Cleo Strickland

Cleo Strickland was reunited with her father on July 7, 2020. She was born on November 8, 1931 in Killdeer, ND and was 88 years old when she died of natural causes. She was surrounded by family at the time of her death.

Cleo was raised in Grassy Butte, ND then moved to Sidney Montana with her parents Carl and Verna Neckels in 1948. She had completed 2 years of high school by correspondence at that time and she graduated from Sidney

High School in 1950. She attended St. Patrick Hospital Nursing School in Missoula where she earned her nursing degree in 1954. Cleo's nursing career spanned nearly four decades. At the culmination of her career, she was the Director of Nursing at Galen State Hospital. She led the nursing staff through multiple changes and turbulent times as the director, with many changes and employee strikes. During her tenure the hospital transitioned from a primary care hospital, to a tuberculosis ward, to a drug and alcohol treatment center. Cleo was known for her witty sense of humor, exceptional work ethic, and compassionate care and leadership for all she served. She retired in 1993 when the hospital closed.

Cleo was very proud to have been the Director of Nursing at Galen, but was more proud of her kids and grandkids. She never missed an activity that they participated in, from little guy wrestling to college football and basketball. She loved hosting family gatherings, holiday dinners, and late night breakfasts at the ranch. In the Deer Lodge Valley, Cleo had the reputation of being the person that anyone could call if and when they needed help. Cleo also enjoyed her flowers. She and Bob planted and cared for dozens of flower baskets annually! At their Arizona home (Bob and Cleo were snowbirds) she kept Bob and his buddies, Reggie and Fred, stocked up with fresh baked goods daily; that is when she wasn't busy with her slightly overweight (nearly 35 pound) cat, Kibbles.

During her later years, Cleo suffered from dementia, yet still maintained her sense of humor. The staff at the Renaissance Care Center and the nurses with Barrett Home Healthcare repeatedly reported that Cleo was one of their "all time" favorite residents/patients.

On October 25, 1954, Cleo married Bob Strickland from Deer Lodge. Together they had five children. Cleo was preceded in death by her parents, Carl and Verna Neckels,

her husband JR "Bob" Strickland, and her son Robert Keith Strickland. She is survived by her brothers Cecil (Eva) Neckels, John (Carolyn) Neckels, and Howard (Jarita) Neckels; her children, Lynnette (Fred) Sorenson, John Strickland, Debi (Russ) Richardson, and Carla (Wade) Anderson; her grandchildren, Lacey Green-Fields, Lynsey Green, Shaun Strickland, Keith Strickland, Alicia Eckman, Karl Richardson, James Richardson, Winston Anderson, and Cord Anderson. She is also survived by her 9 great grandchildren, numerous cousins, her late husband's extended Strickland family and many nieces and nephews.

A private memorial service for the immediate family will be held at Hillcrest Cemetery in Deer Lodge on August 8th at 1 PM. A celebration of her life will be held at a later date. The family wishes to extend our sincere thanks and appreciation to the staff at the Renaissance Care Center in Dillon, the nurses at Barrett Home Healthcare, and Dr. Megan Evans at Dillon Community Health. In lieu of flowers, memorials are encouraged to support students pursuing nursing education in Montana.

Surplus drawing licenses and permits handled in new way

Hunters interested in purchasing licenses or permits left over from the special license and permit drawing will find a different process this year. The old process was vulnerable to long lag times, confusion, and a perception of inequity for those unable to use the first-come, first-served online option starting at 5 a.m.

New this year, hunters need to sign up for licenses and permits through MyFWP on the FWP website. The resulting Surplus License List will be randomized with hunters at the top of the list contacted via email with instructions to finalize their purchase within a specified time.

To be placed on the Surplus License List, resident and nonresident hunters can sign up through the MyFWP

portal: <https://myfwp.mt.gov/fwpExtPortal/login/login.jsp>. This new process requires hunters to keep their email address current in their ALS record. Payment of the license fee is not required to sign up on the Surplus License List. Obtaining a license from this list has no effect on your existing preference points.

Hunters must finalize the purchase of the license/permit within the timeframe specified in the email, otherwise, your opportunity will be offered to the next hunter on the randomized list. FWP may offer opportunities that have not sold out through the Surplus License List to over-the-counter customers at our internal and external license sale providers.

The timeframes to sign up for the various Surplus lists are as follows:

- Deer & Elk Permits, Deer B & Elk B License: July 21 – Aug. 7
- Antelope, Antelope B, Swan, Crane, Special Mountain Lion: 12 – Aug. 24
- Nonresident Hound Handler License: 16 to Sept. 28

Nonresidents who hold a NR Native license, Youth Combo license, or NR College Student Combination license may purchase Deer B and Elk B licenses at half price.

For more information, contact the FWP licensing office at 406-444-2950 or fwplc@mt.gov.

What Are Your Options in Times Like These?

The headlines show how our world can change quickly. We aren't hearing much about the upcoming financial crisis that we are already in. This Saturday, July 25 at 1pm, Harv Lake will be at Mac's Last Cast to discuss some options people are using to survive and thrive. We will be discussing:

- The dollars past, present and future.
- Is bitcoin an option?
- Gold and silver, is one better than the other.
- Some thoughts on the stock market.
- Why is a business a good idea in times like these?

During this day when we are celebrating Dillon's history, spend some time learning even more. This will not be financial advice. It will be what the past tells us about our future and what you can do about it now. Come early and bring the kids to see the display of bullion and numismatic coins.

Door prizes for those who attend including a 1oz. 100yr Boy Scouts of America commemorative Graded Proof Coin.

Montana made films showing during Dillon History Days

Big Sky Cinema is participating in Dillon History Days with a history display set up in the lobby of all the movie theatres through out Dillon's history. Stan Smith also made a deal with Director Steven Spielberg to show the 1989 film, Always, shot entirely in Montana. Smith appears in the story of fire fighters and smoke jumpers with footage of the 1988 Yellowstone fires utilized as the backdrop to the storyline. Smith also will be showing the film, Useless, about a young girl and her horse shot entirely in Montana recently. Smith is an Associate Producer of this special family film shot near Kalispell.

Both films represent Montana's role in big budget and independent film production. 30 years apart these productions made economic impacts on the local economy utilizing local crew and talent such as Stan, who has worked in front of and behind the camera since 1979. Smith has been operating the Big Sky Cinema since 1984 while continuing as an independent film maker and rancher. In recent years he has helped bring both large and small productions to Dillon and Beaverhead County where he has cast dozens of local citizens as actors and crew. These productions have brought new money into the local economy each time.

Stan co chairs the Dillon History Days (community affairs committee) created to raise funds to update the historic city hall and make the upstairs ADA accessible for community events. Committee members, cochair; Mitch Staley, Stacy Roundy, Brenda Womack, Debbie Sporich, Raymond Graham, Candi Whitworth, Russ Schwant and Bill Shafer will all be on hand throughout the three day event. They encourage everyone to come join in the fun and practice social distancing, wearing masks and utilizing the sanitizer/cleaning stations locating throughout the downtown event. Our goal is to create an extraordinary event during extraordinary times. Have fun and be safe everyone.

Dillon Art Walk is canceled

The Dillon Art Walk is canceled. With deep regrets, we have canceled the Art Walk that we planned for July 25 in conjunction with Dillon History Days. Many of our artists and volunteers are in "at risk" groups for covid, and we do not want to jeopardize either them or our patrons by inadvertently sharing viruses. We WILL have an Art Walk when we feel it is safer to do so. Meanwhile, come visit the gallery at 35 East Bannack St., or visit our website at tendoyfineartgallery.com.

Attorney General Fox Announces Multi-State Settlement with Behavioral Healthcare Corporation

Attorney General Tim Fox announced today Montana joined with other states and the federal government to settle allegations of fraud against Universal Health Services, Inc. (UHS, Inc.), and subsidiary UHS of Delaware, Inc., to settle allegations involving improper admissions and discharges at its inpatient and residential psychiatric and behavioral healthcare facilities.

Pennsylvania-based UHS is one of the nation's largest providers of hospital and healthcare services. The settlement resolves allegations that from January 1, 2007 through December 31, 2018, UHS and some of its entities submitted, or caused to be submitted, false claims for services provided to Medicaid beneficiaries resulting from:

- The admission of beneficiaries who were not eligible for inpatient or residential treatment;
- Failure to properly discharge beneficiaries when they no longer needed inpatient or residential treatment;
- Improper and excessive lengths of stay;
- Failure to provide adequate staffing, training, and/or staff supervision;
- Billing for services not rendered;
- Improper use of physical/chemical restraints and seclusion; and
- Failure to provide inpatient acute or residential care in accordance with federal/state regulations, including failure to develop and/or update individualized assessments and treatment plans, failure to provide adequate discharge planning, and failure to provide required individual and group therapy.
- The government alleges UHS's conduct violated the Federal False Claims Act and Montana False Claims Statute 17-8-403, resulting in the submission of false claims to Montana Medicaid. The settlement totals \$117,000,000; Montana will receive \$73,896.15.

"This corporation provided services to vulnerable Montana youth with mental and behavioral health challenges. Whistleblower settlements like this are important because they seek to hold companies accountable for their allegedly improper conduct while

also distributing funds back to public programming," said Attorney General Tim Fox. "I'm pleased that the Montana Department of Public Health and Human Services will now receive nearly \$74,000 in restitution and other recoveries for the Medicaid program," Fox added. DPHHS administers the Medicaid program in Montana.

The settlement results from eighteen whistleblower lawsuits originally filed in the United States District Court for the Middle District of Florida, Northern District of Illinois, Eastern District of Pennsylvania, Northern District of Georgia, Middle District of Georgia, Eastern District of Virginia, Western District of Virginia, Western District of Michigan, and Eastern District of Michigan. Fourteen of the eighteen whistleblower suits named at least one plaintiff state; all but three were transferred to the United States District Court for the Eastern District of Pennsylvania. The National Association of Medicaid Fraud Control Units participated in the investigation and settlement negotiations on behalf of the states.

Thanks to an amendment to the Montana False Claims Act requested in the 2013 legislature by Fox and sponsored by Representative Cary Smith (HD 55), the federal government now allows Montana to keep a greater share of damage awards and settlements in this and similar fraud cases.

RE: Montana's Biggest Weekend

With the rodeo approved, we have started planning this year's event. It may not be realistic to pull off without some outside volunteers from throughout the community. Due to the pandemic we will not have any youth volunteers this year and we are in desperate need for volunteer help. You must be over the age of 18. If you are interested in volunteering this year please contact our Volunteer Chairman Kyle Zimmerman at 406.660.0892 or email him at zimmermankyle14@gmail.com.
