Jacob James Diehl III

Jacob James Diehl III, 78, of Dillon, MT passed away October 31, 2020.

Born February 20, 1942 in Fayetteville Arkansas to Edith and Jimmy Diehl. Jay was an officer in the army and graduated from OSU. He enjoyed blackjack, flyfishing and spending time with his family. We were all looking forward to his Colorado move.

Jay is survived by his wife BJ Diehl, sister Sarah Voegeli, daughters Kelly Tarr, Laura Downie and Tracey Yaeger and many grandchildren.

Private family services are being held.

Thank you

A huge thank you to everyone involved in extinguishing the fire and keeping damage to a minimum

Judy Brown & Sharon (Brown) Cummins

Beaverhead Planning Board

The Planning Board meeting scheduled for November 12th has been rescheduled for later this month.

They have around 373 Growth Policy questionnaires on line and about 28 hand-written ones to put us at a total of 401. (401 questionnaires / 9,404 Population of county = 4 percent of population responded)

The County will be closing the Growth Policy survey out on November 13th. The Planning Board meeting will be scheduled shortly after to review the results.

PLEASE - FILL OUT A QUESTIONNAIRE AND GET THEM TURNED IN BEFORE NOV. 13TH.

Growth Policy survey

We now have the link to our Growth Policy survey in the County's website, <https://beaverheadcounty.org/>

It is under news <https://beaverheadcounty.org/news/>, and under the land services <https://beaverheadcounty.org/departments/land-services-planner/>

Paper copies available at Womack's Printing.

FREE Headshot portrait

This Veterans Day, November 11th We will be doing a FREE Headshot portrait For any Veteran, active duty service member, as well as first responders. For more information or to set up a time, call 406-660-7041

Veteran's Day Dinner

The Klondike has unfortunately decided to cancel our annual Veteran's Day dinner. We hope to see you all next year!

American Legion Post 20

American Legion Post 20 will not be holding their annual Veterans day breakfast on 11 Nov. 20. Due to COVID 19. IT is with a heavy heart we do this. we can pray that all dedicate their day in honor to all those who have served. Let us take a moment at 11 am 11 - 11 - 20 to reflect on all those who gave their all. signed Charles R Thompson Sr. Commander American Legion Post 20.

24th Annual Community Thanksgiving Dinner

Due to the continuing Covid-19 concerns in Dillon, we are cancelling the 24th Annual Community Thanksgiving Day Dinner this year. We want to thank everyone who has supported us in the event.

Questions, So Many

By: MJ

It has been hard for folks to find 'joy' in their lives with fears of; Coronavirus, fear of hospitals, not being able to see loved ones when seriously ill, incomes destroyed, politicians spewing "untruths," hatred being displayed, minimal socializing and list goes on and on.

The corona virus pandemic has presented many unknowns to the scientific & medical fields. The lack of information has created new challenges for all of us. People in leadership positions are aggressively stating their own opinions of what should or should not be done, yet they have a lack of understanding and clear directions themselves. We have not seen these leaders lose their paychecks, yet we have seen them take the entire salary from families via closures of businesses.

When talking about masks remember we are talking about filtering particles as small as a **nanometer-sized** aerosol particle through a mask. **Example:** One human hair is about 100,000± nanometers in diameter. Viruses are usually much smaller than bacteria with the vast majority being submicroscopic.

Masks Questions: Are all kinds of masks such as paper, or cloth capable of virus protection and filtering respiratory droplets produced by just being alive, talking, singing, breathing, coughing, sneezing... What size droplets can pass through a mask? If you wear a mask does it protect you from other people's droplets or does it protect others from your droplets...? What type of

mask should one wear; a N95, or a surgical mask...? Does a cloth mask protect you and if so what type of material must be used, what type of weave, how thick of material, can you wash them...? I have no doubts that mask help however I don't agree that all masks are equal in dispelling the droplets.

How long does the droplets that fall onto a surface like cardboard, plastic, counters tops, and metal remain contagious? Can we get the virus from groceries? What is the effect of social distancing and what is the distance? Is it true that once a person is infected, it takes a period of time known as the 'latent period' before they are able to transmit the virus? Why a 2-week quarantine period?

Why are some organizations trying to make law enforcement officers ticket people "not wearing" masks? Will the Beaverhead/Dillon Human Health board help us to understand their actions? Why are officialdoms enticing neighbors to tell on neighbors when it comes to wearing masks? Why are masks not worn in some offices and worn in others? People's droplets freely float with the air current and fall onto surfaces.

Why are the organizations insisting on mask wearing yet they are keeping the people in the dark when it comes to giving us facts on what works and why it works and what don't work? How many masks are being worn today that does nothing when it comes to protecting us from the virus? NOTE: When individuals understand the (why's) they are more in tune with the doing. Is the 'why' tied to money?

Follow the Constitution, not small, often unelected groups. Remember past history when people were divided & turning in each other to authorities? 1,000's was loaded into cattle rail cars and sent to death chambers. Dividing people by destroying them will not make for a rosy future.

Give us knowledge, truths, help us to understand the "whys" and we will help.

Southwest Montana Veterans Update #75

By Mike Lawson

Greetings once again to you, the Veterans/Counties/Communities of SW MT who are the organizers and supporters of the SW MT Veterans Home. The outside Site work came to a screeching halt, for a few days other than the Siding Crew working on Cottage #5 and the Maintenance/Receiving Building. The latter part of the week, saw the Cement Crews and Zemljak Excavating, working outside. Liaison Mark Gollinger and I, did a walk-through of all the Cottages and the Community Center on Friday. Mike Ascherman and John Kotka, also gave me a good run-down of what happened during this past week and what is expected to happen in this week we're in.

Site Construction Updates:

Community Center:—Interior: The big news is, the heat in this building is self sufficient. The start-up of the mechanical systems passed inspection, which means the boiler is lit and supplying heat, the air exchange systems are running, dampers are working and the Johnson Control systems/programing, to run all of this, are complete and making everything run according to plan. Anytime the start-up crews do their start-up in a new facility, there's going to be adjustments that need to be made. Fortunately everything went smoothly with only a few minor adjustments needed. The Electricians were finishing their final trim work, concerning light switches and light fixtures. Moving furniture into this building will happen, in the very near future.

Exterior:—The patio on the East End was poured and all the side walks around this building are poured.

Cottage #1:—Interior: The first thing I noticed when entering this Cottage, was that the lights were on. We made it a point to turn the lights on and off in different sections of the building and were pleasantly impressed. The Electricians are close to having their trim-out work complete. As with the Community Building, the Mechanical Systems are complete and are up and running. This Cottage's heat is self sufficient and the lights are on. The Plumbers were installing sinks/toilets. The Flooring Crew are now in Cottage one and have a lot of flooring to lay down.

Exterior:—Some of the sidewalks were poured but still some left to be done.

Cottage #2: Drywall/taping and painting about done in the east resident wing and are now concentrating on the north resident wing, as well as the central area. The Carpenters are trimming out/hanging doors with in the Resident East Wing. They'll move right into the Resident North Wing once the east

wing is completed. Johnson Controls are running their wires for their rough-in.

Exterior:—Nothing at this time.

Cottage #3:—Interior: This Cottage is well ahead of Cottage #2 and biting at the heels of Cottage #1. The Plumbers are continuing to do gas line installation. The Tile Crew are doing the labor intensive work of laying tile. All the bathroom floor tile is laid and the wall tile is installed up to the border tile (about 5' high) in all the bathrooms/showers in the East Wing.

Exterior:—Nothing at this time.

Cottage #4:—Interior: The Metal ceiling framework continues. HVAC and mechanical insulation continues. Johnson Control continues to do their programming.

Exterior: The siding is still in progress.

Cottage #5:—Not much happening here. When they can break free to do some work on this cottage, the Plumbers, Sheet Metal Workers and Electricians continue to work on their rough-in work.

Exterior: The Siding Crew are getting close to having their wainscoting siding installed and are close to getting the colored portion of the siding started.

Maintenance/Receiving Building: Some soffit/facia work. The garage doors are expected to be delivered this week, at which time they will be installed.

Site-work:

Zemljak continues to do sidewalk prep for the cement finishers as well as the final ground grading.

RK Concrete: Continuing to form and pour cement for mainly sidewalks and some patios. Due to the cold weather the ground has to be heated and the insulated ground blankets have to cover the concrete, for it to cure correctly.

As you can see, progress is being made, more so in some buildings than others as is the overall expected building procedure. It's fully expected that residents will be admitted in Cottage #1 before the end of the year, with Cottage #2 & #3 not long afterward.

Not a lot of Veteran News this week. The new Veteran Medical IBOC building did get footings poured and the footing walls are being formed. Probably get poured this week or next.

Please stay safe by masking and distancing so these Covid-19 numbers start to come down. We're in a frightening time and I pray by this time next year we'll be a healthier nation with a vaccine and medicine to treat those who are sick with it. Take care until next time.

Susan McRae, CPA has an immediate opening for an experienced Staff Accountant who is a service oriented, personable, self-motivated team player and enjoys face-to-face client contact to service our small to mid-size business clients. This is a full-time position, with overtime at the discretion of the Supervisor during the busy season.

Successful candidates will be responsible for assisting and supporting our professional staff by providing bookkeeping, data entry, general accounting, payroll preparation, and basic tax return preparation and compilation.

Requirements included:

- Degree in accounting or related field. Experience in lieu of a degree will be considered.
- 3+ years of relevant experience within a professional setting.
- Strong computer skills with experience using Microsoft Office and Quickbooks.
- Must have strong organizational skills, be detail oriented, and can multitask.
- Possess effective communication skills.
- Ability to work independently on assigned tasks as well as to accept direction on given assignments.

Compensation is \$14 to \$18 per hour depending on experience. Benefit package includes:

- Simple IRA (with employer matching)
- Health Insurance
- Paid Time Off
- Sick Pay
- Flexible work schedule in off-season

This job is a good fit for applicants with a desire to obtain a career in accounting at a high paced office. If you are interest, please send application to susan@smcraecpa.com along with start date of possible employment.

SHIPPED STRAIGHT TO YOUR DOOR!

To all of Beaverhead County

I would like to thank you, the Beaverhead County voters, for your continued support on Election Day.

I need to say a personal thank you to my wife and Campaign Treasurer, Sharon, for the awesome home support that is necessary when holding public Office. Also to many friends and neighbors, who called, offered to put up campaign signs and spoke to me in passing.

I'm very appreciative and consider it a privilege to serve as your County Commissioner.

Thank you again - Happy Holidays.

Tom Rice

THANK YOU

I am again humbled by the tremendous support I received in my re-election campaign for Montana House District 72. I look forward to continuing to represent you in the Montana Legislature as we address not only Montana's challenges but also our opportunities.

THANK YOU for your continued support!
