2020 MUS Teaching Scholars Announced

The Office of the Commissioner of Higher Education is pleased to announce it has selected 14 faculty members and instructors for the Montana University System's Teaching Scholars program, including Montana Western Assistant Professor Nanci L. Red Bird.

The Office of the Commissioner of Higher Education is pleased to announce it has selected 14 faculty members and instructors for the Montana University System's Teaching Scholars program.

Now in its second year, the program recognizes faculty members who have made exemplary contributions to teaching and learning at their institutions. The Teaching Scholars will be challenged throughout the coming year to develop and share strategies to enhance student learning and success.

Each year, the MUS Teaching Scholars program focuses on a selected theme that speaks to innovative approaches to teaching and that aligns with MUS teaching and learning priorities. As the nation grapples with social and racial injustices and the MUS seeks to continue to address the ways that these injustices show up in the classroom, this year's program is focused on "Equity-Minded Pedagogies."

Teaching Scholars were chosen for their commitment to narrowing these gaps and to serving the Montana University System's larger vision of making Montana public higher education accessible, valuable and equitable for all students.

At the heart of the MUS Teaching Scholars program is the way it builds cumulative impact through faculty learning communities. During the spring semester, each Teaching Scholar will lead faculty on their home campus in developing innovative and effective teaching strategies.

"This year's theme aligns with the Montana University System's strategic goals around college access and success for all," said Dr. Brock Tessman, OCHE Deputy Commissioner of Academic, Research, & Student Affairs. "We want to recognize the work being done in these areas and support the scholars as they lead their colleagues in building a community of excellence around equitable teaching practices."

Scholars will receive a \$1,500 award as well as a \$500 stipend to design and facilitate a faculty learning community at their institution. This year's cohort of Scholars is funded through support from the National Association of System Heads (NASH) and the Lumina Foundation.

"We're bringing together innovators from across the university system to share, learn and grow together," said Tessman. "While the program celebrates and supports outstanding faculty, the true beneficiaries are our students, who will benefit from innovative teaching strategies that make learning more exciting and meaningful."

Selected MUS Teaching Scholars are from all types of institutions within the Montana University System – doctoral flagship, regional four-year, two-year and community college. Scholars were chosen from a competitive pool of faculty from across the system and all faculty tracks and ranks.

Zoning meeting Sept 22, 2020

By: MJ

Present: Chairman Mr. Stoker, Mr. Raymond Graham, Mr. Doug Franks, Mrs. Jackie Erfle and Mr. Russell Schwandt, city personell and Mayor Klakken.

Zoning Compliance Certificates for Review: Was approved with amendment. Double U Land LLC presented an application for an Accessory Structure to be located on Montana Street bordering the railroad and laundry mat was filed. The board discussed all issues the zoning document requires in detail. Fire lane accessibility, parking and change of use document were several issues debated. Committee voted unanimously to ok the permit as amended.

There was a paper passed out at the meeting that was not included in the packet. Mrs. O'Rourke, a public attendee, stated that all issues on the agenda must be available forty-eight (48) hours before a meeting. She also commented that there were no diagrams included in information packet showing parking space and there should have been. As I stated above the board found the application had all information needed for them to make the decision of approval.

Discussion of proposed zoning District Classification Public Hearing This was postponed until later date due to public hearing notice.**Zoom:** I would like to thank Mayor Klakken for making the city meetings available to the public via Zoom during this critical epidemic. I spoke with Commissioner McGinley about the county using zoom, making information accessible to the public. He told me at this time they do not use zoom. He indicated that they may discuss using it. With the smaller room where people gather and the increasing of Covid-19 it would be nice and safer if the county would Zoom the meetings. At this time you must attend the commissioner's meetings in person.**BUSINESS MEETING FOR DILLON ROTARY**

The Dillon Rotarians will conduct their business meeting on Wednesday, October 7, 2020. Visitors are welcome.

Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Mike Blando at mikeblando0717@gmail.com or Tina Giem at tgiem@barretthospital.org.

Volunteers sought to host at Gordon Reese Cabin

Officials of the Wisdom Ranger District of the Beaverhead-Deerlodge National Forest now welcome winter recreation enthusiasts to volunteer at the Gordon Reese Cabin located at the Chief Joseph Cross Country Ski area this winter.

Volunteers are welcome to assist in maintaining this popular facility throughout the winter season. Each Tuesday and Friday during the ski season is set aside for volunteers to serve as Forest Service cabin hosts, helping maintain the cabin and trailhead facilities during the day and staying overnight for free. It is not necessary for volunteers to stay in the cabin through the entire day. Volunteers and their guests are encouraged to enjoy and explore the trails and surrounding winter beauty. Forest Service staff asks that volunteers occasionally return to the cabin to tend the woodstove fire, ensure snow is melting for hot water, and make the cabin clean and comfortable for visitors to use as a warming shelter during the day.

General volunteer host duties include: meeting and greeting the public; answering visitor questions; shoveling paths leading to both outhouses at the cabin and the trailhead; clearing snow from the deck and doors; stocking and cleaning the cabin and both outhouses; restocking firewood from the basement to the main floor and tending the woodstove fire. Please keep in mind that COVID mitigations will need to be discussed with the local District in order to protect our valued volunteers and the general public.

To volunteer at the Gordon Reese Cabin, call the Wisdom Ranger District office at (406) 689-3371 beginning Monday, November 2, 2020 at 8 a.m. MST. Due to the popularity of the cabin volunteer program, this will be the only phone number available for volunteers to sign-up.

The Gordon Reese Cabin is available to the general public to

rent from December 1 through April 15. Reservations are \$10 per day and can be made on-line beginning Monday, November 2, 2020 at 8 a.m. MST at www.recreation.gov, or by calling (877) 444-6777. Cancellations are also handled through www.recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

As with other rental cabins, renters are responsible for cleaning the cabin, and packing out everything they pack in. During the day, the cabin is available as a warming hut to cross-country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails. Visitors, volunteers and overnight guests must bring their own drinking water and are encouraged to share the large snow-melting pot for boiling water.

The cabin is located approximately 1/2 mile from the Chief Joseph Pass parking area/trailhead on Montana State Highway 43, 10 miles south of Sula, MT and 25 miles west of Wisdom, MT. Access to the cabin is an easy 1/2 mile snowshoe or ski on well groomed trails. The Chief Joseph Cross-country Ski Trail system encompasses over 30 miles (48 kilometers) of groomed trails of various difficulty. The trails are groomed and maintained throughout the ski season by a partnership between the Bitterroot Cross Country Ski Club, Lost Trail Powder Mountain ski area, the Forest Service, and the State of Montana. For more information, contact the Wisdom Ranger District at (406) 689-3243.

Town Pump's 19th Annual "Be A Friend In Deed, Helping Those In Need" food bank campaign

If the Beaverhead Community Food Pantry can raise \$12,000 in donations between September 1 and November 30, 2020, Town Pump Charitable Foundation will match this amount.

Please send donations to P.O. Box 1356, Dillon, MT 59725

Beaverhead American Legion Post 20 Annual Veterans Day Raffle

Post 20 is selling raffle tickets for a patriotic "Pillars of Strength" Quilt. The quilt was made by Tom Koontz and his wife Doris, and donated to our Legion for this raffle. 10% of proceeds will be donated to the new S.W. Veterans Home in Butte.

Tickets are \$2 each or 3 for \$5. They are available at Womack's Printing Place, the 3D, the Bookstore, and the Goose-n-Bar restaurant and store in the Hook and Horn building in Wisdom.

The quilt is on display at Womack's Printing Place.

Community Basement Donations

Due to theft - please only drop donations Monday (all day) or Wednesday (afternoons) or Friday (mornings) at the Community Basement.

Maiden Rock Bridge to close for weld testing

Travelers crossing the bridge on Maiden Rock Road along the Big Hole River 30 miles south of Butte can expect delays of up to two hours Oct. 5-6 as workers test the welds on the 200-foot span.

Flaggers will be on hand those days to direct traffic as the steel joints on the single-span bridge built in 1951 are tested for strength and durability. If the testing of one weld does not require the entire two hours to complete, any waiting traffic will be allowed to pass prior to workers testing the next weld.

Older steel bridges can develop problems that impact their functionality and safety. The Army Corps of Engineers is working with the BLM on a pilot project to conduct ultrasonic testing on bridges. This will help determine if there are developing defects that can be fixed earlier than if they were spotted once they developed cracks under a typical visual inspection.

For more information, contact the Dillon Field Office at (406) 683-8050.

Dillon Middle School News for the week of October 5 - 9, 2020

The lunch menu for the week is as follows: Monday we will enjoy spaghetti with meat sauce and served with a bread stick. Tuesday, pulled pork sandwiches will be served with chips and cabbage salad. On Wednesday we will have a local beef hamburger and trimmings. Thursday we will enjoy corn dogs served with baked potatoes. Sloppy Joes will be on the menu Friday served with bean salad and chips.

In volleyball, the teams traveled to Anaconda. The 8th grade teams both pulled off wins, while the 7th grade narrowly lost. Now the teams are having intramurals for their last two weeks. Parents look for paperwork to come home regarding this.

In football, the 7th grade team played Anaconda's combined 7th and 8th grade team. Although they couldn't pull off a win, they played very well.

Cross country at the Anaconda meet, Faye Holland came in 1st overall for girls, followed by Clancy Setzer in 3rd place. Bryce Hooper finished first overall for 8th grade boys, followed by Kayden Nelson in 8th place. For 7th grade girls: Taum Nagle finished 3rd. And for 7th grade boys, Asher Burch was fifth followed by Hunter Wigen in 8th place.

We have results for our presidential/ vice presidential election. Our new 8th grade president is Steven Haworth. Our new vice president is Trenton Moreni. Congratulations guys.

This week is campaigning for representatives. We will have results soon.

Did you know childhood experiences, both positive and negative, have a tremendous impact on lifelong health and opportunity? The Beaverhead ACEs Task Force works to prevent childhood trauma in southwest Montana. Join us as we work to build strong families in our community.

Growth Policy survey

We now have the link to our Growth Policy survey in the County's website, <https://beaverheadcounty.org/>

It is under news <https://beaverheadcounty.org/news/>, and under the land services <https://beaverheadcounty.org/departments/land-services-planner/>

Paper copies available at Womack's Printing.
