BEAR CREEK FIRE

August 18, 2020 8:00 a.m.

SIZE: 7,442 acres (mapped by overnight infrared flight) CONTAINMENT: 10% : Lemhi Pass area (29 miles E. of Salmon Idaho) JURISDICTION: Beaverhead-Deerlodge National Forest COOPERATING AGENCIES: Beaverhead Co. (MT), Lemhi Co. (ID), BLM, Montana DNRC, Salmon-Challis National Forest

PERSONNEL AND RESOURCES ON THE FIRE: Resources assigned to the fire include eight helicopters, two fixed-wing water scooping airplanes, eight Type 2 IA crews, three Type 1 crews, 16 engines and 445 total personnel.

YESTERDAY'S PLANNED ACTIVITY: Active fire behavior is expected in the interior fuels on the east and north ends of the fire. Crews in the north will continue to hold the line and mop-up from yesterday's completed burnout operation, cleaning up and addressing an area of unburned heavy fuel interior to the line. To the west, crews will work to connect line from the 515 road to the Continental Divide, continuing with the multi-day project, with support from heavy equipment. To the south, crews will continue to improve the fuel break to the Continental Divide. Helicopters and scoopers are available for aerial support. Two aircraft will be on hand for initial attack of new fire starts, given the predicted lightning in the area.

Fun in the Sun Day Camps

These are all day camps for children entering Kindergarten through 6th grade for the 2019-20 school year. The children are engaged in fun, active, and intellectual games and activities throughout the day. Each week the children will explore a theme and towards the end of the week, they will take a field trip to further enhance that theme. Because of the pandemic, the Y was forced to limit campers and camp is full. We are sorry for any inconvenience this has caused!

Summer Swim Lessons

Please check with us for the possibility of private swim lessons. Lessons fill quickly so call or stop by the YMCA for more information.

Child Watch

The YMCA's child watch has reopened from 9:00am-11:30am every week day except Fridays. Child watch will resume 5 days per week when summer camp has completed.

#STAYWITHUS

The "Y" is committed to your health and well-being. We are so very grateful for our "Y" members that continue to stay with us. The "Y" plays an important role in the Physical, mental and social health of our community. We are relying on you, our members, to help us stay strong and continue serving our community in these turbulent times. Your membership helps ensure we will be here in the future.
#STAYWITHUS

Summer Pool Schedule

The pools are open, please call or stop by the YMCA for lap swimming, recreational swimming, and aquatic group exercise times.

Strong Family Campaign

Exercise your heart in more ways than one, give and join!
The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Please help us reach our 2020 campaign goal of $115,000. Thanks for your continued support of the YMCA!
The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Southwest Montana Veteran's Home Update #62

By Mike Lawson

Greetings once again to you, the Veterans/Communities/Counties of SW MT who are the chief organizers and supporters of the SW MT Veteran's Home. The Drum Roll Beat is getting louder for the marching of the SW Mt Veteran construction workers, in getting our Vet Home closer to completion and ready for the Grand Opening in November. The chief drummers are Site Construction Superintendent Mike Ascheman and Carpenter General Foreman John Kotka. Mike coordinating all the different sub-contractors to work in the right sequence at the right time, getting material in when it is needed and meeting timelines, has to be a nightmare. John Kotka works hand in hand with Mike, roaming the job-site and continually lining his carpenters up with the many aspects of their work as well as working with the various sub-contractors in coordinating what his guys will do to mesh with what these sub-contractors do. These transitions are what make or break the accomplishment of a particular job being done when it's supposed to be done. I also appreciate their weekly briefing about what has happened for this past week and what's expected for this week we're now in. The continual visual effects of the outside work, especially, are impressive. I'll refer to these later in this article.

Construction Updates:

Community Center; - Interior; The remainder of the cabinets and counter tops have been installed. The missing doors have arrived and are being installed. The door hardware continues to be installed. We were able to see the bathroom shelving being installed by some cabinet guys from Great Falls, as well as the paper and soap dispensers. This week or next will see the Plumbers installing sinks/toilets/urinals. One of the big things that some of John's guys were doing here, was the brushing/scrubbing/mopping of the cement floors throughout this building. This was done for the preparation of the laying of laminate and carpeted floors. The Electricians have the Electrical Breaker-Box Panels to get hooked up w/breakers installed after that. Durning this phase the lights will be installed. The Plumbers are continuing with the HVAC trim-out this week.

Exterior; We visited with the Siding Crew Foreman and his plan is to finish the siding on the Front Entrance/Portico area this week, which will make this building 100% sided. On the outside also, Zemljak Excavating set decorative precast cement blocks for a bench-type retaining wall around the back entrance. Inside this will be cement sidewalks. On the east-side of this building they set a Decorative Pre-Cast Wall around the Patio. This building is really coming together.

Cottage #1; - Interior; Bathroom tiling process continues. Taping and mud-work is close to being done. The painting is done in the resident wings and Collins's Painting was supposed to paint the Living and Dining areas the week-end, preceding this update. John has the Carpenters busy doing window casing trim-outs. The Electricians still have some Entry Door area work to do before the Carpenters can finish that area up. HVAC trim-out continues.

Exterior: The siders finished installing the sheetmetal roof-facia covering. This building is now 100% sided.

Cottage #2;- Interior: The Fire Sprinkler is complete in the bathrooms. The metal seismograph metal ceiling grid is getting sheet-rocked. Some taping/mud work is ongoing. The exterior door hardware was installed.

Exterior; The siding crew are close to having this building sided with the exception of the roof eave facia covering.

Cottage #3; The Mexican crew are hanging sheetrock on the seismograph metal framed ceilings, as well as doing the mud/taping in this building.The Fire-Sprinkler rough-in is complete. The Plumbers and Sheet-metal guys continue to work on the Plumbing and Mechanical work.

Exterior; The siders have been working on the trim and wainscoting and expect to start installing the colored siding either this week or next, depending on getting the Community Center siding finished.

Cottage #4; Interior; The initial sheet-rock installation is complete. The insulators for the piping/ductwork/etc. are continuing with this work. The Controls installation is in progress, including the seismogram ceiling for the patient-lift ceiling areas. The electricians are pulling big wire into the Main Breaker Panel from the Electrical Vault Building. This is called the main run into the building.

Exterior; Nothing at this time.

Cottage #5; - Interior; Electricians and Plumbers continue doing their rough-in work. The Sheetmetal work is done in the attic and won't start again until the sheetrock gets hung.

Exterior: Roof is done. Entryway/Patio prep gravel pad-work is done and ready for forms and concrete work to move forward.

Maintenance Building: Roof and exterior soffit framing complete. John expects to get all the exterior doors hung this

week.

Zemljak Excavating; They continue installing the collection boxes for the downspouts at the Community Building as well as for Cottages #2 & #3. They also installed the decorative blocks at the Monument Entry Sign site (It really looks good). Continue prepping for the curbs ahead of R&K Concrete.

R&K Concrete; continue to set up and pour curb and gutter. They have about 800 feet poured with an average of 200 ft to 400 ft poured per week.

Elk Horn Electric: Pulling main-wires (Home-Runs) from Electrical Vault Buildings to all the buildings on site.

The big push is to get curbs done, the pavement done, the sidewalks around the Community Center/Cottage #1/Cottage #2 done and Becker Landscaping on site by the middle of September. It's a big push and we the Veterans are cheering them on. I'll close this for now and wish you all a great week before this summertime disappears. Please be safe durning these Covid-19 dangerous times. Take Care.

Letter to the Editor

Mt. local T.V. stations have been airing a Republican attack ad claiming that Governor Steve Bullock, who is running for Steve Daines's Senate seat in D.C., funneled money to his brother, William's, business - Pioneer Technical Services.

The ad is false. William, who co-founded PTS in 1991, left the company in 2004. Willaim sold his shares in the company in 2009.

Steve Bullock wasn't elected as Governor until 2012.

The ad claims that William received $14 million dollars from state agencies while Steve Bullock was in office.

Obviously claims in this ad do not support the facts.

Governor Bullock never funneled money to his brother's company because he wasn't the Governor until 3 years after William sold his shares of PTS.

Relief. Results. *Restored Confidence.*

Western Vein Care Center now open in Dillon and Butte!

Whether it's causing discomfort—or making you feel self-conscious—you can get relief from varicose veins, spider veins, and other venous conditions from a compassionate staff who treats you like family. Affiliated with multi-award-winning Barrett Hospital & HealthCare, Vascular Specialist Dr. David Fortenberry has 28 years of experience in vein disease and surgery and performs treatments in a comfortable office setting. With no need for general anesthesia, return to daily activities quicker, with renewed health, and restored confidence.

Vein care is covered by most medical insurance providers and you don't need a physician's referral. For more information or to schedule a consultation, call **406-683-1188** or visit **WesternVeinCareCenter.org**.
