Lonnie Jay DuBois - Service time correction

August 26, 1966 ~ January 3, 2021

Lonnie was born in Dillon on Aug. 26, 1966 to Dave and Deeann DuBois. He was the 2nd out of 7 children. He grew up in Dillon and Belcourt, N.D.

While in UT he met and married Mindy Jo Anderson & gained a son, John and together they had another son, Lyndon James "LJ". They later divorced and Lonnie moved to Avondale, Az where he met Debra Sanders and he gained 3 more children, Bernida, Jerry & Bobby.

From all of his children he gained 20 grandchildren and 3 great grandchildren.

A little over 2 yrs ago they moved to Medford, Or. He worked there until the cancer made it impossible to work any longer which drove Lonnie nuts.

He came back to Dillon on 12/27/2020 and landed in the hospital early that morning. They let him come home 4 days later where he passed away peacefully surrounded by his family.

He is survived by his 2 sisters, Candis & Kari Jo, 3 brothers, Dave, Jonathon & Seth, daughter Bernida, 4 sons, John, LJ, Jerry & Bobby, the Love of his life Debi, his favorite Uncle Rick (Paula) DuBois, several Aunts & Uncles, Numerous Cousins, Nieces & Nephews, and his world, the grand babies & great grand babies.

He is preceded by his parents Deeann & Dave Jr., sister Jolene, grandparents; Addie, Louie, Cis, Dave Sr. & Grandpa Al, granddaughter NyJada & great granddaughter Iona, Aunts Vaneasa Buell & Isabell "Diz" McAlpin, Uncles Andy Erickson & Larry Erickson, cousins Michelle, Echo & Dawn.

A funeral service is scheduled for Friday January 8th at 1PM at Brundage Funeral Home.

Tracie Zetler-Cornwell

08/08/1957 - 12/30/2020

On Wednesday, December 30, Tracie Zetler-Cornwell passed away peacefully at the age of 63.

Tracie was born on August 8, 1957 in Ennis, MT to Dorothea and Alan Zetler. She spent the first part of her childhood in Bozeman, MT where she grew up with her loving parents and siblings Peggy, Mark, and Kimberly. In 1969, the family moved to Dillon, where Tracie graduated from high school before

moving on to receive a bachelor's degree in construction technology and drafting from MSU-Northern in 1981. Two weeks after graduating, she was hired on with Montana Power

Dillon, MT Since 1991

Company in Butte where she worked for 32 years. Around the same time, she started making a home for herself in Cardwell, where she raised her two daughters, Sarah and Allison, and eventually married her best friend Scott.

Tracie was able to retire early at the age of 55 and spent the remainder of her life hiking, gardening, and adventuring with her "boyfriend". They would snowbird together at their home in Arizona every winter, giving her the opportunity to garden all year long.

Tracie was smart, strong-willed and proud of her work. She would light up when talking about her career and co-workers. She found great joy in raising her daughters, giving them her strength and sense of adventure. Later in life, she loved spending time with her grandchildren. She enjoyed exploring and hanging out with her girlfriends as well. Many weekends you would find her on a bike ride, ski trip, or going to a concert with the girls. Tracie also spent many years of her life renovating a beautiful 100 year-old farm house in Cardwell, finally finishing it with Scott after retirement. She called it her "happy place". Working in the garden and the flower beds there was where she found the most peace.

Tracie was preceded in death by her mother, Dorothea. She is survived by her father Alan Zetler, husband Scott Cornwell, her daughters Sarah Karlsgodt (Andrew) and Allison Perin (Luke), her siblings Peggy Zetler, Mark Zetler and Kimberly Frank, her two grandchildren Kolten & Dawson and several cousins, nieces and nephews.

A small memorial service for close family will be held in the spring. If you would like to commemorate Tracie's life, please make a donation in her name to the American Diabetes Association, an organization that she fundraised for throughout her life. Or, sign up for their Tour de Cure bike ride, an event that she loved participating in with her friends and daughters. More information at diabetes.org.

Western Lady Bulldogs

Brynley Fitzgerald hit a driving layup with 3 seconds remaining to give the Bulldogs the win, holding off a late Rocky rally.

Montana Western started the 3rd quarter on a 17-2 run to blow open the game. However, Rocky would not go away quietly behind a potent 3-point attack the Battlin' Bears clawed back into the game taking a 70-66 lead with 30 seconds remaining. Free throws were the key in the final seconds as the Bulldogs went 4-4 while RMC only connected on 1-4, setting up Fitzgeralds heroics.

Sydney Sheridan scored 19 points for the Bulldogs Brynley Fitzgerald finished with 14 points, eight rebounds and two assists.

For Rocky Mountain College Shauna Bribiescas scored 21 points, three rebounds, three assists, and five steals. Mackenzie Dethman scored 12 points and 6 rebounds.

Bev's Bites

Recipe by Bev

Bacon Sausage Chili

10-12 Servings

3 Tbl Olive Oil
2 Cloves garlic, minced
1 Onion, diced
1 Carrot, shredded
1 Bell pepper, diced
1 lb. Ground beef
1 lb. Bacon sausage - other sausage
3-4 Tbl Masa (corn flour)
2-3 Tbl Chili Powder
1-2 Tbl Paprika
1-2 tsp Cumin
1 Tsp Oregano
½ tsp Cayenne pepper
½ C. Strong coffee
1 piece Chocolate (from a Hershey bar)
1 can (15oz) diced tomatoes, with juice
1 can (15oz) tomato sauce
1 can (15oz) dark red kidney beans, drained
1 can (15oz) light red Kidney beans, drained
1 can (15oz) Cannellini beans, drained
1 can (15oz) Corn, drained
1-2 C beef broth or water
Salt & pepper to taste

Heat oil in soup pot over medium heat. Add garlic, onions, carrots and bell peppers and cook until translucent. Add beef and sausage and cook till browned. Add corn flour, chili powder, paprika, cumin, oregano, cayenne and cook 1 to 2 minutes. Add remaining ingredients and simmer 20 to 30 minutes. Season.

Bev's Bites

Recipe by Bev

Corn Bread

2 boxes corn muffin mix (Jiffy)

2 eggs

2/3 c Milk

Mix muffin mix with eggs and milk. Can put on top of chili before cooking the 20-30 minutes and bake at 400 for 20-30 minutes. Or put in 8"x8" baking dish and bake at 400 till toothpick comes out clean.

CHAIN HOIST

By "Swede" Troedsson

From 1961-1963 I was stationed on the on the Colville National Forest, WA. The District Ranger on the Colville Ranger District was Glen Marriott.

Glen's District had a maintenance shop that was envied by all the other District Rangers. However, Glen's district shop lacked a chain hoist, and he desperately wanted one.

The U.S. Government periodically publishes a list of surplus equipment. A federal agency can acquire surplus items for the cost of the freight. Glen noticed that there was a chain hoist available from the Army base at Fort Lewis, WA. So he ordered it.

Sometime later Glen received a call from the Freight Agent at the Tenasket, WA, rail station. The Agent informed Glen that his chain hoist was sitting on a pallet on a railroad flatbed. Glen was advised to arrange for a fork lift to load it onto his truck.

The chain hoist was one used to lift tank turrets! Glen only had use for the hoist chain.

Southwest Montana Veteran's Home. Update #84

By Mike Lawson

Greeting once again to you, the Veterans/Counties/Communities of SW MT., who are the organizers and supporters of the SW MT Veteran's Home.

It's a Saturday night, on the second of January, this new year of 2021. Our country is in an uproar between Covid-19 and our political nightmare that's going on. It's sad to see the divisions among our citizens, but here in Southwest Montana at our SW MT VET HOME, we see a wonderful common cause supported by all of you. The plan is for the first few resident veterans to be admitted to Cottage #1 this week. Since the Community Center and Cottage #1 were turned over to the Contracting Company Eduro, who will operate this our vet Home, these buildings are now, being fully staffed. When Liaison Mark Gollinger and I did our walk-through last Thursday, the whole demeanor of these buildings, was very much different then in the past. The staff led my the our Veteran's Nursing Home Administrator Brenna Anderson, is continuing to move into their respective building and getting things organized/put together. Food is being purchased for the incoming residents.

Because of the Covid-19, this will probably be the last time for me to go through Cottage #1 for the foreseeable future. The resident veterans living there, will need the upmost protection, until their vaccinated and this Covid-19 pandemic is under control. Anyone working in Cottage #1 or anyone who is authorized to go into this Cottage, will be tested for Covid-19 on a frequent basis. The upmost safety precautions will be followed, including masking, distancing, frequent hand washing, etc.. A lot will be going on in both buildings as people are being trained in their particular work areas and getting lined out as to what their duty performances will entail. Once some of the inspections are passed/certified, more Resident Veterans will be admitted, until this Cottage is filled with the allotted twelve residents. This process will continue when Cottage #2 is opened for occupancy. Once this Cottage is filled with residents and has passed the required inspections, the VA will come in to do their inspections, which are said to be very stringent. Upon the inspection/certification process being completed, the VA will start paying their portion of the cost for each Resident Veteran. This is a great protection for the well being of our Veterans, who will call this home.

Construction Updates:

Community Center—Interior: After this week, very few if any, construction workers will be in this building. Most of the punch-list stuff is completed. This building is now open for business, to be used as it was intended.

Exterior: Mostly finished. Two metal benches were installed on each side of the Entry Door. Beautiful Metal Handrail Fence was installed along the back sidewalk. The Siding Crew still have a little bit of rain-gutter and down-spouts to install.

Cottage #1: Lots of punch-list finish work was completed. The ductwork and piping insulation in the Mechanical Room, was completed. Painters finished

their punch-list painting.

The patient man-lift motors were installed to the overhead rails in each of the resident rooms. A portable Man-lift will also be in the Cottage, for use. The supplier will train the Eduro personnel how to operate these man-lifts. The bay window bench pads are in place for the residents to sit on and look out their bay windows. The final cleanup is done. The furniture is in place throughout this Cottage and looks great. The kitchen equipment/utensils/dishes etc. are in place and being organized by Enduro's "Food Service" personnel. They are also purchasing/stocking food for the soon to be admitted resident veterans. This building is now under Eduro's control and the Contractors, with the exception of the Communication Data Cable guys and McKinstry doing some programing, will not be back into this Cottage except for minor adjustments. They'll have to mask/distance and get tested to be in this building.

Exterior: The fence around the back patio and the one on the top of the west retaining wall are installed. They look great. The rain-gutter installation is completed. All the Fab Actuators on all the exterior doors are working appropriately. Two exterior metal benches were installed.

Cottage #2—Interior: The Electricians continue to pull some wire, as well as doing some trim-out of lights/light-switches/outlets/etc.. The Plumbers finished installing the Zone Valves in the Mechanical Room. Johnson Control finished the Zone Valve and Air-Handler low voltage wire hookups. They were also installing the thermostats, in the resident rooms. The Carpenters were hanging doors/casing, working on the lighted shelves, on the upper part of the walls, in the Dining Room, Living Room and the Den. They were doing the cut-outs for the door actuators, as well as running low-voltage wire to them and the card readers. The Data Cable guys were running wire that will eventually be hooked into the Charter Communications Network. Derrick the Sheetmetal Foreman, trimmed out the louver vents for the Air-Handlers.

"Yellowstone Acoustical" installed the T-Bar metal ceiling framework, for the acoustical ceiling tile, in the Corridors and the Spa Bath. They also installed the border tile in this framework.

Exterior: The Siding Crew finished installing the rain gutter downspouts. The Cement Finishers poured the Bench Pads as well as the cement for the Veteran Medallions, surrounding the rear patio. The Medallions were imbedded in this cement.

Cottage #3:—Interior: The Plumbers were trimming out toilets/sinks in the resident room bathrooms. They were also working on the hot-water piping going to the Air-Handlers and the Zone Valves, in the Mechanical Room. Electricians were trimming out lights/switches/outlets. The Carpenters were installing the FF&E package, consisting of soap/towel/sharp needle/etc dispensers, as well as the shower

curtain. They put bathroom doors back up. They also installed TVs. Johnson Controls completed their work in this building. "Complete Communications", the data cable guys, continue to work on the low voltage communication wiring. Yellowstone Acoustical has all the metal T-Bar ceiling framework completed and have installed some of the acoustical tile. The Fire Alarm folks were pulling low voltage wire for their alarm systems.

Exterior: The Siding crew was working on the rain gutter downspouts.

Cottage #4—Interior: To quote John "The Tapers are slinging mud". The sheetrock is hung and the tapers are making good progress on the taping. It's very possible that the painting will start this week. The Plumbers are doing rough-in and running gas piping to the Air-Handlers.

Exterior: The Siders are working on fascia and rain gutter installation.

Cottage #5—Interior: The Sheet-Rockers started to hang sheetrock last week and will be in full force work crew in there this this week.

Exterior: The Siders continue to work on fascia and soffits. The RK Cement Finishers poured the back patio.

Electric Vault Building: It was sheet-rocked. It will get taped and probably painted.

Emergency Generator; Factory Rep is scheduled to be in this week to oversee the hook-up of it to the electrical system as well as provide training to Eduro's Maintenance Personnel.

Receiving/Maintenance Building: Plumber did his rough-in. Scheduled to get taped this week or next.

Entry Gate Construction Fence along Blacktail Loop Road: This fence will be moved back inside the construction site. This will separate the Community Center and Cottage #1 from the active construction area of the other Cottages. It will also allow the Eduro Personnel to have their own parking and be separated from the ongoing construction activity.

This past week was busy and exciting with Eduro taking control of the Community Center and Cottage #1. The first few resident veterans will be admitted this week. Things are moving quickly and Cottages #2 & #3 are scheduled to be turned over to the State at the latter part of this month. With that said, this is the year our Legislature will meet in Helena. We will be testifying for some bills that will seek money to build Cottage #6 which was on the blue-prints. It's a bipartisan requested issue, as this SW MT VET HOME is non-political, in that our residents will be of different persuasions. Our Veteran Home Foundation will have met at the SW MT Vet Home, "Community Center", the Monday before this paper comes out. Take care, be safe and follow the Covid-19 guidelines, not only for your health but for your loved ones as well. Until next time. :)

Advisory Council

The 2020-21 holiday season is unlike any other before. Holidays are often challenging, but COVID-19 created a major upheaval for all of us. Here are some helpful tips & insights to use during this unpredictable time.

NEW YEAR'S RESOLUTIONS

Make some time for yourself. Spending just 15 minutes alone, without distractions, may refresh you enough to handle everything you need to do. Take a walk at night & stargaze. Listen to soothing music. Read a book. Take a bath or warm shower. Download technology apps to practice mindfulness.
