Linda Rae Peters

Linda Rae Peters, 71 passed away November 13, 2020 at Barrett Hospital and Healthcare after a prolonged battle with cancer.

Linda was born December 13, 1948 in Billings, Montana to Tony and Rita Price. She grew up in Billings and graduated from Billings Senior High in June, 1967. She attended Montana State University 1967-1971 and graduated with a degree in

Business Management.

In June, 1970 she married Robin Stiff in Billings. Their only child, Jason Stiff, was born September 27, 1971. They later divorced in August, 1975.

Linda and Jason relocated to Helena where she worked at the Bank of Montana and later at the Montana Department of Justice.

In 1978 Linda and Jason moved to Dillon, Montana where she married Ken Peters. They formed a loving family. She was a stay-at-home mom for several years as Jason got involved in activities after school in middle school. She went back to work and worked for 17 years at the Doctors Clinic. In 1991 she earned her Certified Medical Assistant status and was active in that capacity for many years. She also worked for Dr. Robert Romers' dental practice for several years.

After a number of health problems, she retired in 2007. In 2008 she and Ken built their new home which they loved. Linda enjoyed traveling and especially loved their trip to Scotland and Ireland in 2001. They took numerous golf trips in many areas of the US, one of the highlights was playing the golf course at Pebble Beach on her 50th birthday.

Linda loved taking care of her home, bike riding, walking, exercising, playing golf, cooking and baking. She is survived by her wonderful husband Ken, and their son Jason. She is also survived by her amazing sister, Vicki Gilman (brother-in-law, Gary) and nieces Cori (Brian) Roush and Toni (Sam) May sister-in-law Rae Paulik and Kerel (Carl) Henderson, brother-in-law Kon (Virginia) Peters and several nieces and nephews.

She had many endearing friendships that lasted decades. She was so grateful for such true and loyal friends. She was preceded in death by her parents and brothers-in-law Duane Pavlik and Keith Peters. "I believe when death closes our eyes, we shall awaken to a light of which our sun is but a shadow." GREAT HARVEST NOVEMBER FUNDRAISER CANCELED

It's with a heavy heart that we inform you that we are cancelling our November Bake Days. With the record high COVID cases, the governor has asked folks to stay home if possible. We could not in good conscience move forward with our event and gather the crowds that we know will gather! Thank you for your understanding and we will resume Bake Days once it is safe to do so.

SKY CRANES

By "Swede" Troedsson

In 1994 I was assigned to the Kootenai Complex Fires as an Air Support Group Supervisor. The Kootenai National Forest had sustained a record lightning storm. Two spotter aircraft were launched. There was so many lightening fires, that eventually the smoke grew so thick the aerial observers could no longer spot the fires, so they had to land.

A Sikorsky S-64 Sky Crane was assigned to one of the fires. It was sucking water out of a lake with a recently developed "snorkel" system. The lake was in the Libby municipal watershed. On its' last trip, the pilots could not shut off the pump, and the Sky Crane slowly settled into the lake. The pilot and copilot had to swim to shore.

That same year (1994), I was assigned as Air Support on the Thompson Creek Fire. The fire was south of Livingston, MT. Dude ranches and summer day camps were threatened. The evening prior to my dispatch, on the TV news, I watched as day camp children were being evacuated on school buses. I anticipated the dispatch, so I packed my red fire pack.

The fire grew into a large "project" fire. We had fifteen helicopters, which included a Sky Crane, and several Montana Air National Guard helicopters. The helicopters were burning in excess of 25,000 gallons of Jet A fuel every day. A jet fuel bulk dealer from Bozeman parked a large fuel truck at the helibase and let the helicopter crews sign for the fuel. With seven spike camps to supply with helicopters, I had over 150 personnel, including helicopter crews, in my helibase organization. I ordered a Deputy Air Support and a Deputy Helibase Manager to assist us in this extremely busy helicopter operation.

A retired Southwest Airlines luggage handler had signed on and was assigned to the helicopter cargo ("helicago") operation. At a morning briefing, in jest, I introduced the retired baggage handler. I advised the helicago personnel to keep an eye on him to make sure cargo was flown to the proper spike camps.

As the fire wound down, the Sky Crane was released to return to Oregon. It flew into the Livingston Airport to top off fuel for the flight back home. The Sky Crane pilot asked the FBO (Fixed Base Operator) if he could "hot fuel". The FBO said OK, so the pilot taxied up to the pump to take on fuel with engines still running.

After about ten minutes, the FBO felt a tap on his shoulder. He turned around. It was the pilot telling him to shut it down. The Sky Crane was burning the fuel faster than the FBO could pump it in. (The Sky Crane burns over 500 gallons per hour.)

The Sky Crane departed the Livingston airport, and flew to the Bozeman Airport to finish topping off its' fuel.

Dillon Middle School News

Here's the Dillon Middle School News for the week of November 16 to 20, 2020.

The lunch menu for the week is as follows: Monday we will have beefy noodles served with a dinner roll. On Tuesday, we will enjoy chicken patty sandwiches with trimmings. On Wednesday, local beef hamburgers will be served with trimmings. Thursday, we will have pulled pork sandwiches served with cabbage salad. And on Friday, Chicken fajita tacos will be served with trimmings and black bean and corn salad.

This week in cross training, 7th and 8th grade girls will be doing weight training and cardio work outs. Eighth graders will participate on Monday and Thursday, while 7th grade girls will participate on Tuesday and Friday. Remember, ladies, "No matter how slow you go, you are still lapping everybody on the couch."

This week in boys' basketball, the "B" teams will host Deer Lodge on Thursday, November 12. Games begin in the Parkview gym at 4:00 PM for 7th grade and 5:00 PM for 8th grade.

Red Ribbon Week was a lot of fun at DMS. Even though there were certain activities we could not do this year due to covid, we had great participation in the activities that were sponsored by Student Council. A great big thank you to each student council member for all the work they did to make the week a success. As we leave Red Ribbon Week, we won't forget the commitments that we have made. This year's theme, BE HAPPY...BE BRAVE...BE DRUG FREE is a reminder that by staying drug free, you are sending a message to yourself and others about how much you value yourself, your overall health, your community and your future. As a Middle School student body we are committed to supporting healthy drug free lifestyles....Here's something for our listening audience to think about...."Life does not rewind...Be Smart...Don't Start."

The Beaverhead ACEs Task Force reminds parents no child is destined for an unsuccessful future IF they're given opportunities to build resilience...Develop self-esteem... Master a skill...Given choices...and Learn to work as a team. Building resilience can be easy. Healthy families build strong, resilient communities.
