(Grandma Great)
03/08/1922 - 10/13/2020

Grandma Great was born March 8th, 1922 to Oscar and Myrtle (Wilcox) Rose at their home in Dagmar, MT. Although there has been much debate on the actual year of her birth and has turned into a running family joke as to her real age. There are many documents stating she was born in 1921, 1922, or 1923, Grandma Great will state that she was born in 1921. Although her birth certificate says she was born in 1922. So, she could be either 98, 99, or 100, but we will never know. She did say she was going to live to be 100, so she could very well have been turning 100.

Grandma Great grew up in Dagmar/Plentywood, MT on her families' homestead. She was the 8th child out of 13 children.

In 1940 she married Ludvig (Louie) Erichsen and together they had 8 children. Andrew Erichsen, Kenneth Erichsen, Larry Erichsen, Wayne (Sandy) Erichsen, Leroy Erichsen, Deeann (Erichsen) DuBois, Vaneasa (Erichsen) Buell, Isabell (Diz) Erichsen (George) McAlpin, and infant David who did not survive.

They later divorced, and in 1960 she moved to Dillon, MT where in 1982 she met and married Mike DeMoss. She worked in the service industry as a cook in Skeets Cafe, The Truck Inn and later at Western Montana College (The University of Montana Western).

She enjoyed cooking, baking, fishing, spending time outdoors, and gardening, but her biggest enjoyment was her children, grandchildren, and great grandchildren which she helped raise and that includes all her extended children, grandchildren and great grandchildren. She always had a friendly smile and hello for anyone she came across as well as unconditional love for all.

Grandma Great passed away peacefully in her home Tuesday, October 13th, 2020 surrounded by her family.

She is survived by her sons Kenneth, Wayne (Sandy), Leroy and many many grand/great/great-great grandchildren.

She is proceeded in death by her children David, Vaneasa, Diz, Deeann, Andy, and Larry. Her daughter in laws Carol and Dottie. Her son in law Jack Buell. Her Husband's Louie and Mike. Her granddaughters Echo, Michelle, and Dawn. Her Parents Oscar and Myrtle. Her 12 siblings Earl, Ethel, Ervin, Ella, Elmer, Crynus, Maybell, Buddie, Betsy, John, Tony, June and numerous nieces and nephews.

There will be a service held October 23rd, 2020 at 1pm

Letter to the Editor

(A letter that I, Jaicee, emailed to) Chancellor Weatherby,

I would just like to start by saying that I am extremely disappointed in your email regarding our President and white supremacy. I have been working extremely hard and paying a lot of money to receive an education here for the last five years. That is just it, to get an education. I believe that it is extremely unprofessional to bring politics into the school. As an education major, it is clear to me that the best teachers and administrators are those that set aside their opinions and political beliefs, leave them at home or in their car, and just show up to school to give us the best education and guide us into our future careers. It saddens me to say that some of my professors have not been doing this either.

It does not matter what race you are, all of us students are here to receive an education. The people of color that attend the University of Montana Western are going to walk away from this campus with a degree just like me. As far as I am concerned, your email did nothing but the opposite of what you are asking. You have successfully segregated the people of color, when they were not anywhere near separated before. It is not wrong that people of color are in fact a minority of this school and Beaverhead County, but they are still just as big of a part in the community as I am. If it is true that a student of color has brought the debate to your attention, then they are simply just segregating themselves. There is no reason for them to feel worried, endangered, and lonely. They are offered the same classes, intramural opportunities, scholarships, school clubs, and opportunities to make new friends and meet new people as I am. If each student here is receiving the exact same privileges and opportunities (which they are) then there is no way they are being segregated here at the University of Montana Western. I have several friends of color who I have spoken with, and they too do not get why this email was sent out. They do not feel lonely here in any way. If anything, they are happy to be here instead of somewhere that is still suffering through all the unnecessary protests and violence.

Again, I cannot express enough how disappointed I am that you have put your political views and opinions on all the students. And disrespected your president in front of all of us. All I ask from you is to set a good example to us students and be a professional leader. Please keep your political opinions out of this school, and focus on treating ALL of us as the STUDENTS that we are.

Your Student,
Jaicee Senecal

Advance Directives

In this time of the COVID-19 pandemic, making health care choices is more important than ever for people. How does a patient make health care decisions when their health is seriously compromised?

Jeanette Prodgers, a licensed clinical social worker, who has worked in a variety of health care settings over the last 30 years, will give a presentation on advance directives. What are they, when do they take effect, who should have them? These and many more questions will be discussed on Tuesday, October 20, 2020 at 6:30 pm at the Dillon Public Library, 121 S. Idaho Street

The original presentation was planned for National Health Care Decision Day in April, but then strict COVID-19 restrictions were implemented. Participants will be required to wear masks and social distancing will be practiced. For more information, you can call Jeanette at 406-865-0381 and leave a message with your telephone number, or call Lori Roberts, the Library Director at 683-4544.

Here is the Dillon Middle School News for the week of October 19-23, 2020.

The lunch menu for the week is as follows: Monday we will enjoy chicken alfredo with a biscuit. Tuesday hot dogs will be served with mac and cheese. On Wednesday we will enjoy a local beef hamburger served with trimmings. Thursday, sausage, egg and cheese breakfast sandwiches will be served with apple wedges. And on Friday, we will enjoy beef tacos with trimmings and bean salad.

In sports, 7th and 8th grade boys' basketball will begin today after school. If this is your first sport of the year, please make sure your online activities packet is submitted and your physical form is brought to the office. 6th grade boys' basketball will begin October 26th. Also, girls' cross training will begin on October 28th. 7th and 8th grade girls, this is your opportunity to keep in shape for your basketball season which will begin after the first of the year. Also, it's a fun time of kick boxing, yoga, water aerobics, weight training and other activities. So, ladies, take advantage of this opportunity.

Mid term report cards went home with students last week. Also, parent teacher conferences were held. If you missed these opportunities, please email your children's teachers with any questions or concerns you may have.

Student council has been hard at work getting ready for red ribbon week. This important week, which promotes anti-drug, anti-alcohol, and anti-bullying messages, will be October 26-30. This year's theme is: Be Happy, Be Brave, Be Drug Free. Parents, we encourage you to engage with your children at home on this very important subject. Listen next Monday for all the fun dress up days we will have at DMS for this very important week. We will begin on Monday with wearing red. The Red Ribbon Campaign was started when drug traffickers in Mexico City murdered DEA agent Kiki Camarena in 1985. This began the continuing tradition of displaying red ribbons as a symbol of intolerance towards the use of drugs. So, students, let's unify together next week as we come together to keep students, families and communities safe, healthy and drug free.
