Byron Royal Hazel

Byron Royal Hazel passed away at home on July 17, 2020 after a short battle with cancer. He was supported by his children and friends the last few weeks. He was born August 29, 1939 to Adeline (Grey) and Royal Hazel in Ewen, Michigan. Byron had four siblings, Shirley, Beverly, William and Lynn.

Byron's father managed a portable asphalt plant for the Payne and Dolan Company. As the plant moved multiple times a year, the family, who lived in a trailer, moved as well. Therefore, Byron attended many schools throughout the Upper Peninsula and Wisconsin. He graduated from High School in Escanaba in 1958 and attended the University of Michigan at Ann Arbor.

Byron followed in his father's footsteps and work in the asphalt paving business until his retirement from the local 324 operators union.

Byron married Sandra (Sandy) Jean Swaer in 1961 and they had two children, Brenda born in 1962 and Alan the following year both born in Racine, Wisconsin. Byron worked the winter months several years for Ferry Morse seed company in Racine. The family lived to Garden, Michigan and they bought and moved into his current home in 1970. Byron and Sandy later divorced in 1976.

Byron dated Sharon Haas (Kendall) for many years and in 1985 had a son Ryan Haas.

In his early years Byron enjoyed hunting and fishing with his father and brother Bill. After his retirement he enjoyed planting and caring for his garden. He also shared happy hour with special friends and learned to enjoy a round or two of golf with neighbors.

Byron is survived by his daughter Brenda Womack (James Smith) sons Alan Hazel all of Dillon, Montana, Ryan Haas (Jenny) Manistique, 5 grandchildren Dillon (Makayla) and Jennifer Womack (Caleb Sill), CharRae Hazel, Aydin & Paeyton Haas, brother William (Cindy) Waukesha, WI, sisters Shirley (Glen) Campbell, Marguette, Lynn (Lynn) Wakefield, Morganton, NC.

Byron was preceded in death by his mother and father, sister Beverly, son-in-law Joe Womack, nephews Daniel & Patrick Pier and Larry Campbell.

Cremation has taken place and a celebration service will announced at a later date. In Lieu of flowers donations may be made to Schoolcraft Memorial home health & hospice. 7870 West Highway US 2 Manistique, MI 49854 or a charity of donor's choice.

122 N. Montana St Dillon, MT 59725

San Diego, California, in 1978.

She was a member of the Congregation of Jehovah's Witnesses in Dillon, MT for many years of her life.

She loved learning about the promises ahead for all those who love and worship Jehovah. She very much looked forward to the resurrection, and seeing her loved ones who have passed.

Linda also loved the outdoors, animals, and mostly her 3 cats; Jubal, Cisco, an Autumn. She loved painting, crafting, shopping, and above all giving gifts and special items to the ones she loved. She was known to those who knew her as a kind, loving, and funny individual.

Her last thoughts to pass on were, "Stay built up, firm in Jehovah's organization, pray incessantly. I hope to see you in paradise very soon."

Linda's daughters cared for her in her final days and were with her when she peacefully passed away.

When I'm Gone
When to the end of my Journey
And I travel my last weary mile,
Just forget if you can, that I ever frowned
And only remember the smile.
Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had heartache
And remember I have had loads of fun.
Forget that I've stumbled and blundered
And sometimes fell by the way.
Remember I have fought some hard battles
And won, ere close the day.
Then forget to grieve for my going,
I would not have you sad for a day,
But in summer just gather some flowers
And remember the place where I lay,
And come in the shade of evening
When the sun paints the sky in the west.
Stand for a few moments beside me,
And remember only my best.

RE: Montana's Biggest Weekend

With the rodeo approved, we have started planning this years event. It may not be realistic to pull off without some outside volunteers from throughout the community. Due to the pandemic we will not have any youth volunteers this year and we are in desperate need for volunteer help. You must be over the age of 18. If you are interested in volunteering this year please contact our Volunteer Chairman Kyle Zimmerman at 406.660.0892 or email him at zimmermankyle14@gmail.com. "Service to Humanity is the Best Work of Life!"

Visitor Restrictions

To protect the health and safety of Barrett Hospital & HealthCare's patients, guests, coworkers and community, we are restricting all visitors. This helps us to prevent and slow the spread of infectious illnesses such as COVID-19.

Visitors are not allowed at any Barrett Hospital & HealthCare care site. This includes both the Hospital and Clinic buildings. Compassionate exceptions are coordinated and authorized with the clinic or department manager before entry into any building.

For patients hospitalized at Barrett, care teams encourage patients and families to connect via personal devices for phone calls and video chat (FaceTime, Google Duo, Facebook Messenger, etc.)

Dillon Art Walk is canceled

The Dillon Art Walk is canceled. With deep regrets, we have canceled the Art Walk that we planned for July 25 in conjunction with Dillon History Days. Many of our artists and volunteers are in "at risk" groups for covid, and we do not want to jeopardize either them or our patrons by inadvertently sharing viruses. We WILL have an Art Walk when we feel it is safer to do so. Meanwhile, come visit the gallery at 35 East Bannack St., or visit our website at tendoyfineartgallery.com.

Southwest Montana Veteran's Home Update #59

By Mike Lawson

Greetings once again to you the Veterans/Communities/Counties of SW Mt who are the chief organizers and supporters of the SW MT Veterans Home.

Every week there seems to be a new twist on things and with the our Governor mandating everyone to wear a face-mask, it was interesting to see some of the construction workers on our Vet Home wearing face-masks. The other place I saw people wearing face-masks, that was impressing, was at the Rest Stop near the Anaconda turnoff near Opportunity. We, the Marine Corps League, were doing one of our five coffee/cookie stop fundraisers we do in the summer. I was surprised that about 98% of the folks coming through were wearing face-masks, which was very encouraging in the battle against Covid-19. It is alarming at the high death rate at some of the rest/nursing homes around Montana and the nation and the reality, we're building one for our Veterans, who at this stage of their lives need a safe wonderful place to go. Who ever does end up getting the contract to run this our Vet Home, you can rest assured the SW Vet Home Foundation and Veteran Organizations in this area will watch with an eagle eye in making sure our resident Veterans are getting the best care possible and are safe. With that said, it's time for some construction updates. As always I get great briefings from Site Construction Mike Ascheman and Carpenter General Foreman John Kotka. SW Mt Vet Home Liaison Mark Gollinger and I did a walk-through on Friday. Some good stuff happening all over the site as you'll now read about.

Construction Activities:

Community Center: - Interior; This building is well into the finishing stages of construction. The painters are pretty much done. John said the fire extinguisher cabinets will be installed this week. Still some trim-work on the windows and doors to finish -up on but that is close to being done. Most of the doors have arrived except for a couple and have been hung with the door hardware installed. The two main bathrooms are all tiled, with the other two expected to be done this week, providing the waited on material has arrived on site. The back- order situation is a common problem that interferes in getting things accomplished in the expected time

frame allowed for that particular job sequence. The fiber reinforced piastic (FRD) wall panels and ceiling hatch were installed in the janitors room, as well as the permanent steel rung wall latter going to the mezzanine. This is where all the mechanical equipment for the building is located. John expects all the cabinets to be set this week.

Exterior: Construction material is going to be moved out from under the Portico entrance area so the siders can finish this last portion of siding for this building.

Cottage #1: The dominate work being done here is the drywall taping/mud work. A lot of it is done and the painters are expected to do some painting this week or next. Mechanical/electrical work tune-up, by a couple of the plumbers and electricians, is on-going. All the exterior doors are set. Exterior; Siders are pretty well wrapped up on this building.

Cottage #2: A couple of sheetmetal guys are working on ductwork. Plumbers are running their water and gas lines from the mains to the bathrooms and to the heating units.The pipe insulators are insulating the pipe through-out the building and the seismograph ceiling T-Bar metal grid frames are being installed.

Exterior; The siding-crew are moving well in getting this building sided with a real catchy green and grey color combination. You can see it pretty well from the Blacktail Loop Road.

Cottage #3: -Interior; A couple of Plumbers/Sheetmetal guys are finishing up some piping and ductwork. Pretty quiet here at the present. Metal ceiling and lighting install in the bedrooms are complete. Exterior; Waiting to be sided.

Cottage #4: - Interior; Mechanical insulation and control installs are on-going. The Mexican sheetrock crew from Bozeman is going to start hanging sheetrock this week. They were waiting for the inside of the exterior walls insulation and the sound insulation on the interior walls to be completed before coming back and that is now done. . Exterior; Exterior soffit framing is now complete.

Cottage #5:-Interior; Framing of blocking, backing, soffits and other miscellaneous framing is completed. The Plumbers/Electricians/ Sheetmetal guys are heavy into

their rough-in work. Fire-painting of the trusses is close to being done. The setting of doorframes is scheduled for this week. Exterior; the roofing has been held up due to the back-order of "style D flashing" not showing up. Again this type of back-order problem puts things on hold. Should be in this week, which will allow the roofer to complete shingling this roof.

Maintenance/Receiving Building: this building saw a lot of activity this past week and will continue to see that continue this week. All the exterior/interior walls are standing and the roof trusses arrived on Thursday afternoon. GF John Kotka is hopeful that all the roof trusses will be rolled up into place and sheeted with plywood, by the end of this week. He also wants to set the door frames through-out this building, this week.

Elk Horn Electric; All the underground high-voltage and low voltage conduit, to all the buildings, has been run and at a later date they'll pull wire through that conduit to each building. They set two exterior "Electrical Switching Gears" on cement pad next to the Electrical Vault Building Site cement slab floor.

Zemlijak Excavating: Doing some fun-to-watch setting of pre-cast cement retainer blocks in the building the retainer wall at Cottage #1. Drive by on Black Tail Loop Road and take a look as it's very impressive. They also leveled/ prepped pads for the Air Handler/Air Condition Units, for each cottage.

Not much happening on the state or political end, other than the face-masks. Still waiting for the Contract Operation Bid to be awarded. So far the fire season has been quiet. Hopefully you're all doing well and enjoying the weather. With that I'll close.
