Big Sky Cinema Celebrating 48 Years

Dillon's showplace, the Big Sky Cinema is celebrating 48 years of big screen excitement and living room comfort Wednesday, October 28th.Longtime theatre operator, Stan Smith, has been showing a mix of current release features and classic films since reopening in May after the Covid 19 shutdown. He continues to sell take out popcorn and operates the theatre at 50% capacity for social distancing. The curbside sales have become a staple in the community since the beginning of April. In compliance with the state mandate Stan continues to require masking up, physical distancing and thorough cleaning as the epidemic continues and has since starting curbside sales. Stan has been a strong and consistant advocate of social distance and masking as a measure to protect his patrons and employees and their families.

Part of the celebration through out the next week will consist of specials, fun events and classic films for the Halloween week. While many movie theatres have been closed since March or only recently reopened the Big Sky Cinema has remained open and keeping the lights on.

"These are tough economic times, but we are determined to ride it out. We will survive and thrive in the long view" Smith stated.

Hadley Park Acquisition

The Roland Durocher family, in conjunction with the Rocky Mountain Elk Foundation (RMEF) and the Beaverhead-Deerlodge National Forest (BDNF), finalized a 598 acre conservation based land acquisition on September 22nd, 2020. The Hadley Park Property is now public land that enables public access to an additional 1,130 acres, protects winter range for elk in the area, and protects valuable habitat from the ever-increasing encroachment of residential subdivisions.

"We salute the Durocher family for reaching out to us to help conserve this landscape as well as our partners at the Forest Service," said Kyle Weaver, RMEF president and CEO. "Not only is it important elk summer and winter range but moose, mule deer, black bear and many other species rely on it as well."

The property is located approximately 17 miles north of Whitehall, Montana in Jefferson County, a very popular hunting and recreation area recognized both for its valuable habitat and beautiful scenery. This area of Montana was previously identified by partners as a priority area where public access should be improved when an opportunity arose, and with the willingness of the Durocher family and their focus on conservation, this land acquisition significantly addresses that priority.

"These 598 acres connect public lands on the north end of the Bull Mountains." Cheri Ford, Beaverhead-Deerlodge Forest Supervisor noted. "The public will now have access to an additional 1700 acres to enjoy."

RMEF purchased this property and simultaneously conveyed it to the USFS for inclusion in the BDNF. Funding for this project was made possible using Land and Water Conservation Fund (LWCF) Priority Sportsman Recreation Access funds.

For more information about the Hadley Park acquisition or to obtain a map of the new property, contact the Butte Ranger District at (406)494-2147

Letter to the Editor

There going to do it to us again! And we didn't even have a say in this dreadful event You may never recover and there is no medical help. Some say alcohol but that is still debatable.

I'm talking about Day Light Saving time. Sunday November the first we will lose an hour. we all have worked hard all year to lose an hour. We paid our taxes, helped our neighbors, gave money to charity, said hello to strangers but we still lose an hour.

"They", and we never find out who "they" are. They tell us to fall back! Why would anyone want to fall back? Now you have a back problem plus you lost an hour . They tell us we have more daylight. Sure we do. And you can jump over the moon!

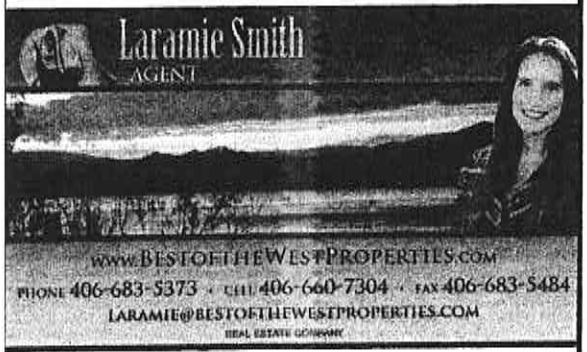

Daylight Saving time was invented by a man, no woman in her right mind would invent this silly scheme. Set your clock back, if you know how! The cuckoo clock was invented to honor the man who instigated this silly idea.

You just lost an hour but you will still be taxed for the hour you lost. It is time to call this stupid idea quits. We all need a time out or maybe time off to get used to the hour gone.

It has been recorded that Benjamin Franklin thought we needed more sun light so he wanted to change the clocks. So Mr. Franklin sat beside his stove, with his bifocals, reading his own book while messing with the clocks. Mr. Franklin just go fly a kite.

Montana Western Foundation Announces New Scholarship in Honor of Larry and Darlene Link

The University of Montana Western Foundation is pleased to announce the establishment of the Larry and Darlene Link Memorial Scholarship.

Larry Link passed away in January of this year. His son and daughter-in-law, Garry and Linda Link, approached the UMW Foundation about establishing a scholarship to honor Larry and Darlene Link and their commitment to helping students fund their education.

Larry retired from Montana Western (then known as Western Montana College) in 1985 after serving for twenty years as the Director of Financial Aid. He practiced as a CPA in Dillon until he was 80. Larry and Darlene Link raised their children in Dillon and were very active in the community. They were avid supporters of both academics and athletics.

The Larry and Darlene Link Memorial Scholarship will be awarded annually in the amount of $1,000. The recipient must be a Montana high school graduate enrolled at UMW as a full-time student, be in good standing, and have financial need.

The first recipient of the scholarship is Elizabeth Simonsen, a sophomore Psychology major and Statistics and Modeling minor. Izzi is a 2019 graduate of Beaverhead County High School and would like to pursue a master's degree in Social Work once she completes her undergraduate degree at Montana Western. She plans to focus her studies on sexual assault prevention, intervention, and education. Eventually, she would like to attend law school and assist those affected by assault and practice family law.

"We are pleased to establish this scholarship in memory of my parents, who always stressed the importance of a college education. It was important to them, and it is important to us," commented Garry Link.

"The UMW Foundation is grateful for this tremendous scholarship support. We see the impact that every scholarship dollar has and can't begin to express our gratitude for establishing such a meaningful scholarship. Larry Link made a difference every day in the lives of WMC students. This scholarship in honor of Larry and Darlene will do the same," said Montana Western Foundation Director, Roxanne Engellant.

GIFT CARD/GUIDE TRIP GIVEAWAY!

Finding the perfect gift for the fly fisher just got easier — if you buy a Frontier Anglers gift card of $50 or more, your name will be automatically entered into a drawing for a free full-day guided fishing trip!

Give the trip as a surprise add-on to the gift card, or, to anyone you choose. A winner will be chosen by a random drawing on March 1st at Frontier Anglers, and the trip can be taken any time during the 2021 season.

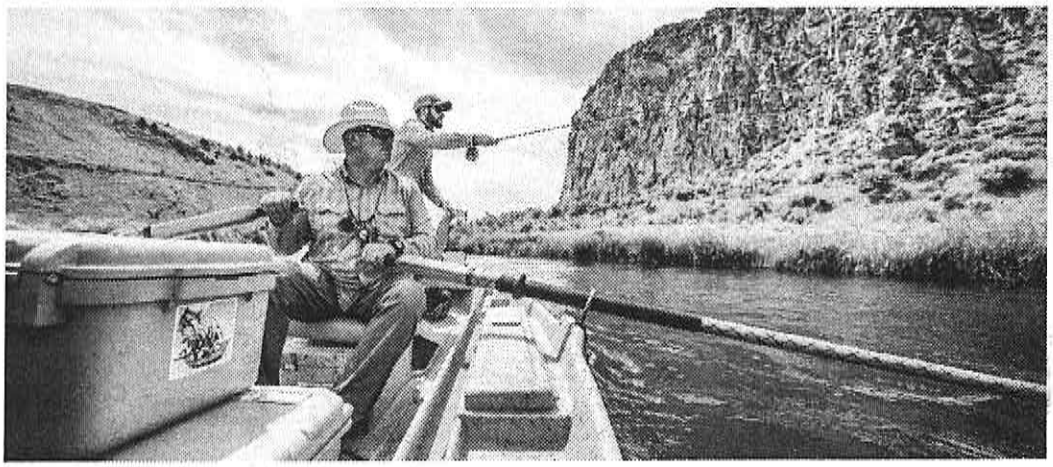

Cards can be purchased at the shop, over the phone, or online at www.frontieranglers.com.

And what the heck — you know you'll need at least $50 of flies and gear at some point anyway, why not give yourself the chance to win a day of guided fishing for a bargain-basement price?

Either way, make it a win-win this holiday season, with the Frontier Anglers Gift Card Guide Trip Giveaway!

OFFICIAL RULES

- No Limit on gift card purchases. Each gift card purchase gets one entry to the drawing.
- Employees are not eligible to win.
- Guided Fishing trip is not redeemable for cash. However, trip can be given to anyone winner chooses.
- Fishing trip is for two people.
- Notification of winner will be sent within 24-hours of drawing. Winner will have 14-days to claim their prize, or forfeit trip. In the event the winner forfeit's the trip, a second name will be drawn. The trip can be taken any time during the 2021 season.

MINIMUM AGE: Winner must be at least 18 years of age, or accompanied by a legal guardian over 18 years of age.

PRIVACY: Frontier Anglers will be collecting personal data of entrants in accordance with its privacy policy. Complete privacy policy can be found at www.frontieranglers.com

WHATS NOT INCLUDED: Fishing trip will include a full day on the river, via drift boat/raft, equipment if needed, all flies, and lunch. Trip does not include fishing licenses, or gratuity. Please notify us of any food allergies prior to the trip.

MISCELLANEOUS: By participating in the drawing, all entrants agree to release Frontier Anglers, its clients, and vendors from any and all liability for any loss, harm, damages, costs or expenses, including without limitation property damages, personal injury and/or death, arising out of participating in the drawing, or the awarding, acceptance, possession, use or misuse of any prize awarded. Entrants will waive all rights to punitive, incidental and/or consequential damages, or any others damages, including attorneys' fees. Persons found tampering with or abusing any aspect of the drawing, or who Frontier Anglers believes is causing errors, disruptions or damage will be disqualified. Sponsor's decisions with respect to the drawing will be final.
