Dillon BLM closes area due to Bear Creek Fire

Due to the rapidly-growing Bear Creek Fire, the Bureau of Land Management's Dillon Field Office has issued a fire prevention order temporarily closing all BLM-administered lands south of Lemhi Pass Road, west of U.S. Highway 324, and east of the Continental Divide along the Montana stateline.

The Fire Prevention Order takes effect at 12:01 a.m. Aug. 14 and lasts until rescinded. The BLM closure is in coordination with other orders issued by the U.S. Forest Service regarding the fire.

The order prohibits public access to the area in order to avoid conflict with the ongoing fire suppression activity associated with the nearby fire which grew from 200 acres to nearly 4,000 acres in less than two days.

Updated information on the Bear Creek Fire is available online at <https://inciweb.nwcg.gov/incident/6951/>

A copy of the closure order and a map of the affected area are available at the Dillon Field Office, 1005 Selway Drive, Dillon, MT 59725. For more information, call (406) 683-8050.

information now available**

Hunters can now get their 2020 Block Management Area (BMA) Hunting Access Guide, individual BMA map and rules information.

Hunters are strongly encouraged to request their 2020 BMA Hunting Access Guide and individual BMA maps and rules via mail, email, phone or by completing the online Access Guide request form and downloading or printing BMA maps at fwp.mt.gov/BMA. For those who've already have ordered one, guides will be shipped beginning Aug. 10.

"Given our current situation with the COVID pandemic, we are trying to limit BMA walk-in traffic to our offices, and hunters are strongly encouraged to utilize our web resources," said Jason Kool, FWP Hunting Access Bureau Chief.

By utilizing the FWP website fwp.mt.gov/BMA, hunters will have instant access to the Access Guide and up-to-date BMA maps and rules for every individual BMA enrolled in the program.

"Obtaining these individual BMA maps and rules via our website are key to successfully utilizing the BMA program as not all rules or instructions for obtaining landowner permission are listed in the guide," Kool said. "The website also features a list of BMAs that are closed due to fire restrictions and provides updates for BMAs that have changed after the access guide was printed."

Hunters may also obtain individual BMA maps at permission sign-in boxes, or via phone, mail or email request to FWP at the contact information below.

Also, for this year, BMAs that take reservations may have varying dates for taking hunter reservations. Reservations cannot start before Aug. 22, but some will be scattered throughout the season to better accommodate hunter demands.

"Hunters should check their Access Guide or view the individual BMA map and rules online to determine when a given BMA will start reservations – if the BMA takes reservations," Kool said.

Montana landowners who have collaborated with FWP to provide access opportunities deserve a big "Thank you," said FWP director

BEAR CREEK FIRE FIRE INFORMATION FACT SHEET

August 13, 2020

8:00 a.m.

DATE OF DETECTION: Tuesday, August 11, 2020

CAUSE: Lightning

CURRENT SIZE: A late night infrared flight mapped the fire at 3,987 acres

CONTAINMENT: 0%

LOCATION: Lemhi Pass area (29 miles East of Salmon Idaho)

JURISDICTION: Beaverhead-Deerlodge National Forest
COOPERATING AGENCIES: Beaverhead County (MT), Lemhi County (ID), BLM, Montana DNRC, Salmon-Challis National Forest

PERSONNEL AND RESOURCES ON THE FIRE:

The Type 2 IMT (Northern Rockies Team 5) assumed command of the fire at 0600. Resources assigned to the fire include 8 helicopters, three Type 1 Crews, three engines and 139 total personnel. Scoopers and airtankers are available to assist in air operations as needed.

SPECIAL CONCERNS: Public and firefighter safety concerns are the top priority. The fire is burning in timber/heavy fuels. These fuels will continue dry out with low relative humidity and high wind gusts. The area provides poor access and there is a lack of water in the immediate area of the fire. Extreme fire behavior includes crowning and spotting. Crews will work to protect cultural resources on the east side of the fire.

CLOSURES: Temporary trail closure from Lemhi Pass to Bannock Pass (37 miles) on the Continental Divide Trail and other local area closures are in effect. Lemhi Pass Road is closed from Brenner Lane to the Idaho border. The public is strongly encouraged to refrain from entering the area/nearby road system due to heavy fire traffic.
