Jim Zimmerman

Jim Zimmerman passed away at home Friday, Sept. 25, 2020, surrounded by loved ones. Jim's battle with cancer had ended and the Lord called him home.

Jim was born Feb. 11, 1942, in Roundup, Montana, to Lorene and Emil Zimmerman Jr.

There was a lot of hard work involved with being raised on a ranch, but Jim enjoyed those years. However, that hard work never deterred a bit of mischief with his older brother. Jim liked to hunt and fish and especially loved

Apply now for FWP's Apprentice Hunter Program

In anticipation of next week's two-day youth deer hunt, Oct. 15 and 16, as well as the general season opener on Oct. 24, Montana Fish, Wildlife & Parks encourages mail-in certification for eligible Apprentice Hunters.

COVID-19 safety protocols are in place at FWP offices and lobby occupancy is limited, therefore wait times outside may be longer than in years past. If you can, please get your apprentice hunter certified well before the youth hunt and/or the general season opener.

It's not too late to complete the certification process by mail if you act now. The apprentice certification process must take place at the FWP regional offices. Once the certification process is complete, licenses may be purchased at any license provider that may be convenient for you. If you have questions about how to get your apprentice hunter certified ahead of the rush, please call your regional office as listed below.

The "Apprentice Hunter" law allows anyone 10 years of age or older to hunt two license years without completing hunter education. An apprentice must recertify through an FWP office if taking advantage of this program for a second year. An apprentice hunter may not obtain a big horn sheep, black bear, mountain lion, wolf or elk license if under the age of 15.

The cost of the certification is \$5, once that process is complete then you may purchase the applicable licenses.

Apprentice hunters, ages 10-15, may hunt in the two-day youth deer hunt and throughout the general season.

FWP recommends that people interested in this program read the Apprentice Hunter Program packet before seeking certification through your regional office. The packet outlines guidelines for both the apprentice and the required mentor, including what apprentices can and cannot do, who can act as a mentor, and how the certification process works. The application packet is available on the FWP website.

Drought Task Force Meeting

Tuesday, October 13, 2020 at 11:00 a.m.
in the Commissioners' Room of the
Beaverhead County Courthouse.

Beaverhead-Deerlodge National Forest, Pintler Ranger District issues Closure Order for National Forest System Road 5141

Officials for the Beaverhead-Deerlodge National Forest will issue a Closure Order for National Forest System (NFS) Road 5141 beginning October 12 until October 23. The closure is to protect public safety during the repair of the bridge which spans the East Fork Reservoir spillway.

Cameron Rasor, Pintler District Ranger said, "The bridge is a multi-span timber bridge that was constructed in 1958 over the spillway of the East Fork Reservoir Dam. The bridge decking has deteriorated to the point that it is unsafe for heavy vehicles to cross., which has limited the Forest Service's ability to manage the land in the Meadow Creek drainage. Most recently, heavy equipment, such as dozers needed to construct fireline were unable to cross the bridge during the Meyers Fire in 2017. Additionally, log trucks for a recent timber sale were rerouted via Happy Creek Road to avoid crossing the bridge. Replacing the bridge decking and conducting other structural repairs will allow the Forest Service to fully use the bridge safely with heavy equipment and to efficiently manage the landscape beyond the bridge for years to come."

The closure applies to approximately .25 miles of NFS Road 5141 (Meadow Creek Rd), beginning at the intersection with NFS Road 261 (East Fork Reservoir Rd) and ending on the west side of the spillway bridge. Although the Spillway Campground and the Carpp Lake Trailhead will not be officially closed, motorized access to them will be blocked until the bridge maintenance is complete. The bridge will be opened by the first day of Montana's big game rifle season.

Further information regarding this Forest Order and bridge maintenance may be obtained at the Pintler Ranger District Office located at Philipsburg, Montana, (406) 859-3211.
