Janie Petersen, 73

Janie Petersen was born August 16, 1947, at Mammoth Hot Springs in Yellowstone National Park. Her parents, Glenn and Beth Meyers Kitchin, lived in Gardiner with her older brother Jim when Janie was born. Her mother Beth, named her Mary Jane, and she changed her name to Janie just as soon as she could do so. However she had numerous nicknames throughout her life, and she often said her favorite was "Gramma Janie".

She lived in Gardiner year round until she was three, and then they relocated to Butte for the winters. She started school in Butte; and at the end of her fifth grade year they all moved to Deer Lodge. As would be the case throughout her entire life, she quickly developed a wonderful group of friends whom she often said viewed life through rose-colored glasses. Those friendships were always special, and she remained close to them throughout her life.

Janie briefly attended Montana State University in Bozeman, and then transferred to Western Montana College in Dillon. There she earned her teaching degree. On June 17, 1967 she married Jim Petersen. They were married at the Methodist Church in Missoula. They joined the family farm where Jim represented the fourth generation, and now their son Jed the fifth generation. The farm that they developed into Grandview Ranch provided a wonderful Montana way of life. Janie and Jim felt blessed with their three sons: Tod, Jed, and Troy. Jim and Janie were also blessed with 10 grandchildren.

In addition to the family business and spending summers swathing or baling, Janie held a variety of jobs. Her last and favorite was as a language arts teacher at Beaverhead County High School. Janie was ready and excited for retirement, and enjoyed many years with family & friends, golfing, attending grandchildren's events, and traveling to sunny places as frequently as possible.

Janie was preceded in death by her husband Jim; her parents Glenn & Beth, her father-in-law and mother-in-law Elmer Petersen & May Selway Petersen, her brother Jim. She is survived by her sons: Tod (Amber)- Bozeman, and their children- Kade, Kelli, Ashley; Jed (Amy)- Dillon, their children- Kyndall, Lauryn, Sydney, Jed Jr; Troy (Elizabeth)- Creswell, Oregon, and their children- Jake, Kate, Luke. Her sister-in-law (much like a sister) Myrna Kitchin and her children- Jim (Janet), Keith, Kevin (Christine), Denise (Jeff Tribble), and Colleen (Doug MacDonald). Along with numerous nieces, nephews, cousins. Lastly, many, many, special friends.

The family thanks Dr. Weed, Dr. McIntyre, Beaverhead Hospice, and many other medical professionals that provided care and compassion. Please direct any memorials to Beaverhead Hospice, Grace Methodist Church - Dillon, MT, or any charitable organization of one's choosing.

A graveside service for family and friends will be held Friday October 30; 1:00 p.m. at Mountain View Cemetery, Dillon, MT. A reception immediately following at the Beaverhead Golf Course.

Wood Bank Wanderings for Autumn 2020

With the cold months upon us, we hope everyone is prepared to keep their home warm, but if you struggle to pay the heat bills and other expenses, and you have a wood heat stove in your home, you can call the folks at the Beaverhead Community Wood Bank Ministry for help. The Wood Bank gives gifts of firewood to households in need. Last winter, 121 cords of firewood were given by the Wood Bank, to warm 51 homes in Beaverhead County. At 6 cents per KWH, this wood had an estimated heat value over \$19,000.

The firewood isn't free – it is priceless. It is a gift made possible by funds donated by many individuals and organizations, to purchase log-truckload of wood, buy fuel and maintain equipment. The Wood Bank also receives donations of wood, and enjoys the use of a wood processing yard and a log stockpiling yard thanks to the generosity of local residents. Contributions and grants this year have raised over \$16,000 for the Wood Bank.

It isn't just cash that makes the Wood Bank work, of course - it is thousands of hours of volunteer time contributed by individuals working throughout the year to cut, split, and deliver firewood to warm the homes of households in need. The "log" book shows more than 133 days of activity this year at the wood yard so far, and there is a heap of firewood to show for it. 35 volunteer Wood Chucks and 28 Montana Youth Challenge Academy Cadets "logged" a total of more than 1,160 hours processing logs into firewood since January 1. With more than 100 hours each, "lead" wood chucks are Ray Patterson, Rick Hartz, and Bob Bump. Whether it is one hour or one hundred, it is all time well spent: some outdoor exercise in good company, with a lot to show for it. Wood Bank work days

are generally Monday and Wednesday mornings. If you are interested in volunteering, contact President Rick Hartz at 406-683-4506.

Deliveries started in September, with several households picking up wood at the yard by appointment, and ten deliveries made so far by wood bank volunteers. As of this week, 37 cords of wood have been distributed to 28 households in Beaverhead County. Applications have been coming in for review and approval by the Board of Directors. Income information from applicants is needed, in order to be sure the wood is being distributed appropriately. Generally, a household may receive up to 3 cords of wood per season. For more information about the Wood Bank, call 406-596-3690.

Southwest Montana Veteran Home Update #73

By Mike Lawson

Greetings once again to you, the Veterans/Counties/Communities of SW MT who are the organizers and supporters of the SW MT Veteran's Home.

Great on-site happenings this past week with all the paving being completed late on Thursday. I came to the site later that night and could see the steam coming off the asphalt surface in my headlights, which was impressive. The three flag poles are up and as soon as it's allowed, having the flags whipping in the breeze will be a big inspiration to all of us. Each of these flag poles have a solar panel light system mounted on them which will provide lights on each flag during the night. Liaison Mark Gollinger, Enduro Maintenance Superintendent Rodger Staley and myself did our weekly walk-through on Thursday. We visited with the different construction trades-workers as we viewed the progress throughout the Vet Home Site.

Construction Updates:

Community Center:—Interior: The electricians have been doing the finish work to get this building ready for the start-up contractor folks, to do the mechanical start-up, beginning Wednesday. Johnson Controls have the heating units programed. The "Start-Up" is critical as the start-up crew will be checking that everything is running as is expected too, will make adjustments where needed and won't sign-off on anything until everything is operating as it's required too. They'll start-up the heating units, the boilers, the air system, the hot water tanks and Johnson Control will adjust the damper system accordingly. This is really a huge final step.

Exterior: The three Flag Poles are up, as I mentioned before, The sidewalks from the Community Center to the Maintenance/Receiving Building have been poured.

Cottage #1: The electricians are continuing to trim out lights as well as hooking up wiring to the breaker panels. The plumbers are installing sinks, The carpenters are waiting on three doors and by-fold jams.

Exterior: The Entryway Column siding trim is complete. The back patio column is getting the recess trim framed out. This will be followed by the siders trimming it out with siding.

Cottage #2:—Interior: JA Brothers are taping and painting. John is ready to move his carpenters into this cottage, to install doors with hardware, trim-out of doors/windows and get the picture/hand rail installed.

Exterior: The siders were working on the front-entry-way columns.

Cottage #3:—Interior: This building is really moving forward and

is not that far behind Cottage #1, except for the tile work. The tile layers are working on the floor tile in the twelve resident bathrooms. Once the building heat systems get fired up, a lot of headaches will disappear. These guys are good at what they do and are moving forward. John is close to being done in this Cottage and ready to move his guys into Cottage #2. The plumbers are working in the mechanical room. ARJO was working on installing the man-lift rails.

Exterior: The siders were working on the front entryway columns and applying the caulking on all the siding seams.

Cottage #4:— Interior: The metal seismograph ceiling framework has been started. The Sheetmetal and Plumbers did some work on the piping and HVAC systems.

Exterior:— The siding/caulking installation is continuing.

Cottage #5: Plummer's are mainly doing their rough-in piping/etc..

Exterior:—The siders have started the siding on this cottage. The color portions will be a different blue than what is on Cottage #1. Anxious to see it .

Site-Work: The big story was the completion of the paving. The cement finishers continue on the sidewalks. Zemljak Excavating was busy doing the grade/gravel prep for the paving as well as sidewalk prep for the cement finishers.

Other Veteran points of interest:

The big new American Flag for the new Flagpole at the Veteran's part of Stodden Park, was raised by the United Veteran's Council Honor Guard with assistance from the Engineers/ bystanders involved with this Veteran Project. This Flag Pole is the same size as the Perkins Restaurant's flagpole and was donated by the Perkins owner in Bozeman, when that Perkins was closed. It was such a huge flag that it took about twenty of us to cradle it in our arms as it was hooked up. As it was raised up, the wind filled it and lifted it from our arms and to see it ripple out into the wind, was an awe-inspiring moment

The Veteran's Medical Center (IBOC) building construction has seen the footing being dug and compacted.

The Covid-19 numbers continue to go up with Montana being near the top. One of our long time Veteran VFW members is hospitalized at St James Hospital with it, at this time. Please be safe and follow the mask and distancing protocol recommended by the medical community.

FWP biologists to improve fishery at Blacktail Meadows Kids Pond

The pond will be treated with rotenone during the week of Oct. 19

Montana Fish, Wildlife & Parks is partnering with the Beaverhead Outdoors Association to improve the fishery at Blacktail Meadows Kids Pond in Dillon.

Common carp, longnose sucker and white sucker were introduced to the pond during a flooding event in the nearby Pigtail Slough several years ago. Since then, the quality of the fishery at the pond has declined.

FWP fisheries biologists will remove these species during the week of Oct. 19 by drawing down the pond's water level, then treating the remaining pool with rotenone.

Rotenone is a naturally derived substance commonly used in fish restoration efforts that is toxic to gill-breathing animals and breaks down quickly in the aquatic environment. FWP routinely uses rotenone for fish restoration efforts and has found the substance to be effective and safe. Only the pond will be impacted by the treatment.

The pond will be detoxified within seven days of the treatment and will be stocked with rainbow or cutthroat trout multiple times next spring and in subsequent years.

FWP completed an environmental assessment for this project and received no comments during a 30-day comment period, which ended on Sept. 30. Additional information about this project can be found at <https://go.usa.gov/x7qKv>.

Beaverhead American Legion Post 20 Annual Veterans Day Raffle

Post 20 is selling raffle tickets for a patriotic "Pillars of Strength" Quilt. The quilt was made by Tom Koontz and his wife Doris, and donated to our Legion for this raffle. 10% of proceeds will be donated to the new S.W. Veterans Home in Butte.

Tickets are \$2 each or 3 for \$5. They are available at Womack's Printing Place, the 3D, the Bookstore, and the Goose-n-Bar restaurant and store in the Hook and Horn building in Wisdom.

The quilt is on display at Womack's Printing Place.

Beaverhead ECONOMIC RECOVERY MEETING

OCT 28 | 4PM | via Google Meet

The effects of COVID-19 have had a tremendous impact on all of our communities, and we are expecting long-lasting repercussions as a result of the pandemic. We'll work with our communities throughout the seven-county region to assess the impacts of COVID-19, develop a comprehensive list of current economic conditions, and a strategy for addressing these issues.

Register at: bit.ly/edameetings

WORKING TOGETHER TOWARDS A STRONGER ECONOMY

This initial meeting will be a kick-off event for the community to learn about the planning process for the Comprehensive Economic Development Strategy (CEDS). We will be conducting follow up meetings to ensure that your feedback is included in the process so that each of our communities can direct economic recovery efforts. Please join us to work together for Southwestern Montana!

VOTE TO RE-ELECT TOM WELCH

MONTANA HOUSE DISTRICT 72

A PROVEN LEADER...A DIFFERENCE MAKER

When presenting Tom with a MONTANA CHAMBER 'CHAMPION OF BUSINESS' AWARD in 2019, the following was noted:

"A pragmatic lawmaker with a long career in community banking, Rep. Welch began his legislative service in 2017 and **hasn't shied away from making the tough votes since**. He prioritizes job creation, free enterprise, and economic development for the benefit of all Montanans. In the 2019 Session, he served on the House Human Services and Taxation Committees, the latter of which was especially important to the Chamber as Rep. Welch **prevented several bills that would have increased personal and business taxes from reaching the House floor.**" * (Emphasis added)
