Donald Leroy Moore /Papa Don/ Don Moore Excavating

Donald Leroy Moore was born on April 7, 1936 in Huntington Park California to Edgar and Vera Moore. He was a loving and cherished Husband, Father, Grandfather, Great Grandfather and friend to many.... many people. Don passed away peacefully with his wife of 66 years and the love of his life Fran, and many of his large family at his side on Thursday September 3rd, 2020. He is survived by his wife Fran, his daughters DeeDee and Jan, sons Donny and Mike, 13 grandchildren, 12 great-grandchildren and a growing number of son's & daughter in-laws. Don's family was always his number one priority and he lived and breathed through every single one of them every day of his life.

In 1954 Don and Fran married at 18 years old in Southern California. Their teenage love affair has truly been a classic and that fire burned to his last moment. Fran loved and treated Papa like a king... and he reciprocated with a lifetime commitment of all things and particularly her cooking. The only thing that could get Don in trouble was his constant adoration of her....he would not stop until Fran threatened him....causing Papa Don to show his signature 'shit eating grin'.....melting her heart.....and cleanly getting away with all of it!

In 1961 they moved their family to a small community called Rough & Ready in Northern California. They quickly established deep roots in the community though their Catholic faith and support of their children in school and sports. In 1983 they moved to Dillon MT and immediately became deeply ingrained in their new community. In both places Don pursued his passion of raising animals.... he tried all of them from milk cows to poultry, swine, and sheep.

Everyone knew Don and Fran across the region and likely had a long and interesting conversation with Don. He loved people and getting to know everyone he met. He loved telling stories. He was known for his business and always wore his hat "Don Moore Excavating". Don owned and operated the business which was his passion and love for 50 years between Grass Valley and Dillon. To Papa Don.... it wasn't about the excavating but about the people he met and relationships he made with everyone he came across.

Papa Don Moore will be missed Missed by his loving wife Fran, his family, his communities and huge number of friendships developed over 84 years over everyone who crossed his path.

God Bless and keep you Papa Don...

Bryce Angell

I felt him tugging on my arm, then turned and there was Hank.

A dark cloud always followed him. I'd say from what he drank.

His face looked oh, so desperate. He said, "I need a cook!"

I made a promise to the gals. Please get me off the hook!"

"The Women's Farm Society has planned their yearly feast.

I couldn't boil hot water, let alone use baker's yeast."

"Well Hank," I said, "I'll be your cook 'cuz it's your lucky day. We'll
give those farm folks turkey fries, a meal the homemade way."

"We'll feed 'em mashed potatoes with some peppered sauce on top.

And a slice of turkey breast with all the veggies from their crop."

"We'll finish off with apple pie, and make it a la mode.

The folks will be so doggone full they'll think they might explode."

Well Hank jumped with excitement but he questioned, "Turkey Fries?"

I said, "They're made of turkey. When you see you'll recognize."

We readied for the banquet. Seemed we'd worked a steady pace.

So, we started with the turkey fries and served right after Grace.

The guests ate mashed potatoes with a slice of turkey breast.

But the turkey fries were disappearing faster than the rest.

I heard one fellow chuckle. Said, "I've ate these things before."

But he didn't say another word. Most farmers know for sure.

The turkey fries were by and large the favorite of the night.

The gals were chomping down the fries with not an end in sight.

One farmer's wife declared she'd like to have the recipe,

and how to cook a turkey fry. She'd even pay a fee.

So, I told the woman what they were. You should have seen her eyes.

'Cuz I said, "They're turkey testicles just nicknamed turkey fries."

Pharmacy celebrates 1-year anniversary

The Blacktail Pharmacy, 125 E. Glendale, is celebrating its one-year anniversary serving the people of Dillon and the surrounding communities.

"It's been a very busy year and we are grateful to all of our patients and customers who have made the Blacktail Pharmacy such a success," said Glenn Kulzer, pharmacy manager.

The pharmacy is owned by the private nonprofit Southwest Montana Community Health Center, a healthcare organization that operates clinics and pharmacies throughout southwest Montana.

The Blacktail Pharmacy was established in response to community need in Dillon after two large pharmacies closed within months of each other. The SWMTCHC purchased the building at 125 E. Glendale to house the new pharmacy and moved very quickly in order to serve patients and customers who needed a pharmacy. It opened for business on Sept. 9, 2019.

The pharmacy accepts Medicaid, Medicare part D, private insurance and offers individualized care to help patients achieve their best health outcomes. More information can be found at their website www.blacktailpharmacy.com.

The pharmacy is open from 9 am to 6 pm Monday - Friday and on Saturdays from 9 am to 2 pm. It can be reached by calling (406) 988-0772. Congratulations on ONE year in business!

FWP seeks information on Ulm Bridge vandalism

Montana Fish, Wildlife & Parks is seeking the public's help for information on vandalism at the Ulm Bridge Fishing Access Site on the Missouri River near Ulm.

FWP Game Warden Adam Gearing reports that the bridge and latrine were damaged by spray paint during the evening of August 18.

"It's a shame that angler's license dollars have to be spent cleaning up the damage from people who vandalized this Fishing Access Site. Folks should be able to go enjoy these places with family and friends without having to encounter things like this," said Gearing.

Other incidents of vandalism have occurred over the summer at different Fishing Access Sites and also at Giant Springs State Park in Great Falls.

Anyone with information on the vandalism is asked to call 1-800-TIPMONT or contact Game Warden Adam Gearing at 406-788-8552. Tips are kept confidential and a reward is possible.

BLM reduces Bear Creek Fire closure

The Bureau of Land Management's Dillon Field Office has reduced its earlier closure order for the Bear Creek Fire, re-opening more than 11,000 acres of public land prior to opening day of archery season. About 5,000 acres of BLM-managed public land remain closed to facilitate continued mop-up activities on the fire.

The modification of the fire prevention order goes into effect at 12:01 a.m. Sept. 5 and specifically keeps the following areas closed: T10S, R14W, sections 31 and 32; T10S, R15W, section 35; and T11S, R14W, section 5, 6, 7, 8, 17, and 18. Everson Creek Road 1882 is also included in the modified closure order.

The closure order that remains in place prohibits public access to a smaller area in order to avoid conflict with the ongoing fire suppression and rehabilitation activity associated with the fire. A copy of the closure order and a map of the impacted area are available at the Dillon Field Office. For more information, call (406) 683-8050.

A family project!
Love in a shoebox!
This is part of a national effort to help children across the country and around the world. Everyone can help!

If you would like to support this project, this is what it involves:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation - every donation helps. Shipping costs \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be November 16th, 2020. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required.

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.

Mary has extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks...depends on the age and gender of the child. There are more ideas on the Operation Christmas Child website. <https://www.samaritanaspurse.org/what-we-do/operation-christmas-child/>

4. Please include \$9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (Mary has extras if you need one).

Let's work together to
brighten a child's life!

Thank you!
Mary Bearden

State Creek Fire

Wildland Fire

DATE OF DETECTION: August 29, 2020

CAUSE: Lightning

CURRENT SIZE: 2,354 acres

CONTAINMENT: 0%

LOCATION Approximately 16 miles NE of Whitehall,
2 miles NE of Whitetail Reservoir

JURISDICTION: Beaverhead-Deerlodge National Forest

the Kootenai National Forest, 1 (9 person) Smokejumper
Module from West Yellowstone, 1 Water Tender, 1 Type
3 Engine from Jefferson County, 3 Forest Service Type 6

NARRATIVE: The State Creek Fire was caused
by lightning on August 25th and went undetected until
Saturday, August 29th. This fire is located on the Butte
Ranger District and currently is 2,354 acres in an area
difficult for firefighters to access due to rough terrain,
numerous snags, and a significant amount of dead and down
trees. The increase in acreage is due to better mapping with
an infrared flight that detects heat.
