TENDORY FINE ART RECEPTION CHANGES

The plans for a reception and gallery talk at Tendory Fine Art by guest artist, Corby James have changed due to a rise in Covid 19 virus cases locally and statewide. James suggested a virtual gallery talk as an alternative to a traditional event in conjunction with the opening of his show of underwater photography at the gallery. The virtual tour will be live on Facebook at the Tendory Fine Art Facebook page.

Tendory Fine Art will host the show from July 14th through the 24th as planned and invites the public to stop by to view this exciting guest show during gallery hours Monday through Friday from 10 am to 5 pm. and Saturday 10 am to 3 pm.

FWP solicits comment on plan to reintroduce bighorns to Little Belts

Montana Fish, Wildlife & Parks is taking public comment on an environmental assessment concerning a proposal to reintroduce bighorn sheep to the Little Belt Mountains in central Montana.

Historically, bighorn sheep were common in the mountain range, but were extirpated by the early 20th Century. However, the range still contains extensive high-quality habitat. A small number of bighorns have existed and expanded in the mountains since 2015.

FWP's proposal would reintroduce sheep to the Little Belts following the guidelines of the 2010 Montana Bighorn Sheep Conservation Strategy. The intent of the proposed reintroduction is to establish a self-sustaining and genetically diverse herd.

To comment on the draft EA, go online to fwp.mt.gov/news/publicNotices. Public comment will be accepted through Aug. 3. Written comments can be submitted to FWP, PO Box 527, White Sulphur Springs, MT 59645 or emailed to jkolbe@mt.gov.

Boat ramp at Gallatin Forks FAS to close during Nixon Bridge reconstruction

The boat ramp at Gallatin Forks Fishing Access Site will be closed starting July 13 while Gallatin County oversees the reconstruction of Nixon Bridge on the Gallatin River.

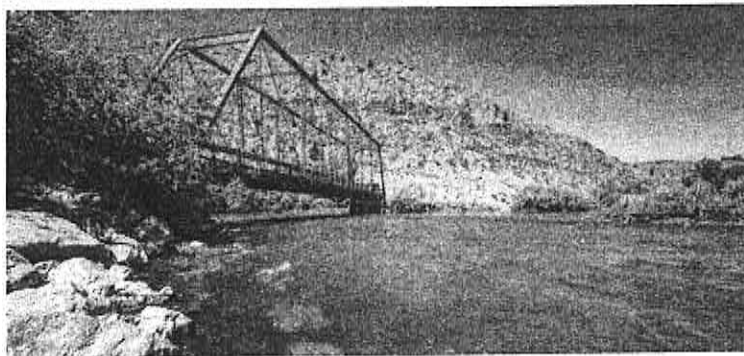

The boat ramp portion of the fishing access site will be closed during construction, but recreationists will still have walk-in access to the site's eastern portion off Yadon Road. The Nixon Bridge takeout and access area will be closed until the project's completion, which is scheduled for late September.

For alternative put-in and take-out locations, please consult Montana's Fishing Access Sites Field Guide, available at fwp.mt.gov or at any regional office of Montana Fish, Wildlife & Parks.

Recreationists may also see intermittent closures of this section of the Gallatin River at various stages of the bridge reconstruction. Closures would occur only in the area of construction and only as necessary in the interest of public safety. A proposal that would allow FWP to temporarily close this portion of the river during construction is currently out for public comment and will be considered by the Montana Fish & Wildlife Commission for final approval at a future public meeting.

Gallatin Forks Fishing Access Site is about two miles north of Manhattan along the Gallatin River.

For updates and current information on this project, please consult Gallatin County by visiting gallatin.mt.gov or Stahly Engineering & Associates by visiting seaeng.com.

My husband, myself and three children are planning to move to Dillon this summer. We are in search of 3-4 bedroom, pet friendly house to rent as soon as possible. Remote locations are ok! We are also looking for employment for both of us. My

husband is a carpenter by trade (regular and finished), but can also do windows, doors, siding, interior trim, all phases of construction and can fix or install just about anything.

I am a professional horse trainer and riding instructor, but also have experience in management, small animal hospitals, retail, office and bookkeeping, warehouse, and call centers. We will be in the area from 7/16/2020 - 7/21/2020 and can meet for interviews or to look at properties then. Please call, text, or email me if you would be able to help or refer us with any of the above. We are so looking forward to visiting Dillon and meeting the wonderful people there!
