Samuel Robert Sampson (Sam), 46

The Sampson family gained a guardian angel on July 9th, 2020 at the age of 46. Samuel Robert Sampson (Sam), was loved by many throughout the Big Hole Valley and surrounding communities. Sam grew up with the support of his community in which he returned whole heartedly. Life didn't always come easy, but he had six reasons to push on.

Sam is preceded in death by his mother, father, uncle, and one brother. He is survived by his adopted father, his six kids; Kylee (24), Samantha (23), Kylie Jai, (18), Breeonna (15), Tayler (14), and Trevyn (10), four sisters, two brothers, one aunt, two uncles, six nephews, three nieces, two great nieces, three best friends and their families, and numerous cousins.

Upon Sam's request there will be no services held. The private spreading of ashes will be held at a later date. In Lieu of flowers please reach out to Connie Holland at connieholland49@gmail.com or Jodi Palmer at jodigirl0628@live.com about making donations to the young family.

COVID-19 Numbers in Beaverhead County

Sadie Caltrider, Beaverhead County PIO

July 30, 2020

At the writing of this press release Beaverhead County has confirmed 43 total cases since the beginning of the COVID-19 pandemic.

Currently there are 18 active cases in Beaverhead County with 3 people currently hospitalized.

The dramatic increase in local cases over the last few weeks has created an overwhelming workload for Public Health. Additional people have been called in to assist in contact tracing efforts. We want to take this time to urge people to remember to continue social distancing as much as possible and wearing face masks in public or if you cannot socially distance in groups of people that do not live in your household. Some cases have led to many close contacts because social distancing and mask wearing were not followed. Remember that your choices affect those around you.

As with every case if you are not contacted by public health, you are not considered a close contact. A close contact to a positive case is considered someone who is within 6 feet for at least 15 minutes without a mask.

Please do your part in keeping your community safe. Isolation of cases and quarantine of their close contacts can impact large segments of our community and could even lead to interruptions in services we rely on if those workers are quarantined. Continue to be vigilant hand-washers, remember to wear your masks in public, stay a cow's length away from people that don't live under your roof, and stay home when you're not feeling well. These are four simple steps that we can all do will help slow the spread in our community.

SCAMMERS ARE USING SPOOFING

Barrett Hospital & HealthCare notifies the public that scammers are using a technique called spoofing to gain phone access to local residents. Recently, residents have been receiving phone calls and or text messages that appear to be from Barrett Memorial Hospital or Barrett Hospital & HealthCare. Scammers can make a call appear to be from any number on the caller ID. Be assured that Barrett Hospital & HealthCare is not giving away a vacation, cruise, selling medical bracelets or calling to people to update their personal information such as social security number etc. or to discuss their credit activity or history.

To read more about spoofing, visit the Federal Communications Commission website at <https://www.fcc.gov/consumers/guides/spoofing-and-caller-id>

These decisions were made with the health and well-being of student-athletes, coaches, administrators and sports communities being placed as a top priority.

School administration and safety teams are working hand-in-hand with local community health departments in our various communities along with keeping up to date with the latest Center for Disease Control (CDC) guidelines that are being sent out from the national office regarding the COVID-19 pandemic."

The Frontier Conference will continue to closely monitor and adjust as necessary to protect the health and safety of all involved in our athletic programs.

Cross Country

Practice and contest start dates are those set out by the NAIA Guidelines. These dates may be subject to change as recommended by the institutions and local health officials. The Frontier Conference will plan to participate in the post-season whenever the NAIA championship dates are set for next spring.
