW and American Legion and served as Quartermaster. His favorite place on earth was the York Ranch outside of Wisdom where he lived many happy years. Another favorite was Robb Creek and he spent many summers at the cow camp above Alder riding for the Robb-Ledford Association. He was a brand inspector for Beaverhead County for many years, which he loved.

Another place that was dear to his heart was Eastern Montana and his friends and family there. Fallon and Terry were a place he always considered home.

He is survived by his wife Paula Kirkpatrick, Buzz had two sons, Dennis (wife Mykal) and Jess, two daughters Kristy McKay (husband Russ), and Ericka Kirkpatrick. Grandchildren Sidney, Troy, Valyn, Madelyn, Jace, Logan, Kaden, and Kenna.

Two sisters Karen Algren, Evie Larson (husband Luke). Brother Lee (wife Lou), and numerous nieces and nephews. He is also survived by his step daughters Sarah (Dan) Reinhold, Meagan (Robert) Blake, Holly (Spencer) Sorensen. Grandchildren Logan, Macy, Zoe, Brooke, Paige, Claire, Sam, Quinn, and Carter.

Buzz was a gentleman and always kind through an extremely difficult illness. He was an avid reader and a true cowboy at heart.

It is important to thank the CNA's, Nurses and staff at Pioneer Care in Dillon. They helped make his walk home a comfort for us both.

Special thanks also to friends Sandi Lapham, Cindy & George Davidson and Mari Edgekoski for their care and visits to Buzz.

Donations can be made to the VFW or American Legion. Private graveside service, with escort by Patriot Guard from Dillon to Wisdom and Military Honors will be held.

Bureau of Reclamation plans to replace the Barrett's Pedestrian Bridge for safety reasons

The Bureau of Reclamation will replace the aging suspension bridge located at Barrett's Diversion Dam, 8 miles south of Dillon, Montana in the fall of 2020. The pedestrian bridge was built in the late 1970's by the Youth Conservation Corps under the direction of Reclamation to allow access over the Beaverhead River and open up additional recreation areas on the east side of the river.

During a bridge inspection; Reclamation inspectors identified wood decay that led engineers to concerns regarding structural integrity. These findings led to the development of potential corrective actions, but repairing the existing bridge was determined to be cost prohibitive. Therefore, the bridge will be replaced in its entirety with a free span steel pedestrian bridge.

"Public safety at our recreation facilities are very important to Reclamation," said Steve Davies, Area Manager for Reclamation's Montana Area Office. "Replacing the pedestrian bridge was the right choice for the public to continue to enjoy Barrett's Park in a safe manner."

Construction will start sometime this fall and is expected to be completed by November. For safety reasons, access to the area will be limited during the construction process.

Beaverhead Trails Coalition

This Saturday, June 27th at 9am,

We need volunteers to build the Cliff Trail re-route. Please see the attachment for maps. The re-route is about 500 feet long, so with enough volunteers, it can be done efficiently! It would involve clearing some sagebrush and digging the path. Our partner, the Beaverhead-Deerlodge Forest Service, will loan us some digging tools. Please bring some shears or other pruning tools if you can.

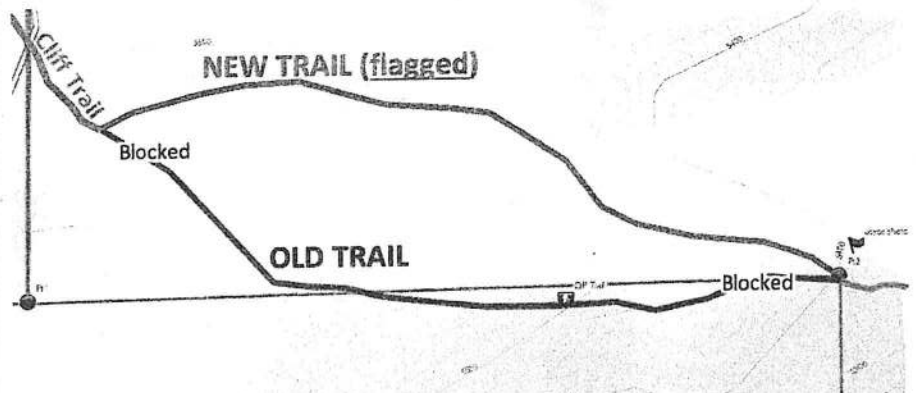

If we receive enough volunteers, a second team will head to the NW Passage Trail to set-up the trail markers across the valley. This project will involve setting T-posts at each marker, so the cows do not knock them down anymore.

Please RSVP, so I know how many digging tools to borrow, and how many people to expect.

Also, bring good shoes and clothing, gloves, a hat, a water bottle...

We will have water jugs to refill your bottles at the trailhead.
