A family project!

Love in a shoebox!

This is part of a national effort to help children across the country and around the world. Everyone can help!

If you would like to support this project, this is what it involves:

1) Put together a shoe box to send to a child, or
2) Make a Donation – every donation helps. Shipping costs $9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be November 16th, 2020. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required.

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.
Mary has extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks...depends on the age and gender of the child. There are more ideas on the Operation Christmas Child website. https://www.samaritanspurse.org/what-we-do/operation-christmas-child/

4. Please include $9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (Mary has extras if you need one).

Let's work together to brighten a child's life!
Thank you!
Mary Bearden

TRIXIE

By "Swede" Troedsson

I finally asked my veterinarian to put my dog, Harry, down to the final sleep. I had Harry for over thirteen years. Parting was not easy, but it was time.

Ten days later I purchased a six month old Border Collie from a breeder in the Missoula area. She was a good looking dog, but extremely shy, and appeared terrified of me. I suspect it was lacking in human interaction. I had my doubts as to whether I had the patience to get the dog to bond to me.

I began to question my obtaining a dog so young. What was I thinking? I think my grief over loosing Harry clouded my good judgment. I am 86 years old. How long could I give this young dog a "forever home"?

The next day I kept a previously scheduled appointment with my physician. I mentioned to her the loss of my dog, and my acquiring this young dog. My physician mentioned that her sister would go

to the local shelter and adopt the oldest dog in the shelter. She would provide a good life for its' remaining years. That stuck with me.

That evening, on Facebook, I saw a ten year old dog offered for adoption in Stevensville, MT. The Facebook posting included a photo of the dog. The dog's original owner had suffered a stroke, and was in a rest home. A friend had signed on as an "agent" for the dog, and had it for about 4½ months. The dog's name is Trixie. The offer for free adoption was facilitated by the Home to Home shelter network, (home-home.org), a non-profit pet adoption agency. In a phone conversation with the agent, I was informed that Trixie had all her immunizations, was spayed, and was micro chipped. Trixie came with her dog bed, blankets, leash, food, and toys. Trixie is housebroke, friendly and a good traveler in a car. What a deal! I thought: "This dog is for me!" I expressed an interest in adopting the dog. The agent stated that the reason she was putting Trixie up for adoption was because her cat did not like the dog, and the dog did not like the cat. She stated emphatically: "The cat comes first!"

The next day I returned the Border Collie and got my money back. The day after I drove to Stevensville and picked up Trixie. All of this occurred in a span of four days.

What a sweet dog! She immediately bonded to me. I couldn't be happier. My "geriatric" dog and I will grow older together.

A Community Coronavirus Conversation: Facts, Fiction and Asking Hard Questions.

To help address the publics' questions about this virus, a community forum will be held this Thursday, November 12, 2020 at the Beaverhead County High School auditorium at 7 PM. Because of COVID-19 restrictions, admission will be limited to the first 50 people who arrive. Appropriate spacing will be set up, and masks will be required. The forum will be broadcast on Facebook Live as well as on KDBM/KBEV radio.

Dr. Ron Loge will moderate the session. Dr. Anna Loge and Dr. Michael Clark will provide insights on the impact of COVID-19 on our families, neighbors and well as the hospital and staff. An internationally renowned infectious disease specialist with extensive experience in dealing with Covid-19, Dr. Peter Pappas from the University of Alabama, will discuss his knowledge of treating and managing this disease in his hard-hit state. He will address both facts and misconceptions about coronavirus that the public grapples with. Questions are encouraged from the audience to bring out all concerns so that we as a community can together keep each other safe and keep our businesses and schools open.

Attend in person or tune into KDBM, 1490 AM/KBEV, 98.3 FM. Watch on the Web at Facebook Live.
