William Myles Else

William (Bill) Else passed away at his residence on September 23, 2020, due to natural causes.

Bill was born on May 10, 1958 in Butte Montana, to his parents Lester and Tina Else. His early years were spent at the ranch on the North Fork near Wisdom, Montana. Bill fondly remembered each and every one of his teachers and often spoke of them. He graduated from Beaverhead County High School in 1977.

Bill has been a resident to Dillon for most of his life. He was an excellent gardener and grew many of his own vegetables for use by himself and others. He enjoyed working on gardens and lawns of many of his friends. Bill was a caring and helpful friend to many. In return, he was blessed to have many friends throughout his life. Some of his friends checked on Bill daily when his health began to deteriorate. He truly cared about all of his family and friends. If he knew someone had a problem of any kind, or needed help, he always called to check on that person or offer assistance. Bill lived his life "his" way.

Bill was preceded in death by his parents, Lester and Clementina (Tina) Else, and brother-in-law, Steve Lemmon. Survivors include a brother, Wayne Else, and sisters, Connie (Steve) Wolstein, and Patti Lemmon. He also leaves behind numerous nieces and nephews.

Graveside services will be held on Thursday, October 1, 2020, at 2:00 pm at Holy Cross Cemetery in Butte, Montana. All are welcome to attend. Please wear masks and observe social distancing.

THANK YOU

The family of James Munday would like thank Dr. Burke Hansen and the Barrett Hospital Home Health Nurses. With their care and guidance, we were able to honor the wishes of James to be at home. Thank you also to Julie Briggs from Brundage Funeral Home for her thoughtful kindness. We would also like to thank the Veterans and American Legion. Thank you to our family, friends, and neighbors, for their condolences, cards, and food.

Blessings to you all.

THE ROTARY CLUB OF DILLON

There is a Rotary meeting scheduled for Wednesday, September 30, 2020. However, there will not be a presenter for the meeting. Visitors are welcome to join Rotarians for lunch.

Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Mike Blando at mikeblando0717@gmail.com or Tina Giem at tgiem@barretthospital.org.

Saddle Shop Memories

Bryce Angell

Each wintertime, when it was snowing, same time every year. We organized our saddle shop and fixed up all the gear.

I'd throw some kindling in stove. It seemed no time at all. The room and saddles warmed right up. Our shop was very small.

We laced the saddle tie down straps. Each horn was wrapped and glued. One saddle required stirrups where a porcupine had chewed. Some bridles needed reins and then we buckled on chin straps. But every bridle got repaired from piles of leather scraps.

My father did the leather work. I kept him company. He taught me how to save and said, "This leather sure ain't free."

I quizzed him 'bout the leather scraps, "We didn't pay a dime? The pile of rawhide leather strips has been there for some time."

I could see him start to think. For sure I knew what he would say. I'd heard it many times before. "Somebody's gotta pay."

He said, "There's no such thing as free. Someone has paid the price. Those scraps at one time were brand new. Now, maybe not so nice."

"But we'll use them till they're all worn out. We don't throw things away. If there's one dime's worth left in them, they're good for another day."

And then he said, "There's no free lunch. If someone says it's free. Remember son, somebody pays, and it's usually you and me."

"We work for every dime we get. Don't look for that handout. And if there isn't money, then I guess we do without."

The same thing happened every year, while in the saddle shop. I learned to work for what I got. I'll never choose to stop.

So, when I'm finished with a ride and toss a bale of hay. I think about my father 'cuz we sure 'nuff had to pay.

And when I slip the bridle off before he gets to munch. I look him in the eye and say, "Hey horse. There's no free lunch."

A family project! Love in a shoebox!

This is part of a national effort to help children across the country and around the world. Everyone can help!

If you would like to support this project, this is what it involves:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps. Shipping costs \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be November 16th, 2020. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required.

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.

Mary has extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks...depends on the age and gender of the child. There are more ideas on the Operation Christmas Child website. <https://www.samaritanaspurse.org/what-we-do/operation-christmas-child/>

4. Please include \$9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (Mary has extras if you need one).

Let's work together to
brighten a child's life!

Thank you!
Mary Bearden

Letter to the Editor
 What's going on in Washington D. C ? What are the Republicans up to? Four years ago the Republicans created a rule in order to steal a seat on the Supreme Court. Which they did. Now four years later they are going to break there own rules in order to steal another seat on the Supreme Court. What? Is there one honest Republican in Washington? Can we ever trust any of the Republicans again? The Republicans are killing their own party.

Southwest Montana Veteran's Home Update #70

By Mike Lawson

Greetings once again to you, the Veterans/Counties/Communities of SW MT who are the organizers and the supporters of the SW MT Veteran's Home.

Lots and lots of outside ground-work activity going on at our Veteran Home Site. Sometimes during this last week, we've sat in the "Viewing Hooch" for an hour or more, just looking out the big windows, to see different activities taking place. Kind of addicting to say the least. The last construction phases of the Community Center Building and Cottage #1 aren't far off. The other Cottage's construction phases are progressing in a timely manner despite some of the issues that had to be dealt with. The Covid-19 Pandemic has been an issue with construction all over the country and our Vet Home is no exception, with delays of material getting on site on time being among these other related issues. In spite of it all, things were looking good, throughout the site, when Liaison Mark Gollinger and I walked through on Wednesday afternoon. Visited with Site Construction Superintendent Mike Ascherman and Carpenter General Foreman John Kotka, as I do on a weekly basis, for a more in-depth construction report. I appreciate those visits / reports more than I can express. Many thanks to them.

Construction Update:

Community Center: —Interior: Not much happened other than the small bit of door hardware left to install, was finished. The plumbers installed a few sinks. The one I took note of, was the black hair-washing sink in the Barber Shop. Looked good.

Exterior: Siders are close to being done but had to work on the other cottages when the cement finishers were forming and pouring sidewalks. The Cement Finishers poured the back patio and the back sidewalk going west from this patio to the corner of the building. One more patio on the east side to pour and other sidewalks around this building. Once this is done, Becker Landscaping will move in and start their landscaping work.

Cottage #1:—Interior: This place is really looking good with most of the finishing work, other than the flooring, being finished this week. John's guys will be putting handrail up in the resident corridors. Some hardware, that just came in, will be installed. The Cabinet guys got all the counters installed, including the lunch counter that surrounds three sides of the kitchen area. It's impressive.

Johnson Controls are working on the "Control Panels" for the Condenser and Heating Systems.

Exterior: The Siding guys are starting to wrap the Entry Posts with siding.

Cottage #2:—Interior: Tapers are taping and should be done this week which will then allow the painters to come in and paint. A little bit of catch-up sheetrock installation but not much. Plumbers were working on the heating unit zones.

Exterior: Nothing.

Cottage #3:—Interior: John Kotka said "Big things happening in this building" and he was right. The painters finished their painting. It's the Carpenters building now, with picture rails being nailed on, doors being hung in the resident rooms/mechanical room/laundry room/janitor room. Windows are being wrapped and jams installed. This week will see them get trimmed out. The Crown Molding is installed on the Coffered Ceiling. They'll move into Cottage #2, after they're done with this Cottage. These carpenters do beautiful work and are to be complimented.

Exterior: Siders are close to having this Cottage completely sided and it looks great.

Cottage #4:—Interior: Sheetrock Tapers are taping and mudding. The seismograph metal ceiling has started to be framed. The Plumbers are working on valves. The Sheetmetal guys are working on ductwork and in the Mechanical Room. Mechanical Insulation is in progress.

Exterior: Siders have the trim/wainscoting work completed and are now putting the colored siding portion on. It's a light green and John Kotka describes it as looking like the color of split pea soup. Check it out and see what you think.

Cottage #5: —Interior: Plummer's and Sheetmetal folks are doing rough-in work.

Exterior: Nothing

Maintenance/Receiving Building: The siders are making good progress in getting this building sided.

Jemlijak Excavating: Has a good portion of the asphalt prep completed and is well ahead of the sidewalk prep for the Cement finishers.

The long awaited arrival of the NW Gas crews, was

a welcome site this past week. They are busy digging their ditches for the gas lines and will probably have the gas line run to all of the cottages this week. They'll tee off this main gas line at each Cottage and bring it to each Cottages's gas meter. The Plumbers will then run their gas lines from the heating units/etc. inside the buildings to these meters. For the Community Center and Maintenance/Receiving buildings the plan is to bore a hole under the road to these buildings versus digging a ditch.

Markovich will have a meeting with the sub-contractors to inform and get them all in the right sequence of knowing where things are at and their place in that sequence. This is a good move. The other thing being presented is the push to get the gas hooked up to the Community Building, Cottage #1 and possibly #2&#3 by October 12th. The need for heat is really getting critical with our cooler Fall weather coming in on us. The floor-layers especially, need the warmer temperatures to lay the flooring. The electricity is on the site and turned on. The Electricians can now hook electricity to each building and turn the power on to them. This is a big plus, for sure.

On another note, then Veterans Section at Stodden Park is really coming along. Besides the cement work being about done, new lettering on the Korean Memorial is being installed and the big Flag Pole is being set in place with the United Veteran's Honor Guard being there, performing a ceremony, in honor of this special event. This flag pole will be the same height as the one at Perkins.

I'll close for now and please practice being safe for yourself and those around you. I wish the Covid-19 numbers were going down in SW Montana but they're not, so let's do what we can to start bringing them down. Consider getting a flu-shot as that's my intention also.

Take care, until next time.

ROOFING & BEYOND

is here to help you with all your roofing and siding needs. We are a local company and we are here to stay. Its always smart to make sure your contractor is available all year to keep you covered. We warranty all our work so you don't have to worry about being left alone if your roof ever needs attention. We are proud to be serving Dillon's beautiful community. So please, give us a call and allow us to help get those projects accomplished. Licensed and insured.
