## Dorothy "Polly" Clark LaDue, 92

Dorothy "Polly" Clark LaDue passed away on October 25, 2020 at the Tobacco Roots Mountains Care Center in Sheridan, Montana. She was born in Louisville, Kentucky on May 3,1928.

When she was two months old she was adopted by Charles and Dorothy Clark LaDue and was brought up as an only child. She arrived in Sheridan by train in July, 1928. Her first home was at Sunnyside, which is up Wisconsin Creek. When Dorothy was a pre-schooler her father commented that that her "long, coal-black braids were as black as a "polliwog". Dorothy was nicknamed "Polly" for the rest of her life. She went to grade schools in Sheridan and Louisville. When she came back to Sheridan she was behind in school . She had to repeat first grade but she didn't mind because she would get to play with the dollhouse another year. She graduated from the eighth grade at Sheridan. She attended Sheridan High School for her freshman and sophmore years. Her junior and senior years were spent at Shattuck St. Mary's School, an all-girl boarding school at that time. St. Mary's is an Episcopal affiliated school in Faribault, Minnesota and is still in existence today. Polly was the president of the Equestrian Team. The Brown Ranch was Polly's second home. At eleven years old Polly was an accomplished horsewoman. She showed three and five-gaited horses in competitions in Ogden,Utah, Great Falls and Missoula, Montana. Her favorite horse was Lula-Belle.

Polly's father and his brothers formed and incorporated the LaDue Sheep Company. The sheep company had two to three bands of sheep, 1500 in a band at that time. She talked about lambing season, shearing, sheepherders and taking the sheep to the summer range. The sheep were trailed fifty miles to the Ruby Reserve and the Black Butte areas. Polly said she "wasn't very good with arithmetic" yet she was the treasurer for the Order of Rainbow for Girls, Christ Episcopal Church, Rebekahs and Oddfellows, American Legion Auxiliary Post 89, and Duncan District Club for many years. Polly went through the state offices of American Legion Auxiliary starting as the

## Letter to the Editor

*Voters Please Think*

Re-posting a story...Too funny not to share:

My neighbors were just out walking their dog. During our friendly conversation, I asked their little girl what she wanted to be when she grew up. She said she wanted to be President someday. Both of her parents, Democratic Party members, were standing there so I asked her, "If you were President what would be the first thing you would do?"

She replied, "I'd give food and houses to all the homeless people." Her parents beamed with pride!

"Wow…what a worthy goal," I said... "But you don't have to wait until you're President to do that!"

"What do you mean?" she replied.

So I told her, You can come over to my house and mow the lawn, pull weeds, and trim my hedge, and I'll pay you $50. Then you can go over to the grocery store where the homeless guy hangs out, and you can give him the $50 to use toward food and a new house. She thought that over for a few seconds, then she looked me straight in the eye and asked, "Why doesn't the homeless guy come over and do the work and you can just pay him the $50?"

I said, "Welcome to the Republican Party!"

Her parents aren't speaking to me anymore.

## Letter to the Editor

### Veteran Organizations are Non-Political

I have been a Veteran Advocate for the Southwest Montana Veterans Home for twelve plus years, along with many of my brother/sister Veterans, in the six SW MT Counties who have been the pushers and supporters, that helped make it become a reality. Our six SW MT County Veterans, are diverse in their political beliefs, but when Veteran issues come to light, we all come together, being united to find solutions. How does that work, one might ask ? It works because most of us belong to a Veteran's Organization and all Veteran Organizations are non-political. We, in any of our Veteran Organizations, do not endorse a political candidate. This is part of our by-laws, created out of respect for our brother or sister veteran and their individual beliefs. Apart from that vet organization, and as an individual veteran, that veteran acts on their own political beliefs, can wear clothing/hats/etc. depicting what service they were in and support the candidate of their choice.

I'm a Life Member of the Marine Corp League, the VFW, the American Legion, the DAV. I am also a member/ Past Commander of the SW MT United Veteran's Council and a member of the SW MT Veteran's Home Foundation. I along with all the members in any Veteran Organization, in Montana or the USA, are strict in supporting each other, by being Non-Political. We invite Politicians to give presentations/speeches concerning "Veteran Issues" only. They are invited to speak at Ceremonies such at Veterans Day, Memorial Day, 9/11 and so on. We never only invite our Representatives from one Political Party, but from all political parties. This being said, my involvement on a day to day basis, with observing the VET Home construction and having written seventy one weekly update construction progress update articles, for the Butte Weekly/Dillion Weekly, I was asked to conduct a tour of our SW MT Veterans Home for Governor Bullock, the Press and the SW MT VET Home Foundation. I was honored to be asked and am honored to do so. Because of the "Political World" that our Governor is in, with his running as a Senate Candidate against Senator Daines, I have been accused of endorsing Governor Bullock. This is not true, for what I am doing is showing our Governor, the press and some veterans, what our beautifully built South West Montana Veteran's Home is looking like at this stage of construction. I'm proud and privileged

to be a veteran, who has been able to have a part in this SW MT VET HOME creation. I will show it to anyone, I'm allowed too, including Senator Daines. In this capacity, I don't endorse anyone, but am appreciative of any help that has been given, by any of our political representatives who have made our SW MT Vet Home become a reality. What the political candidates do, in their campaigns against each other, is between them. I would ask of any of our political candidates, please don't be seeking the endorsement of veterans operating within the capacity of their Veteran Organizations. They'll make their own choices as individuals, apart from the veteran organization they are part of.

## FWP collects 352 samples to test for CWD during opening weekend

The Montana general big game season opened Oct. 24, and hunters from around the state submitted lymph nodes from the lower jaw of their harvested animals to be tested for chronic wasting disease. Montana Fish, Wildlife & Parks collected a total of 352 samples. Most came from the northwestern Montana, where CWD was discovered last year.

Here is an FWP regional breakdown of sample numbers:
Region 1: 173
Region 2: 7
Region 3: 56
Region 4: 6
Region 5: 11
Region 6: 39
Region 7: 60

CWD is a contagious neurological disease that infects deer, elk and moose. It is always fatal and there is no known cure. It was first found in wild deer in Montana in 2017. It is not known to infect humans, but it is strongly recommended that people not eat meat from infected animals and to have their harvested animals tested before eating them if they were taken from an area where CWD is known to exist.

FWP is continuing CWD surveillance this year in priority surveillance areas located in northwest, southwest and eastern Montana. Hunters who harvest deer, elk or moose in these areas are asked to voluntarily submit a sample from their animal to help gather additional data for that area. This information will be used to help inform the best management strategies for the affected hunting districts.

FWP will cover the cost of testing hunter-harvested animals for CWD. Hunters should look online for information on how to take a sample themselves and submit it for testing or bring animals by an FWP regional office for sampling. FWP will have CWD check stations in the priority surveillance areas. Sample submission is voluntary throughout Montana. For more information on these surveillance areas and how to submit samples for testing, visit fwp.mt.gov/cwd.
