UMW Counseling Offers Year-Round Virtual Services to Students

The University of Montana Western's Student Counseling Services continues to support students remotely year-round.

UMW counselors Heidi Peterson, left, and Jerry Girard, right.

Jerry Girard and Heidi Peterson are licensed counselors in the Student Wellness department at Montana Western. Girard has been with UMW since 2010 and is the Director of Student Counseling and Peterson joined the team as a student counselor in 2017. Girard and Peterson serve students through confidential, professional relationships that empowers students to accomplish mental health, wellness, education and career goals by overcoming personal obstacles.

When Montana Western and the rest of the nation was adapting this spring due to the COVID-19 pandemic, Girard and Peterson knew that it was critical to keep counseling services available to students as they navigate the uncertainty of a global pandemic. Fortunately, Student Counseling Services had already expanded its offerings, offering remote eCounseling services starting in January 2019 so that distant and online learners could have access. This made the transition seamless and provided all Montana Western students with access to eCounseling resources right away.

"When schools started to transition to remote delivery, we were the only university in the Montana University System that was already providing virtual counseling services," Girard said.

Girard and Peterson were pleased to see the amount of students that adopted the remote eCounseling services so quickly, noting that there was little drop off in the number of students they typically see. Peterson attributes this to the culture UMW has established around its counseling services.

"Montana Western is so great because everyone here really supports the counseling services. Faculty, staff, and other students often refer our services to others on campus because we're all here to help each other," Peterson stated.

Girard and Peterson provided some quick tips for supporting your mental health during the new normal. First, take care of your body. Try and eat nutritious meals, exercise frequently and get enough sleep. Take a break from social media and television to give your mind a break. Lastly, stay connected to your important relationships and always reach out whenever you need to talk.

If you would like to make an eCounseling or in-person appointment you can contact:

Jerry Girard at (406) 683-7181, or email

Heidi Peterson at (406) 683-7180, or email

Sagebrush and Snowdrifts 4-H News

By Secret Petersen, Club Reporter

The Sagebrush and Snowdrifts 4-H club had a meeting at the 4-H building on August 3, at 7:00 pm.

Congratulations to Secret Petersen who was awarded honey bears and a bottle of honey for selling the most honey for the club this year.

Our club business included members with animal projects, and members giving demonstrations that didn't give them last month. Members must have their project manuals turned in by August 17. The fair will be different this year so if you have questions concerning your fair entries call Tami or the Extension Office.

Our next meeting will be October 5 at the 4-H building at 7:00 pm.

Dillon Concert Association

The Dillon Concert Association will not be hosting live concerts this Fall due to COVID-19. In place of a full program series for the 2020-21 season, we expect to offer a MINI-CONCERT SERIES for Spring 2021 with live performances in late March and April. Further information including pricing and sponsorship opportunities will be communicated in January 2021.

It is the goal of the Dillon Concert Association to continue providing quality, live musical programs as we have since 1948.

Please contact Laurie Hagenbarth (683-5050), Pat Brown (925-0618), or dillonconcertassociation1948@gmail.com with any questions.

Frontier Conference Fall Sports

The Frontier Conference Council of Presidents (COP) met via videoconference and have released the following statement regarding the fall sports season for 2020.

The Frontier Conference will continue to closely monitor and adjust as necessary to protect the health and safety of all involved in our athletic programs.

Football

At this time the Frontier Conference still plans to play an eight-game round-robin conference schedule among the five Montana schools beginning in the fall of 2020. Practice at our institutions may begin on August 15, 2020 with the first contests now having been delayed a week to September 19, 2020. This delay was recommended by league administrators to give returning students more time to adjust to new health protocols that have been instituted on every campus.

The Frontier Conference will plan to participate in the post-season whenever the NAIA championship dates are set for next spring.

Volleyball

At this time the Frontier Conference league administrators have elected to move the volleyball schedule to the spring. This move was done to accommodate all schools in the Frontier Conference and to further align the sport with the NAIA Championships to be held during the spring. The Frontier Conference will plan to participate in the post-season whenever the dates are set for next spring.

Snowmobile Grants Open for Public Comment Comments accepted through September 8

Montana State Parks is seeking public comment on 25 grant applications for Snowmobile Trail Grooming funds for the 2020-2021 winter season. Public comment will be accepted through Tuesday, Sept. 8, 2020, at 5 p.m.

The Montana Snowmobile Program, as administered by Montana State Parks, was established in the early 1970s and is an essential component of both motorized and non-motorized winter recreational activities in the state. Montana's groomed trails provide important access and recreational opportunities for users such as snowmobiles, cross-country skiers, snowboarders, dogsleds, fat-tire bikes, and snowshoers.

Funding is provided annually to 25 local snowmobile clubs who conduct the grooming of over 4,000 miles of designated snowmobile trails throughout the state. The Montana Snowmobile Program is funded through a percentage of the state gas tax paid by snowmobile users, snowmobile registration fees, non-resident snowmobile temporary use permits, and resident groomed trail passes. The program is separate from Montana State Parks funding sources and revenues. There is \$410,000 available for the upcoming season.

A list of the proposed 2020/2021 winter season snowmobile grooming grant awards is available at stateparks.mt.gov under "Recreation Activities & Grants." Public comments are accepted through Tuesday, Sept. 8, 2020, at 5 p.m.

To comment online visit: stateparks.mt.gov and click on "Public Notices" or by email at snowmobilegrants@mt.gov. Comments may be sent by mail to Montana State Parks, Snowmobile Program, 1420 East 6th Avenue, P.O. Box 200701, Helena, MT 59620-0701.

For more information about the Montana Snowmobile Program click here. Or contact Seth McArthur, Montana Snowmobile Program Manager at 406-444-3753.

Visit Montana State Parks and enjoy camping, hiking, fishing, swimming, boating and more and discover some of the greatest natural and cultural treasures on earth.
