Rebecca "Becky" Ann Harrington

Rebecca "Becky" Ann Harrington (née Reid) died unexpectedly in her home on August 20, 2020 in Dillon, Montana at the age of 62.

Becky is survived by her mother, Marie-Jo Reid of Houston, TX; husband, Eric Harrington, of Dillon, MT; children, Tasmine Harrington (Butte, MT) and Caitlain Harrington (Missoula, MT); siblings, Alan and

Gina Reid, Dorothy and Mike O'Shea, Nancy and Gary Jonika, Vivian and Joe Burns, Chris and Tracy Reid, and Liz and Nelson Parada (Texas); as well as numerous nieces and nephews. She is preceded in death by her father, Julius Reid.

Becky was born on November 24, 1957 in Verdun, France to Julius and Marie-Jo Reid. She graduated from Jefferson High School in Tampa, Florida in 1975. Immediately after graduation, her family relocated to Germany. She married Eric Harrington, an Air Force member stationed in Germany in 1977. In 1981, after living in several different European locations, Becky and Eric returned to the United States to a post at Malmstrom Air Force Base in Great Falls, MT. She lived in Great Falls, welcoming two daughters in 1981 and 1988, until 1993, when Eric retired from the Air Force, at which time the family moved to Dillon, MT. After moving to Dillon, Becky attended Western Montana College, where she earned a BLS in Business with a minor in Music. After graduation, she began working for the college in several departments, including Business Services and Facilities.

Becky was an accomplished singer, and was heavily involved in choirs at churches as well as the college's noontime chorale. In recent years, her ability to be involved in various social functions and hobbies had decreased due to increasing issues with MS. She was an avid reader of science fiction/fantasy, romance, and mystery books; loved crossword puzzles and matching games; was a die-hard Seattle Seahawks fan; an animal and nature lover; and a hard worker with a big heart and generous nature.

At this time, there will be no services held. In lieu of flowers, please send donations to the Multiple Sclerosis Foundation at msfocus.org. Condolences can be sent to brundagefuneralhome.com.

LIEAP COVID-19 Emergency Energy Assistance Program

The State of Montana has implemented a LIEAP COVID -19 Emergency Energy assistance program.

All households that received a LIEAP benefit during the 2019-2020 heating season will automatically receive a supplemental COVID benefit and are not eligible for this emergency assistance program.

If you have lost wages due to COVID-19, you may be eligible for this assistance. Applications are available at the Resource Assistance Center, 205 E Center on Wednesdays, 8-5., closed for lunch. Applications must be at the Butte LIEAP office by August 31, 2020.

The regular LIEAP benefit period starts September 1, 2020, and ends April 30, 2021.

The Resource Assistance Center is also a place where you can fill out your Census online, and also pick up a voter registration form! Please call 406-988-0360 for more information.

Fun in the Sun Day Camps

These are all day camps for children entering Kindergarten through 6th grade for the 2019-20 school year. The children are engaged in fun, active, and intellectual games and activities throughout the day. Each week the children will explore a theme and towards the end of the week, they will take a field trip to further enhance that theme. Because of the pandemic, the Y was forced to limit campers and camp is full. We are sorry for any inconvenience this has caused!

Summer Swim Lessons

Please check with us for the possibility of private swim lessons.

Fall swim lesson schedule will be coming soon.

Lessons fill quickly so call or stop by the YMCA for more information.

Child Watch

The YMCA's child watch has reopened from 9:00am-11:30am every week day except Fridays. Child watch will resume 5 days per week when summer camp has completed.

#STAYWITHUS

The "Y" is committed to your health and well-being. We are so very grateful for our "Y" members that continue to stay with us. The "Y" plays an important role in the Physical, mental and social health of our community. We are relying on you, our members, to help us stay strong and continue serving our community in these turbulent times. Your membership helps ensure we will be here now and in the future. #STAYWITHUS

Summer Pool Schedule

The pools are open, please call or stop by the YMCA for lap swimming, recreational swimming, and aquatic group exercise times.

Strong Family Campaign

Exercise your heart in more ways than one, give and join!

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Please help us reach our 2020 campaign goal of \$115,000. Thanks for your continued support of the YMCA!

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Public Access Increased in Northern Idaho

The Bureau of Land Management's (BLM) Coeur d'Alene Field Office announced the expansion of public access in the Rochat Divide/Pine Creek Special Recreation Management. Using Sportsman's Access funds from the Land and Water Conservation Fund, the acquisition of the 633-acre inholding, known as the Reeds Ridge parcel, will secure public access to the parcel as well as open up approximately 3,600 acres of adjacent BLM-managed lands that previously lacked formal access.

"Expanding access to public lands and outdoor recreational opportunities is a priority for the Trump Administration," said BLM Deputy Director for Programs and Policy William Perry Pendley. "This acquisition is part and parcel of that commitment and preserves a vital part of the West's heritage for future generations."

Acquisition of the Reeds Ridge parcel expands public access for recreation and hunting opportunities and conserves big game and habitat. The BLM's acquisition of the parcel will also ensure public access in perpetuity.

Since 1990, Hancock Natural Resource Group has worked with local communities to conserve over 470,000 acres of sensitive lands across North America. This includes 128,000 acres in the Pacific Northwest that through sale or conservation easement directly protect special places such as wildlife habitat, scenic corridors, and threatened plant communities.

"The Coeur d'Alene District appreciates the support of the RMEF as well as the Benewah County Commissioners in securing this key parcel for public access and important wildlife habitat," said Kurt Pindel, District Manager. "Completion of this acquisition will ensure the public not only has access to a range of recreational opportunities on the Reeds Ridge parcel but to all of the adjacent BLM lands as well."

Southwest Montana Veteran's Home. Update #63

By Mike Lawson

Greetings once again to you, the Veterans/Communities/Countries of SW MT who are the organizers and supporters of the SW MT Veteran's Home.

The best way for me to express what's happening on our Vet Home Site is the word "EXCITEMENT". Seeing the pieces of the puzzle of this Veteran Home Construction Site coming together is literally pure excitement for anyone that's been involved with this dream veteran home for the past 10 plus years. In reality, rather you came on board than or just recently, it's exciting. Things have been done and continue to be, inside these buildings that consist mainly of the Cottages, the Community Center and Maintenance/Receiving building. The big thing happening in this summer weather, is the tremendous amount of outside project work, that can easily be seen from outside the gate/fence on Blacktail Loop Road. Drive by and check it out. More will be said about that, later in this article. I am very fortunate to get a weekly inside report from my go-to-guys Mike Ascherman and John Kotka. I also do a weekly walk-through with Liaison Mark Gollinger and get that "see is what you get" experience. Those three sources are what the "backbone" of what these weekly updates are all about.

Construction Updates:

Community Center — Interior: Walking into this building, we walked on vinyl flooring in the entryway and front hallway. This flooring installation will continue for a couple more weeks. All the toilets were set in the four bathrooms with the Plumbers continuing to install the sinks and urinal this week. The soap/paper towel dispensers and bathroom accessories will also continue to be installed. The wallpaper in the Community Room has been hung. The accordion-divider-door that folds into the wall when not in use has been hung. The back-ordered doors have arrived on site and will be installed with hardware this week.

Exterior: The Entryway Portico Driveway cement pad was poured by R&K Concrete. This was a big pour and now they're putting in curb forms, going to this Portico Driveway pad. This curbing should have a cement pour done this week. The work in this area has prevented the Siders from working on the unfinished siding here. They would like to get this buildings siding wrapped up this week or next.

Cottage #1 — Interior: The Tile-layers have all the bathroom floors tiled and are continuing to tile the walls and showers. Remember that's 12 resident room bathrooms, the main building's restroom and the spa area. The Carpenters are continuing the window trim and installing door jams. They're also working on the front entry soffit framing and getting things

to the point of finishing the columns there. The Sheetmetal guys are installing ductwork grills and finish HVAC trim-out work. A small amount of catch-up taping/painting is taking place. Butte Glass was installing glass in the entryway as well as other locations on the exterior of this Cottage.

Cottage #2 — Interior: The Sheetmetal/Plumbers continue on their rough-in work. The sheet rockers are doing a lot of fire-taping above the ceilings, which when done will allow for the T-Bar metal seismograph ceiling frame-work to be installed. This will then allow the sheetrock to be installed to this framework. Dean the control guy was installing low-voltage wiring that will be wired into the controls that are controlling all the Mechanical parts of this building (heating, air-conditioning, etc.). All the ceiling man-lift hardware was installed, which allows the sheet-rockers to install their sheetrock around them.

Exterior: Little bit of siding left to do. Butte Glass was installing glass on the exterior of this cottage.

Cottage #3 — Interior: The Sheet-rockers are sheet-rocking the bathroom seismograph metal ceiling framework. The Plumbers and Sheetmetal Guys continue working on their rough-in work.

Exterior: Siding trim-work continues. Butte Glass was installing glass in exterior doors and windows.

Cottage #4 — Interior: The Plumbers, Sheetmetal and Electricians are doing ongoing rough-in work. Dean the Control guy continues to do Control installation. The fire sprinkler guys are continuing to do sprinkler rough-in. The insulation of the piping/ductwork continues.

Exterior: The Carpenters are working on the front entry soffit. The Siders are starting to put siding trim on.

Cottage #5: pretty much at a stand still for the time being. Some rough-in work going on but not much.

Maintenance/Receiving Building: Exterior man-doors were installed.

Site-work: Zemljak continues to prep the gravel bases for the curbs and gutters, staying ahead of R&K Concrete. The Electricians finished site-light concrete bases, continue to pull wire as well as work on the gears for the electrical transformer in the electrical vault building. Northwest Energy set the main transformer and wired it. This is a big deal as now all the buildings can have electricity turned on to them for lights, appliances and all the mechanical devices, etc.. The Carpenters are framing the walls for the Electrical Shed and will follow this up with the roof

trusses and roofing plywood sheets.

With everything happening on site, most of the parking is outside the fence. These next 3 or 4 weeks are going to be a huge time of visual changes for this site. Make a point to drive by on a weekly basis to see this happen. Remember the visitors "Hooch" is open with packaged goodies to sample, if you like.

With this Covid-19 causing society to refigure how we live and act, to protect each other, our Vet Home will be affected in some ways, I'm sure. The Grand Opening and how that's going to look, is of great concern. Hopefully this virus will be in a more controlled status by then. The most important thing is the safety of our resident veterans who will be there. It's a few months away so it'll be a "wait and see" as to how the Covid-19 situation is at that time. Let us all follow the safety guidelines our Health Officials recommend and hopefully we'll keep our health in tact. I truly believe we'll come through this. Until next time.

Hello my name is Jasmine Salix, this year I am attending Interlochen Arts Academy in Michigan and will not be able to show or sell my hog at the Labor Day Fair. This is due to my school starting classes 3 weeks earlier due to Covid-19 concerns. I am looking for a buyer of my 4-H hog "Minerva". She is ruffly 300 pounds (this pictures was taken 3 weeks ago before I left for school).

All the funds will go towards my high school and college savings account. We will take the highest offer, received by Friday, August 28th at 5pm. Feed costs thus far for single hog is \$460 thru Lakeland Feed.

*We will be taking the companion hog to Silo Meats. Buyer is responsible for delivery to other butcher and all processing costs.

If your bid is by weight, you pay for no more than 285 lbs.

Please call or text my parents: Jessie and Nolan Salix 660-0011

Thanks so much for your support! -Jasmine Salix

"I'm a fourth-generation Montanan with family roots dating back to the 19th Century.

My opponent is from Cleveland, Ohio.

Having grown up in this State, I understand our history and our future in a way my opponent never will.

I would appreciate your support and vote in 2020."
