Third case of COVID-19 confirmed in Beaverhead County

Beaverhead County Public Health is investigating a second newly confirmed case of COVID-19 in the county in less than one week.

This brings Beaverhead County's total COVID-19 case count to 3.

The male in his teens was symptomatic and sought testing. He is currently isolated and public health is in the process of notifying and following up with his contacts. The case was reported the evening of July 8.

Exposure source has not been determined.

A close contact is someone who is within 6 feet for at least 15 minutes with a positive case. Close contacts will be notified by public health. Public health does not investigate contacts of contacts.

Beaverhead County Public Health Director, Sue Hansen, reminds Beaverhead County residents to be cautious and remain vigilant as cases in Montana continue to dramatically increase. Social distancing, wearing face coverings, washing hands, and remaining home when sick are 4 of the very simple and proven ways we can reduce the transmission of this disease. "Just because the county has had very few cases does not mean we are immune to an outbreak of COVID-19. Large gatherings such as weddings and crowded bars where social distancing is not being followed have been linked to recent cases in Montana," she said.

Community-wide testing for COVID-19 will begin this Friday, July 10th at Beaverhead County Public Health located at 41 Barrett Street. Testing will begin at 11am to 1pm. A large testing event is being planned for Friday, July 24th for community-wide testing. This testing is for asymptomatic persons only. More information will be issued at a later date. Those who have symptoms are asked to seek testing at Barrett Hospital and Healthcare by calling their healthcare provider. Those experiencing severe symptoms are asked to seek emergency medical care at the hospital.

FREE Community-wide Drive-Thru COVID-19 Testing

COVID-19 testing will be offered by the Beaverhead County Public Health department (41 Barrett Street) parking lot on Friday, July 10th from 11am to 1pm.

This testing is for ASYMPTOMATIC (no symptoms) testing ONLY and will be available to anyone who requests it, however there may be a chance that all tests kits will be used before 1pm.

If you have symptoms, please call your healthcare provider to arrange testing through Barrett Hospital. Those experiencing severe symptoms are asked to seek emergency medical care at the hospital.

CRUISIN' FOR A CURE!

Today is the day! Join us at 7 pm to cruise through Dillon, maintaining social distancing while coming together to find a cure for cancer. The cruise starts in the Chamber of Commerce parking lot, where SURVIVORS will get a purple balloon for their side-view mirror. Proceed down Montana street to the stoplight, then turn right on Helena Street. Go to the three-way stop and turn around in the high school gym parking lot and cruise up Helena Street again! You can join the cruise at any point. Let's keep it going for at least 45 minutes!

Feel free to decorate your vehicle to honor those that have been diagnosed with cancer. Make signs to hold out vehicle windows or put on your car. Wear purple, an old Relay tshirt, or just dress silly to add to the fun! This is a chance to show off vintage automobiles too!

Donation buckets will be available for Relay for Life and the local Pink Firetruck in the parking lot across from Womack's printing. Luminaria will be sold for \$5 to decorate and display as pennant flags along the route. You can also purchase luminaria before the event at 3D or by calling Misti Wahl at 925-9054. HOPE to see you there!

Community Tennis Camp 2020

btpdillon@qwestoffice.net • (406) 683-9844**Replacement of the aging suspension bridge
located at Barrett's Diversion Dam**

The Bureau of Reclamation will replace the aging suspension bridge located at Barrett's Diversion Dam, 8 miles south of Dillon, Montana in the fall of 2020. The pedestrian bridge was built in the late 1970's by the Youth Conservation Corps under the direction of Reclamation to allow access over the Beaverhead River and open up additional recreation areas on the east side of the river.

During a bridge inspection; Reclamation inspectors identified wood decay that led engineers to concerns regarding structural integrity. These findings led to the development of potential corrective actions, but repairing the existing bridge was determined to be cost prohibitive. Therefore, the bridge will be replaced in its entirety with a free span steel pedestrian bridge.

"Public safety at our recreation facilities are very important to Reclamation," said Steve Davies, Area Manager for Reclamation's Montana Area Office. "Replacing the pedestrian bridge was the right choice for the public to continue to enjoy Barrett's Park in a safe manner."

Construction will start sometime this fall and is expected to be completed by November. For safety reasons, access to the area will be limited during the construction process.

AG Fox Applauds Supreme Court Rulings Protecting Religious Liberty

Montana Attorney General Tim Fox issued the following statement after the U.S. Supreme Court issued two rulings protecting religious freedom:

"Today's rulings are victories for one of our most fundamental civil rights: the free exercise of religion. On behalf of the state of Montana, I filed briefs supporting the Constitutional rights of religious schools and organizations to operate according to their beliefs without undue government interference. I am pleased that the court stood decisively for the Constitution."

In *Little Sisters of the Poor v. Pennsylvania*, the Supreme Court upheld the Trump Administration's rules exempting religious employers from certain laws that would force them to violate their beliefs. The ruling was 7-2. (Montana's amicus brief is available online.)

In *Our Lady of Guadalupe School v. Morrissey-Berru*, the Supreme Court held that religious schools can choose leaders and employees who will teach and uphold their religion's beliefs. The ruling was 7-2. (Montana's amicus brief is available online.)

We will work on Grand Canyon Trail!

Join us on Saturday morning, July 11th - 8am - to improve everybody's favorite trail: the Grand Canyon Trail!

Some passages need widening, and the top of the Dry Waterfall needs improvement.

If we have enough volunteers, we will also pull more Dalmatian Toadflax, Henbane, and Houndstongue (can be done with kiddos - on flat ground ;-)

I will also have a table set up at the trailhead for information on trails, membership, and other ways to get involved! Bring your friends!

We will have lunch and beverages for volunteers :-)
See you then! beaverheadtrails@gmail.com

MUS Healthy Fall 2020 Task Force recommends face mask requirement

The MUS Healthy Fall 2020 Task Force today issued a recommendation for a face mask requirement on all Montana University System campuses. Work on policy details and an implementation plan will begin as soon as possible.

Deputy Commissioner Brock Tessman, who led today's meeting via Zoom, noted that the Task Force has supported face masks as an effective way to curb the spread of COVID-19 since its inception. He emphasized that the reconvening of the Task Force is part of a thoughtful and deliberative process as the MUS continues to evaluate and develop its response to the evolving challenges presented by COVID-19.

Last week Commissioner of Higher Education Clayton Christian called on the Task Force to reconvene based on three factors – the rising number of COVID-cases in Montana, continued evidence on the effectiveness of face masks at curbing the spread, and campus and community dialogue around the possibility of a mask requirement, including discussion at last week's Board of Regents meeting.

"The Task Force, from its beginning, has been genuine in its commitment to hear from students, faculty, staff and the public as we develop our guidelines, and the spirit of that commitment is alive and well," Tessman said, adding that the Task Force may reconvene again, if necessary, in response to new considerations in its work to mitigate COVID-19.

The 12-member Task Force, comprised of leaders from across the MUS, was established by Commissioner Christian in April to develop operational strategies to mitigate COVID-19 risk. The Task Force issued its first set of guidelines June 1 as a framework on which campuses are basing their plans to mitigate risk as students return this fall.

Members expressed clear support for a mask requirement during Wednesday's call, noting a preference for a mask policy that emphasizes a culture of community health and education.

"From the beginning of this Task Force our goal has been to develop a set of guidelines that mitigate risk and present them in a way that is engaging and understandable and encourages participation and compliance," Tessman said. "That's how we'll get the most engagement and slow the spread of COVID-19."

UMW Ranked Among Best Value Schools in Montana

The University of Montana Western was ranked as one of the best value schools in Montana by Bestvalueschools.org.

The list features the top-ranked colleges and universities from Montana. Ranking factors include the combination of the number of online programs, graduation rate, tuition costs and overall quality of programs based on student feedback.

The University of Montana Western offers a Bachelor of Science in Early Childhood Education online, as well as two online associate degrees and five online certificate programs. While receiving the same quality of education as found on campus, online students can access their coursework remotely with 24/7 access. UMW has a tuition cost of \$4,523 per year for 2020-2021 for resident students, making it the most affordable four-year university in the state of Montana.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the nation's only Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. With Experience One, students at Montana Western take one course at a time for 18 days, take a short break and then move on to their next course. By utilizing block scheduling combined with immersive learning, UMW is the only public four year university in the country to employ this model that is focused on student success.

For more information about Experience One and the University of Montana Western, or to schedule a visit, call 877-683-7331 or visit www.umwestern.edu.

IN SEARCH OF 4/28- WC BILL

My husband, myself and three children are planning
to move to Dillon this summer. We are in search
of 3-4 bedroom, pet friendly house to rent as soon
as possible. Remote locations are ok! We are also
looking for employment for both of us. My husband
is a carpenter by trade (regular and finished), but
can also do windows, doors, siding, interior trim,
all phases of construction and can fix or install just
about anything. I am a professional horse trainer
and riding instructor, but also have experience in
management, small animal hospitals, retail, office
and bookkeeping, warehouse, and call centers. We
will be in the area from 7/16/2020 - 7/21/2020 and
can meet for interviews or to look at properties then.
Please call, text, or email me if you would be able
to help or refer us with any of the above. We are
so looking forward to visiting Dillon and meeting the

wonderful people there!

BARRETT
HOSPITAL & HEALTHCARE

Registered Nurse- Ambulatory Surgery

Barrett Hospital & HealthCare
invites applications to fill a

Registered Nurse (RN) position to join our Ambulatory Surgery team. The RN is responsible for the practice of professional nursing which includes assessment, planning, intervention, and evaluation of patients of all age groups (pediatric through geriatric). The RN is trained to cover in ACU/PACU and will provide advocacy and care for the patient, especially during pre-operative treatment, through the immediate and secondary post-operative treatment periods (admission through discharge, whether to another unit or from the facility). The RN participates in regularly scheduled shifts and call coverage rotation. Successful candidates will have a passion for customer service excellence, team work and enjoy working in a fast-paced, professional environment. Minimum Qualifications: Associates degree in Nursing required. BSN preferred. Active licensure in the State of Montana. Candidates will have two (2) years of clinical experience including IV therapy experiences. Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) Healthcare Provider Certification is required. Pediatric Advanced Life Support (PALS) certification is preferred. This position is a Full time position and is eligible for the full benefit package. To apply, please go to www.barrethospital.org and complete an online application. For more information, please email careers@barrethospital.org. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.
