Paul Robert Bramsman

JANUARY 15, 1943 –
JUNE 30, 2020

Paul Bramsman of
Spokane Valley, Washington,
passed away June 30, 2020,
following a long, valiant
battle with Parkinson's
disease.

He was born on January
15, 1943, to Paul and Anna
(Mohar) Bramsman in
Havre, Montana. He was
raised in the Dillon area and
attended Dillon schools,
graduating from Beaverhead
County High School as
valedictorian in 1961. Paul
majored in Philosophy-

Mathematics at Carroll College and graduated with high
honors. At Carroll, he was sophomore class vice-president, a
member of the band, and was the editor and managing editor
of the school newspaper, The Prospector. He also placed
97th in a field of 1,439 in the Mathematical Association of
America's Twenty-Fifth Annual William Lowell Putnam
Mathematical competition his senior year (1965). Paul
then went on to North American College in Rome and took
Theological Studies at the Gregorian University. He later
earned a Master's Degree in Mathematics/Computer Science
from Eastern Washington University.

Paul had a variety of careers as he moved through life.
He was a Catholic priest (ordained in Dillon, July 1969), an
accountant at Sears and Roebucks Spokane, and a computer
software engineer at Kaiser Aluminum Spokane. He also
started his own company, Plan B. Plan B solved software
program issues for businesses when Plan A software failed
to perform. Paul also taught computer science at Gonzaga
University as an adjunct professor.

On August 30, 1986, he married Margaret Gow from
Butte, Montana, at Saint Anthony Catholic Church in
Missoula by their good friend Father Ed Stupca. When he
married Marg, his life was enriched with an instant family
who admired and loved him! He was an active member of
Saint Anne's Catholic Parish, Spokane.

For years, he supervised and kept church financial
records and was very involved with social justice issues
throughout the Spokane area through the Spokane Alliance.
The aspect of his life he enjoyed the most was his loving
wife, their family, his relatives and friends.

Paul was preceded in death by his parents, Paul and
Anna Bramsman, Dillon, Montana, and numerous aunts,

Clarification on Case Counts in Beaverhead County

Beaverhead County Public Health would like to clear up some confusion on the case counts in Beaverhead County. Currently the total case count in Beaverhead County is 6. A previously counted case has been attributed to another county out of state based on the patient's residence. Currently there are 5 active cases in Beaverhead County.

Yesterday Governor Bullock announced a requirement for individuals to wear masks in public in counties that have four or more active cases. At this time this requirement applies to Beaverhead County residents ages five and older (with some exceptions listed in the order). The order can be viewed in entirety at <https://beaverheadcounty.org/departments/beaverhead-county-covid-19-response/> or on the State of Montana's website.

Beaverhead County Public Health Director, Sue Hansen, reminds Beaverhead County residents to be cautious and remain vigilant as cases in Montana continue to dramatically increase. Social distancing, wearing face coverings, washing hands, and remaining home when sick are 4 of the very simple and proven ways we can reduce the transmission of this disease. Large gatherings such as weddings and crowded bars where social distancing is not being followed have been linked to recent cases in Montana.

The previously planned asymptomatic testing that was planned for July 24th has been postponed indefinitely. As Governor Bullock discussed yesterday the lab contracted with the state to perform such wide testing, Quest Diagnostics is no longer able to keep up with the demands of asymptomatic testing and has announced they will only be conducting testing on symptomatic test kits. We do not know when or if we'll be able to offer asymptomatic testing in the future.
