Frontier Conference fall sports season

(COP) met via videoconference and have released the following statement regarding the fall sports season for 2020.

The Frontier Conference will continue to closely monitor and adjust as necessary to protect the health and safety of all involved in our athletic programs.

Football

At this time the Frontier Conference has elected to move the sport of football to the spring. The leagues administrators have diligently continued to evaluate high risk sports and have exhausted every resource available in making this decision today. The intention of the conference has always been to place the student-athletes, coaches and support staff's safety at the very top of the priority list. This announcement today will allow for all 8-teams to once again operate collectively as a conference in the spring and participate in a schedule providing that safety standards allow for play. The Frontier Conference will plan to participate in the post-season whenever the NAIA championship dates are set for next spring.

Cross Country

At this time the Frontier Conference will participate in cross country meets as well as host the conference meet in the fall of 2020. Practice and contest start dates are those set out by the National Association of Intercollegiate Athletics (NAIA) Guidelines. These dates may be subject to change as recommended by the institutions and local health officials. The Frontier Conference will plan to participate in the post-season whenever the NAIA championship dates are set for next spring.

Golf

At this time the Frontier Conference will participate in conference invitational golf tournaments in the fall of 2020. As in past years the Frontier Conference will hold the conference golf tournament in the spring. Practice and contest start dates are those set out by the NAIA Guidelines. These dates may be subject to change as recommended by the institutions and local health officials. The Frontier Conference will plan to participate next spring in the post-season on the NAIA championship dates that are presently set.

HISTORY GIVES US ROOTS; EDUCATION GIVES US WINGS

"Thank You!" Beaverhead County, taxpayers, citizens of Dillon, and County Commissioners for your support the last couple of years. Being part of local history and getting to know so many wonderful people through the Museum has been very rewarding. I appreciate working with the Board of Trustees, current and former members, as well as the Beaverhead County Museum Association Board, our fundraising partner, lead by Dale Giem. Members of both boards voluntarily dedicate time, skills and leadership not only on behalf of the Museum, but some board members serve this community in other facets or are employed otherwise.

In addition, I would like to extend my gratitude to the volunteers that have dedicated years of service. The Beaver Head Hunters Genealogical Society provided research support and worked on important aspects of the collections here at the Museum for many years. We have been blessed with many amazing community organizations, individuals and college interns whose service keeps this historical fixture operating and aesthetically inviting. Experience Works has assisted with staffing in the past and we have recently been fortunate to acquire and train new staff that are skilled with collections inventory, public relations and administrative tasks. This was important to me in anticipation of my decision not to renew my contract. I also would like to express thanks to my predecessor and former director, Lynn Giles, for her continued support and interest in the ongoing success of the Museum. Finally, working with Commissioner Mike McGinley, Beaverhead County Finance Officer Betty Tinsley and Secretary Cindy Decker has directly contributed to my ability to carry out the responsibilities as this Museum's Director!

There is always so much more to be accomplished at the Museum, especially with collections management and the challenge of inspiring upcoming generations to understand and appreciate the importance of history and Museums. With good intentions, I worked hard to make improvements, implement meaningful change and fulfill all of the requirements expected of the Director which contributed to a significant budget surplus going into this new fiscal year! I have been humbled by the immense responsibility of this treasure and I firmly believe that my time here has proven positive and successful for the Museum as well as me personally.

If you haven't visited the Museum recently, I encourage you to stop in and determine for yourself what it takes to store, preserve, display and make a profit with admissions and sales for such an extensive and diverse history! I will continue to be an avid supporter of history in general and I urge everyone to continue to express interest in your local Museum; the history of generations that have come and gone, and more importantly, the generations that follow. History is ongoing and we can sit idle and witness it fade or do our part to preserve it in a monumentally, meaningful way.

Thank You-
Cheryl Pierce
